"Keeping the Spirit of Lincoln Alive!"

17 RECEIVE SCHOLARSHIPS

\$10,050 Awarded in CLHSAA's First year!

by Genny Burlingame '57 and Jeff DeMarzio '71

Fifteen of the seventeen scholarship recipients were able to attend a reception held in their honor at the Canton Garden Club.

SCHOLARSHIP RECEPTION JULY 25, 1990

A reception was held on July 25th 1990 at the Canton Garden Center to recognize the recipients of the scholarships awarded by the CLHSAA. This culminated the work done by a committee that, between November, 1989 and February, 1990 met to formulate guidelines for selection and interview procedures.

A total of fifty-nine applications were received from Ohio, Indiana, New York, Pennsylvania, and Utah. Included in the fifty-nine were two Lincoln High School graduates. Many colleges and universities were represented with a variety of career choices among the applicants.

Twenty applicants were chosen by the committee for personal interviews that were held on June 5th and June 12th. The Executive Committee

allocated \$9000.00 for distribution to the finalists who were selected at a meeting on June 13th. Grants ranged from \$200.00 to \$1,000.00.

At the reception recipients received checks payable to the respective schools for 1990-91 school year. The scholarship grants were awarded to: **Annette Alexander, Janice Burlingame, Rhonda Cooke, Melinda Dunfee, Elizabeth Grossi, Christine Harrison, Stacy Helmreich, Sherry Hobson, Deanna Hohler, Chaundra Hoover, Ross Keener, Jarrod Kelly, Elizabeth Leyman, Marcia Mohler, Denise Scott, Marta Samuelson, Heather Wylie.**

The members of the scholarship committee took this task to heart. Each worked diligently, dedicating hours together, and apart, to come to the committee's conclusions. The process of elimination was difficult,

but the twenty applicants invited for personal interviews were agreed upon by each committee member in attendance.

A special note of thanks to the scholarship committee: Tarry Taylor-'58, Chairman, Robin Austin-'71, Elizabeth Bell--'50, Genny Burlingame--'57, Marty Chapman--'62, Bill and Peggy Dinger, Teresa Dinger, Ed Humphreville--'50, Mark Lowe--'75 and Peggy Robart--'66.

1991 SCHOLARSHIP PROGRAM

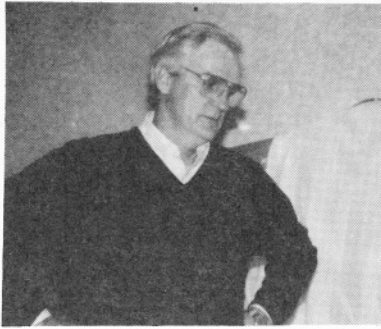

The purpose of the scholarship committee is to award non-repayable grants to deserving students who either attended Canton Lincoln Junior or Senior High School, or who are lineal descendants of Canton Lincoln Junior or Senior High School attendees or graduates.

The criteria for selecting recipients is as follows:

1. Financial need
2. Scholastic Achievement
3. ACT or SAT scores if available
4. Residential and or school community involvement

FROM THE PRESIDENT

Dear CLHSAA:

In the year to come my main objective will be getting more people from each graduating class involved. The only significant change I would like to make is changing the election of trustees to a graduated year form, that is, elect three new trustees every other year, so we will have elected officials carry over from year to year. Being involved from the beginning, I have had a lot of fun and would like to see this organization project the idea of getting together for the pure pleasure of seeing old friends and meeting new friends. My wife, Margene, and I have two sons, Todd and Scott, and I am employed by the Ohio Power Company. Other activities I am involved in are: Basketball (22 years) and Football (22 years) as a referee. Our first venture this year, the Annual Raffle held at the Four Winds Restaurant was very successful and I am looking forward to the same success for the picnic this coming summer which will be at Hoover Park, North Canton, on July 2 at 5:00 p.m.

COMPUTER UPDATE CONTINUES

The Search and Membership Committee has been in the process of placing the names and addresses of all L.H.S. graduates into a computer database program. To date we have entered over 8,000 names! A print-out of your class is available on 8.5 x 11 paper and/or mailing labels for a nominal fee. Contact Dennis Bartow ('70) at (216) 454-7519.

We want to be as accurate as possible with names and addresses so we need your help. Please let us know any address changes for yourself and others you might know. We also want to get the maiden names correct. The name format on the address label for this issue is set up to be First Name, Maiden Name and Last Name. If this is not in the correct order for you, please let us know. The best way to advise us is to complete the Name/Address blocks on the C.L.H.S.A.A. Membership Form in the center spread. It is not required to join the association to submit the information using this form.

