Thirty-three outstanding students received a boost to their educational budgets when CLHSAA presented each of them with a \$500 scholarship. The \$16,500 represents the largest amount awarded so far. The awards were presented at a reception on July 25, 1995 at Dinger's Lions Den.

Receiving scholarships were 19 incoming freshmen and 14 current college students. A wide variety of career choices and schools were represented by the recipients. Only those applications which correctly fulfilled the application requirements were able to be considered.

Larry Ellison '57, Karen Mottice Christoff '72, Don Dorkoff '59, Karen Gerzina Samuelson '60, and Sue Berg

Self '68 made up the 1995 Scholarship Committee. **Nicci Huston DiMarzio '46** was board liaison. **Faye Moore Staugh '52** and her committee provided refreshments at the reception.

Congratulations to all of the successful applicants. You are truly an outstanding group of students who we are proud to say have some connection to LHS.

Thank you to those students who applied but were not awarded a scholarship. We wish we could have assisted every one of you. Remember, you are eligible to apply again. See this year's application on Page 17. Best wishes for continued academic success to each of you. []

1996 ELECTIONS

"Nicci" Huston DiMarzio '46
Nominating Chairperson

Our October 1995 election results are as follows: President--**Sue Berg Self '68**; Vice President--**Jim Osborn '59**; Secretary--**Barbara Wylie McKelvey '59**; Treasurer--**Jim Griffin '61**; Two-Year Trustees--**Judy Workman Kackley '60**; **Ed Hostetter '68**; and **Gary Love '55**. Congratulations!

There were other candidates on the ballot who graciously agreed to run for office and who are all dedicated alumni who will stay involved. Thanks to all for making my job easier.

Our two three-year trustees are incumbents **Joe Garber '44** and **Bill Dinger '69**.

Outgoing two-term president **Jim Mitchell '51** deserves our thanks for giving us spirited and forward looking leadership. Jim remains on the board as past-president. Retiring board members **Bill Welch '46** and **Guy Bertram '52** also deserve much gratitude for going "above and beyond" with all projects with which they are involved. [Editor's Note: We also thank **Nicci Huston DiMarzio '46** for all her dedication and hard work on many committees. These people are some of the hardest workers in the association!]

It is with regret we must accept **Barbara McKelvey's** resignation as secretary. Since assuming the job of secretary in 1995, Barb has done a superb job with conscientious good humor, and she will be missed on the board. President **Sue Self** has appointed **Betty Lou Jones Lloyd '47** to assume the secretarial duties. Thanks, **Betty Lou**, for jumping in to help.

Election figures show that again this year we did not do well percentage-wise, with a little less than a third of the ballots returned. Again I would appeal to you--to justify the cost to the association for the election (which our constitution requires), take the time to return your ballot and support your

If you think you would like to run for office for 1997, all four offices will be up for election this fall. Enter your name as a candidate by contacting our new **Nominating Chairperson, Janet Weir Creighton**, personally or drop a note to P.O. Box 20192-591, Canton, OH 44701 to volunteer.

I have enjoyed my two years as your trustee and look forward to serving in other voluntary capacities. I urge all you Lions to get involved, stay involved! []

**PRESIDENT'S
MESSAGE**

Sue Berg Self
Class of 1968

As president of the alumni association this year, I would like to extend my thanks and congratulations to the 1995 officers, under the supervision of **Jim Mitchell**, for another successful year.

Last July the association presented thirty-three \$500 scholarships to deserving students for a total of \$16,500. The monies raised for scholarships are from a combination of fund raisers, donations, and the generosity of the board which places \$500 from the general fund into the scholarship account each month. I would like to thank everyone for your support of the scholarship fund.

Two designated scholarship awards were presented in 1995 which I believe are noteworthy. A **Don Greenham Memorial Scholarship** was presented to Jennifer Schoeppner who is majoring in a foreign language and music. Appropriately, **Mr. Greenham** will be remembered as a former LHS language teacher and music aficionado. The second designated award, the **Elizabeth Schrock Bell Scholarship**, was presented to **Bonnie Kessler Jones '67**. **Elizabeth Bell** is a 1950 graduate of Lincoln who retired last spring from the Perry Local School System. Upon her retirement, Elizabeth requested monetary gifts be given in her name to the CLHSAA scholarship fund. Bonnie is furthering her studies by obtaining a Master's Degree in Elementary Education. She currently is a teacher in the Perry schools. How heartwarming and bittersweet it was presenting these two awards.

This year as president I have several goals I am hoping to achieve. The first is to re-activate those members who have not rejoined the alumni membership over the past years. Letters were mailed to these individuals, and the response to date has been overwhelming. Thanks to those of you who have already responded. To those of you who are still holding on to that membership form, please join today either by mail or in person at one of our functions.

My second goal, with the help of volunteers, is to locate nearly 1400 alumni whose addresses are incorrect in our data file. Our "computer guru," **Dave Schemansky '66**, was instrumental in bringing this matter to my attention. Long term as it may be, he feels we will be able to contact 75% of those individuals. With his super sleuth shingle hanging on the wall (he refers to it as expertise) and with **Fred Peters '62** and **Nancy Boone Peters '62** as chairpersons, we should be very successful in reaching this goal.

My heartfelt thanks and appreciation to all who continue to support the alumni association and enjoy seeing this organization succeed in "Keeping the Spirit Alive." []

"FOURTH ANNUAL" GOLF OUTING Guy Bertram '52

Bill DeMario, Todd Borden, Mike Drumm, Ev Daniels, Jim Griffin

Saturday, August 12, 1995, Bob O'Link Golf Course -- The day was bright and sunny, even hot! The competition was heated, but the fellowship was warm. *It was a very nice day for golf!!*

Speaking of hot, the day's winning teams were: first place--**Don Dorkoff's team**; second place--**Walt Hostetler's team**; third place--**John Fink's team**. Memorial putters were awarded in memory of **Blane Bertram, Daryl Dent, Bobby DeChellis, and Jim Grosse**. Every golfer was awarded a door prize donated by various people, including **Bill Staugh, Jim Osborn, and John Fink**. **Bill and Peggy Dinger** donated a "free rental" of the Lion's Den which was auctioned off to John Fink's team. (Thanks, guys!) A 50/50 drawing was held and mulligans were sold. *It was a very nice day for golf!!*

We wish to thank the following volunteers: **Jim Mitchell, Bob VanAlmen, Sue Berg Self, Carol Berg Marvin, Karen Gerzina Samuelson, Faye Moore Staugh, Judy Workman Kackley, Jim Griffin, Janet Weir Creighton, Donna Bertram, and Jim Osborn** ("official scorer"). Note: We are always looking for new volunteers.

In 1996 the **Fifth Annual Golf Outing** is slated for **Saturday, August 10, at Bob O'Link Golf Course, South**. Tee times are from 8:00 AM to 9:44 AM. Please call **Guy Bertram** at 492-6115 for tee times. All team captains must send a \$50 entry fee to insure their team a place in this event. Also, please identify which team you are playing on. Last year two players requested and obtained two different tee times, but then played on the same team. □

LINCOLN BANNER CARRIERS

Faye Moore Staugh '52

Early in June 1995, I received a phone call from Joe Garber, the alumni board's liaison to the Lincoln Band. My assignment was to get about 20 banner carriers for the two Hall of Fame Parades: (1) Kick-Off Parade, Sunday, July 23rd, 2:00 PM, about one mile in length; (2) Grand Parade, Saturday, July 29th, 7:30 AM, two miles to march.

Using the volunteer list first, I began making calls. Calling for volunteers is sometimes a challenge and can be time consuming. Boy, did I ever get a lot of answering machines! However, I found it very rewarding and enjoyable. By the time both parades were over, everything went smoothly, and I'd do it again anytime.

