### **Bill Welch '46**

On Monday, July 25, 1994, C.L.H.S.A.A. awarded forty scholarships totaling \$15,250. This was our largest number of awards thus far both in terms of dollar amount and number of young people helped. Canton Garden Center was the site of the Fifth Annual Scholarship Awards Reception.

Again in 1994 there was a wide range of career choices and schools represented in the fifty-nine applications received by the Scholarship Committee. Of those fifty-nine applications, forty were correctly filled in and the required items submitted. Every one of those forty eligible applicants was awarded either a \$250 or a \$500 scholarship.

Any Lincoln Junior or Senior High School attendee or graduate or their lineal descendent is eligible to apply for one

of these grants. The Lincolnite must be a current paid member of the alumni association. Students pursuing ANY type of post high school education are urged to apply. *See this year's application on Page 11.*

Members of the 1994 Scholarship Committee were Nila Bonevich Welch, Bill Welch, Christine Welch Harrison, and Jim Scott. Guy Bertram was the liaison between the board and the committee. Faye Moore Staugh and her committee prepared and served the reception buffet.

Our hearty congratulations and best wishes for continued academic success are extended to our forty scholarship winners some of whom are shown in the accompanying photograph.

## NEW OFFICERS FOR 1995

**Ardean "Nicci" Huston DiMarzio '46**  
Nominating Chairperson

The October 1994 election results are as follows: President--**Jim Mitchell '51**; Vice President--**Guy Bertram '52**; Secretary--**Barbara Wylie McKelvey '59**; Treasurer--**Jim Griffin '61**; Three-year Trustees--**William Dinger** and **Joe Garber '44**. Congratulations to all of you!

There were eight outstanding people on the ballot for the two three-year trusteeships. Even though only two could be elected, we hope to see the rest of you in other capacities, hopefully volunteering on committees and running for office again. All our members must stay as involved as possible helping to promote the stated purpose of our association--to promote and continue the memories and spirit of Lincoln High School.

The position of Secretary is newly filled by **Barb Wylie McKelvey**. Retiring Secretary, **Karen Gerzina Samuelson**, has done a fantastic job in her dual role as secretary and editor of Echoes of Lincoln, our highly regarded and eagerly devoured newsletter. Fortunately Karen is continuing as editor of the newsletter, and she appreciates receiving items, stories, and profiles of Lincoln alumni. (Please send such items to our post office box.) **Joe Garber** was re-elected as a Three-year Trustee and hopes to continue working with the alumni band and fair booth. **William "Bill" Dinger** is a newly elected Three-year Trustee, but Bill has been an active volunteer for several years. His involvement will surely expand now that he is a board member. Retiring Three-year Trustee **Faye Moore Staugh** has assured us that she will continue to stay actively involved with the association's activities. She has been invaluable as a volunteer in many many of our endeavors.

Some election figures are: 334 ballots returned, out of 1,100 ballots mailed. Percentage-wise we should try to do better. It costs the association quite a bit of money to print and mail the ballots for the election which we are required to hold by the articles of our constitution. Let's try to do better next year--make your voice heard and justify the cost. Many thanks to the volunteers who helped with the mailing and to the appointed ballot counters (**Fred Peters** and **Carol Berg Marvin**).

## 1995 ELECTIONS

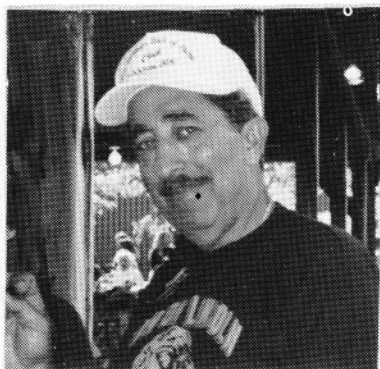

Nominations for officers were held in September 1994 using the guidelines outlined in the Constitution and Bylaws of the Canton Lincoln High School Alumni Association, Inc. "An election by mail ballot sent to current members on record as of September 30 shall be held each year." The Bylaws further provide that "an association newsletter shall be distributed in October to all members in order to accompany the ballot listing association candidates. This issue of the newsletter shall contain pertinent biographical information provided by the candidates."

Upon the recommendation of the Constitution Review Committee, some changes were made in the Association's Constitution and additional By-Laws were presented. These recommendations were voted on and approved at the September Annual Meeting. If you would like to review the new version, please write to request a copy.

## CANDIDATES NEEDED

*It is not too soon to make the commitment to run for CLHSAA office for 1996. The Association needs your dedication if it is to continue to be the outstanding organization it has been thus far. All four offices as well as three two-year trustee positions will be up for election this fall. Get involved. Enter your name as a candidate who wants to maintain the success of our scholarship program as well as our other worthwhile activities.*

*Contact our Nominating Committee Chairpersons, Nicci Huston DiMarzio at 456-8300, or Carol Berg Marvin at 456-6510, or drop a note to P.O. Box 20192, Canton, OH 44701 to volunteer as a candidate for office.*

**PRESIDENT'S  
MESSAGE**  
**Jim Mitchell '51**

My first year as president of the Lincoln Alumni Association was a great and rewarding experience. I enjoyed working with the board members and the various chairpersons and their committees.