RENEW OLD FRIENDSHIPS

Do you have someone from your days at LHS that you want to find and renew friendship with? If so, we might be able to help out.

Mail to the CLHSAA, P.O. Box 20192, Canton, Ohio 44701 the following items: A letter to your friend in a sealed envelope; a stamped envelope with the friend's name printed in the addressee location and a self-addressed, stamped envelope (SASE) with your name and address in the addressee location. If your friend's address is current on our computer (to the best of our knowledge), we will send your letter using the envelope with their name. If they desire to correspond with you, they can use your SASE envelope to respond. If we do not have a current address for your friend, we will use your SASE to notify you. Make sure you have added enough postage, especially with the original packet.

LETTERS TO THE EDITOR

It was great to hear from alumni across the country and to hear their appreciation for ECHOS and their pleasure in reading about past memories and being brought up to the present. Parts of all the letters are in this column with addresses for anyone who wishes to respond. The enthusiasm for the Scholarship Fund was especially gratifying. As all of the letters have a story to tell, we are going to make "Letters to the Editor" a large part of this ECHOES and all the newsletters in the futures. If you have a short story to tell about the past or present put it in a letter and we will make sure it is included in the next ECHOES. Many of the letters have requests--if you can help someone, please take the time to answer.

Thank You,
The ECHOES Staff

Dear Friends;

I happened to see a copy of the "Echoes of Lincoln" while in Canton. What a wonderful idea!! I was completely engrossed front to back. The staff has done an excellent job and is to be commended for their efforts.

Thank you so much for the "stroll down memory lane!" What a wild and crazy four years....what a terrific school.. I'll always have a special sentiment for Lincoln, & for teachers like Mr. Bayless. I am compelled to drive past the old building each time I visit.

So, enclosed please find my \$10.00 check. I am waiting with anticipation for the upcoming issue.

Thanks Again,

Sends her greetings from Arizona where she recently retired with her husband Arthur after 31 winters in Chicago. Her classmate and friend of '43 Dorothy (Pierce) visited them last month.

Dear Alumni,

I would like to donate 1943 year-book, graduation announcement and programs. We really enjoy reading

"Echoes" and hope it will be a very successful venture.

Peggy Dunn Clark

Dear CLHSAA,

In previous issues of the "Echos" you asked that class members, who want to, send in any mementos of their school years at Lincoln. Like many others I didn't want to part with the ones I have as my daughters and grandchildren have a good time looking at them now and then when I get my scrapbook out on visits.

My High School scrapbooks and pictures were in storage in Logan, Utah so when I went there for a visit I spent three days going through my stuff and compiling a Lincoln High School Book of Memories to send to the association (making copies of many items). It was fun doing and my daughters, Carol Ebie Johnson and Peggy Baldwin Winkle and their children had fun looking at the various items.

It is a Highlight of my day whenever I receive "Echoes". I certainly wish I could attend some of the affairs. I am planning on coming to my 50th Class Reunion in 1994.

Sincerely,

Bonnie Van Blarcum '44

(Bonnie's special scrapbook can be seen on the display tables at the special functions of CLHSAA)

Hello, My name is William (Bill) Queen and I am an alumni of LHS 1953. Your well done "Echoes" newsletter was most appreciated. I plan to join the alumni association. The real reason I am writing is to ask someone if they can help me locate two of my "back then" friends. They are General James McCarthy who was a member of the class of 1953 and Sue Etris Volzer. I agree with your authors that Lincoln High School has a wonderful mystique that has endured the passage of time. I am still proud of having gone to good old Lincoln. Many memories still remain of the great times and challenges that I experienced while attending Lincoln during the years of '51-53.

Jon Elsasser,

Enclosed is my check for membership in the Alumni Association. I graduated in 1944 (way back)! I even attended Lincoln in the 8th grade. Dueber School had only 7 grades for a few years.

Lincoln High School was a great school and everyone who attended was proud of it. We had great teachers, coaches principals etc. I attended most of my class reunions, but didn't attend the last one (45th). Hope many of us can attend the next. I think it's wonderful that Lincoln has come alive and that this organization has been formed. My family consists of my husband Rudy, two sons and four grandchildren.

Sincerely,

Josephine (Yannone) Rossetti

Lincoln Alumni,

Thank You to Sue Self and Dave Swope for coming to our reunion and bringing along some memories of our school days. This is a great service you are providing and it was greatly appreciated! Again, thank you for helping to make our reunion a success.

Class of 1970 Reunion Committee

Dear Folks,

Just thought I would include a short note along with my membership fee and address correction. It is good to see that even though Lincoln High exists no longer in fact, it is still close to the hearts of many and continues to exist in those hearts. I really enjoyed the last issue of Echoes, which my folks forwarded to me.

