Again in 1998, Canton Lincoln High School Alumni Association was able to award scholarships to deserving alumni and lineal descendents of CLHSAA members. Twenty-six \$500 scholarships were awarded, bringing our grand total for nine years to \$113,300. What a remarkable record!

Scholarships were given to 11 incoming freshmen and 15 current college students. Of those, two were graduates of Lincoln High School. For the first time, we had a pair of recipients who are mother and daughter. Four dedicated scholarships were given in 1998. The mother-daughter pair received the two Carol Berg Marvin (Class of 1960) Memorial Scholarships***. Two other students were awarded scholarships honoring LHS Class of 1965* and LHS Class of 1968**.

Congratulations to all of these fine students. We are proud to be able to help these individuals with their educational goals. While our scholarships may not be large, every recipient seemed very appreciative of our help.

If you applied but did not receive a scholarship in 1998, please apply again. Applicants may apply every year; however, scholarship recipients are eligible only every third year, with a lifetime maximum of two CLHSAA scholarships.

The awards reception was held at Mayfield Senior Center on July 14. The 1998 Scholarship Committee members were Don Dorkoff '59 (Chairman), Karen Mottice Christoff '72, Shirley Bender Dobry '74, Jim Nolte '70, and Roger Hegnauer '71. Gary Love '55 was board liaison, Karen Gerzina Samuelson '60 was secretary, and dessert was prepared by Faye Moore Staugh '52 and her committee. []

ED MANG -- Friend & Founder

A true friend who is going to be missed by many, many people in this community passed away last August. **Ed Mang**, class of '51, was a life resident of Canton who owned and operated Mang's Corner Variety Shoppe on 11th Street SW for the past 36 years. The unofficial "mayor of the southwest end," Ed was well known and well loved and will be long remembered for the many acts of kindness he extended so willingly.

Ed is survived by his wife, **Nancy Vannorsdall Mang**, former LHS teacher; his daughter, Lynne; and son, Robert; their spouses; and three grandchildren. Lynne and her husband, Rudy Perez, continue to operate the store.

Ed originated our annual day-after Thanksgiving dances twelve years ago. He held the first dance at the old Nazir Grotto Hall, and it drew so many people that it became the

foundation from which the alumni association was created. But, as was so often the case, Mang never took credit for his idea. **Jim "Ozzie" Osborn**, one of Mang's longtime

friends, said, "He liked to stand in the background. He'd do anything you asked for and not say a word about it." **Chip Conde** agreed, "I don't think he ever said 'no' to anyone when it came to a Lincoln function." Lehman alumnus, Mary K. Wenger, called Ed "a mainstay of the Lincoln Alumni." As the sign reads, Ed will be greatly missed by everyone who knew him.

PLEASE NOTE: As a tribute to Ed, his friends have

created a scholarship fund in his memory. Anyone wishing to make a memorial contribution may do so by sending donations to: **Mang's Scholarship Fund, c/o Jim Osborn, 271 Manor N.W., Canton, OH 44708.** []

PRESIDENT'S MESSAGE

Chip Conde '68

The millennium is just around the corner, and I am proud to say our Alumni Association is ready to enter the 21st Century. Through the hard work of our many volunteers, the trustees, and our officers, we had another very successful year in 1998.

In last year's message, I indicated that we had three goals to accomplish in 1998. Two of those goals were overwhelmingly met. Through the effort of **Dave Schemansky '66** and the volunteers who helped him, our "lost classmates" list is at an all time low. Please help us by (1) reporting any changes to your own address, and (2) providing us with the addresses of any of our missing alumni that you may become aware of. The number of paid members has increased this year, but we are always hoping for more members. If you were a member in 1998, please remember to return the renewal invoice that you received in the mail. If you did not receive a renewal notice, or if you

are interested in becoming a new member, call me at (330) 832-8467. I will get a membership form to you. Or, you may use the form on the insert. The annual membership fee is still only \$10 per year. The funds will really help us to accomplish more for our alumni and their families. The last goal, which was to get more people involved in our Association, can always be improved upon. Please give it some thought, and join us -- we are always looking for a "few good alumni." We are not asking for a big commitment, and we know you will find that your participation will really be fun.

Scholarship awards were given again this year because of the money we generated through our membership drive, souvenir sales, various social events, and generous contributions and bequeaths made to the alumni scholarship fund. Twenty-six scholarships totaling \$13,000 were awarded. You can be proud of the fact that in nine years CLHSAA has awarded 228 scholarships totaling \$113,300. This has only been possible because of you and your Lincoln spirit!

This year we are working very hard to create the CLHSAA Education Foundation. Through this foundation, your scholarship contributions will be tax deductible under federal guidelines. Please remember this when deciding which organizations you want to contribute to and when reviewing your will.

I would like to thank each and every volunteer and member who has helped to support this fine organization. If you have any questions, suggestions, or ideas that you feel may be beneficial to the Alumni Association, please forward them to CLHSAA, P.O. Box 20192, Canton, OH 44701. Because of **YOU**, and others like you, we are able to "**Keep the Spirit Alive!**" []

Something New - - "GAMES PEOPLE PLAY"

Here's a fun game for everyone to enjoy! For only **\$10** you will be entered in a **monthly lottery**. At the same time, you will be helping to defray the cost of publishing the *Echoes of Lincoln*. The rules are simple: Complete the attached entry form, return it to **CLHSAA**, P.O. Box 20192, Canton, OH 44701 along with your **check for \$10**. You are then eligible for the monthly drawing of \$100 awarded in **June, July, August, September, October, November, and December**. Finally, there will be a **New Year's Lottery Grand Prize drawing of \$1,000!!!** Winners of the monthly prizes will also be eligible to win the \$1,000 grand prize. The winners of the monthly prizes will be drawn at our monthly board meeting (first Monday of every month at 7:00 p.m. at 715 Wertz Ave., N.W.). One of our guests will draw the winning name. Plan to attend and help us award the prizes. []

ELECTION NEWS

Linda Alvarez Neff '69

1999 If you were wondering where your CLHSAA ballot was this past fall, we have the answer for you. A unique situation presented itself to the alumni association--the four vacant offices for 1999 were unopposed; therefore, a unanimous vote was cast at our annual meeting in September. The following individuals continue as officers for 1999: President, **Chip Conde '68**; Vice President, **Dave Schemansky '66**; Secretary, **Dee Soult '67**; and Treasurer, **Kathy Alvarez Conde '68**.

The four officers were the only board members up for election since the trustees serve multi-year terms. CLHSAA trustees continuing their terms are Three-Year Trustees **Judy Workman Kackley '60** and **Gary Love '55**; Two-Year Trustees **Phil Kirkbride '58**, **Linda Alvarez Neff '69**, and **Faye Moore Staugh '52**. Past President is **Sue Berg Self '68**, and **Carole Hunker Hughes '51** continues to serve as historian.

2000 In the election for 2000, the offices of president, vice president, secretary, treasurer, and two-year trustees will be voted on. The Association needs good leadership to continue our goals into the next century. **YOU** can help provide that leadership. Please consider running for office. You will receive all the help and support you may need or want. If you would like to place your name on the year 2000 ballot, please contact **Nominating Chairperson Linda Neff** in person or by mail to P.O. Box 20192, Canton, OH 44701. Without good leaders, this alumni association may not survive the millennium bug!

As a reminder -- if you are a paid member of CLHSAA, please mark and return your ballot as soon as you receive it in the fall. Your participation in the election is another way you can show your support of the association and its goals. []

CLHSAA SCHOLARSHIP PROGRAM

The purpose of the Scholarship Committee is to award non-repayable grants to deserving students who are either graduates, attendees, or descendants of Canton Lincoln Junior or Senior High School. Descendants include child(ren), grandchild(ren), great-grandchild(ren), step-child(ren), adopted child(ren), or spouse of attendees or graduates who are paid members of CLHSAA for the current calendar year. If the applicant's only lineal Lincoln ancestor is deceased, then the paid membership requirement is waived.