During the past year the association was involved in several new projects which included the first oral and silent auction, held at the Lion's Den, and honoring those alumni members who have made a major contribution to the success of the association. Also for the first time, the association honored an alumnus who has made an important contribution to his community. Don Nehlen, head football coach for the University of West Virginia, was the association's first selection for this honor.

Annual activities such as the November dance, cash award raffle, golf scramble, fair exhibit, alumni band activities, scholarship awards, and the recording of Lincoln High School history would not have been successful without the dedication and spirit displayed by the board members and the chairpersons and their committees. A special thanks to the newsletter committee for its dedication. They put together a newsletter that is second to none.

Each new year is a challenge. I am confident that 1995 will be another great year for the Alumni Association. Several new activities have been planned. In April an All-City Basketball event is scheduled to take

place at Memorial Field House involving teams from all four city high school alumni associations. Players, cheerleaders, and bands from the four alumni associations will participate in this historic event. This event will feature those players who attended the four high schools prior to the closing of Lincoln and Lehman High Schools in 1976.

The greatness of the Lincoln Alumni Association would not be possible if it was not for those who run for office, volunteer for membership on committees, or just be available when needed. To all of those wonderful people, I would like to thank you for making the association what it is today. Equally important I would also like to thank every association member for supporting the Canton Lincoln High School Alumni Association. Without your membership and support at the alumni events, we would not be the best.

*Dear Readers,*

*The cost of paper has risen by 50% since August and postage rates recently rose again. These factors along with other expenses add to the cost of publishing a quality newsletter, therefore, this will be the only feature issue of "Echoes of Lincoln" for 1995. Please save the Calendar of Events so you can attend the activities scheduled for 1995. The events are for every Lincolnite, their families and friends. # THE YEAR IN REVIEW . . .

## SUMMER EVENT 1994

### Judy Workman Kackley '60

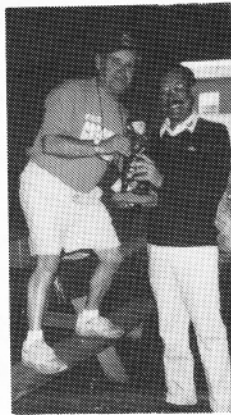

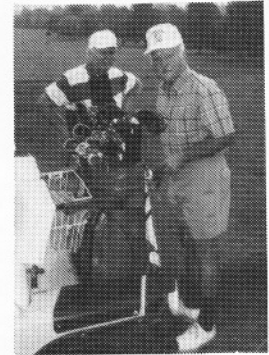

CLHSAA held its first dinner dance and auction Saturday, June 18, 1994, at Dinger's Lion's Den, a beautiful new facility in Perry Township. The 200 people attending started the evening with cocktails while bidding on the many silent auction items. They then enjoyed a delicious buffet dinner catered by Antoinette's Catering. Following dinner, Auctioneer Dick Baier conducted the oral auction. A 50/50 drawing was held and many door prizes were awarded. Dancing was to the music of Russell's Sound Lab. Proceeds benefited the association's scholarship fund.

The Summer Event Committee included: **Judy Kackley '60**, Chairperson; **Bill Dinger '69**, Co-Chairman; **Peggy Dinger**; **Nicci DiMarzio '46**; **Barbara Bowser '51**; and **Ezra Malarnee '68**.

Members of the committee unveiled a plaque honoring ten Outstanding Alumni. The inscription reads, "In recognition of Founding Members and Outstanding Alumni for their contribution to the Association. This plaque is dedicated. Founded 1989 - Dedicated 1994." The following alumni were recognized: **Janet Weir Creighton**, the late **Tarry Taylor**, **Susan Berg Self**, **Milan Dolanski**, **Christine Welch Harrison**, **Patty Schario Milford**, **Linda Alvarez Neff**, **Connie Beatty Jedel**, **Ed Mang**, and **Jim Osborn**. In future years other alumni will be honored and their names added to the plaque which will be displayed at alumni functions.

Thanks to those who attended, those who donated auction items, and the committee for helping make the event such a success. A special thank you to **Bill and Peggy Dinger** for all their hard work getting the building finished on time and for donating the hall for the event. It wouldn't have been a success without all of you.

## 1994 GOLF OUTING -- A BIG HIT

### Guy Bertram '52

The Third Annual CLHSAA Golf Outing was a big success. Bob O'Link's South Course was the site where 92 players competed. Everyone received a door prize and enjoyed food, fellowship, and refreshments.

A total of four teams were awarded cash prizes for the first four place finishes. The following two teams tied for first place: **Don Dorkoff, Larry Ellison, Steve Snyder, and Ken Hartwick**; and **Walt Hostetler, Mike Swihart, Paul Fitzgibbon, and Troy Fitzgibbon**. Finishing in second place were: **Brian Frolo, John Lowe, Bruce Frolo, and Butch Elkins**. Third place team members were: **John Fink, Lou Johnson, George Copeland, and Bob Shirey**. Couples playing included: **Ruth and Dave Sampson** and **Becky and Jan Paxton**.

Four putters were awarded as prizes in memory of: **Blane Bertram, Daryl Dent, Jim Grosse, and Dick "Smoker" Thomas**. The Class of 1968 also awarded prizes for the 6th and the 8th holes in honor and memory of 1968 graduates. (Prizes in memory or recognition for the 1995 Golf Outing are welcome--just contact Guy Bertram.)