Probably my fondest memories of those years center around the band and choir. The trouble we got into, and that we managed to stay out of (usually by the skin of our teeth), the

Continued on Page 4

Continued from Page 3

good times we had, the energy and enthusiasm we put into every performance, these are the things that remain vivid to me. One of the disadvantages to living in southern California (one of the few, I might add) is that it is very difficult for me to participate in organizations such as this one. However, please make sure I get onto the mailing list. As for other things I'd like to see in ECHOES, I really enjoyed the articles about some of our favorite teachers. What is A.Jerd Bayless doing these days? How about Mr. Kristy, the Vice Principal for all of my time at Lincoln? Or Mrs. Paulson, the Echo advisor?

I am now a self-employed plastics consultant in California. As a consultant, I get involved with a different project almost daily. Today I might be working in the medical industry, tomorrow in aerospace, and the day after in consumer goods. It keeps me on my toes. I never thought I would admit it, but as an engineer, all the geometry and trigonometry that Miss Arabella Hopkins managed to drill into my brain is now proving its worth. I guess "anyone with two brain cells to rub together" (one of her favorite phrases in class) can indeed learn that stuff!!

That's about all from me for now. Keep up the good work. My best to all of you working on the paper. I look forward to the next issue.

Dear CLHSAA group,

I've often wondered if the '43 class had any reunions. Received the ECHO in today's mail and that's what prompted this letter. First, I want to congratulate all of you hard-working folks who are responsible for getting the ECHO to press and mailed out. I notice there are not too many listed from the '43 class. I attended Lincoln for 6 years (two Junior years & four Senior) and was in the first graduating class, so probably had one of the longest tenures of most. My sister was in the '44 class and my brother attended but did not graduate. I have one daughter and 2 grandchildren who visited last weekend. My 12-year-old granddaughter loves to look at my yearbook and did so last weekend. My

15 year-old grandson goes to Lincoln High in Tallahassee. Ordinarily, I work 40 hours a week as a secretary/office manager but was laid off on March 2, and have been looking since. I noticed there is a Florida Alumni group. Would it be possible to get more info on that? I've been here since 1962. There is little chance that I'll get to any activities in Canton but perhaps could contact someone here. I have heard from Betty (Everett) Coffman a couple of times from Maryland. I think the way I got on your mailing list at all was through Betty Lou Jones Lloyd--she was a neighbor when I lived on Harrison Avenue. Guess this is enough for now and thanks again for the determination and dedication of so many.

Sincerely,
Marjorie Arnold Salewsky

"To Whom it may concern"

Thank you to all of you who have kept the Lincoln Lion Spirit alive. I came from a family of quite a few Lions and it was a very sad day to all concerned when the school changed. My mother and my aunt, my sisters and my husband--just to name a few are Lionians. I am sad to say one lionian has passed on, my Aunt Donna Jean Grant--Married name was Donna Ringley-- we very recently lost her.

Enjoyed reading "ECHOES" Guess somehow I missed Vol. 1. I only attended Lincoln my Junior and Senior year but was nice reading about classmates.

Jane (Groves) Campbell '52

Dear Editor,

I really enjoy "ECHOES" with the news about classmates and teachers. Residing so far away, your paper brings back many fond memories. I travel all over the world, but one of my nicest trips was in 1981 when I attended a class reunion in Canton. It was great to renew old friendships. Also, could you please add my sister, Louise, to your mailing list. She is a 1949 graduate.

(after reading the letter from Connie Boop Lang in the Spring 1990 newsletter):

Would you believe three Lincoln graduates are working in Florida for the same company and just one year apart--'50,'51,'52! I'm Tom Prusser, class of 51. I didn't know Glenda or Connie in those days. One year apart seems rather insignificant now. In high school, one year meant something -- or so it seemed. I'm an engineer at Honeywell since 1967 and have worked on many space and military programs including the Space Shuttle. I'm married (gal from Jackson High - June Sauder) and we have four children. I enjoyed reading the ECHOES - keep up the good work!

Tom Prusser '51

CLHSAA,

We just received "ECHOES" vol 2 no 1. From reading through, it looks like there have been other issues. I have this vague feeling of reading something that contained an article about Mr. Bayless, but found nothing in my file. Please use the enclosed to enroll both of us in the association (if we are not already on the list) It will also be fine to send just one publication to both of us. We would also appreciate back issues if they exist. The paper brought back many old happy memories. We were especially thrilled to read of the experiences of Bill and Nila Welch and encouraged by their sacrifice to reach out into the rest of the world. Would like to hear more of such involvements by other Lincolnites. Hope to get back that way before too long and will be looking forward to the 1991 class of '46, 45th reunion.