The Scholarship Committee will consider all applicants for grants regardless of race, color, creed, religion, sex, or national origin. All information supplied by applicants is strictly confidential with exception of names, addresses, telephone numbers, and names of ancestors who attended Canton Lincoln Junior or Senior High School.

CLHSAA reserves the right to determine the amount and number of grants to be presented in any year. Scholarships are awarded to students who are pursuing ANY type of post high school education at any type of accredited school, i.e. college, junior college, technical, or trade schools. Checks are made payable to each student's school. An Awards Reception where presentations are announced and recipients honored is held in July.

1999 scholarship application forms were mailed in January along with membership renewal forms. The deadline for 1999 applications was March 15, 1999.

Students interested in applying for a 2000 CLHSAA grant should watch for a scholarship application form which will be included with 2000 membership renewal forms to be mailed in January 2000.

Donations to the Scholarship Fund and/or **inquiries** should be mailed to: CLHSAA, PO Box 20192, Canton, OH 44701.

OUR TEACHERS . . .

ARABELLA HOPKINS

Avalon Taylor Schneider '46

Teachers' rewards come in different forms; and, for Miss Arabella Hopkins, proof that you've made a difference is sweet indeed. The Christmas message to Miss Hopkins from former student General James McCarthy '53, now a professor at the Air Force Academy, stated, "I still think of you often and the impact you made on my life. Now I hope to do the same for others."

Miss Hopkins retired from Canton Lincoln in 1975 with 36 years of service, all but eight of them at Lincoln. During that time, she saw few changes in the teaching of algebra and plane geometry, her areas of expertise, and found few troublemakers among her thousands of students. Miss Hopkins emphatically maintained, "I don't think the personalities of the students were

any less attractive when I retired than when I started. The people of the Southwest end of Canton were sensible and wanted their children to do their best." She also credited support from principals William Wolfarth and Carl Meyer, whose secretary was her sister, for keeping discipline problems minimal.

However, Miss Hopkins does see a great deal of difference in how girls are now perceived in math and science classes. Although she's 88 years old, Miss Hopkins still showed great indignation when she stated, "When I went to college, girls were discriminated against. In math and science labs, the profs went to the boys' desks, and we were ignored. Thank goodness that has changed, although we're still not on equal footing." She mentioned that teachers are now maintaining that girls are harder workers in class, but she explains that boys never were smarter than girls; they were just considered to be. Still indignant, she animatedly described how her feminist fifth grade teacher described to the class the treatment women received while fighting for the vote. "When women went to meeting, men threw stones at them and hit them with sticks. In religious meetings, women sat out in the hall while men discussed business."

Other phases of teaching have certainly changed since Miss Hopkins started her career. Her beginning salary was under \$100 a month, and no engaged or married women were hired. She said, "Teachers were submissive in my day. We didn't fight for our rights in those days."

GLEN DIERINGER

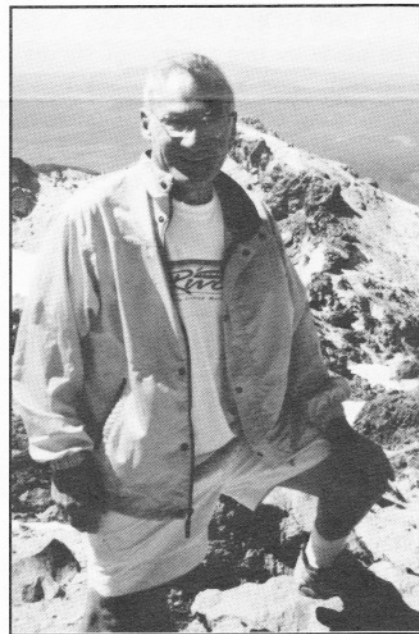

Teacher, Counselor, Adventurer

Glen Dieringer was a teacher at Lincoln High School from 1958 - 1963. After spending 31 years (28 years as a school counselor) in the Canton City Schools, he retired in 1989. His assignments besides Lincoln were at Timken, "old McKinley" (11 years), Souers, and Crenshaw Junior High School (his last 11 years). While at Lincoln, Mr. Dieringer taught several history courses, health education, driver education; and he was a guidance counselor part of the day for several years. Due to being in the military service, he was 27 years old before he started teaching. Lincoln was his first teaching assignment. Mr. Dieringer submitted the following article about his time at Lincoln and his life today.

"I truly loved my experience at Lincoln. It's how one feels for his or her first born child. I can recall many fond memories of the students and staff there. I always looked forward to the football and basketball seasons, school plays, band events, traveling with the debate team and pep rallies. All school functions were a very important part of my life.

It is difficult to comprehend that I have been retired for ten years. Occasionally I see some of my former students who are either close to retirement or are also retired. It's a very emotional feeling to meet former students and talk about the past and present. I do miss a number of the staff who I was close to and who are now deceased.

One of my goals after retirement was to backpack the Pacific Crest Trail. It is a 2,700 mile trail that starts at the Mexican border in California and follows the crest of the mountains through California, Oregon, and the state of Washington into Canada. It took me three summers to complete. After hiking, I decided to bike down the east coast (Highways 101 and 1). I started in Seattle and ended up at the Mexican border. I never owned a bike until I was age 66. I enjoy the physical activity involved, the adventure, and most of all the scenery. This summer I plan to bike from San Diego to Florida, up the East Coast to Virginia, over to Kentucky, and home. I'm never short of goals and adventure. I work out on a regular basis at the Hall of Fame Fitness Center and work part time at several jobs.

REVIEWING THE YEAR . . .

ALUMNI BAND -- 1998

Joe Garber '44

In 1998 the Lincoln Band made four "official" and one "unofficial" appearances. The band marched as our own unit in the HOF Kickoff Parade, and then combined with the Timken and McKinley alumni bands in the HOF Grand Parade. (*The Repository* billed us as the Stark County Alumni Bands--who just can't, or won't, stop playing!) We made our seventh consecutive appearance at the Stark County Fair; and, in October, we performed at Janet Creighton's political rally at Hoover Park. The "unofficial" appearance is our practice marching session through the streets of Harter Heights one evening each year right before the parades. We were well received at every event.

As with most things, changes occur; therefore, we are not sure about appearing in the 1999 HOF Grand Parade. A decision will be made by late spring. A survey letter was recently sent to all alumni band members asking whether or not the band should be continued. Sixty-eight letters were mailed and 41 yes votes were returned. Thanks to all who responded. Your support is appreciated. Those of you who did not send back, or forgot to send back, your letters are missed. And, you are still needed! We realize that some of you can't march, but there are events where you just sit and play. Please rethink your choice and rejoin us. Help keep our band at the top where it has always been. Come join us again for a great time. Call **Cathy Langreder** at 478-0006 or **Joe Garber** at 477-7494.

Speaking of changes, the band room at Heritage Christian (old Lincoln High School) is no longer available for us to practice in on Sundays. Do you know of a place where the band could practice a few Sunday afternoons in June and July? If you know of such a place, call Cathy or Joe at the numbers given above.

One thing that hasn't changed is that the Lincoln Band is still No. 1 among alumni bands. Thanks to everyone who participates and to those of you who show up to appreciate our talents. By the way, have you heard the new arrangement of our Alma Mater yet? It is OUTSTANDING! []

**BAND SEEN & HEARD
PARTYING!**

For the past several years, the alumni band has ended their practice sessions at the Stark County Fairgrounds by marching through the streets of Harter Heights. It was always a lot of fun, and the local residents seem to look forward to it so much so that last year Susie and Dominick Biasella invited the thirsty, tired band members into their yard for refreshments. As a thank you for the gesture of good will, the band played a few numbers for them and their neighbors.

Enough of this impromptu stuff! In 1998, the couple actually planned a party for the occasion. They invited friends and neighbors to their home and arranged for the band to stop in as they marched by. The Biasellas even hung up a "Welcome Lincoln Alumni Band" banner. After refreshments, the band performed several songs for the partygoers and then marched back to the fairgrounds. (See all the perks our band members receive!) Can you imagine such a thing happening anywhere else but in good old Lincoln Lion country?! []

FANS THANK BAND

[The following is a letter received by the band from the Biasella family after the party.]