Best of all, I enjoyed talking to the alumni. I thought I wouldn't know them when I called, but I found out in our conversations sometimes that I did know them, or maybe their brother, sister, cousins, or even their parents. With three Moore kids and a cousin going to LHS all at the same time, I knew all their friends, too. What wonderful stories the alums told me about their good old high school days.

Most people were glad I'd contacted them and would volunteer if they could. Out of 25 people, 6 cancelled and had to be replaced. One day before the Grand Parade two people had to cancel. I'm sure a lot of you can relate to this if you have ever been in charge of signing up volunteers. My motto, "Always have some subs in reserve."

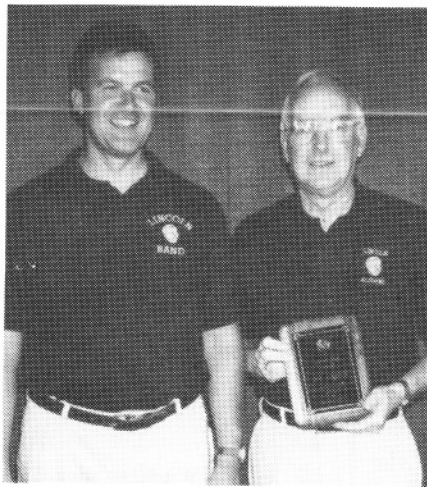

There were a husband and wife, two cousins, two sisters who had a cousin in the band. The one sister had a six month old baby. There were twelve new carriers out of twenty. We all had a great and proud time, but it was all over too soon.

From the reaction of the spectators, it appears they really enjoy our participation in leading our wonderful, hard working Lincoln Band at these exciting community activities. []

Parade Participants

The Lincoln Band continues to be a very active and visible part of the CLHSAA. Their performances in both HOF parades, at the Stark County Fair, and at the November Annual Dance are a source of real pride for all of us. Thanks to every band member and volunteer for your special talents and efforts.

If you are interested in becoming a part of this fine group, just contact any member or drop a note to the association's address. They sure seem to have a lot of fun. You could be part of it!

1995 STARK COUNTY FAIR BOOTH

Joe and Flo Garber '44

Flo Garber, Joe Garber, Sue Self

When the opportunity arose to secure a larger booth, we moved across the aisle and doubled the size of our booth. We had more room to display our merchandise and showcase our organization. It was nice not having to squeeze into the small space we have had for the last few years. With new skirting and white table covers, it really looked great. We received a lot of complements, especially from the other alumni associations. (They still can't figure out why we are so successful. I tell them, "Lincoln people always pull together.")

Tuesday, Wednesday, and Thursday the weather was hot, and sales were down--people do not buy sweatshirts on hot days! The remainder of the fair

the weather cooled off, and sales went up. There were some new articles to sell--Lincoln alumni pins, license plate holders, and men's and women's watches. Twelve new memberships and several renewals were accepted. About 400 newsletters were distributed.

There were 34 new volunteers this year which is great. Here is a breakdown of the classes represented in the booth this year: 17 from the 40's; 20 from the 50's; 8 from the 60's; and 4 from the 70's. (Come on you 70's people, get involved in the alumni association. Your help is needed to keep this movement alive.) Thanks to everyone for your help. A special thank you to Sue Self, Jim Osborn, and Carol and Harry Hughes. □

1995 FALL EVENT

Judy Workman Kackley '60

The "Family Fall Event" was held on Sunday, September 24, 1995 at Dinger's Lions Den. It was a beautiful day for the family oriented outing, and there was lots of picnic food, games for all ages, prizes, and music. The Fall Event Committee included: **Bill and Peggy Dinger '69**, chairpersons; **Judy Kackley '60**; **Nicci DiMarzio '46**; **Barb McKelvey '59**; **Don and Antoinette Mast '62**, caterers.

Thanks to all who attended and to the committee for making the event a success. A special thank you to **Bill and Peggy Dinger** for donating the hall and grounds.

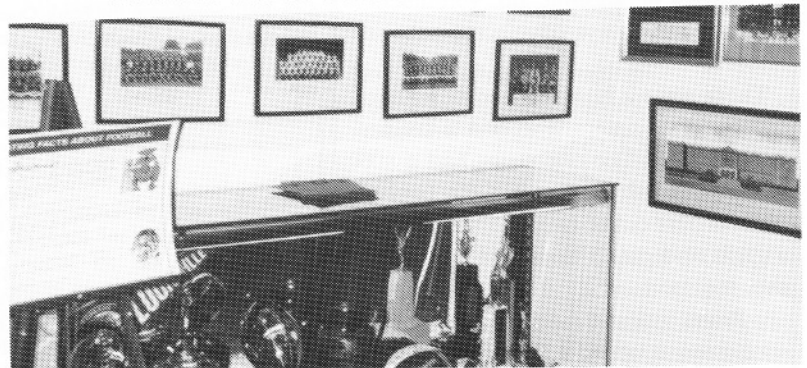

During the day's activities, the CLHSAA Awards Committee honored six association members chosen to receive the *1995 Alumni Service Award*. Each honoree was presented a lion statue donated by **Bill Dinger**, and their name was added to the plaque which is displayed at alumni functions. Alumni association members recognized for their outstanding service and dedication to the organization are: **Jim Mitchell '51**, **Guy Bertram '52**, **Faye Moore Staugh '52**, **Bill Welch '46**, **Joe Garber '44**, and **Don Stambaugh '50**. In future years other alumni will be honored and their names added to the plaque. □

McKINLEY MUSEUM DISPLAY

Lincoln High School had an outstanding array of football memorabilia in the McKinley Museum display, "A Celebration of Stark County Football," which ran from September through mid-November 1995. The exhibit commemorated the past 100 years of football here in Stark County. Artifacts from area high schools, colleges, and local professionals were showcased.

THIRD ALL-CITY ALUMNI NIGHT

Karen Gerzina Samuelson '60

The Third All-City Alumni Night was hosted by the McKinley Alumni Association on October 10, 1995 in the Atrium of old McKinley High.

Fred Blosser, Superintendent of Canton City Schools, spoke briefly. During his remarks he suggested a new motto for all four alumni associations: "Refuse to stop having fun." He urged all of us to continue having fun and continue supporting the Canton City School System.

Lincoln started this All-City Alumni Night tradition three years ago by hosting a rally in the Lincoln High Auditorium and inviting members of the other alumni associations. Timken hosted in 1994, McKinley in 1995, and Lehman Alumni hosts this year on October 22. As always graduates of all four city high schools are invited.

When we Lions gave **Jim Mitchell** a standing ovation, he remarked humorously, "You can tell from that it's my last year as president." He thanked McKinley Alumni for bringing us together. Jim mentioned our scholarships which are the goal of our organization and lauded everyone

who helps meet that goal.

McKinley Alumni President, Don Bair, encouraged non-members to join their associations. Then the McKinley Alumni Band director asked "with hat in hand" if our **Bob White** would come up and play the snare drum with them. Another standing ovation "for one of the finest drum players in Ohio." The McKinley majorettes twirled and performed a very impressive kickline routine. Lots and lots of door prizes were awarded, followed by a social hour with school "logo" cakes for refreshments.

A month later a comment in *The Spotlight* newsletter published by Al George for Timken alumni noted, "By the way, Lincoln Alumni was again the life of the party! I never saw a group of people have so much fun in all my life! Cheering every time one of their grads won a door prize or just had their name mentioned! I wonder if I could get them to adopt me..."