Thanks to my co-chair, **Jim Mitchell**, and the following people who worked so hard: **Sue Berg Self, Carol Berg Marvin, Karen Gerzlina Samuelson, Faye Moore Staugh, Judy Workman Kackley, and Donna Bertram**. **Chuck** from the RIB CAGE again did an outstanding job feeding the hungry troops. We hope you all had fun and will sign up again in 1995.

The 1995 outing is slated for **Saturday, August 12, at Bob O'Link Golf Course, South**. Long drives and proximity prizes will have three categories: seniors, ladies, and younger players. Competition for couples only will also be included. Please have your team captain contact **Guy Bertram** at 492-6115 for reservations and tee times. Check-in early, don't be left out.

## 1994 STARK COUNTY FAIR BOOTH

**Joe and Flo Garber '44**

We had a great year at the Stark County Fair. Merchandise sales were up, special orders were taken, and quite a few memberships were accepted. We also may have picked up a few new band members.

The start of the week at the booth was not auspicious, however. When Florence and I arrived at the Fairgrounds at 8:00 Monday morning, our booth under the grandstand was half the size it was supposed to be. I tried to complain to the person in charge of our building, but he wasn't coming in until noon, which was too late. So, I went back to the booth and with the help of a couple ladies and some additional poles, I made the booth the correct size. **Sue Self** and **Florence Garber** set up the booth in about two hours. We skirted the tables this year and had our new sign to

identify our presence.

Forty of the 49 workers this year were new people. Everyone said they would come back next year if needed. The following is a breakdown of the classes represented by booth volunteers this year: 16 from the 40's; 15 from the 50's; 14 from the 60's; and 4 from the 70's. We would like to thank all the volunteers, especially **Sue Self** and **Jim Osborn**, who helped make our booth such a success.

During the week about 350 newsletters and about 50 membership forms were passed out. We even ran out of some of our souvenirs! Several people asked about or suggested other souvenir items for us to consider selling. It was very enjoyable seeing and talking with so many friendly folks.

Look for us again this year--same time, same place. As chairpersons again in 1995, we look forward to working with more great LHS alums.

## SECOND ALL-CITY ALUMNI NIGHT

**Karen Gerzina Samuelson '60**

The Second All-City Alumni Night was hosted by the Timken Alumni Association on Tuesday, September 27, 1994 in the Timken Auditorium. The first such event was hosted by CLHSAA last year and McKinley Alumni will host in 1995. (Watch for the date in the local media.) Graduates of all four city high schools were invited.

Mayor Dick Watkins, T.H.S. 1950, began the evening's program by singing the National Anthem. The welcome was given by Fred Blosser, Superintendent of Canton City Schools. Although he donned a Timken sweatshirt as a courtesy to his hosts, he did remark that his favorite uncle was a Lincoln graduate. Mr. Blosser indicated that his loyalty is to the entire Canton City School District, and he hoped those in attendance had the same loyalty since we all were products of the system. He also hoped our memories could go back to at least one really fine teacher who made a

difference in our lives. He thanked us for giving back some of what we received as students through the scholarships offered by the four associations. Through the cooperation and enthusiasm shown by the alumni groups, he feels we are passing along good examples and traditions to the students of today.

The Timken Alumni Band, Rockettes and majorettes, and Dancing Grannies entertained. A representative from each alumni association spoke briefly: Harry Steineck, Lehman Vice President; **Jim Mitchell**, Lincoln President; Buzz Ream, McKinley Vice President; and Fred Harold, Timken President. Door prizes were awarded and refreshments were served.

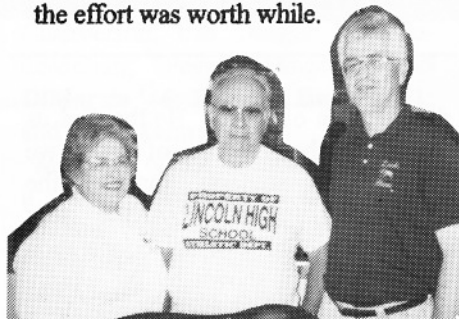

There was a real sense of camaraderie among attendees and everyone left looking forward to future cooperation among the alumni groups. Printed in the evening's program was the sentiment we had once again enjoyed and that was always (and hopefully will always be) a part of any all-city night -- "friendly competition, cooperation, and unity."

## CANTON CENTRE BOOTH

Nicci Huston DiMarzio '46  
Judy Workman Kackley '60

We had the opportunity to use the community promotional booth at Canton Centre Mall on October 8-9, 1994, as another way to showcase the Canton Lincoln High School Alumni Association. It was free of charge, and with the help of an eager and fun-loving group of volunteers, we sold association souvenirs and were able to promote our November dance, our scholarship program, our band, and the association in general. The volunteers were able to talk to a lot of people who had nothing but positive comments about our alumni association. It happened to be a gorgeous week-end outside, which cut down on the mall crowd, but we felt the effort was worth while.

## 8th ANNUAL DANCE NOVEMBER 1994

Faye Moore Staugh '52

7:00 A.M.-3:00 A.M. Nov. 23-24

Board members, committee, alumni, and friends start their volunteer day in different ways--donating all of this day, part of the day, or even a couple of hours--it all helps make the end result successful and enjoyable.