We are enclosing some pictures that you may keep for memories. Enjoy them like our family did on that "grand evening" July 23, 1998. Thanks for your time, efforts, and talent. The party no-shows were sorry they missed it after they read the write-up in the newspaper. They are now waiting for next year.

Stay together! Stay healthy! We spectators enjoyed your performance and had chills and tears during it. We loved you all! Planning for a good time next year! Bless all of you.

RALLYING 'ROUND

Joe Garber '44

On October 7, 1998 the Lincoln Alumni Band had the honor of appearing at Hoover Park in North Canton to play for our own **Janet Weir Creighton '68**, Stark County Auditor, and the then Governor of Ohio, George Voinovich. The band was well received by the large crowd, and the Governor mingled with and shook hands with as many of us as he could.

The band escorted Janet and the Governor into the main room playing (what else!) the Lincoln fight song. Janet introduced the band to the Governor and assembled crowd by saying that some members graduated with her and some before and some after her. After the speeches, the band played for about 30 minutes. There were 23 band members, 4 majorettes, 4 cheerleaders (of course, Janet joined in for a couple numbers), and 6 banner carriers. After our appearance, we were treated to a very nice buffet.

We would like to thank Janet for inviting us to her SPECIAL event and also for giving us the opportunity to meet our Governor. It was really a great evening. []

Please patronize the fine businesses advertised here. Let them know you saw their ad in this newsletter. We wish to thank them for their support and dedication to CLHSAA.

7th ANNUAL GOLF OUTING

Chip Conde '68, Chairman

John Brendus, Ron DeChellis, Tom McRoberts, Bob Barr

Bill Adams, Fred Triplett, and Aaron Triplett

Ninety-two men and women gathered at Spring Valley Golf Course for the annual four-person scholarship golf scramble on August 8th. As usual, Faye Moore Staugh '52 and her helpers got the morning started with coffee, juice, and donuts. At 8:00 AM, the golfers hit the course to begin a fun round of golf. Faye and her volunteers had sack lunches ready for everyone at the turn. Throughout the day, beverage carts were at the ready to serve "cold ones" to all the thirsty players. Many thanks to this year's "Beer Babes" (Linda Alvarez Neff '69, Judy Muccilli Abrigg '69, Alma Conde Pellegrini '64, Sue Berg Self '68, and Connie Beatty Jedel '68) who kept all the players from becoming dehydrated. Don Mast '62 and his wife, Antoinette, owners of Antoinette's Catering, served steak and fixings to all the players after the 18 holes.

This year's bragging rights belong to first-place team Bill Adams, Whimpy Jabe, Fred Triplett '67, and Aaron Triplett with a score of 57. Following close on their heels with a score of 59 was the second-place team of Bob Barr '54, John Brendus '54, Ron DeChellis '53, and Tom McRoberts '51. Third-place honors went to the team of

Don Dorkoff '59, Larry Ellison '57, Jerry Henderson, and Chuck Dinkins '57 for their team total of 60. Of special note this year, the following three ladies claimed skill prizes: Susie Schoeneman Whitehouse '74, Jill Emanuelson Henry '68, and Linda Crooke Wasnak '68.

I would like to thank Fred Triplett for again taking up a collection for the volunteers. All the golfers were very generous and showed their appreciation by donating \$130. It was the volunteers' decision to donate the money to the scholarship fund. Thanks, ladies!

Sincere thanks to all the members of the CLHSAA Scholarship Golf Scramble Committee: Guy Bertram '52, Bob Conde '65, Sam Crawford '62, Cathy McMacken Dunlap '68, Jim Osborn '59, Bob Schoeneman '70, Sue Berg Self '68, Faye Moore Staugh '52, and Tom Thomas '65. Due to their hard work and tireless efforts, we were again able to contribute significantly to the CLHSAA Scholarship Fund.

I hope to see more of you next year at the Eighth Annual Scholarship Golf Scramble set for July 31, 1999. If you are interested in playing, please call Chip Conde at 832-8467. []

THANK YOU'S

Thank you so very much for caring about our needy veterans. The check was used for five veteran families at Christmas. We wouldn't have been able to help this many veterans without your help. Thank you again.

The Canton Lehman High School Alumni would like to take this opportunity to sincerely thank Chip and Kathy Conde for their help with our first dinner/raffle. Without their first-class knowledge, I am sure the raffle would not have been the success we enjoyed. Thanks again,

Barbara Udeck, President
Lehman Alumni Association

Once again I would like to express my thanks to the association for the exciting honor I was allowed to share with the four other Distinguished Alumni award winners. The dinner on Friday evening was delightful and such a joy to share

with so many friends—especially those from the Class of 1950. It was a pleasure to make so many new friends from the association.

I will display the superbly crafted award in my home with great pride. Please continue to "keep the spirit alive."

Phyllis J. Elsass '50

To the chairman and to the rest of the Distinguished Alumnus Award Committee, thanks so much for honoring me as one of the five recipients. The banquet was very nice, and I truly feel honored to have been selected. It does make me extremely proud to be a graduate of CLHS and a small part of "keeping the spirit alive." Thanks again.

John Dickerson '60

Just a short note to express my appreciation for the wonderful award. The committee did such a fine thing for us awardees and alumni.

I was so impressed by the quality of your alumni activities. Unfortunately, it is one of the negative aspects of living so far from Canton. Thanks again.

Bob Boni '46

I want to thank the CLHSAA for the Distinguished Alumnus Award. It is an honor that I will forever cherish and display proudly. What a humbling experience to be recognized by your peers and friends.

As I think about my years at Lincoln, I have fond and happy memories. The guidance and support I received throughout the years have served me well. As the County Auditor, I meet people every day, and I am always amazed at the pride our Lincolmites still carry.

The CLHSAA has so much to be proud of, with our graduates providing leadership, problem solving, inventing, teaching, or serving our country. There are many that deserve the Alumnus Award.

The success of our organization is based upon the fact that we have encouraged every class, graduate, and friend of Lincoln to take an active role. The multitude of talents abound, and we are the envy of every alumni association in the county.

Again, my sincere thanks to the committee. To my fellow recipients of 1996 and 1998—Congratulations. And to CLHSAA, ROAR, LIONS, ROAR, and keep up the great job!!!!

STARK COUNTY FAIR BOOTH ALWAYS POPULAR

Sue Berg Self '68, Chair

Someone once said, "You cannot spell 'success' without 'u.'" That "u" includes the 52 alumni who volunteered to sell souvenirs at the 1998 fair booth; the alumni, friends, and families who purchased items totaling \$2,700.00; and those who just stopped to chat. And, yes, it even includes those who had the nerve to yell "stinkin' Lincoln!"

My thanks to everyone involved. A special thanks to John Martin for volunteering his place of business so alumni could obtain their fair passes there.

Tradition continues as you will once again find the maroon and gold fair booth under the grandstand during this year's fair--August 31 - September 6, 1999. We will continue to "Keep the Spirit Alive." See you there! []

CLHSAA ANNUAL MEETING

Each year in September, members of CLHSAA are summoned to our annual meeting. In 1998, the meeting was held September 17 at the Canton Public Library. After a short business meeting and unanimous election of officers for 1999, a brief presentation about Canton and Meyers Lake was given by local historian Carl Harsh. The meeting concluded with refreshments and socializing. []

Sixth Annual All-City Alumni Night Held at Timken High School

Karen Gerzina Samuelson '60

All former students of Lincoln, Lehman, McKinley, and Timken high schools and their guests were invited to attend All-City High School Alumni Night at Timken Auditorium on September 22, 1998. As the lions, polar bears, bulldogs, and Trojans gathered, the Timken Alumni Band, majorettes, and flag girls marched down the aisles. Several songs were performed, including Timken's *alma mater*. Timken Alumni Association president-elect chaired the proceedings. Visiting alumni presidents spoke, door prizes were awarded, and refreshments were enjoyed in the Timken Student Union. The union is a unique area located in the former machine shop. It was converted by students for students--lots of bright colors and designs. Lincoln was well represented, but we can always add to "our pride" at such gatherings. McKinley will host the next All-City Alumni Night on Tuesday, October 12, 1999. Come ROAR with us!! []

12th ANNUAL ALUMNI DANCE

Linda Alvarez Neff '69

The Canton Memorial Civic Center was the place to be on Friday, November 27, 1998. Several hundred Lincoln faithful turned out to meet and greet old and new friends while helping to support our scholarship fund. Once again, food and monetary donations were collected for the Stark County Hunger Task Force and the Sharon Lane Foundation. (Thanks to all of you for your generosity.)