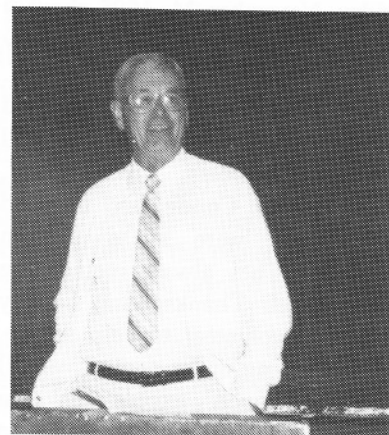

See, everyone recognizes that Lincoln alumni are fulfilling the motto suggested earlier. We just "refuse to stop having fun!" []

ALUMNI COUPLE DEDICATED TO HELPING OTHERS - Christine Welch Harrison '68

Shortly after returning from The Solomon Islands (1993 *Echoes of Lincoln*), **Bill '46** and **Nila Bonevich Welch '47** volunteered to work with the national division of Habitat for Humanity. While in the Islands, they met Habitat volunteers and felt it was a very worthwhile program to help others obtain affordable housing. Over the last several years, they have been traveling to the Carolinas and Georgia working with groups of college student volunteers. Nila describes the experience as, "One which you immediately start to see the effects of your work. In the Peace Corps, it was a longer process to see how the help you brought affected the people." The Welch's feel the same about the results of their work with the Red Cross Disaster Services--more of an immediate benefit to the people in need. (In September 1995, the Welch's went to St. Thomas, Virgin Islands, to help undo the damage wrought by Hurricane Marilyn.)

So what's next? Both Bill and Nila are currently taking additional training with the Red Cross to also serve on the international level of disaster services. Meanwhile, they share many family activities and projects with their children and grandchildren. They are the parents of **Lee '67**, **Christine Harrison '68**, **Tim '73**, and **Ed '71** who recently passed away. Bill is retired from the City of Canton and keeps busy with a part-time job. Nila is busy with gardening and daily exercise. []

9th ANNUAL DANCE -- NOVEMBER 1995

Faye Moore Staugh '52

Friday, November 24, 1995 about 9 a.m. our set-up crew (approximately 12 loyal members) went into action. President-elect **Sue Berg Self** and **Linda Alvarez Neff** started numbering the tables. Linda's sister, **Kathy Alvarez Conde**, and husband **Chip Conde**, were in town from Columbus. They always include the dance in their Thanksgiving holiday and always volunteer to help set up. With everything under control, we all left around noon, except for **Jim Osborn** who was putting his last minute touches here and there.

Jim looked great about 6:00 p.m. sporting our new alumni sweatshirt. Doors opened on time with **Ed Mang** and **Beverly Eutely Peters** selling tickets as fast as they could.

New this year--the collection of non-perishable food items for the Hunger Task Force. **Dan Plott** and **Bill Welch** headed up this effort which was wonderfully accepted by all our party goers.

Carol Hunker Hughes and **Harry Hughes** had the memorabilia table all set and up to date. I saw **Nicci Huston DiMarzio**, **Barb Wylie McKelvey**, and **Shirley Mottice Myers** (wife of Roger Myers, Timken Alumni President) looking through the year books.

Happy people came filing in. **Karen Gerzina Samuelson** had her contribution for the HTF. She was chatting with **Bill Fashbaugh** and his sister, **Janet Fashbaugh Mohler**. (Great lion pin, Karen.)

Janet Weir Creighton was manning the souvenir table with the help of **Christine Welch Harrison** and **Milan Dolanski**.

First time in attendance was **Dick (Obey) O'Bringer** and his wife, **Beverly**. They've moved back to Canton after thirty years in Las Vegas. They were conversing with old time neighborhood friends **Jay Randall** and **Vicki Scott Randall**.

Jay's brother, **Rex Randall**, and new bride **Gerry** (as of October 29, 1995) were off in the food line. The great food was prepared and served by **Charlie Brown's Catering**.

The Civic Center's roof was in motion to sounds of "Jimmy and the Soul Blazers." What a talented group. I even had time to "rock and roll!"

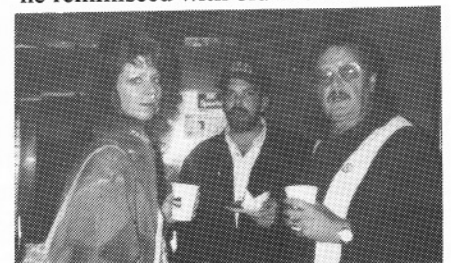

Making my rounds with my camera, I saw one of our alumni drummers, **Bob White**, his wife, and **Fred Triplett**. Bob's son, **Tom White**, is also a member of our alumni band. Tom's wife, **Shari McDonald White**, was also there. She's one of our majorettes. What a family affair!

Talking to a young handsome couple at a table of ten, I discovered he was the son of **Dolores Evangelista Moran** and **Paul Moran**. Brothers **Pat** and **Tom McRoberts** attended again this year with their wives.

Warren Bertram was looking good in his red, white and blue sweater as he reminisced with old friends.

The Lincoln Band played at intermission. Since director **Mark Lowe** could not attend, **Jeff Porter** and **Ed Hostetter** helped out. The band members are all true alumni supporters, and we are very proud of them.

Nan DeMuesy was walking around. I found her in a circle with **Jim** and **Margarite Keller Lessig** and **Wade** and **Sally Bordner Lessig**. **Jim Mitchell** secured the memorabilia table while **Carol** and **Harry Hughes** played in the alumni band. (Yes, they have two volunteer jobs!)

Judy and **John Seckler** (Timken alumni) come to our dance every year with **Loretta** and **Bob Hawk**. **Bob** played football for Lincoln.

The 50/50 volunteers--**Carol Berg Marvin**, **Judy Workman Kackley**, **Russ Peters**, and **Jim Griffin**--did a lot of walking, talking, and selling. Great job! School Superintendent **Fred Blosser** pulled the lucky number.

The clean-up volunteers left the building in good shape about 2:00 a.m. All this for the sake of our wonderful "good time was had by all" fund raiser. Hope to see you there in 1996! []

FOOD & DOLLARS FOR NEEDY

Dan Plott '68 & Bill Welch '46

Those of you who were able to attend the November 1995 dance may have noticed something different. The executive board, upon the suggestion of a trustee, initiated the collecting of non-perishable food items or a donation of a dollar to assist the needy and hungry for the holidays.

This undertaking was not a formidable task for our association. First was the decision to do such a project. That was easy. Being the day after Thanksgiving and with the Christmas season approaching, we knew the timing was good and that the effort would be appreciated. The board permitted the project to be part of our annual gala and advertised it on the tickets and on the printed posters placed around the city.

Then the search was on for the recipients of the collection effort. Many suggestions were considered. It was decided the best place for food stuffs would be the Stark County Hunger Task Force. The cash would be divided equally between Hunger Task Force and Veterans of America, Sharon Lane Memorial Chapter 199, a group helping to support all area veterans.

Many folks attending the dance were caught unaware of the effort. Then there were people who walked in the doors with grocery bags of food. The bottom line is that the collection netted six full boxes of food and \$400 cash.

In summary, the people of Stark County are still benefitting from the strength and kindness of the graduates of Lincoln High School. []

The lion is (still) king. . .

Sherry Lee

[Editor's Note: *The following is excerpted from a column written by Sherry Lee which appeared in the December 6, 1995 issue of The Sun Journal newspaper. It is reprinted here in part to let our readers know that this association is indeed respected in this community. Thanks, Sherry for your kind words.*]

They come from far and wide. Just as predictable as the return of the buzzards to Hinkley and the swallows to Capastrano, the Lions return to the Canton Civic Center the day after Thanksgiving.

It's a "jungle" of people. Some Lions wear three-piece vested suits with silk ties, glittering cocktail wear and high heels. Others are in faded jeans and sweatshirts in maroon and gold. Doesn't matter. They all have one thing in common--they're Lincoln Lions at heart.

Alumni from 1943 to 1976 burst the seams of the Canton Civic Center auditorium, and each pay the price of admission--a ten dollar ticket and a can of food for those in need. This year over 1300 cans of food were collected for the hungry.