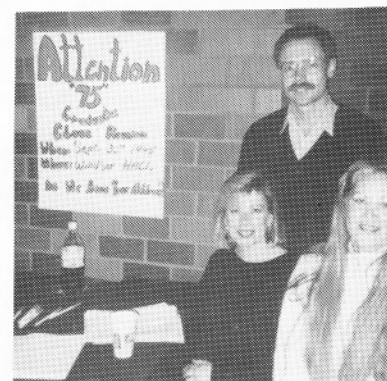

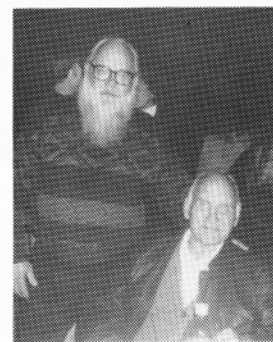

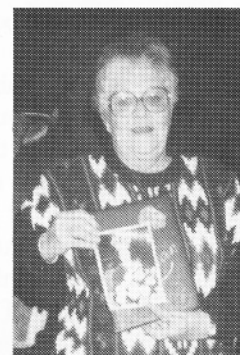

A group meets for breakfast and then heads for the Civic Center to set up and decorate. Some of our people have to clean up the Thanksgiving dinner holiday or have to get some Christmas shopping in before they can give a few hours. Supplies for the drinks are distributed to designated areas, table cloths, paper plates and ice buckets are placed on tables, banners are mounted and hoisted high up across the huge room.

Most are back at the Civic Center an hour before the dance starts. The souvenir stand is displayed and priced. Memorabilia tables are loaded with articles, pictures, and annuals--always a busy place for our alumni to meet. The 50/50 stand, Polaroid picture area, and ticket tables are readied for the night's guests. By 7:30 P.M. it all fits together, doors open, and happy ticket holders begin arriving.

Our Alumni Band is terrific--their presence is deeply appreciated and brings fond memories and some happy tears to many of us. The food, catered by Charlie Brown's, is hot, tasty, and plentiful, the beverages are cold and flowing, the great DJ provides a nice mixture--something for all tastes, and the price is right! About 1:00 A.M., volunteers begin to clean up, take down, and pack away. Its been a long day, but fun! In other words, a good time was had by all!

So, its a "go" for next year--**Friday, November 24, 1995**. Hope to see even more alumni participating--all in the spirit of Lincoln High and to benefit the association's scholarship fund.

P.S. Please stop in at our meetings at the school or at our monthly board meetings. See for yourself what the Association is all about.

## 1995 ANNUAL SCHOLARSHIP RAFFLE

### Guy Bertram '52

On February 15, 1995, the Sixth Annual Raffle/Dinner was held at the Four Winds Restaurant. A good-sized crowd enjoyed the food and fellowship. Along with the cash awards, many door prizes were also awarded. **Don Stambaugh** even won one of the sweatshirts he had donated. (It eventually was won by **Jack Halkides**.) In the end, five people shared the first place prize money. We wish to invite all participants back again next year, and bring your friends! It's a fun evening for a very good cause.

Heart-felt "thanks" are extended to the following people who worked so hard at this affair: **Jim Mitchell, Guy Bertram, Jim Osborn, Jim Griffin, Ed Mang, Janet Creighton, Faye Staugh, Anna Wright, Carol Marvin, Paula George, Karen Samuelson, Beverly Sweitzer, Nicci DiMarzio, Judy Kackley, Bill Dinger, Bill Welch, Beverly Sweitzer, and Sue Self.**

## "LETTERS TO THE EDITOR"

I am a Canton McKinley graduate, Class of '44, and the husband of **Phyllis J. Hudnell (Sue) Leles**, a Canton Lincoln graduate, Class of '46. My wife Sue is a member of CLHSAA and we both enjoy receiving and reading the Echoes of Lincoln. We were especially pleased with the April 1994 issue because on page 4 is a picture of **Jack Halkides** who was not only an outstanding musician but he taught our daughter **Debbie** to play the clarinet.

Then on page 18 is **Don Nehlen** who was football coach at Canton South High School in the early 1960's when I was the high school principal at Canton South. I must take this opportunity to publicly state that **Don Nehlen** was not only an excellent football coach then, but to say that he was a person of integrity, compassion, and trust. As a high school coach and teacher, Don was an outstanding role model. I have always felt privileged to have had the opportunity to know and work with Don during the early years of my life in education.

Hello Lions,

I've been reading my dad's "Echoes of Lincoln" for a number of years now, and after seeing the picture of him and his class of '43 reunion committee in a recent issue, I finally wrote out the check to join.

I'm now in my 24th year as a high school teacher and I'm so thankful that four of the best years of my life were spent at Lincoln. My remembrances of friends, dances, choir, athletics, a quality education and excellent teachers will be with me always! Life was simple and school was fun.

Many thanks to LHS! I'm looking forward to more "Echoes" and info and tidbits about former Lions.

**Betty Jo Beck '66**  
Toledo, OH/N. Ft. Myers, FL

\*\*\*

Hello!

Just want to thank you for the latest "Echoes." I really do enjoy the news it has in it. I just sent it on to **Betty Hite** and **Robert Buzz Miller**, 1951. They will be in touch to give you new address.

**Barbara Rehm Russell '51**  
Sun Lakes, AZ

\*\*\*

Just a note to say I've enjoyed reading Echoes of Lincoln and appreciate the efforts of those who work so hard to send it out. I'm also enclosing my check for membership in CLHSAA.