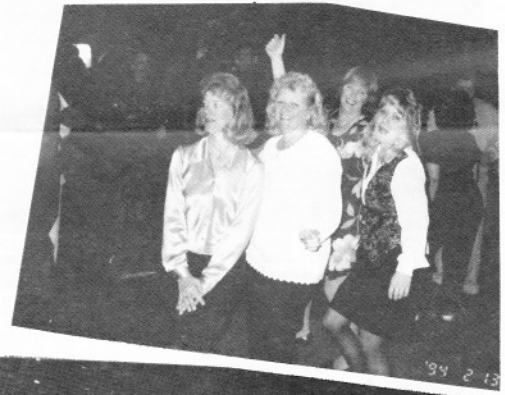

This year a new tradition was begun. The committee decided to salute the 50th year and 25th year classes at our annual dance each year. This year Anheuser-Busch donated a banner saluting the classes of 1948 and 1973. We'll look forward to a good showing from the honored classes every year at the dance! (We challenge members of the 1949 and the 1974 classes to make a really good showing in 1999!)

What a great opportunity to visit with some of your favorite people every year! Since our dance is open, you have a chance to visit with not just Lincoln alumni, but also alumni from surrounding schools. You can eat, drink,

dance, spend some money, win some money, talk, sing, or just sit and watch the action. (And, there is plenty of that!) I think this year's crowd had an exceptionally good time (especially the table full of people who were still there after we cleaned up!). Many out-of-towners who come home for Thanksgiving instead of Christmas take advantage of this dance and really get to visit with their old friends.

Many thanks to my committee for all of their hard work. Special thanks to **Jim "Ozzie" Osborn '58**, who was of great help to me in chairing my first dance; and to **Chip Conde '68** and **Kathy Alvarez Conde '68**, who put in countless hours behind the scenes in helping to "Keep the Spirit of Lincoln Alive."

Mark your calendars now for **November 26** if you want to continue having a great time, or you want to join us for the first time. The day after Thanksgiving we'll be at the Canton Civic Center. Come and join us. We are sure you will have a ROARING good time! []

The Lion Roars Again

10th Anniversary Reverse Raffle Benefited Scholarship Fund

Phil Kirkbride '58, Chairman

The 10th CLHSAA scholarship reverse raffle was held February 11, 1999, at the Four Winds Restaurant. As in the past, the Four Winds was a great host and served delicious steaks and scrod to our hungry ticket holders. It was a very successful event; we had fun and made money. Over \$4,200 was netted for the scholarship fund.

The 50-50 winner won \$250, and the raffle came to an exciting finish when eight of the final ten numbers were represented. Those eight decided to pool their chances, and it paid off as one of the pool was the eventual winner. Each of the eight received a \$300 share of the \$2,500 first prize and generously donated the remaining \$100 back to the scholarship fund.

Many thanks to the alumni and friends of CLHSAA who purchased raffle tickets. Those who attended had a fun time--even if they didn't go home winners! I would especially like to thank the many volunteers who helped make the night a great success. See you at the next **CLHSAA Reverse Raffle, February 10, 2000!** []

Jerry Snyder, Phil Kirkbride, Bill Welch, and Jim Osborn helped set up the raffle equipment

Bill DeMario, Judy Kackley, and Mike Drumm greeted 50-50 purchasers

ALUMNI CHRISTMAS SHOP DEEMED A SUCCESS!

Chip Conde '68

Started just last year, the Alumni Christmas Shop has become a very popular event. This year we expanded to three shopping days. On November 28 (the day after the Alumni Dance), December 12, and December 16, with the aid of Santa's helpers (a.k.a. **Joe and Flo Garber '44** and **Chip and Kathy Conde '68**), we were able to sell approximately \$400 worth of alumni souvenirs. New coupon books were debuted. The new Alumni Christmas ornaments were not ready in time for this year's Christmas Shop, but they are available now. Please look for them at all the reunions, the fair, the dance and all the other places where we will be selling our souvenirs. Or, use the order form on the insert in this newsletter to order your new lion head ornament.

Please note this year the **Christmas Shop will be open November 27, December 11, and December 15, 1999.** The hours will be from 10:00 a.m. to 2:00 p.m. at the CLHSAA office at 715 Wertz Avenue, N.W. Santa's helpers will be waiting to see you! []

A VOLUNTEER'S OBSERVATIONS

Faye Moore Staugh '52

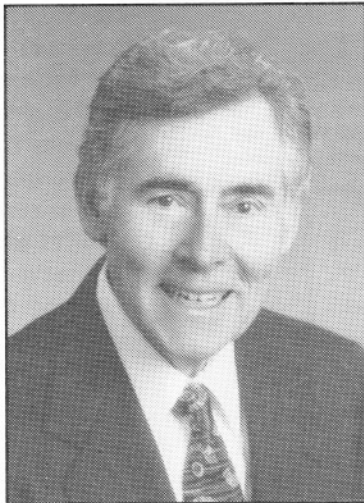

As a member of the "Founding 100," I've volunteered on almost every one of the association's committees. Believe me, there's a committee for you, too! Even if you can only give the alumni association two or three hours of your time, it will really be appreciated.

Everyone knows that volunteers are the backbone of an organization like ours, particularly at special events. When I make calls for volunteers, most people who have signed up will do what is asked of them if they can. We get mail from so many out-of-town alumni wishing they could help. They're telling us what a good job we're doing and want us to continue to "keep the spirit of Lincoln alive." We love hearing that and hope they will continue to be proud of our efforts; however, they are living elsewhere and are not available when we need help. **We need you local alums** who are living here in our area to pitch in. (You retirees don't have the excuse of a job anymore! And you "young ones" from the 70's are needed in order to keep our association moving into the new millennium!) Our special events raise the funds for our scholarships. These scholarships are available to all of you alumni and your descendants.

I can tell you that while helping, our volunteers really have a good time. **Please join us.** Sign up and volunteer in order to keep the alumni association strong. Join the volunteers. **Have fun with us!** []

DISTINGUISHED ALUMNUS AWARDS

Five more outstanding alumni were honored on May 15, 1998, with our Association's highest award. These individuals were feted at a banquet held in their honor. The honorees chose someone who made introductory remarks about them, and then each inductee gave a short acceptance speech. This article summarizes the remarks made at that dinner.

Lou "Sticky" Glew '46 was pleased to introduce **Robert Boni '46**. Bob attended Lincoln for six years--starting in the 7th grade. Lou told stories of how Bob entertained his school friends by playing "boogie woogie" piano during his years at Lincoln. After Lincoln, Bob graduated with a degree in Metallurgical Engineering from the University of Cincinnati,

earned an MS and Ph.D. from Carnegie Institute of Technology in 1954, and attended Harvard University, MIT, and Cornell University Management Programs. He served in the U.S. Army from 1954-56. During his business career, Bob was vice president, president and chief operating officer, and chairman and chief executive officer of Armco Inc. Later he became director of Chitogenics Inc. Bob served as trustee and director on many foundation and corporation boards and received many honors during his career.