Highlight of the evening's celebration was the appearance of the Lincoln Alumni Band. The Lion's came to their feet when the familiar music filled the room, and some of the former grad's could be seen wiping a reminiscent tear from their eyes.

If you're wondering how a loyal Bulldog ex-majorette (retired) happened to invade a Lion's den festivities, well it was a package deal. When I inherited **Ted Novak '59**, I also acquired a healthy respect for the good works and ambition of the Canton Lincoln Alumni Association which boasts over 1000 paid members. In addition to feeding the hungry, they have provided over \$16,000 in scholarships in 1995 alone. []

1996 ANNUAL SCHOLARSHIP RAFFLE

Janet Weir Creighton '68

Fun, food, friendship and a chance to win \$3000 in PRIZES!!! That's what over 160 anxious participants found at the Seventh Annual Canton Lincoln Alumni Scholarship Raffle held on February 21, 1996 at the Four Winds Restaurant. **Jim Griffin** and **Janet Weir Creighton** were the co-chairmen of the event and were delighted that all 200 tickets were sold prior to the evening.

The committee of hard working Lions included: tip sellers **Carol Berg Marvin** and **Nicci Huston DiMarzio**; 50/50 sellers **Mike Drumm** and **Judy Workman Kackley**; door help **Sandy Pocci Griffin**; number readers **Bill Welch**, **Jim Osborn**, **Karen Gerzina Samuelson**, and **Jim Mitchell**; our number turners (eat your heart out Vanna White!!) **Roxanne Dinger** and **Guy Bertram**. Selling our variety of souvenirs is a must at every Lincoln event, and **Faye Moore Staugh**, **Cookie Palombo Wright**, and **Jean Masters Kolbl** did a great job.

After a warm welcome by President **Sue Berg Self**, dinner was served, and the drawing was held. The event realized approximately \$3500 for the scholarship fund. Those funds will be distributed in July, along with other monies raised this year, to deserving Lincoln graduates or their children.

Besides the cash prizes, Lincoln sweatshirts were given as door prizes. **Don Stambaugh** of Hub-Victor graciously donated the shirts as an added bonus.

As always, CLHSAA appreciates all the ticket purchases, volunteers, and donors. Plan to attend next year and enjoy a festive affair. []

AWARDS COMMITTEE ACTIVE

Judy Workman Kackley '60

In 1995 the first official CLHSAA Awards Committee was chosen and charged with the responsibility of developing guidelines and procedures for selecting recipients of the two types of awards given by the association.

The Awards Committee is a two-year committee. During the first year of the committee's work, it chooses members who will receive the Alumni Service Award. During the second year of the committee's work, it chooses graduates who will receive the Distinguished Alumnus Award.

Alumni Service Award: This award honors members of the association who have demonstrated dedicated service to CLHSAA. Honorees will be chosen every other year. Their names will be added to the alumni service award plaque.

On September 24, 1995, six association members were honored as *Alumni Service Award* recipients. They are: **Jim Mitchell '51**, **Guy Bertram '52**, **Faye Moore Staugh '52**, **Bill Welch '46**, **Joe Garber '44**, and **Don Stambaugh '50**. The association and awards committee would like to thank each honoree for their years of dedicated service to CLHSAA. It is because of your dedicated service that the association will continue to be a success. [See related story on Page 6.]

Distinguished Alumnus Award: This award honors graduates who have distinguished themselves through their achievements in one or more of the following categories--civic, community, education, athletics, military, arts, religion, medical, and business.

Nominating forms were sent out in October 1995 with the 1996 ballots. Deadline for return was December 31, 1995. The committee reviewed the nominations and then notified the nominees in writing. The nominees were asked to return information sheets and/or resumes detailing their qualifications. That information was then reviewed and voted on by the committee. Five individuals were chosen and notified by letter.

We are very proud to announce the five individuals who will receive the 1996 *Distinguished Alumnus Award*: **Jan Boal 1948**, education; **Father J. Robert Coleman 1951** (deceased), religion; **Jim Lessig 1953**, athletics; **General James P. McCarthy 1953**, military; **Joseph Sommer 1945**, civic. Congratulations to these outstanding graduates.

We hope you will want to meet with and help us honor these individuals at the **First Biennial Distinguished Alumnus Award Dinner** which is being held on Saturday, May 25, 1996 at the Four Winds Restaurant. Tickets are \$15.00 per person and are available from the association, board members, and at Mang's Variety Store.

As the first Awards Committee Chairperson, I would like to thank the committee for all their hard work and help. The committee members are: **Barbara McKelvey**, **Karen Samuelson**, **Nicci DiMarzio**, **Gary Love**, **Guy Bertram**, **Jim Mitchell**, **Jim Osborn**, **Bill Dinger**, **Peggy Dinger**. []

They were chosen for the honor based on an essay written by their daughter, Melissa.

Louis William Glew '46, also known as "Sticky" or "Stick" while attending Lincoln, was featured in an article about unusual names. When he held the job of Superintendent of Labor Relations at the Timken Company, he was known as "Super Glew." Since "Stick" didn't like the sound of Lou Glew, he went by Bill. We sure hope "Sticky" has a great sense of humor!

"LETTERS TO THE EDITOR"

[Editor's Note: PLEASE if you move, don't forget to send us your address change. The post office only forwards for six months. And besides, there are so many of you, but only one of us!]

Who would have believed it? Who would have believed that after twenty years an All City Night could happen again?

It did and it was great! The turnout exceeded all expectations. The atmosphere was filled with the excitement and spirit we all knew back in the old days. It was simply a wonderful happening.

We must extend our appreciation and congratulations to the four alumni organizations behind this night. We think that the Lincoln Alumni workers were perhaps the prime movers for this event. Whatever, everyone involved gets our thanks.

In a world with so many concerns it was wonderful for those few hours to be lighthearted and at least twenty years younger again.

Wade '44 & Sally '46 Lessig Canton, OH

Though I rarely am in contact with other Lincoln graduates, your newsletter is a touchstone I welcome. ... It does my heart good to know you have kept the spirit alive.

Thank you so much for your hard work and dedication to the spirit of Canton Lincoln High School. It seems as the years go by, identity with an institution of our youth becomes more important. You are appreciated.

Debbie Kapp '71 Cambridge, OH

At last we would like to express our appreciation for the assistance the alumni association provided for the 50th reunion of the Class of '44; address lists and mailing labels; the alumni personnel who attended with an explanation of the alumni association functions; and souvenirs.

The scholarships and Echo newspaper are well received by many. Again our sincere thanks.

Shirley Rogers Lowdermilk '44

Nancy Schneider Rice '44 Canton, OH

Just received the recent issue of "Echoes of Lincoln" which provided many fond memories having just lost my wife of nearly 49 years, Betty Rinner Hawkins '43, on January 13, 1995. We first met in Mr. Reedman's home room in 1939. Betty and I were in the Class of '43 and had joined in the recent 50th reunion. We have many friends in the Canton area which we have kept in touch with these 50+ years. ...

Betty is missed by family and friends. The "Elizabeth Ann Hawkins Scholarship," to aid girls desiring to attend Cottey College has been established. The list of donors is now over 120. Cottey College, 1000 Austin St., Nevada, MO 64772.

Am enclosing my check for dues ... use the balance to help pay some costs of this welcome edition of "Echoes." Thank you.

Kenneth E. Hawkins '43 Lakewood, CO

The dances and golf scramble are the most fun ever. Keep up the good work!

Sam Crawford '62

Enjoy the copies of "Echoes of Lincoln." I still have fond memories of my years at Lincoln (known as the gal always carrying an arm load of books). A year or so ago Barb Russell, Bob and Betty Miller, and I, along with two spouses were together for a fun evening ...

Deep down I remain a Buckeye! But, I do not miss the snow. My regards to all.