I do have one request. If there is anyway I could purchase a 1959 yearbook, I would really like to do that; mine was destroyed in a flood.

Thank you for any assistance you can give me and keep up the good work.

**Judy Best Andersen '59**

I'm really looking forward to seeing everyone at the reunion in August!

**Nancy Jacobs Kirkpatrick '69**

A note of thanks for Echoes of Lincoln. God bless you all. What a fine job you are doing. Keep the spirit of Lincoln alive.

**Nancy Diloreto Miller '48**

Enclosed is my check for \$10. Thank you for sending me your great newsletter. I've been getting the information second hand from my sisters **Annetta '57** and **Jaudce '59** and good friend, **Nancy Williams Haren '55**. I grew up on Dryden Avenue and went to Clarendon Grade School. I always look forward to the Lincoln Class of '55 reunion--have not missed a one!

After graduation I worked 5 years at Timkens, married **Dan Jaeb** from Louisville ('56), had four children, three grandchildren. When my fourth child arrived 12 years after the third (surprise!), I started college. I was 39 at the time, and like the rabbit in those Eveready commercials just kept going and going.

I've accumulated an AA, BA, MBA, M.Ed. and finally a J.D. At the ripe old age of 50, I was hired as a professor at Cuyahoga Community College. My hobbies are photography and travelling. Would love hearing from any of my old classmates. Promise to answer all letters.

Per your "Fill us in" note in the Echoes of Lincoln and the fact that I am now retired and once again living in the area, I decided to send you some ancient history covering my activities since leaving Lincoln almost 50 years ago. Postcard -- October 1994 -- from alums enjoying the "LHS Florida Reunion" at The Outrigger Beach Resort in Fort Meyers Beach, Florida:

**Ruth Brownsberger Drumm, Bill Drumm, Ted and Barbara Boldt, Susan Pfouts Richardt, Jean DeChellis Murray, Tad Murray, Peggilou Perdue Flick, Edward A. Flick, Bud and Patsy Neel, Martha Hartzell Sela, Nancy Brenner Baird, Dick Baird, Milt and Bonnie Klausner, Jack and Patry Stiner, Jay and Nancy Fricker, Carl Pucel, Larry and Joyce Halter.**

Excerpts from letter sent to **Mark and Shirley Lowdermilk '44** and shared with CLHSAA:

Dear Mark and Shirley;

Ever since our 50th Class Reunion, I have been wanting to drop you a note. Can over four months have already gone by since the reunion? (How can retired folks like us be so busy?)

Anyway, part of the reason for this note is to express my appreciation to you and Shirley, and all the others involved, for the tremendous job you did in planning and implementing a wonderful event, certain to be cherished by all of us in attendance for the rest of our lives. My only regret is that our location the last 35 years precluded me from "lending a hand" in the obviously great amount of time and effort expended by my classmates on a very pleasant and successful 50th Class Reunion.

I was particularly moved by Kenny's Memorial and prayer on behalf of our departed Lincoln High service people. The "Diplomas," with degree of "Doctor of Durability," were a master stroke as was the skit. Carol and I attended the Saturday tour led by **Jim Price** and especially enjoyed the visit to the Palace Theatre. Incidentally, Carol even had a mini reunion of her own. She has known **Jack Halkides** since her days at Timken High.

During the reunion, **Joe Garber** detailed the fine work being carried out by the Scholarship Fund. He asked me to consider participating. I am happy to include a check here both in support of the fund and to express my appreciation to our Class of '44 for both the recent reunion and its ongoing activity on behalf of all of us.

\*\*\*

I am enclosing a check for my membership in the Alumni Association plus a little extra to be used at your discretion.

Thanks to everyone who helped in bringing about this wonderful organization and publishing of the "Echoes." It is so enjoyable to read and reminisce.

I have not received any copies of the "Echoes" since "Spring 91" issue, which is probably due to my last move. Is it possible to get any back copies since then? Below is my present address. Looking forward to more news in the "Echoes of Lincoln."

Fellow Alumni and keeper of Echoes finances, Please accept my membership fee. Lincoln and the fine faculty survived 4 years of me, but after the Korean War, I went on to a highly successful career as a member of the founding faculty of Perry High School, and 30 years as Chair of the Business Department and teacher at Prescott High School. Along the line I acquired a BS from Kent; an MBA from Arizona State; and an MBE from Northern Arizona State.

1954 was the highlight of my life with my marriage to Marie Hull--McKinley graduate. Was that all really that long ago?

I was the founder and sole owner of the second largest office supply business in Yavapai county. In 1993 I merged with the largest such business in Northern Arizona where we now have four stores. My responsibilities involve public relations and customer development in addition to the constant training of our sales staff.

I hold the position of Life Member of Lions International where I have had the opportunity of holding many state and local offices.

As a member of the International Executive Service Corps, I am on call for foreign assignment to developing nations (and those previously behind the Iron Curtain) -- helping them develop their business skills along capitalistic lines.

Wow, to condense 44 years of achievements into just a few lines requires the ultimate in reducing one's life to realistic standards.

Thank you for your efforts in keeping the wandering souls in touch.

Enclosed is my check for 1995 membership of Lincoln Alumni Assoc.

I look forward to each newsletter that comes in the mail. I then pass it on to my husband, Dan '55, then on to his brother, Jack '51, who lives in St. Pete. We all look for mention of classmates we knew and really enjoy the articles.