Sincerely,
Tom and Beverly (Coe) Dent

Congratulations on establishing the CLHSAA--a very good idea. I have enjoyed the first two issues of "ECHOES" very much--many fond memories were recalled. The article about the Lincoln-Waite game in 1945 was well done--I was there and can still see

Ray Kek on his 56 yard run. I'm enclosing dues plus a contribution to the Scholarship Fund. Looking forward to future issues.

Bill Albers '51

Dear Echo Staff;

Thank you so much for sending "Echoes". I am enclosing my \$10 for membership. It was sure good to read through the paper and see how many folks are in Florida. I happen to be one of the fortunate ones in going to Lincoln for 7th & 8th plus high school. Of course, in looking at my scribbling, you would think I never went to school. My husband Chuck and I are going to try to be there for the picnic. Does any one have a list of our class (1946) and also our graduation picture. I would like to have one and if so tell 'em the price.

Violet Latimer Haut '46

Dear CLHSAA,

My husband and I move around a lot as he is in the Air Force. Therefore, I am using my parents' address. They forward to us. We just recently returned from 3 years overseas in Okinawa, Japan. We are currently in Maryland. I learned of your existence from my brother, Robert Williams, '58. I sent copies of this form to several others I keep in touch with.

Good Luck,

Chris (Williams) Giovanelli

To Whom It May Concern:

I would be happy to report any significant events which occurred from the graduating classes of 1973-76, as I graduated from the class of 1975. I may not be able to attend all meetings, but if anybody has any information, I would certainly pass it on to you.

Joan (Laskey) McCallin '75

(If you have something of interest please get in touch with Joan and in the next issue of ECHOES we will have an update on the classes of '73-'76)

Dear CLHSAA,

Just a note to find out if you received my membership application that I sent December 9, 1989. I did not find my name on the Founding Member List and my check has never been cashed so I assume it is still in the postal system somewhere! Since it

may never find its way, I'm sending another application and check. I hope that I can still be a founding member at this late date. The scholarship grant program is a wonderful way for us to help "our" children fulfill their dreams. Please use \$10 from my check for this fund. My years at Lincoln were wonderful, happy times with a lot of very nice friends. Thanks to every person responsible for organizing CLHSAA.

Sincerely,

Marjorie Thorley Wright

CLHSAA,

The Alumni Association is a terrific idea and the organizers are to be commended. I've certainly enjoyed reading the Newsletters and look forward to future issues.

I've noticed that there is an athletic flavor to candidates (proposed) to head the International Membership Campaign. A couple of more names: Don Nehlen - Head Football Coach at West Virginia Ron Blackledge - Offensive Line Coach of Pittsburgh Steelers

I am enclosing a check for membership in our alumni Association plus a bit extra wherever it is needed. Enjoyed so much my first issue (Vol 2 issue 1) and wonder if you still have copies of any previous issues available? Wish I were closer and able to offer some help, we do appreciate all your hard work.

Sincerely,

Carol Wolfe '53

CLHSAA,

The name of the lady who made the first cheerleader's outfits is Mrs. May Wilson and her daughter from the class of 1943, who passed away on September 13th 1990, was Ruth (Wilson) Schleich. She lived in Nevada.

Mrs. Wilson still lives in Canton and is 88 years old. She still cooks, cleans, sews and crochets. I talked to her this evening and she remembered that they were maroon skirts with gold gores and she was paid \$3 for each outfit.

SCHOLARSHIP RECIPIENTS THANK THE ALUMNI ASSOCIATION

Scholarship Committee and all members,

The English language lacks the proper words to fully encompass my feelings of gratitude for your association's scholarship foundation. The simplicity of the standard *Thank You* must suffice. This fall as I begin my college education at Denison University, I am sure I will come to understand fully the importance of scholarship associations such as your own. I am touched to have been chosen to receive your award. I am also gearing myself up to prove myself worthy of this honor. Again, I thank you.

Sincerely,

Deanna Hohler

Lincoln Alumni,

Thank you so much for choosing me for your scholarship. With no financial aid, this is helping a great deal. I now know my hard work in school has paid off. Once again, *Thank You*. It is such an honor and privilege to me to have been chosen by you.

Sincerely,

Heather Wylie

Please accept our expression of gratitude for your recent scholarship grant. The funds have been deposited in the appropriate account and notification has been sent to the Office of Student Financial Aids. Please be assured that the funds will be used according to your instructions.

Your assistance in helping outstanding and worthy students is greatly appreciated at Ohio University.