Charlotte Joanne Frolo Mikolich '51
Tempe, AZ

Have enclosed my check for renewal of membership. Missed All-City Alumni Basketball Game on April 7th while vacationing in Florida.

Ron Lash let me read his latest Echoes, and I want to pass on an address of a Lincoln grad I have recently written to: Robert Verheyen '51 Bob was in the field of aviation engineering and retired from NASA at White Sands Test Facility in 1989. He worked on deep space rocket engines for the Gemini program and Apollo, LEM ascent engine, which lifted the astronauts back off the moon. Bob and I were neighbor kids on Roslyn Ave. SW.

Rich Hartzell '52 North Canton, OH

Dear President and officers,

Invariable, I look forward to receiving the "Echoes of Lincoln", but this last issue was such a disappointment because of the poor quality of print and the inferior paper used. The majority of the obscure pictures had no names with which to identify the subjects. After all, its been a few years, give us a break.

Your front page boasted of the many scholarships and the \$15,250 awarded. Several pages later told that because of the cost of paper and postage, this would be an annual issue. One issue per year is acceptable, but lets strive for a top quality product.

The paper is for all who support the alumni association. The scholarship fund is commendable, but please reserve enough of our funds to put out a paper of which we will all be proud.

An inferior newsletter is a turn-off and will only hurt our fine organization. Sincerely,

A Loyal Lincolnite Canton, OH

I thought I'd at least update you on my address. I moved to Santa Fe in late 1993 and twice since I've been here. But my business address below is a good "constant."

It would be fun to see the "Echoes of Lincoln." I'll probably get to Canton this summer and see some old friends then. Thanks for your hard work.

John Scott '62 Santa Fe, NM

Enclosed you will find my check for \$10 to continue my membership in CLHSAA. I look forward to the yearly ECHOES OF LINCOLN. I get my LIONIAN (Class of '57) and look up any name I spot who attended between 1954 and 1957. I especially enjoyed the REMEMBER WHEN and THOSE FABULOUS FIFTIES pieces in the 1995 edition. Those were the SWEET good old days!!! I also remember ice skating on Meyers Lake and at the lagoon in the park near McKinley Monument.

After 30 years with Lockheed Aircraft Corp., I plan to retire at the end of this year. I have been an engineer involved with the flight test activity of many of Lockheed's aircraft Ms. Arabella

Hopkins probably would not believe I was able to pull that one off, but I made it some how In January 1996 my wife and I plan to retire and relocate from So. Calif. to Whidbey Island Washington located in the Puget Sound north of Seattle ... Hope to make the 1997 40th reunion of the 1957 class. Please look us up if any of you alums are in the area. Will be sure to send a change of address. If you run into Gerry Baxter, give him my best regards.

Charles, Charlie, Chuck Price '57
Palmdale, CA

Congratulations on another wonderful year. I'm thrilled with the recipients of the 1994 scholarships. May the future be theirs. (And may Social Security still be intact in 2016!)

Thanks again to the hard working people who pulled off the best Class of 1969 reunion ever. The 30th will be wonderful, I'm sure. Go Lincoln!
Karen Myers '69 Canton, OH

Greetings to the members of the Class of '49 and also to those of earlier and later classes whom I might remember and visa versa. My wife, Maralyn, and I have lived up here in Minnesota since 1969.... We are now retired and get back to Ohio two or three times a year... my sister, Darlie, is in Canton. And Ken and Corky Reel are in Massillon. I look forward to the 50th anniversary of the Class of '49. Hope that we can make it to be able to see old friends.

Jack Flinner '49 Minnesota

Lincoln Alumni Annual Dance Committee,

Just wanted you to know Midge and I had a great time at the dance. You all did a super job. It was our first time home for Thanksgiving in 22 years. Hope to make it next year!

Mark Graham '67 Tampa, FL

I really appreciate the work all you folks do for us alumni who are far removed from Canton. I would gladly volunteer for any work, but I can't imagine what it would be. Please note my address change for your records.

George E. Wiant '50 Prescott, AZ

Keep up the good work. The alumni association has provided a lot of fun and scholarships. Appreciate all those who work to make the association successful.

Tom McRoberts '51 Canton, OH

Thanks for the membership reminder. I have not received any in the past few years and just assumed the CLHSAA had disbanded. I'm glad you're still around.

Ralph Dominguez '67 Elyria, OH

Just enjoying the weather in Florida. Don't need any of your snow down here. I will be back in time to play with the alumni band in May and help where I can. I do some playing down here. They are always looking for a drummer. We are going to the reunion that they have every year for all of the Ohio snow birds that are down here for the winter. It will be at Siesta Key, FL just below Sarasota on March 14, 1996. Any mailing, especially my "Echoes" when it comes out, should be sent to my Florida address until May. Thank you and enjoy the snow!

Bob White '43 Florida

Our thanks to the Alumni Association for all the help given us for our 50th class reunion. Everything turned out well and all who attended had an enjoyable time.

It was great to see many old friends, which made the affair all worth while.

Our hope is this \$1,037.27 given in the name of Lincoln High School **Class of 1945** will help others in advancing their education.

Thanks again,
**Don Franz, Treasurer
Class of 1945**

Dear Lincoln Band Members,

I would like to take this opportunity to thank each and every band member for the fine service award presented to me. It is a pleasure to know and work with each of you. It was a total surprise when our director, Mark Lowe, presented me the award at our performance on September 2, 1995 at the Stark County Fair. Having been president of the Lincoln Band Parents in 1971 through 1973, it is so good to see band members from all the years come together and play once again as "The Lincoln Band." Keep up the good work. Thanks again, **Joe Garber**

SCHOLARSHIP RECIPIENTS

I am sorry that I will be unable to attend the ceremony on the 25th, but due to the length of the drive and the fact that it is on a weekday, it is not possible. I would like to thank you for your generosity in granting me this award and assure you it will be well used.

Kevin M. Hartzell Crown Point, IN

I would like to thank CLHSAA for awarding me one of its scholarships. I regret I will be unable to attend the awards banquet, but due to distance and my work schedule, it is just not possible. I want the CLHSAA to know that its money has been well spent. I have worked hard during my four years of high school, and I will continue to do so in the future. Just this past summer, I have gained an extra appreciation of what an education, or lack there of, is worth. My summer job includes hard, physical work. Most of the guys I work with never went to college, and most of them also wish that they were doing something else. They tell me quite frequently to "study hard because you don't want to do this the rest of your life." I don't know where my education will take me, but I'm glad to have had help along the way.

Jack W. Beatty Ft. Wayne, IN

I regret that I will not be able to attend the scholarship awards program. I would like to express my sincere gratitude for this scholarship. It will be very helpful for myself as well as for the many other scholarship winners. Thank you for your concern for the education of today's youth.

Heidi Hoffman Anniston, AL

I would like to express my gratitude to the alumni association for awarding me this scholarship, and to sincerely apologize for my inability to be present at the awards ceremony. Regretfully, I have prior obligations that prevent me from attending. I feel honored that you have chosen me twice to receive this prestigious award, which makes it even harder to decline the invitation to personally thank you. It is difficult to truly show how much this award means to me and my family on paper, but hopefully my parents will be able to portray my gratitude. Again, I feel privileged that you have chosen me from a group of very deserving students to receive this generous award.

Todd R. Bricker Canton, OH

Thank you for awarding me a CLHSAA Scholarship for 1995. I regret I will be unable to attend your awards ceremony. Until the age of 17, we would enjoy a week visiting my grandmother on Montrose Avenue each summer. The Stark County Fair, Hall of Fame parades, and brick streets come to mind. My father would always make his yearly drive-by of Lincoln High School and reminisce of its traditions and great history.

You are to be commended for your scholarship program, especially the fact that you are able to provide awards to so many students. In contrast, NASA at the Kennedy Space Center, where my father works awards only five \$500 scholarships each year to employee dependents.