Are there any avid Cleveland Indians fans around that like to come to the spring training games? The Indians now train in my town of Winter Haven, FL, and I am an usher every spring--so, if you happen to get down here for a game or two, look me up. I'll be at every game. Hope to see some of you!

Thanks for all your efforts.

Greetings from the sweltering summer of the South Pacific. While cleaning my office, I found your May 1994 letter and decided to respond as I might be the Lincoln alumnus permanently living the farthest distance from Ohio.

I graduated from Lincoln in 1962, completed a degree in aeronautical engineering (OSU '67), worked in Texas for a couple of years as an engineer, then came here to Fiji in 1970 as a Peace Corps volunteer to teach physics. Since then, I've spent well over half my time away from here but this has been home for a quarter century. My wife is from Fiji and our only child is a 19 year old daughter who is studying at an Australian university.

Fiji is a small tropical island country which is due north of New Zealand, about the same size as Hawaii and as far south of the equator as Honolulu is north. We have a very racially and culturally mixed population of about 800,000 people and rely on tourism, sugar, timber, fish, and garment exports. Despite the size and remoteness, it's reasonably cosmopolitan: the main regional center for trade, education communication, diplomatic offices, etc. for about a dozen other island countries.

Since coming here I've done a masters degree in technology policy (and am about to complete another in environmental management, taught at the local university, been chief planner in the government's national economic planning office, headed the Fiji Dept. of Energy, worked for the UN in 20 or so countries, and since 1991 been self employed as a freelance consultant in various parts of the Pacific, Southeast Asia, and the Caribbean on energy policy, environmental policy and generally assessing development assistance programs.

Life never turns out as we'd expected but I have very few complaints, having had the opportunity for interesting and satisfying work in a fascinating part of the world. By the time this arrives in Canton, I'll probably be working briefly in Hanoi--which would have seemed very improbable even several years ago. My main regrets are the long distance from family and friends: a sister (LHS '65) in Massillon, parents in Florida, and friends scattered around the globe. We live in the capital, Suva, which is a couple hours drive or a 30 minute flight from the main resort areas. If you ever come to Suva, call, although there's a good chance I'll be elsewhere.

# THE LINCOLN BAND

Mark Lowe '75

The summer of '94 proved to be an exciting time for the members of the Lincoln Band. It was filled with hot summer evening practices, renewed friendships, laughs, and outstanding performances.

Our summer began with the customary music rehearsals in the Lincoln Band Room practicing our music for the Stark County Fair and memorizing National Emblem and our fight song for the parades. Within weeks we were marching our parade route at the Stark County Fair Grounds and attracting a group of loyal followers who came out to watch every practice. Only the horse that was training on the back side of the fair grounds was not happy to see us. The drummers, not the band, spooked him for the second year and his trainer quickly took him back to

the barn. After three weeks of intensive marching and achieving our high level of perfection, we decided we needed a real dress rehearsal for the parades. So, we proudly put on our Lincoln shirts and took back the streets of Harter Heights and transformed them once again into a Lincoln neighborhood. Leaving the fair grounds and going up Fourth Street, we decided to march to **Mr. Bayless'** house, playing and strutting up to his front door--where we were disappointed to find he was not at home! We were not to be stopped, however, as we continued down Valleyview to Second Street and then on to Roslyn Avenue back to the fair grounds. We stopped traffic and were cheered on by the residents, many of whom had donned Lincoln shirts and followed. It was a great rush of

excitement to see the Lincoln Band still commanding cheers of "Go Lincoln" and Go Lions!"

The band performed to perfection in both the Kick Off Parade and the Hall of Fame Parade. We also had our first appearance in the Alliance Carnation Parade where the Mount Union students gave us a "10" rating. Our Stark County Fair performance was once again a SRO crowd complete with **Mr. Bayless, Mr. Toot,** and tears of joy from the Lincoln alumni.

The band is looking to organize a "military ball" for the summer of 1996. If any former band members think this is a great idea or would like to help organize, please call **Joe Garber** at **477-7494**. Also there is always room for one more band member. Please consider joining the group--you won't have more fun anywhere else!

## "ROCK 'N ROLL IS HERE TO STAY"

Karen Gerzina Samuelson '60

The "Fabulous Fifties"--an era when you could put down the top and cruise to Eckard's, the "A," or the "Loo" to tunes of The Platters, Bill Haley and the Comets, Danny and the Juniors, and Pat Boone! "Your Hit Parade," "Ozzie and Harriet," and "Father Knows Best" were favorite TV shows, 45's--not tapes or CD's--were played until they sounded like sandpaper, people listened to the radio (at near normal volume).

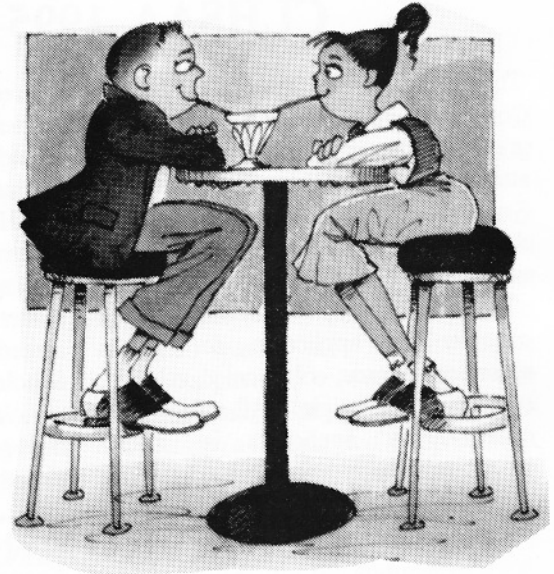

The Volkswagen bug was popular, but a '57 Chevy or T-bird was to die for! Young kids wore Davy Crockett hats and teen-agers wore bobby socks. Hula hoops and sock hops were favorite pastimes. Slow dancing, holding your best date close, was in. Jitterbugging was the rage.