Bob thanked Lou, the committee, and the association for this honor. He commented that success depends on a lot of good fortune--a lot of luck. And he said he has had a lot of luck in his life beginning with his mother who helped him develop a sense of self worth. He said he also had the good fortune of having had excellent teachers. One of those he named was **Mr. Bigler** who taught biology, chemistry, and physics at Lincoln. Mr. Bigler instilled in him a love of science that he has never gotten over and also the confidence that there are no problems that need go unsolved. He was fortunate to have met and married his best friend in college, Janet, and to have raised two wonderful daughters. He was fortunate to have had excellent mentors and then excellent people who followed him. He had the good fortune to be confronted with very serious and exciting challenges. He said it was the solutions to those challenges which lead to whatever success our association was honoring him for at this event. He humbly dedicated his honor to all the good luck he has had in his life. **Nicci Huston DiMarzio '46** read the inscription and presented Bob with a lovely clock plaque.

Robin Austin '71 said he was flattered and honored to be presenter for **Janet Weir Creighton '68**. He said she could have asked Mike DeWine, George Voinovich, or Bob Taft, and they would have made every effort to come because they respect her that much.

He said Janet is a great example of the very best that Lincoln High School had to offer. Janet was Stark County Recorder from 1985-1991 and has been Stark County Auditor since 1991. She has served on many professional and political committees, including the County Auditors' Association of Ohio and Stark County Elected Officials. Janet has been

an active community volunteer, and she has been and continues to be very active with the Pro Football HOF. Janet was a founding member of CLHSAA and served as president. He said Janet is proud of her other important titles, those of Mrs. Bill Turnbow, mother of Jennifer and John, and grandmother of Benjamin. Robin said he was proud to be a member of an organization that had the wisdom and good sense to honor someone who has contributed so much to our Alumni Association as well as to our community.

Janet thanked Robin and congratulated the other honorees. She said she felt humbled to be part of this group. Janet introduced the individuals sitting at her table and thanked the committee, the Association, and the Class of 1968. Janet then donated a scholarship in honor of the Class of 1968.

Janet stressed that, although her career and family keep her very busy, she still finds the energy to get involved with the community. She said her community activities are actually labors of love and joy for her. Janet said pride in the community was instilled by her family as well as her teachers. She indicated how much she appreciated the bestowing of this award on her. Fellow classmate, **Sue Berg Self**, presented Janet's plaque.

In presenting **John Dickerson '60**, former teammate, **Jim "Ozzie" Osborn '59**, said he was honored to be introducing John because they have been friends since 1957 when they played a lot of basketball together. Jim reminisced about the year John played the entire season with a cast on his arm. John graduated from Mount Union College in 1964, earned his MA in School Administration in 1969 at the University of Akron, and has done post graduate work. He spent 31

years in education--15 as an administrator and 16 in the classroom, including several years at Lincoln. He coached basketball for 19 years. When John retired from education in 1995, he became Assistant Commissioner of the Ohio High School Athletic Association in Columbus. Through his work in education and athletics, he has received many awards. John and

his wife are the parents of a son and a daughter.

When John stepped up to the podium, he said he feels privileged that Jim was his presenter, and he offered his congratulations to the other recipients. He said he feels blessed to have had the opportunity to work with young people as teacher, principal, coach, and administrator; and he hopes he has had some type of a positive influence on a few young people along the way. He said the greatest reward one can get is when a student you have worked with comes back and thanks you.

John thinks the teachers at Lincoln were the best. He feels fortunate to be involved in athletics, and he remembers all of his great teammates at Lincoln, including the 1959 "team of midgets" composed of **George Saines**, **Jerry Lyke**, **Jim Osborn**, **Fritz Massouh**, **John Andreadis** and, of course, **John Dickerson**--the "midget of all." He also remembers Coach **Ken Newlon** fondly.

John said he was honored and humbled to be included with the other recipients and feels that what little he has done in the field of education all started out at Lincoln High School. He thanked the Alumni Association for all that they do. John's 1960 classmate, **Karen Gerzina Samuelson**, presented his plaque and read the inscription.

Carolyn Blackledge Husted '50 first met **Phyllis Elsass '50** as a freshman, but they became really good friends when they were both in A

Cappella choir. Carolyn said it was a pleasure to present Phyllis as a distinguished alumnus. Phyllis graduated from Aultman Hospital School of Nursing in 1953, was commissioned Ensign in the U.S. Navy in 1956, and earned a BS in Nursing in 1965 and an MSN in 1966 at the University of Colorado. Her Naval career took her to many locales, both in

the U.S. and in foreign countries. She achieved the rank of Captain in 1976 and became Director of Nursing Service, Naval Hospital, Bethesda in 1981. In 1983, she was confirmed as Commanding Officer of the Naval School of Health Sciences, the first woman and first nurse appointed to that command. She retired in 1987. During her career she received many awards, including the Navy Commendation Medal and Navy Legion of Merit. She remains active in the Navy Nurse Corps Ass'n. Carolyn said that she and her family were honored to attend Phyllis' retirement ceremony.

Phyllis was thrilled to be able to share the evening with so many classmates and family, and she thanked the association for this opportunity. While thinking about her years at Lincoln, she remembered among other things dissecting frogs, singing in the choir, working on the *Echo*, and being a member of Alexis League which had **Helen Gatchel** as an advisor. Helen became her lifelong friend and mentor. But what she cherishes most about school and career is not where she was, but who she was there with. Her teachers, mentors, associates, and friends have had the most impact on her life.

Phyllis said it was her military career that we were honoring at this event, but she said her career just happened because she benefited from both the feminist movement and the restructuring of the Naval Medical Corps. She said she fell into each opportunity as it came along. Another good friend, **Elizabeth Schrock Bell '50**, awarded her plaque.

Presenter **Gary Love '55** said that in his lifetime, he has had three Lincoln High School heroes--his brother, **Bob Love '49**, **Mike Regina '44**, and **Toby Zettler '55**. That is why he was so honored to present Toby to us. He said Toby worked part time and played sports but always maintained a high grade point average. However, Gary did recall one time when Toby lost his focus,

the day Toby, driving his father's DeSoto, rear ended Gary, who was driving his father's DeSoto! After graduation from Lincoln, Toby married his high school sweetheart, **Eleanor "Nora" Yokes '55**. They have five children and eight grandchildren. He then earned a BSChE at Case Institute of Technology, an MBA at Western Reserve University, and did post graduate work at the University of Michigan. In 1967, Toby became a U.S. Foreign Commercial Service Officer serving in the U.S. Department of State from 1967-1976 and the U.S. Department of Commerce between 1977-1995. He retired from government work in 1995 and is currently president of Toby Zettler & Associates International Business Strategies, a consulting firm. They have been working with First Energy in Northern Ohio and have helped create 1000 new jobs in three years. He also

continued from page 13

owns Zettler's Lakefront Bed & Breakfast on Kelley's Island and is president and chairman of Kelley's Island Wine Co.

Toby brought along his '55 *Lionian* which he said had moved 32 times with them to 7 different countries. Toby feels that if he could convey anything to the youth of today it would be the importance of languages and the importance of competing globally. He also stressed the importance of sportsmanship, family, and tradition. He felt it was tradition that was being perpetuated at this event. He thanked Gary and said he was honored to be on the podium with the other recipients. Toby thanked everyone for the honor. **Judy Workman Kackley '60** presented his award and read the inscription. BEQUESTS & DONATIONS

Without doubt, CLHSAA has one of the best scholarship programs around. Not bad considering our school has been closed for twenty-three years! The success of the program depends on money raised through fund raisers, memberships, and contributions.

The CLHSAA Scholarship Fund has received some charitable donations, but the one area that has not yet yielded funds is the last will and testament of a Lincoln alumnus. If you are thinking of making a revision of your will, you may wish to remember the CLHSAA Scholarship Fund. Of course, a donation made during your lifetime is always welcome--and preferred!

Contributions of any amount are appreciated and are vital to the continued success of the program. *See the form below.*

LIVING IN THE BIG EASY

Alanna S. Welling Arnold '69

I have lived in New Orleans with my husband, Jack Arnold, and two daughters for the past eighteen years. While we still think of ourselves as Ohioans, our children think of themselves as natives of New Orleans. For the past seven years, I have practiced law in one of the oldest law firms in New Orleans. The Milling Benson law firm is over 100 years old.