I truly appreciate your scholarship help toward my educational goals at the University of Notre Dame.

Robert H. Thornburg Titusville, FL

Thank you for selecting me as one of the recipients of your scholarships. As I enter my third year at Bowling Green State University majoring in business administration with an emphasis in accounting, the monetary aid is greatly appreciated.

I regret that I will be unable to attend the awards program as I will be out of town. Once again, I am deeply honored by your gift.

Matthew Feucht Navarre, OH

Please accept my sincere thanks for awarding me one of your scholarships. It will greatly help lighten the burden of my college expenses. We just returned from orientation at the University Cincinnati, College of Architecture. I am just beginning to realize how many expenses I am going to incur. Therefore, this award notice came at a very appropriate time to help buoy my spirits. It also makes me even more grateful to organizations such as yours that have the foresight to see and act upon the great need to help out college-bound students.

I apologize, however, that I was unable to attend the ceremony due to my job. I have asked my parents to convey my appreciation to you. Once again, thank you for your generous scholarship and the honor that goes along with it.

Scott Bricker Canton, OH

After attending the awards ceremony last night on behalf of our sons, I could not let another day go by without thanking you myself for your generosity.

There are not many organizations that are so dedicated to helping young people, especially post freshman, with their college expenses. I know my husband has always been proud to be a Lincoln Alumni, but seeing your group in action has shed a whole new light on the quality of individual that graduated from your school.

I am not sure who is more grateful for your scholarships—the parents or the students. As parents we wish we could do more to lighten the expense burden for our children and we really appreciate your help. As students, although the \$500 seems to be absorbed rather quickly, the honor that goes along with the award remains for a long time. It helps to validate for the children that all their hard work and studying really does mean something. I know, especially for our older son, that at exam time it offers that extra incentive to study just a little bit harder.

With a humble spirit and sincere appreciation, we thank you from the bottom of our hearts for your generosity to our sons and all the other deserving and thankful young men and women lucky enough to benefit from your hard work.

Mrs. Dennis (Marsha) Bricker Canton, OH

I know Mark thanked you for your generosity when he received his \$500 Lincoln Alumni Scholarship, and Gil and I want to thank you also. It's not easy putting your child through college nowadays, so any help is greatly appreciated. We also want to thank you for all the hours of volunteering, planning, and organizing you put into this project to make it possible for these lucky students to receive this scholarship. You can be proud of what all of you accomplished. Again, thank you very much.

Gil, Linda and Mark Thewes Canton, OH

The \$500 scholarship I recently received from your association is greatly appreciated. The money will go toward my education this year at Miami University.

The awards banquet was very enjoyable and a great opportunity to meet the other scholarship award winners. Thank you again.

Micheale Baker

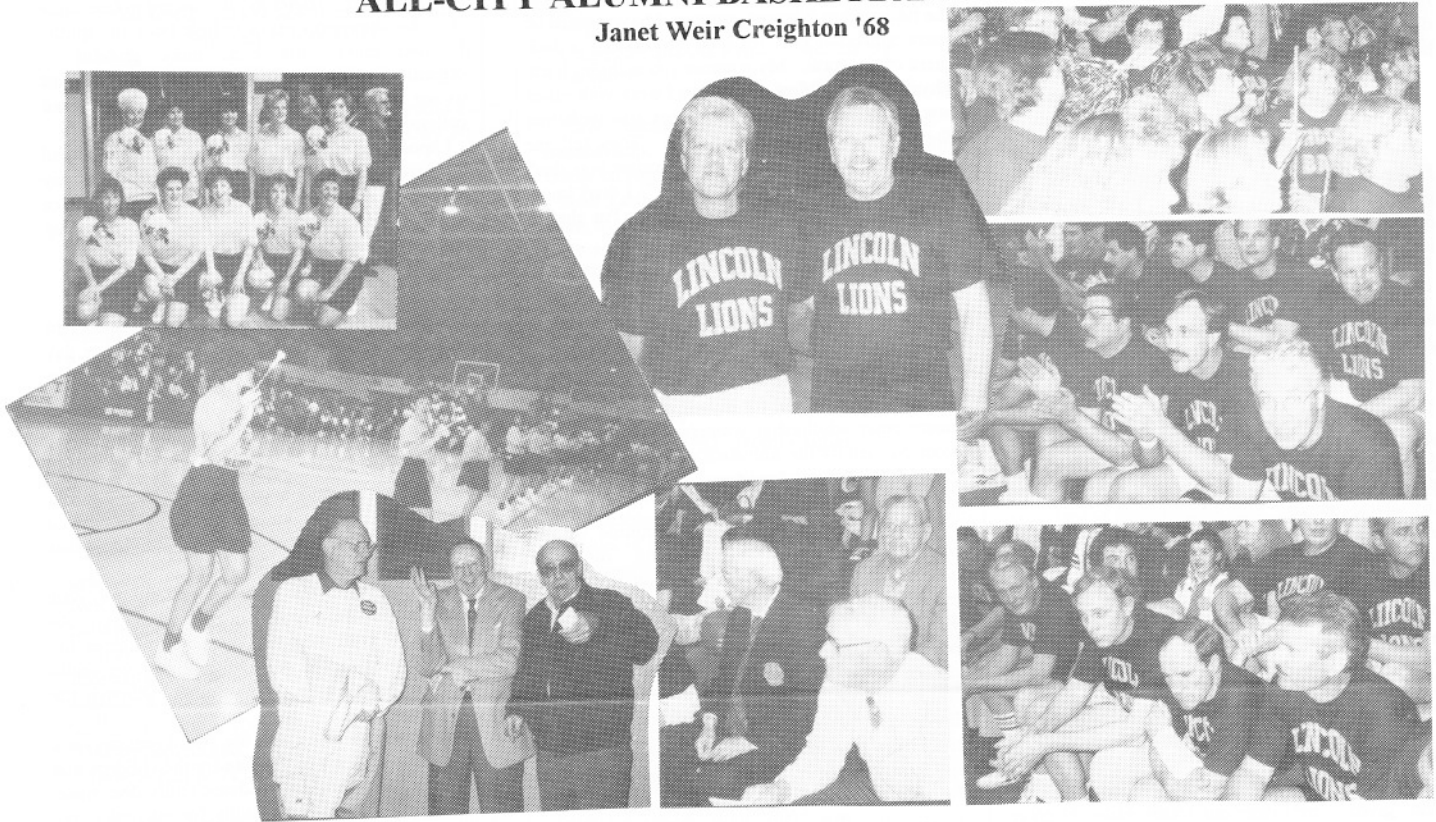

Thanks so much for your generous scholarship award. You've really helped me as I prepare to begin college in the fall.

ALL-CITY BASKETBALL RETURNS

ALL-CITY ALUMNI BASKETBALL NIGHT I

Janet Weir Creighton '68

Whoever said that you can't turn back the clock wasn't at the first All-City Alumni Basketball Night held Friday, April 7, 1995 at the Canton Memorial Fieldhouse.

Coaches, players, cheerleaders, pep bands, majorettes, and referees represented Lincoln alumni, and what a GREAT job they did!! The Lion faithfuls were there...some even in the same seats they occupied long ago...the sea of maroon and gold sent chills up your spine.

Lincoln played Timken in the nightcap at 8:45 PM under the coaching strength of **Ken Newlon**, **Wade Lessig**, **Chuck Forrest**, and **Junie Farrell**. Players from 1950 through 1976 returned to the excitement and cheers of over 4000 spectators. The hot hands of **Jerry Lyke '59** contributed nine points, **John Dickerson '60** (with his trademark arm cast), **Jeff Miller '66**, and **Bruce Fowler '68** each scored six points. When the game was over, the

LINCOLN LIONS were victorious by a score of 61-50. (McKinley beat Lehman 67-57.)