As a parent of one of the recipients of the 1990 Scholarship Fund, I would like to express my appreciation to the CLHSAA Scholarship Committee for the lovely reception and for the recognition of all the deserving students. Another job well done by a great group.

Dear CLHSAA Members,

It was an honor to have been chosen as a 1990 scholarship recipient. Thank you for providing the opportunity to receive such an award. It was quite evident that the application screening, interview and award ceremony were carefully planned and efficiently executed. Best wishes for the association's continued success.

Sincerely,
Marta Samuelson

Dear CLHSAA Scholarship Committee,

I would like to express my gratitude for the scholarship award you granted me. It will help me to continue my education at The Ohio State University.

I find it very enlightening that former Lincoln graduates would reunite and establish such a fine organization. With the help and support of your committee and the Lincoln Alumni, nineteen college students were fortunate enough to receive scholarships.

I am certain that your program will continue to be successful and helpful to others in the upcoming years.

Thank you for honoring me, I am grateful for the opportunity to learn.

Sincerely,
Chaundra Lynn Hoover

1990 CANTON LINCOLN HIGH SCHOOL ALUMNI PICNIC HELD THIS PAST SUMMER

"IN THE GOOD OLD SUMMER TIME"

by Ardean "Nicci" DeMarzio '46
photos by Ardean "Nicci" DeMarzio

The first annual CLHSAA picnic has come and gone, and although it wasn't spectacular in numbers, it ended on a spectacular "weather note". Tornado warnings and threatening weather certainly didn't dampen the spirits of those who did brave the evening. It was great! Great location! Great food!! Great music! Great people! But wait until this year! We must make a concerted effort to get everyone possible to come out. Call those old friends and classmates, write to the out-of-towners, insist that your children and grandchildren are going to come with you. Reschedule your vacation (don't you dare leave town) but be there. There are some of us whose children were lucky enough to attend Lincoln, and

so we have a foot in two different worlds. We have our own years, and class, but we also share the years, and class of another generation, in quite a different way than just parent and child. It's very special. But even more special is the "class" feeling everyone has who attended Lincoln High School. Ask anyone, which was the "best class", their own of course, but the very best class is the one we have now and can all lay claim to, The Alumni Class. So many memories, so many stories, so many friends, what better place to share all these than an old fashioned picnic. If you'll listen to World War II stories, we'll listen to mid-life crises stories, and yuppie problems. You might even find a real sense of family, because this is what we have, a growing, caring, extended family. ...AND FAMILIES GO ON PICNICS!!!

IN 1991 THAT '46 GANG WILL ALL BE THERE

by Avalon Taylor Schneider

Convincing someone to spend an outstanding weekend with terrific people doesn't sound like a hard task. But, strange as it seems, there are members of the Lincoln Class of '46 who don't attend the class reunions, and every five years the planning committees vow to entice them to the next one. Well, the next one is coming up in 1992 and questionnaires will be mailed soon to each '46 grad in an attempt to find out what will make them want to participate. After all, this will be the 45th anniversary reunion, certainly a very special one. Ideas are solicited from all class members for ways to make it an event to cherish. Co-chairmen Jo Steiner McDowell and Louis (Sticky) Glew have been meeting throughout the summer with the Reunion Committee. They have secured the dates of August 23 and August 24th, 1991, at the Parke Hotel, Belden Village, for an as-yet-unplanned informal event Friday evening and a dinner-dance Saturday night. More events could be added if class members indicate a desire, and the Friday and Saturday Night activities will develop as suggestions are given. Additional committee members would be enthusiastically welcomed. Jo can be contacted at (216) 477-3617 and Lou at (216) 492-4275, both in the evenings only. Mark August 23-24, 1991 on your calendar right now and resolve to help make the class of '46's 45th reunion their very best and heaven knows.

Note:

You have all asked for extra activities and one of the tentative plans is to have a barbecue pool party on Friday night. For all out-of-towners who want something to do on Saturday day-time, Belden Village Shopping Center is close by the Parke Hotel.

ANY MEMBER OF THE LAST BUT GREAT CLASS OF 1976 INTERESTED IN ORGANIZING OUR 15TH CLASS REUNION PLEASE CALL DAVID SWOPE AT 492-2972. ALSO ANYONE WHO ATTENDED LINCOLN BUT WAS UNFORTUNATE NOT TO GRADUATE FROM LINCOLN AFTER 1976 IS ALSO INVITED TO THE REUNION.

LION'S ROAR . . .