Remember that saying about some places being a "great place to visit but not to live there?" Living in New Orleans is like visiting a great place and living there. While the neighborhoods, except the French Quarter and the Garden District, are pretty much like living anywhere else in the United States, the accessibility of the French Quarter and the Garden District, not to mention cultural events, terrific food, and exciting music, make life in New Orleans very different.

The downside of living in New Orleans is crime and schools. Crime here is like crime in any metropolitan area. The school systems leave something to be desired. There are three separate school systems: the oldest, parochial (Catholic); private; and public. In Louisiana, public schools get the short end of the stick.

The two most fascinating places to visit in New Orleans are the French Quarter and the Garden District. The French Quarter offers a tremendous variety of foods, smells, sights, sounds, and shopping. There are certain "must do" things for any tourist who comes to New Orleans. One of them is eating beignets at the Cafe du Monde. Beignets are square, holeless, fried doughnuts covered with half a box of powdered sugar which are irresistible with hot chocolate or chicory coffee. The Cafe du Monde is open 364 days a year for 24 hours a day, closing only on Christmas Day. Most tables are outside under a canopy.

Good food in New Orleans isn't confined to the ritzy places; some restaurants are seemingly run-down but offer some of the best food in New Orleans. My advice to anyone thinking of coming to New Orleans is come prepared with a good tour book to help you choose a restaurant. There are so many good ones to choose from.

The French Quarter also offers a large number of unusual gift and specialty shops, historical museums, street entertainers who perform for donations, and great music. A great way to get a feel for the Quarter is to take a ride on a horse drawn carriage. The drivers are excellent and witty tour guides. Finally, any kind of music you'd like to hear--whether it be jazz, country, rock and roll, or alternative--can be found in the Quarter--usually in the same block. A ride on a paddleboat on the Mississippi River is also a not-to-be-missed experience.

Part of St. Charles Avenue is the heart of the Garden District. The cheapest and most enjoyable way to see the stately, colorful, antebellum homes along St. Charles is to ride a streetcar. One boards a streetcar on the side of Canal Street known as the CBD, or Central Business District, which is across Canal from the Quarter. When the streetcar comes to the end of the line on Carrolton Avenue, everyone must disembark and pay to ride back to the CBD.

Special events in New Orleans are many. One of the most popular is the Jazz and Heritage Festival which lasts two weekends--the last in April and the first one in May. There are many regular cultural events in New Orleans as well. Of course, everyone knows about Mardi Gras or Fat Tuesday. But what is not generally known is that Carnival season is more than just three back-to-back parades on the day before Ash Wednesday. Carnival involves parades on weekends and some weeknights for two weeks before Mardi Gras. The parades on St. Patrick's Day, Easter, St. Joseph's Day, and Halloween are much the same as those on Mardi Gras but are much smaller. (New Orleanians will throw a party or have a parade for any occasion, or no occasion, hence the name the "Big Easy.")

New Orleans is a curious mix of rich and dirt-poor people and of casual attitudes and dress and formal dress, pomp, and traditions. There is a reverence for old things and a reluctance to change. New Orleans associates itself more with Europe than America. For instance, we celebrate Bastille Day in July with fireworks.

If you come to New Orleans, call and say hello. []

"THE LIONS IN WINTER"

A few lucky lions get to spend some of the winter in a warm climate. Several members of Lincoln High School Class of 1951 met at the home of Russ and Carmen Mase in Naples, Florida, on March 13, 1999. Pictured are (left to right) Sally Stone Buffo, Joe Buffo, Jim McVay, Joyce Barr Whittaker, Russ Mase, Elinor Schneider Curry, and Dean Schladorn. Other Lincolniters sharing the evening were Dave Cassel '52, Joan Lappin Schladorn '54, and Pat Hahn McVay '55.

ALUM NOTES . . .

Claudette Pispisa Mejean '68 received her masters of Architecture in Historic Preservation summa cum laude from Kent State in August 1998. Her thesis project was The Isaac Miller Tavern Inn on the square in Magnolia, OH. She also has Bachelor of Science and Bachelor of Architecture degrees.

Dorothy Williams Porter '52, the administrative secretary at Westminster Presbyterian Church in Canton, is a charter member of the congregation, which observed its 50th anniversary in 1998. Four generations of Dorothy's family still attend Westminster.

Gary Pelger '60 is a part-time curator at the Canton Classic Car Museum in downtown Canton. Gary has loved cars since he was a child and currently owns three antique cars. He is retired from Babcock and Wilcox.

Bob Neff '69, head coach of the McKinley High School baseball team, was named Stark County Baseball Coach of the Year. His team was Division I District Champions. Bob is also an assistant football coach and helped the McKinley team become "back to back" Division I State Champions two years ('97-'98).

Carole Stover Dougherty '50 is chairwoman of the 1999 Pro Football HOF Festival Queen Committee. Carole has served as a member of that committee since 1995 and previously served on various other HOF Festival committees.

Debbie Fowler '66 was inducted into the Ohio High School Fast Pitch Softball Coaches Association Hall of Fame in June 1998. Debbie started the GlenOak High School softball program 20 years ago and has 366 career wins.

Bill Parry '65 is a successful Broadway actor who recently embarked on a year-long national tour with the Tony Award-winning Broadway musical "Titanic." Bill plays the Captain, which he says is a challenging role.

Guy Bertram '52 announced in February that he will run for an at-large seat on Canton City Council in the May primaries. Guy is a retired Canton teacher and coach.

Shirley Coleman Byers '49 visited Canton in November from her home in Tampa, Florida. Several of her former classmates gathered for a luncheon in honor of her visit.

Ronald Dougherty '50 was elected Chair of the Stark County Republican Party in January 1999. He is the managing partner in the law firm of Krugliak, Wilkins, Griffiths & Dougherty Co., L.P.A.

Mike Toney '55 of Las Vegas was a member of the original basketball team at Malone College in 1957. Mike visited Canton recently when Malone inducted a member of that team into its hall of fame. He said it was great to be home and to visit so many old friends.

Nanette DeMuesy, former LHS teacher featured in last year's edition, presented North Canton Public Library with two statues titled "Returning the Books." The statues are displayed on the front lawn of the library and were donated by her in memory of her parents.

Dolly Kestel Williams '49, formerly of Palm Harbor, Florida, recently returned to the Canton area. She used to come home for the HOF activities and to visit the Stark County Fair. Her brother, **Jim Kestel '48**, is a longtime Stark County Fair Board member.

Susie Swihart Vitale '66 donated 42 color framed and matted photographs of the Meyers Lake Park carousel horses to a silent auction that benefited the Citizens Who Care for MRDD committee. Susie photographed the carousel horses at the carousel's new home in Bushnell Park in Hartford, Connecticut.

LeRoy Hoffee '58 has worked for Lockheed Martin Tactical Aircraft Systems in Fort Worth, Texas, for more than 30 years. He has worked in aviation electronics, designing and building aircraft instruments, cockpit displays, and flight controls for military aircraft.

Don Nehlen '54, besides being head football coach at West Virginia University for 19 seasons, is also the most frequent speaker at the Pro Football Hall of Fame Luncheon Club--some 26 times since 1963.

Janet Weir Creighton '68 was selected as general vice chairman of the 1999 Pro Football HOF Festival Committee and will also serve as chairman of the Marketing Committee. Janet has been involved with the HOF festivities since 1964 when she marched as a Lincoln cheerleader in the parade. []

Hopkins continued from page 5

Only second cousins remain of Miss Hopkins' family. The sister with whom she lived died in 1995, and there were no nieces or nephews from her other two sisters and two brothers. Her parents had migrated here from Wales after their marriage, and Miss Hopkins visited Wales after retiring. She has also traveled to Hawaii, Florida, and New York, but she spends most of her days now reading and caring for her lovely brick and stone home. She is also active in the First Methodist Church and sometimes visits at the Regency Retirement Home with Janet Waltenbaugh and Earl Schwab, former co-workers at Lincoln.