Participants traveled from all across the country to play. **Doug Zielasko '66** flew home from California, **Jeff Miller '66** headed north from Florida, and we welcomed **Jim George '65** from Texas. One band member, **Chuck Jenkins '59**, drove from Columbus to play with the band, and former WHBC talk host and sports colorman, **Bob Kraehling**, came out of retirement for the occasion. Moments to remember--the run through made by the cheerleaders which resulted in **Rick Haverstock '65** falling and breaking his arm and playing the game without even realizing it was broken; and **Ken Newlon**, dapper in his maroon blazer and Lincoln necktie, receiving a much deserved standing ovation following his introduction.

The Lincoln Band was directed by a favorite Lincolnite, **A. Jerd Bayless**. He hasn't lost his touch, and our band received excellent raves and reviews.

Mark Lowe '76 keeps the band organized and practicing throughout the year. Ten majorettes looking well rehearsed performed at half time to traditional Lion tunes. Did you see the cartwheels and splits? Yes, the Lincoln cheerleaders were terrific! They did the traditional "Give Me An L," and "Two Bits, Four Bits" with pizzazz and precision. The crowd roared (and moaned) when **Jeannie Voltz Young '71** hit the fieldhouse floor like she was 16 again with her cartwheel and split. We even got "our" referee, **George Copeland '57**, to call a few plays "our" way.

A nostalgic evening as the four city high schools relived the days of old--when you had to fight for a seat, sing your alma mater and show respect for the alma mater of the other schools, yell and scream louder than your opponent, and in the end want to win as much as you did back then. []

ALL-CITY ALUMNI BASKETBALL NIGHT II

Karen Gerzina Samuelson '60

"Can the geezers draw 5,000 again, wondered *Repository* sports writer Steve Doerschuk on March 22nd. He urged his readers to, "Go see Old Guys Can't Dunk, the sequel."

Well, to answer his question--yes, almost 5,000 did come to see the "geezers" dunk and run on Saturday, March 30. And, it was a real delight!

"So many people didn't think it was going to fly last year," **Janet Weir Creighton** said. "Then they found out how much fun everybody had and how many old friends everybody saw. They didn't want to miss it this time."

1996 General Chairperson, **Janet Weir Creighton '68**, and her committee--which represented all four alumni associations--did a fantastic job putting together another outstanding event. Proceeds again will go to the four scholarship funds.

Ken Newlon, Wade Lessig, Xen Griveas, and Chuck Forrest coached our guys. Team Manager was **Gene Chambers '67**, and **Ray Polen '61** served as our referee. The Lincoln Band was delighted to have **A. Jerd Bayless** with them once again. They not only played our old familiar fight songs, but they played those of Lehman as well since Lehman alumni have not yet formed a band.

Our cheerleaders looked in great shape as they performed splits and cartwheels and lead spirited cheers. The majorettes strutted and twirled with flair. Mascot **Nadine Albert Zawahri '75** was an addition and big hit this year.

Lincoln played Lehman in the opener. Lehman was celebrating the 25th year reunion of their 1971 state championship team. They were

honored at half time with a special ceremony.

Lincoln beat Lehman 45-42 in a robust game. (McKinley over Timken 74-68.) **Art Timberlake '76** hit two 3 pointers and lead the Lions with 12 points. **Doug Arick '76** hit 7, **Rick Haverstock '65** and **Martin Untch '74** had 5 points. **Bill Johnson '67** shot a foul at 0:09 to secure the game.

It truly was an amazing night. It was a trip back in time for the fans and players of all four schools.

The third match-up is being planned for next April. Details are pending, but watch for announcements. You won't want to miss it! []

SOME THOUGHTS

It's All-City Night! Remember the excitement? Years ago those words brought thousands of fans to Memorial Fieldhouse. In 1995 and 1996 those same words again brought thousands to All-City Night. "Initially, we would have been happy with a crowd of 1,000," admitted former Lincoln cheerleader **Janet Weir Creighton '68**, one of the organizers in 1995 and 1996. Her dreams were exceeded both years when over 4,000 cheering fans packed the fieldhouse.

The very first all-city doubleheader was played in January 1960. Before that, the city schools faced each other, but not in twin bills. "All-City Night was like nothing else Canton has ever had," remarked one former player. "With all four schools in the fieldhouse at the same time, it was like a tournament play-off. The games were competitive no matter what the teams' records. The excitement was unbelievable." The tradition ended when Lincoln and Lehman were swallowed by a consolidation in the Canton City School System in 1976.

Both All-City Alumni Basketball Nights I & II attracted a great deal of interest from former Canton high school players who were ready and willing to suit up one more time at the fieldhouse. The scorekeeper had to tape three pages together to make one score sheet long enough for the 30-40 man rosters. Former players from 1950 through 1976 played the games in the largest high school basketball arena in Ohio.

Ken Newlon who built Lincoln's strong reputation as head coach in the 1960's, and who coached the Lions to state final four berths in 1962 and 1967, has been there both years to coach our Lincoln "boys" again.

Participants' children, and in some cases grandchildren, witnessed a truly unique occurrence. "This is the way it was a long time ago," commented one observer. "This is the kind of thing we need to show our kids."

The fieldhouse may never have had such large crowds in such good moods. Both years reminiscing was in abundance, smiles were everywhere.

As one local sports writer indicated last year, "...the reunion, never tried until now, was a smash hit."

The fans remembered, and for a few hours it didn't seem to matter that the guys playing were a step or two behind what they once were. It was All-City Night! And if you were there, you probably were a little bit choked up, a little bit tingly, and maybe a little teary eyed. If not, then you probably weren't around for the "real" All-City Nights.

Someone asked the question, "Does anyone else have the feeling that Canton, Ohio is the only place where something like All-City Alumni Basketball Nights could take place?" Where else could all of us go to revisit those fond memories and see such great talent and competition? In a troubled world, its wonderful to be able to come together in friendly competition and relive old memories while making such wonderful new ones. Only in our home town--only in Canton, Ohio--only at All-City Night!

THANK YOU'S (continued)

Words are not enough to express my thanks for the scholarship you've awarded me. Because of your generosity I will be able to complete my Master's Degree at Ashland University. I will work very hard to make your organization proud of me and to be a good example of a Canton Lincoln graduate.

Thank you for all of your support and help! I couldn't have done it without you! Sincere thanks to all!

Bonnie Kessler Jones '67 Navarre, OH

I am writing to thank you for the scholarship. It will greatly help my parents balance since they have two children in college at the same time. I am a competitive swimmer, and unfortunately I have a championship meet on the day of the ceremony. This will prevent me from attending. It will not affect my deep appreciation for this money. Thank you very much.

Douglas Grebe Cincinnati, OH

Thank you very much for the generous scholarship which you have awarded me. I am very appreciative of your gift, and I can assure you that it will be put to good use. I am sorry that I am unable to accept this scholarship personally, but my work schedule would not permit it. Thank you again.

Bjorn Andersen Wheaton, IL

I would like to thank the Lincoln Alumni Association for awarding me the scholarship. The money is greatly appreciated and will be used to further my education at Mount Union College. Thank you again.

Rob Laskey

I would like to thank you very much for the generous scholarship you have awarded me. I am very appreciative of your gift, and it will definitely be useful in the coming school year. I am sorry I am unable to attend the awards ceremony. I would very much like to be there, but my work schedule would not allow it. Thank you again for your generosity.

Mari L. Andersen Wheaton, IL

It was a great honor to receive the Lincoln Alumni Scholarship. I would like to take this moment to express my deep appreciation to the Alumni Association. The scholarship money will be a great financial help. I also appreciate the ceremony. It was very nice.

Matt Reed Canton, OH

The generous scholarship presented to me at the awards reception will be a real help during my final year at Kent State University. I plan to graduate in May 1996 with a degree in Zoology and Art.