A SPECIAL TRIBUTE TO A SPECIAL PERSON

by Joanie (Bixler) Christoff

Nancy (Wiseman) Ross, Lincoln High School ('70) was elected National Big Sister of the Year 1989. Her Local chapter is Massillon. She currently teaches 2nd grade at Beach City Elementary School. and is the "Head Teacher" at Beach City. She lives at Lake Cable. Nancy is very humble & probably would ask you not to put this news in ECHOES. On April 5, 1989, this article was in the Canton Repository: *Nancy Ross says she is only going about her daily business and doing what she loves to do, and the last thing she thinks about is winning an award. But what she does, she does better than anyone else in the country. Ms. Ross was named the winner of the Prince Matchabelli National Hero Award in the volunteer category in New York today. "I'm very excited and flattered", Ms. Ross said. "This is such a great honor*

for just doing something you love to do." She was named Big Sister of the Year for the Massillon Big Brothers/Big Sisters program in 1988, and recently won the same award for Region 6, which includes Ohio and Michigan. Winners from the 12 regions competed for the national prize in the volunteer's categories. In the competition, her "Little Sister," Ruth Wallace, of 442 Parkview St., NE, Massillon, is a junior at Washington High School. She is the daughter of Jane Wallace. The two have been paired together since 1985. They flew to New York to take part in the ceremonies. One reason Ross became a Big Sister is because she has seen the way relationships with family and friends influence a student's life. "I saw it as a way to make a difference in someone's life," she said. "And it has been very rewarding for me." Jane Wallace said, "With Nancy, I can be myself. I know she thinks I'm OK and sometimes I get confused, but I can always talk to her about it." Ross sees her Little Sister as "a very special person--honest, kind, and considerate of other people's feelings."

OVER 1500 ATTEND 4TH ANNUAL CLHSAA DANCE LIONS HAVE ROARING, GOOD TIME

The souvenir table of memorabilia of

Tickets for sale . . .

The day after Thanksgiving 1990 was a special day for CLHSAA. All who attended the dance on that Friday Night will tell you it was a time for renewing old friendships, catching up on all the news and happenings of alumni. Every year the attendance has made this our most effective way to reach more and more Alumni. The enthusiasm of all who attend these special events is most evident at the Annual Dance. This year the music by *Class of '57* was terrific and the hors'd ouvres were tasty. The souvenir table was almost bare at the end of the night thanks to all who took away not just a memory of this evening, but also a memory of the past that is so precious to us all. Another popular table was the souvenirs of the past which have been donated by alumni of their years at Lincoln. This dance is always held on the Friday after Thanksgiving and to all you out-of-towners, make a special effort to be there next year if you are in Canton on this weekend. This year's Chairman and Committee were: Ed Mang, Jim "Ozzie" Osborn, Karen Samuelson and Kathy Dunlap.

A special thanks to these people for making this annual event another great time for all who attended.

ECHO STAFF FROM THE FIFTIES

by Miss Nanette DeMuesy

Miss Nanette DeMuesy, 1951-54 Lincoln English and Journalism teacher and 1954-64, assistant to Miss Ruth Cogan on the final ten May Fiestas sent this photo and short story from her days as advisor to the Lincoln Echo Staff, along with a caption and a promise of other stories and Lincoln "Things" to forward to CLHSAA for future issues:

"The Lincoln Echo Staff in the spring of 1954....and those in the pix are from Classes of '54, '55 and '57...the younger one being Duane Unkefer, who has published a best selling novel!! There are other great success stories represented in this pix and if you want their old advisor to wax sentimental sometime...just let me know. I have given you maiden names...we had one staff marriage (the matching shirts) Nancy Davis and Fob Fierstos, now a retired IBM executive in Kentucky...many of these young students continued journalistic careers and are presently involved in teaching, TV, Time-Life, etc...yea Lincoln! The pix is so good because Wendel Waltz (son of Photographer Guy) set the camera and all teacher had to do was say something funny and snap it. (No, I did NOT say CHEESE!)."

Other photos are from Miss DeMuesy's collection.

1955 CLASS REUNION--A PRIDE OF LIONS' ROAR

On August 25th, 1990, the Class of 1955 held their 35-year class reunion at the Belden Village Holiday Inn. In the planning stage, many hours were spent updating the mailing list which located several of the "lost" alumni. (We think we've got 95% accuracy.) The efforts of the planning committee, with Gary Love as Chairman, were very fruitful. Several "First Timers" showed up to renew old friendships with classmates. The weather, accommodations, facilities--all were perfect for the gathering of LIONS. The "good old days" were relived--and rewritten in some cases. Plans for the 40th Reunion have commenced, August 19, 1995 is the tentative date for the next gathering of a PRIDE OF LIONS!!!