Asked if she had any message for her former pupils, Miss Arabella Hopkins sent this challenge, "I hope they're all willing to fulfill their aspirations because they certainly had a four-year educational experience at Lincoln which was first rate. The teachers were given the opportunity to do their best with support, but not interference, from the principals." []

Dieringer continued from page 5

I'm proud to be a member of the Lincoln Alumni Association. The association does a lot of good for so many of its alumni and their families. We need to support its officers and give them thanks. I'd enjoy hearing from former students. I sincerely hope that all former Lincoln students enjoyed their years at Lincoln as much as I did. It has to be one of the high points in one's life." []

1953 CLASS REUNION

Class of 1953 Reunion

Last Labor Day weekend, the Lincoln High School Class of 1953 celebrated our 45th reunion. Friday, September 4, we enjoyed a pizza social held at the Lake Cable Pavilion. On Saturday morning several foursomes joined in playing scotch doubles at Bob-O-Link Golf Course. Saturday evening's dinner was at Bogart's Restaurant. There were 85 (50 classmates) in attendance to hear Retired General **James McCarthy** speak. Since classmate **Joe Brindlinger's** recent kidney transplant, Jim kindly asked everyone to please think about donating their organs. Then former band director, **A. Jerd Bayless**, spoke for ten minutes and had everyone rolling on the floor from his comic routine. The evening ended with **Patrick McRoberts** leading us in singing our *alma mater*. []

A. Jerd Bayless is a frequent guest at class reunions. The Class of 1953 really enjoyed his entertaining remarks.

CLASS of 1958 REUNION

Sylvia Kimrey Barcus '58

Class of 1958 Reunion

What a party! In 1958 the hula hoop was in, but spas and gyms were not, so we participated extensively using our hula hoops for weight control, and it worked! (Except when we overindulged at Eckard's and Heggy's--mm!!) Elvis was drafted, and I cried!!

Forty years have elapsed, and looking back mostly makes me smile! Reminiscing with **Gerri Lab Eckman** about our driver's training classes made us wonder if that could have been why **Mr. Cerretta** went from teaching into the insurance business. **Suzie McFarland Kirkbride** and I used to share a can of tomato soup at my house at lunch time. **Nancy Guess Orwick** and I had many boiled egg sandwiches at her house. **Judy Wagner Hilby**, my neighbor and a real hero to me, had the job of waking me in the morning so we could arrive to school on time. (Where are you Judy? I owe you!) **Martha Hartzell Seia** and I were inseparable for years. We would walk for miles just to ice skate and sled ride at McKinley Monument, then over to the bonfire to warm up. We captured many of our activities with our "brownies." Unfortunately, the paper stock was not so great, and now the pictures have turned brown and faded. But the memories live on. It was a time when you never worried about carrying a house key as we never had to lock our doors.

In retrospect, they were really good years--it was great growing up in Ohio. It truly felt like going back to "family" to revisit the class of '58 last August. Good luck to all of you in the new millennium. Hope to see all of you in Vegas for our 45th reunion! []

MAILBAG

I received the spring edition of the *Echoes of Lincoln*. I certainly have not been what one would call an active alumni, but I certainly enjoy the publications and have attended several of the decade reunions. The president's message, particularly paragraph two made its point. Because of your clear message, and all of the positive influences at Lincoln from 61-65 that have factored into what success I have had, please accept this donation to the scholarship program.

JERRY (J.R.) SHEETS '65 Hudson, OH

I must take time to write this letter to acknowledge the outstanding job that the committee did for our fortieth class reunion, held August 7th and 8th, 1998.

This was the first reunion I was able to attend, and thanks to the wonderful planning, my husband and I both had a really great time!

The most surprising part was the fact that many of the graduates who still live in the area didn't take time to come. What a shame! It was such a good group of graduates, and it would have been fun to see the "locals," too!

If we lived closer, I would certainly be helping you with this outstanding publication.

DIANE DIEFFENBAUGHER BOWERS '58
Rancho Palos Verdes, CA

Thank you again for your continued efforts. My co-workers in Akron are astounded by an alumni so active from a school which closed in 1976.

I want to encourage people to continue to contribute to the scholarship fund. Think of the money people put towards we "boomers" at that age. Children should and must be the priority.

O.K. 69'ers—come to the 30 year reunion. For those who have never been, it is more fun each five years. Almost all of our adolescent hang-ups are vanquished.

KAREN ANN MYERS '69

My thanks to each and every one of you who constantly work to "Keep the Spirit Alive." I can't begin to explain what "Echoes" does for an out-of-town alumnus who doesn't get home often. For me, you awaken memories. I particularly enjoy your profiles on those teachers who so influenced us. I learned things about Ms. DeMuesy that I had never taken the time to learn 38 years ago.

And what you accomplish as a team for the community makes me proud to be a Lion. I appreciate your hard work as I'm sure others do as well. Again, my thanks.

SCHOLARSHIP THANKS

While space precludes printing all the thank you notes received from the 1998 scholarship recipients, we appreciate the kind words from:

Thank you so much for the scholarship award. As a Lincoln High School graduate who is now pursuing a degree in education, the scholarship from your organization is especially significant to me. Also, I wanted you to be aware that my daughter, Stacey Jacob, and I were both awarded scholarships from your association this year. She graduated as the valedictorian from McKinley High School this year and will be off to Northwestern University as a freshman in the fall, while I will continue my education at Kent State. We both think this award is especially meaningful since we will both receive it at the same time. I am interested in knowing if you have ever awarded scholarships to any Lincoln grads and their children in the same year before. Thank you again for the award!

Diane Meeks Jacob, Class of 1973

[Editor's Note: No, CLHSAA has never awarded parent/child scholarships in the same year. Making it even more special, Diane and Stacey received the two **Carol Berg Marvin '60 Memorial Scholarships**.]

Please know how pleased I am to have been awarded a scholarship. As I continue in my Master's program at Malone through the summer, it is with regret that I cannot attend the award reception on July 14. This day, as you sit down to dessert, I will be sitting down to a final exam in my Learning Styles class. I can assure you, the dessert would be much more to my liking!

Again, thank you for the scholarship award. I will continue to keep Lincoln High in my thoughts throughout my teaching career. After all, it was the English teachers there who inspired me to choose English as my focus.

Debra K. McCutchan Gray, Class of 1972

Many thanks for selecting me for a scholarship this year. My fall cash outlay was much assisted by your generosity and spirit of helpfulness. It is my hope to establish a new career after this year which will allow me to assist in contributing back to the alumni fund.

Caroll Latimore

A simple "Thank you" does not and could not express my appreciation toward the generosity of your organization. I truly hope that the Scholarship Committee realizes how proud it makes recipients feel to be commended for our efforts and accomplishments. As a recipient, though, I must also extend my gratitude to all members of CLHSAA, for without them, none of this could be possible.

April K. Soult

Thank you very much for the scholarship and presentation ceremony. This scholarship will be very helpful when it comes to the cost of school. The ceremony was a nice way to honor the recipients and to give the students a taste of the Lincoln spirit. It is very generous of Lincoln to offer scholarships, knowing that it will benefit many students and help "keep the spirit alive."

Kortney Niewierski

Thank you notes were also received from:

Kevin Hartzell
Stacey Jacob
Kristen Cook
Tony Dorto
Nicole Noretto

Again, CLHSAA congratulates all of our scholarship recipients and wishes them success.

Did You Know . . .

Did you know that there have been some classes that have donated scholarships in their class's honor? Did you know that a **scholarship can be awarded in your class's honor** if your class donates \$500? Did you know that the **CHALLENGE** has been made to **each class** to donate towards the CLHSAA annual scholarship awards?