Your association's purpose of helping students further their education by awarding these scholarships yearly is outstanding. Thank you for including me among the 1995 recipients.

Jess Samuelson Kent, OH

Thanks so much for the scholarship and reception. I had a great time talking to the other Miami students. The scholarship will definitely help out with my many college expenses. Thanks again!

Amy Capper Canton, OH

I would like to take this opportunity to express my gratitude for the efforts of your wonderful organization. The financial support toward my education is greatly appreciated. I thank you and respect your service to the community. God Bless—

Jeff Griffin Texas

Thank you for helping my financial situation at college become less of a burden. This helps me focus on my studies. I would also like to apologize for this letter's extreme tardiness. I do not have much spare time here at Ohio University, because I am taking 18 credit hours. College is proving to be more expensive than I thought, and I am extremely appreciative of the association's generosity. I need to close here because I have five minutes to get to chemistry. Thank you again.

Jason Doerschuk Athens, OH

Thank you for selecting me as a scholarship recipient this past summer. I appreciate your generosity and thank you for recognizing my accomplishments. I work to my highest potential throughout the school year, and I am always striving to make myself a more rounded individual. Receiving your scholarship, shows me that my efforts are worthwhile. Thank you again for believing in me and seeing my talents.

Christine K. Simon Bowling Green, OH

Thank you so much for honoring my daughter, Elena Weiss, as one of your scholarship recipients. It was indeed a pleasant surprise. My husband and I

are in the "no man's land" for college financial assistance; namely, we make too much for financial aide, but have to really plan to send our kids to college. So it is for that reason that I am really thankful that you thought Elena was a worthy recipient.

I applaud your efforts in this area. Perhaps we can support some of your fundraising efforts for scholarships "long distance." I imagine you have them listed in the newsletter. We'll be watching.

Bonnie Lauxman Weiss Cypress, CA

As my academic year has just started at John Carroll University, I would like to express my sincere thanks for the scholarship you awarded me. The money was applied toward my tuition. Once again, thank you very much.

What a great job your members did for The **Stark County Hunger Task Force**. I can assure you that all of the non-perishable items were disbursed to a needy organization, that being Calvary United Methodist Church of Christ. They feed approximately 226 people on a regular basis and need all the help I can muster.

As you may know, we feed approximately 14,000 to 15,000 people per month, and it takes people like you to assist in our fight against hunger.

Happy Holidays to all. If I may be of further assistance to your organization in the future, kindly give me a call.

Gail L. Leidner, Program Coordinator

Dear Alumni:

In 1995 we lost a dear friend and fellow alumnus in **Linda Fehlman Class of 1975**. Although her life was cut short, she was able to make significant contributions and attain many accomplishments in her life and career. Linda was employed by Allied Signal Truck Brake Systems Company (TBS) in Elyria, Ohio as the Total Quality Manager. In honor of Linda, TBS has established the Linda Fehlman Memorial Award to be given annually to the employee with the most outstanding Total Quality contributions.

The award criteria is a reflection of the sterling qualities that Linda Fehlman exemplified: delight in working with people, strong team player, hold customers in the highest regard, demonstrate integrity by setting new standards of excellence, set aggressive goals and achieve outstanding performance, be a leader of change and encourage others to soar to new heights. Linda always played the cards dealt her with a "can do" attitude.

I personally am proud to have known and worked with Linda, and we can all be proud to know that she was a fellow Lincoln High Alumnus.

CLASS OF 1960 -- Carol Berg Marvin

Our Class of 1960 "marathon weekend" celebrating our 35th year anniversary started on Friday evening, September 1, 1995, with an informal social at the Canton Classic Car Museum. During a lull in the conversations (not really!), we toured the museum. We felt privileged to be joined that evening by **A. Jerd Bayless**. On Saturday morning, September 2, we met in the "hallowed halls of Lincoln" and toured our beloved alma mater, then we had a group picture taken on the front steps. **Miss Eva Medved** joined us for the tour. That evening we enjoyed a wonderful dinner and dance at the beautiful CCCM Clubroom. We were happy to host several former teachers that evening, including **Miss Medved**, **Mr. Bayless**, **Glenn Dieringer**, **Lester Kettering** and his son, and **Art Pardee** and Mrs. Pardee. They seemed to really enjoy themselves and each other. Raintree Country Club was the site Sunday, September 3, for an exciting round of golf for a group of classmates. **Mr. Bayless** golfed, too. Afterwards, the golfers joined other classmates for a picnic supper at the Raintree shelter. It all was great fun!

Try not to miss our next (40th) reunion in the year 2000!! Remember to keep us updated if you move, please! Contact **Denny Reed** or **Carol Berg Marvin**. []

CLASS OF 1974**Becki Deremer Huff**

Lincoln's Class of 1974 graduates can be proud that their reunions are getting better attended as the years go by. We celebrated our 20th reunion with three events on July 15 and 16, 1994. Friday night was a casual get-together at Burrshire Swim Club complete with a catered picnic, a portion of the Lincoln Alumni Band performing, volleyball, good music, great reminiscing, and just a fun time. This event was attended by 78+ classmates and guests (not including the band). Saturday morning began with a golf outing at Edgewood for 16 of our male classmates, each with his own unique golfing technique acquired over the years. The reunion ended Saturday with a more upscale buffet dinner and dancing at Meadowlake Country Club. This evening with the theme "There Are Places I Remember..." included pictures, a karaoke contest between grade schools, a wonderful slide presentation done to music, door prizes, and an even bigger 50/50 drawing than Friday night. Over 140 classmates and guests attended this function. In fact, there were at least 12 classmates who admitted this was the first class reunion they had attended. The committee has already met and is starting to think ahead to our 25th reunion. And we know one thing for sure--five years from now in 1999 we fully intend to celebrate once again in a big way.

As a side note, we are still looking for some lost classmates and also want to keep the addresses of those we have current. If you have any address changes or information on classmates, please call **Becki Deremer Huff** at 330-499-6269 to update the records.

[Editor's Apology: This article did not appear last spring as it should have because it was misplaced. The news about your 20th year reunion appears here thanks to Becki's persistence and patience.]

**CLASS OF 1945 - Alice Young Marson**

The Class of 1945 held its 50th year reunion on September 22-23, 1995. On Friday evening, September 22, a reception and dance were held at Shady Hollow Country Club. Eighty-five class members were in attendance. On Saturday evening, September 23, a dinner was held at the Pro Football Hall of Fame followed by a tour of the new addition. Ninety-three class members attended. Class members came from all over the United States, some from as far away as Utah, California, and New Mexico. Of the 225 members of the Class of 1945, thirty-seven are known to be deceased. Funds left from the reunion (\$1,037.27) were donated to the CLHSAA Scholarship Fund.

CLASS OF 1970**Gloria Barth Davidson**

The Class of 1970 held its 25th year reunion on August 4, 1995 at Rolando's Crystal Light Restaurant. Classmates from Colorado, Virginia, South Carolina, and Washington made the trip to see other class members.

Our class did something different. Instead of giving away door prizes, we sold tickets for the prizes and collected over \$300 which was donated to the CLHSAA Scholarship Fund! Once again, our Lincoln Alumni shine!

BEQUESTS & DONATIONS

CLHSAA has one of the best scholarship programs around. Not bad considering our school closed twenty years ago! The success of the program depends mostly on money raised through our fund raisers. Contributions also play a big part.

The CLHSAA Scholarship Fund has received some charitable donations, but the one area that has not yet yielded funds is the last will and testament of a Lincoln alumnus. If you are thinking of making a revision of your will, you may wish to remember the CLHSAA Scholarship Fund. Of course, a donation made during your lifetime is always welcome--and preferred!

Contributions of any amount are appreciated and are vital to the continued success of the program. Gifts or bequests should be made to: CLHSAA, PO Box 20192-591, Canton, OH 44701.