In those days everyone wanted to live the "American Dream"--grow up, get married, buy a house, and have a

family (usually in that order!). First date, first kiss, first love. It was a simpler time when rock and roll was just starting to take the world by storm. Dick Clark not only looked young, he was young! When ponytails and D.A. hairstyles were "cool." (Does anyone say "cool" anymore?) When poodle skirts and pegged Levis were fashion statements.

It was a time when the boys were "Standing on the Corner Watching All the Girls Go By" while the girls were daydreaming that their "Secret Love" would be "Unforgettable." A young girl "Sincerely" thought "All I Have To Do Is Dream" and "My Prayer" will come true. The guys knew it was "All In The Game" but they thought it was "cool" to act like the "Great Pretender." "Looking Back" at those days our heads might spin "Round and Round," but most of us had "Love and Marriage" as our goal.

To recapture the flavor of the 50's, try a trip to Gerber's 50's Restaurant on old Route 30 near East Canton for a cherry coke and hamburger or a handmade malt. Or you could cruise to Doug's

Classic '57 USA Diner in Alliance with its aqua and pink booths and stools, tile floor, neon signs, models and pictures of great 50's classic cars, and a menu reminiscent of the good old days. Of course, Heggy's is still serving those hot fudge sundaes and buttered french fries--if your doctor will let you eat such things now!

During warmer months, Cruise-Ins are popular events where memories can be rekindled by viewing classic cars from every era proudly displayed by their owners. Classic 50's cars are some of the most popular cars shown. Quite a few of Lincoln's 50's type guys are among those who own and cherish one or more of these beauties. If you do go to one of these summer Cruise-Ins, look for people like: **Gary Pelger**, **Dennis Reed**, and **Vic Pitte** '60; **Ray Samola** '59; and **Chuck Hill** '53 to name only a few Lincoln "boys" who still enjoy those classics. Stop and say hello. They love to talk about their cars. So what else is new! (What's the old expression about the more things change, the more they stay the same!)

So, if sounds of "Rock Around the Clock" still make you want to dance, you are one of the "fabulous fifties" generation. Slick back your D.A., peg those Levis, shake out your poodle skirt, and stand up that collar because "Rock 'N Roll Is Here To Stay"--as long as we are still around!

## REMEMBER . . .

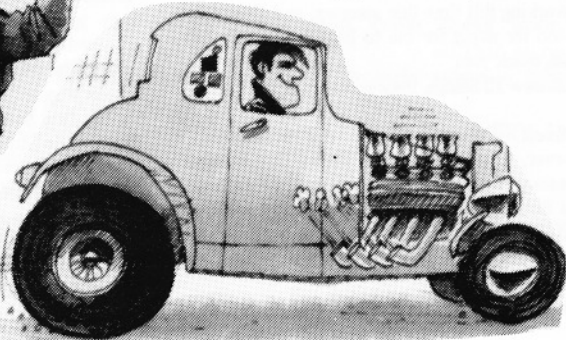

Barbara Wylle McKelvey '59

Remember . . .

Walking to school with your best friend  
Hurrying to your seat before the tardy bell?  
Studying in the study halls (??)  
Hearty lunches in the cafeteria  
Picnics in the school park  
Social parties and school dances  
Great games at Fawcett Stadium  
Cheering and "Booing" at the Field House  
Buttered french fries at Heggy's  
Sipping cokes and telling stories at Marlowe's  
After the game flirting at Eckard's  
Praise from your favorite teacher (??)  
Going out to Meyers Lake, or uptown  
to the Lowe's or the Palace,  
or catching a matinee at the Dueber?  
Ah . . . the 50's . . . the good old days!

## REFLECTIONS OF THE '50's

Faye Moore Staugh '52

1950 to 1959--the fifties! We're all in our 50's and 60's now, but at the time we didn't know how good we had it. Oh! yes, we had a few problems--what to wear to school, what to order at Marlowe's--but not like today's youth who have so many different types of stress and pressure.

In our school days, we could walk to football games, to practices, to open house, choir, band, or even baby-sitting. Not now, the nineties!

Recently, a grade school and high school friend was in town from California. A group of us got together on several different occasions. What great fun we had talking over old times--the teachers, old boy friends, our own special times and problems, clothes we wore. It was tailor-made pants, cordovans, football jerseys and jeans for the guys. Skirts, sweaters (blue jeans for girls were a no-no!), saddle oxfords, and pearls for the girls. Oh, those pearls!

Next time a school levy is needed in your area, please look at it very carefully. Our kids need all the help they can get. This is why our alumni association and scholarship funding is so important--their futures and our leaders.