A SPECIAL POEM FOR CLHSAA

by Diane Dieffenbaugher '58
(Dee Dee Bowers)

*I couldn't attend the last Reunion
Because I didn't want to come alone,
And my husband couldn't leave
We have a company of our own.*

*I'll try to tell you about my life
Since Graduation Day,
And since I have a Poetry Business
I'll say it in my rhyming way!*

*Larry and I were married in 1962
And left Canton after five years
During our twenty-seven years of marriage,
We've had much more laughter than tears!*

*We moved to Cleveland, Ohio; then Michigan
And in '76 we headed West,
We'll never leave this wonderful state,
We feel California's the BEST!*

*I've had an exciting life
Since the day we wed,
I'll tell you some of the things we've done
There's so much to be said!*

*We've raised two wonderful sons
Shawn's 25 and Kevin's 23
So, on the subject of parenting
We're as done as we can be!*

*We travelled through parts of Europe
For Anniversary number 23,
Our ride on the Orient Express
Was as thrilling as could be!*

*We were in a Mercedes Benz Rally
And it was really a ball,
We attended a party in a castle
What wonderful memories to recall!*

*To backtrack just a bit
There's something else to tell,
I've not only changed my last name
I've changed my first one as well!*

*I now go by my nickname
It's "Dee Dee" as some of you know,
Hopefully, before too long
On records, it will show!*

*I've written music with Greg Walker
In the group "Santana" he used to sing lead
When we come up with a hit
The name "Dee Dee Bowers" is what you'll read!*

*I'm sorry we couldn't be there
It would be fun to see all of you
I've mentioned my Poetry Business
So I'll enclose a flyer, too.*

*I've had some poetry published
And I must say, it was a thrill,
Think of me for unique correspondence
Hopefully, some of you will.*

*I'll close this now by saying
I'll send our address, too,
If any of you would like to write
I'd love to hear from you!*

1991 ANNUAL CLHSAA REVERSE RAFFLE RAISES SCHOLARSHIP FUNDS

On February 12, 1991, the CLH-SAA Raffle held at the Four Wind's Restaurant for the benefit of the Scholarship Fund was acclaimed successful by all who attended and especially by those who came away with special gifts donated by Hub Victor and Master Clean and the money prizes ranging from \$50 to \$700.

Jim Mitchell, Tom McRoberts and their committee worked endless hours to pull this successful venture together. Tickets sold for \$50 per person and brought \$3000 to the Scholarship Fund. Hub Victor, who donated the prizes of Alumni Sweat-shirts won a \$200 door prize and donated it back to the Scholarship Fund.

Also sold at the Memorabilia Table, along with Alumni souvenirs, were Desert Storm t-shirts and sweat-shirts and they are continuing to sell at the office of Janet Weir Creighton, Stark County Auditor. The money made in this venture will help defray the cost of the newsletter.

IT MUST RUN IN THE FAMILY

by Connie B. Lewis

Lincoln High School is very dear in the heart of Christopher Lewis, son of Tim and Connie (Blumensen) Lewis. Christopher turned 8 on January 1, 1991. It was his choice to have a "Lincoln Lion Party." His birthday cake, from Johnnie's (of course), was decorated in maroon and gold with a Lion head in the center. Maroon and gold balloons, napkins and plates completed the decorations. Party favors for his guests were Lincoln mugs, pens, and badges, which were purchased from the Alumni Association. Christopher completed the party by

wearing his Lincoln Lion sweatshirt and, of course, his Lincoln ball cap, all purchased from Hub Victor. Dinner was Pizza Oven pizza.

Christopher's guests were his three best friends from Harter School: Lucas Brahler, Brady Steineck, and Jared Gossett. These boys are sons of Connie (Timberlake) and Jon Brahler, Kim (Miller) and Scott Steineck, and Theresa (Hannood) and Bill Gossett. These parents, as well as Christopher's parents were ALL Lincoln grads! The boys were not aware of this when they became friends, we can only assume that the Lincoln spirit is "Hereditary"!!

40TH BIRTHDAY PARTIES ARE ALWAYS POPULAR

And this Lincoln Lion was there in 1985 for Jim Stefanick's 40th Birthday Party. Tim Lewis is in the Lion's suit.