**Carrie Stokoe**

I'm writing to thank you for the generous scholarship you awarded to me this past summer. The \$500 was most helpful in helping to pay my tuition this semester. Although I work all year to pay for my schooling, the rising cost of tuition is making this more and more difficult each year. My appreciation of your caring and aid for students like myself runs deep. Thank you, and I'll do my best so that my performance in school will make your donation worth while.

**Tiffney Roberts, Massillon, OH**

\*\*\*\*

I wanted to express my deep appreciation to the Scholarship Committee for choosing my two children, Tiffney and Tony Roberts, to be recipients of your scholarships. With two children in college, it certainly was a great help. Thank you again,

Thanks to all who are involved in providing scholarships to children of your alumni. It was a great honor to be chosen this year. The much-needed \$500 helped pay for my tuition this fall. I am in my senior year at Walsh University majoring in elementary education. Thank you for your involvement in helping to make my dream of finishing school a reality.

**Marcie Soehalen, Canton, OH**

\*\*\*\*

This "thank you" letter is coming to you rather late because after my daughter gave it to me when I was visiting her in Dayton, I mislaid it. She didn't have your address, so she asked me to mail it for her. Well I am, just a little later than she meant! Thank you very much from both of us for the scholarship.

**Terrie Addington '63**

\*\*\*\*

I'd like to take a moment to express my deep thanks for being awarded a CLHSAA scholarship. The opportunity for me to advance my education with the help of this scholarship is a great privilege, I feel very honored. My first year at Walsh University is going very well! Thank you very much,

## GEORGE H. BAKER, Class of 1963 MEMORIAL FUND

Our brother, George, passed away May 17, 1994, after fighting a very courageous battle with cancer. In his last days, George talked a lot about his days at Lincoln. We laughed about many memories of his time at Lincoln, reminiscised about his basketball days, and the trip to Columbus to play in the 1963 State Championships. Even though George moved to Cincinnati, he would try to make it home for the Alumni Dance in November. He looked forward to seeing all his old friends. These are special memories we will always treasure.

Even though George was gone from the area for so long, he wasn't forgotten. We want to thank all of you who paid tribute to him at his funeral. The outpouring of love for him was just another reminder to us of how he touched the lives of so many.

Georgie loved this area, he loved Lincoln High School, he loved basketball and all sports, and he loved kids. In his memory, we have set up The George H. Baker Memorial Fund. With the money from this fund, we would like to give kids a chance to enjoy sports as much as Georgie did. We will give memberships to underprivileged children to the J. Babe Stern Center in his name.

If anyone would like to contribute to this fund, please send your donations to:

THE GEORGE H. BAKER MEMORIAL FUND  
c/o Jeannie John  
1610 Bramblewood Circle  
Massillon, OH 44646

Thank you for helping to keep Georgie's memory alive.

## MEMBERSHIP NEWS

### Nicci DiMarzio '46

In 1993, Lincoln's first graduating class of 1943 held its 50th year reunion. In 1994, the class of 1944 held its 50th. This year 1945 will hold their 50th. Perhaps its not widely known, but your association helps ALL classes attain success with their reunions by making class lists, mailing labels, souvenirs, and favors available. This is one of the plusses the association is able to offer through your membership dues. Your dues also help promote the positive effect our association has on the community through our alumni band appearances and other activities, as well as the printing of this paper.

We need to be reminded that dues are **due and payable every year**. (See the membership forms on Page 17.) Don't put it off. Send in that \$10, talk up your association, sign up new members, look up old classmates, get all those family members signed up, and attend the fund-raising affairs and meetings. Let your voice be heard. There are a lot of "stray" lions out there, and we need them. Let's be "gung ho" about our great association. A motto I suggested last year still applies, **"each one, add one."** Keep that Lion roaring!

## LOST FOREVER!

We hope not! One of our hardest jobs is to keep track of the thousands of names and addresses of alumni. There are over 8,000 names and addresses now on record, but in order to be accurate, we need your help. **PLEASE let us know if your address or name changes.** If you work on your class reunion committee and discover that classmates have moved, died, or changed their name, **LET THE ASSOCIATION KNOW!** A note to the post office box is all it takes. Please include: First Name, Maiden Name, Last Name, and Class Year. Please take the time to do this. No one has to join the Association to be listed correctly in the database. We just don't want you to be LOST FOREVER!!

## HISTORIAN'S NOTE

**Carole Hunker Hughes '51**

We have--  
tags and bags,  
annuals and manuals,  
placemats, band hats,  
school letters, Lincoln sweaters  
waste baskets, warm-up jackets,  
majorette boots, gym suits,  
raincoats, book totes,  
basketball shorts and pins, all sorts.

Webster defines historian as "a writer of history, chronicler, an authority on history." Based on that definition, I would say that I am more of a "caretaker." My job consists of receiving all the many pieces of memorabilia donated to the association and trying to create some semblance of order to the whole system. Each memento is catalogued and indexed, then carefully packed away in a carton. Many cartons, many heavy cartons!

The only time you might hear me moan and groan is when I have to transport all those boxes to the Civic Center for the Annual Dance in November. The contents are unpacked and put on display for everyone to look at and reminisce. Then back into storage for another year, with newly donated items being added continually. By the way, class reunion committees are welcome to check out special items for display at their event.

I do not take my responsibilities lightly, for I am dealing with bits and pieces of many persons' lives, and I feel those numerous heavy cartons contain the life-blood of Lincoln High School.