LINCOLN GRAD TEST PILOT FOR PROTOTYPE AIRCRAFT

BOB PRICE '70

Following graduation, Bob Price attended Case Western Reserve University where he received a BS degree in electrical engineering. While at Case he was a member of the track and wrestling teams. He completed Marine Officer candidate training during the summer of 1972 and received his commission as a 2nd Lt in the USMC in May 1974. He married Bev just before reporting for active duty. His first two years of duty included The Basic School for infantry officer training and then flight training in Pensacola, Fla. for fixed wing and rotary wing flight training. Bob's first tactical assignment was to a helicopter squadron in New River, NC. While there he made cruises to the Mediterranean and Caribbean Seas aboard the Helicopter Carriers INCHON, GUAM and GUADALCANAL. He received his orders to the Naval Test Pilot School at Patuxent River, Md. during the spring of 1980.

Bob believes Test Pilot School was the most challenging and rewarding year of his career. During his first tour as a test pilot he spent most of his time conducting flying qualities, performance and systems tests on the CH53E (heavy lift helicopter) and AH-1W Super Cobra (attack helicopter). These tests included icing tests, establishing shipboard launch and recovery ordnance separation tests,

service ceiling tests, high altitude performance tests, external cargo load tests and engine out tests. "Additionally, I flew several test programs for electronic countermeasures and night vision systems". In July 1984, he was ordered to Okinawa, Japan and spent the next year assigned to the 1st Marine Air Wing Operating in both Korea and Japan.

After returning to the States in August 1985, he was assigned to the Presidential Helicopter Squadron, HMX-1. He spent three years there as a White House Aircraft Commander flying Marine One and Marine Two for President Reagan and then Vice President Bush. In addition to these duties, he was assigned as the Security Officer, in charge of some 130 officer and enlisted military police and responsible for the physical security of the Presidential aircraft and airport facilities. During this time he was also the project officer and test pilot for the upgrades to the Presidential VH-3D Helicopters. Bob also flew developmental tests on the new VH-60 Presidential Helicopters. His tour at the HMX-1 ended when the Marine Corps asked him to take charge of the newly established Naval Air Test Center V-22 Detachment at the Bell Flight Research Center in Arlington, TX.

The detachment is made up of Navy and Marine enlisted personnel who work directly with the contractor in order to determine the reliability, maintainability and supportability of the V-22 Osprey, tilt-rotor aircraft. Price also has a team of government aeronautical and structural design flight test engineers working with the contractors to conduct and evaluate the ground and flight tests. "As a test pilot for the V-22, I recently flew the first phase of government flight tests in which we evaluated the flying qualities and performance of the aircraft. These tests included basic hover and level flight performance, lateral-directional and longitudinal flying qualities, stall testing and preliminary tests of the aircraft's mission sys-

tems."

During the periods between dedicated government tests, Bob flew with the contractor test pilots evaluating the flying qualities and performance of the aircraft as its flight envelope is progressively expanded. He is currently planning to conduct the initial shipboard testing this fall. Bob and his wife Bev have three children: Tim-15, Jennifer - 13 and Sara - 11 and are residing in Arlington, TX. Price was recently selected for Lieutenant Colonel and is awaiting promotion. Bob's personal message is: "If any LHS graduates are in the area, look us up. Bev and I would enjoy reminiscing about LHS over some Tex-Mex Food and I could provide a tour of the V-test facility and aircraft."

###

While visiting Pike's Peak, Colorado last on August 8, 1990, John Dougherty took this photo at the top (14,110 ft) and found a "Monument" depicting all gold medalists from the Olympics--including LHS graduate Dave Wottle and couldn't resist snapping this photo for future issues of ECHOES.

SING YOUR HEART OUT FOR LINCOLN

Tune up your chords, stiffen that back, project those words and...sing your heart out for Lincoln!

There is interest in forming a Lincoln alumni choir to perform in the best spirit Ruth Cogan or Harry D. Mason could demand.

John Hayward, LHS '64, the current choir director at North Canton's Hoover High School South Campus, has expressed his willingness to help in the organizational efforts of an alumni choir. You may contact John by writing to him at 330 Woodside N.E., North Canton, Ohio 44720.

The opinions expressed by the writers whose work appears in this issue of "Echoes of Lincoln" do not necessarily represent the official position of the editorial staff or Canton Lincoln High School Alumni Association.

We would like to recognize any Lincoln grad or relative who participated in Operation Desert Shield/Storm in our next issue. Please submit their names before Sept. 1, 1991.

ATTENTION FORMER BAND MEMBERS

by Ed Hostetter '68

This is another reminder that I am looking for former band members among those alumni who have joined the Association. Since there was no blank on the application form to indicate past participation in extra-curricular activities, the only names we have listed as band alumni are those whom I have contacted personally at the various meetings. If you are a former member of the Lincoln Band, please make the fact known to me through the Association. Just drop a postcard, or call one of the officers and state that you are a former band member. The information will be passed along to me. We are planning to hold a band reunion sometime this coming summer, so we need your names.