Did you know that on November 11, 1998, after five years of work, a dedication ceremony was held in Westbrook Park? The **Stark County Veterans Memorial** is finally a reality. Did you know that Stark County has 48,000 veterans, including 13 who won the Congressional Medal of Honor? Did you know that of all the counties in the nation, Stark County ranks fourth in the number of casualties in Vietnam? Did you know that **CLHSAA sponsored two bricks in the memorial?**

Did you know that in 1998 **only 1,320** of the **7,698 graduates** of Canton Lincoln High School who are still with us paid their **annual membership fee**? Did you know the memberships are **renewable each year** and the **membership card** you may have received when you first joined does **not** mean that you have a lifetime membership? Did you know that the **annual \$10 membership fees** make it possible to keep the Association going? If you have not sent in your 1999 membership renewal, please do so as soon as possible. If you have never been a member, please consider joining us. Our annual membership drive is the cornerstone of our ability to **"Keep the Spirit Alive."**

Did you know that **The Timken Company** is marking its **100th anniversary** with a yearlong celebration around the world? Did you know that the largest centennial event will be in Canton? On May 22 at the Stark County Fairgrounds, an estimated 20,000 past and present employees and their families will get together to mark the company's first 100 years and to look ahead to the future. At the end of 1999, the yearlong celebration will conclude with the sealing of a time capsule in Canton.

SPECIAL THANKS TO --
everyone who provided articles, photos, information, editorial expertise, and effort to make this issue possible

DID YOU ALSO KNOW THAT--

We need you to keep us informed so that we can continue reporting interesting news about the activities and/or special achievements of our alumni.

Please send a note to CLHSAA, P.O. Box 20192, Canton, OH 44701 and let us know what's new out there. Feel free to send us your own news and comments also.

MAILBAG

PLEASE—If you move, don't forget to send us your address change. The post office only forwards for six months.

Just received the 1998 issue of EOL and read it cover to cover. What an upbeat publication! It's remarkable that such enthusiastic and positive spirit still exists, especially since LHS closed 22 years ago. That says something about the character and vitality of the school, its faculty, and its students. I am proud to have been a part of it and thankful for the wholesome influence it had on us. Quite a contrast to some of our high school environments today.

I gladly enclose a \$10 check to join CLHSAA and am grateful for the splendid efforts of the Association and its officers. Wish we lived closer. Keep up the good work.

JACK MASE '46 Rogers, AR

It seems impossible that 48 years have gone by since our class graduated. Although I have been back to Canton many times since graduation, it was always for a brief time, and I never seemed to be able to take time to get in touch with my old classmates. Many, of course, are no longer in Canton. But what has passed by is not obtainable again, so I dearly hope that I will be fortunate enough to make it to our 50th reunion in the year 2000. Enclosed is my membership check.

For now, I can tell you that I am currently a professor of speech communication at Cerritos College in Norwalk, California. I was also the coach of the speech and debate team for six years. . . . I finished my bachelor's degree at the University of Arizona and moved to California after college and worked in the television and film studios as a teleprompter operator. I had the privilege of working with many big Hollywood stars and have counted many of them as my friends.

I married a lovely lady from Hollywood in 1958, and we were married until she passed away in 1994. I have been single since then. I have a son who is in the computer business.

I have been at my present school since 1989 and have two Masters Degrees. I have enjoyed my teaching career. I have been named distinguished professor at the college and that has been gratifying.

I still remember my days at Lincoln with great fondness. They were fun times for me. . . . I still have the dance booklet from my prom. I also have my yearbooks, my debate letter award, and the gold and maroon lion's head that I wore on my sweater. I really cherish those mementoes. I will keep them in good shape and perhaps they will someday become a part of the CLHS mementoes museum.

I do send my best and fondest regards to my classmates and to the many friends, staff members, and faculty who were at Lincoln when I was there. They were all terrific people.

My congratulations to each of you who keeps Lincoln High School alive for all of us alums. The "Echo" is great. I wrote many an article for that paper. I enjoy your efforts now. Keep up the good work and my best regards to anyone who might remember me.

MAX L. FREIFIELD, '50 Whittier, CA

Really enjoyed my last copy of "Echoes of Lincoln." I would like to compliment the editor for performing this labor of love. I especially enjoyed reading about **Coach Chuck Forrest**, and reading **Nanette DeMuesy's** comments about the

Journalism class/Echo staff and **Miss Cogan's** choir, both of which I had been member of just a few years before Nanette started at Lincoln.

Regarding the class reunions in 1999, I certainly hope that some local alumni are working on our 50th. If ever a class should be "gung ho" for their golden anniversary reunion, it should be ours, because...being forty-niners....gold was the theme of our yearbook, which even had a golden cover! Living in Michigan (and still being very active in the workforce as a practicing metallurgist) it would be hard for me to take a leading role in organizing the event . . . but I would do all that I could to help. . . . enclosed is a check to cover my dues and the balance can go to the very worthwhile scholarship fund.

DAVID L. SPONSELLER '49 Ann Arbor, MI

I just thought you might be interested in how I fared in my re-election bid for Los Angeles County Assessor. I will be starting my third four-year term in December [1998]. The race results were very conclusive. I garnered 78% of the vote with 811,000+ votes. Of course I am very happy with the way everything's turned out, and now I am off to Hawaii to celebrate.

KENNETH P. HAHN '57 Los Angeles, CA

I have enclosed my CLHSAA membership and want to thank you for finding me out here in California.

I have so many fond memories of Lincoln, and, in fact, met my husband, Willis '49, in the hall.

We have moved to California to be near our daughter and her family; we help at the church which our son-in-law pastors.

I was tickled to read the letters sent to your "mail bag" by **Ann Lee Reed '50** and **George Wiant '50**. Ann and I went to grade school together also.

I will surely be coming back to Ohio to attend our 50th class reunion in the year 2000. We have a son living in Jackson Twp., so we make frequent trips.

Just hearing news from former classmates in your "Echoes of Lincoln" sure makes our day. Thanks again.

SYLVIA CLARKE SOMMER '50
Riverside, CA

Just received the 1998 "Echoes" and certainly enjoyed most of the news. Was saddened to learn of the passing of classmate **Carol Berg Marvin '60**, **Wade Lessig '44**, a favorite teacher/coach, and **Mr. Kettering**.

At the same time, it was good to read the articles about **Mr. Chuck Forrest** and **Coach Ken Newlon**. They revived my fond memories of both. Since we live a fair distance from Canton, it is not practical to be involved in the many activities sponsored by CLHSAA. This newsletter keeps me abreast about what many former classmates and friends are doing today.

My thanks to all of you who voluntarily work so hard to keep this organization going strong. Keep up the great job you do! Enclosed is my membership renewal and scholarship fund donation.

DOUG WILSON '60 Charlotte, NC

I relished every word of the 1998 "Echoes of Lincoln" when it arrived this week. The piece by **Nan DeMuesy** brought back wonderful memories. I worked for the Echo under her direction and it (she) inspired me into a career in journalism and, later, journalism education. I've never regretted a day of it!

Your scholarship program is awesome. Please apply the enclosed check to the scholarship fund. I only wish it could be a larger check, but guess this will help a bit at least.

Keep up the great work and I look forward to future newspapers. If I didn't live so far away, I'd be in there helping! Best wishes for continued success.

GLENN HIMEBAUGH '54
Murfreesboro, TN

1998 My compliments to the people who put together this copy of "Echoes of Lincoln"—great job.

I'm very honored to have been included—I just wish I still looked like that picture. I'm now 86 years of age, but if my health holds up, I may surprise you all and show up at some meeting.

You are all doing a great job of keeping Lincoln "alive and kicking." Keep it up! Say "hello" to everyone—

"CHUCK" FORREST Canton, OH

1999 Sorry, at age 87 I can't help much. Keep up the good work—

"CHUCK" FORREST Canton, OH

Thanks for all your energy in keeping the spirit alive!!! Although Lincoln closed its doors in 1976, our memories will live on forever!!! Once a Lincoln Lion, always a Lincoln Lion!!!

SANDY LAB HOFFMAN '72 Hartville, OH

I just received my copy of the *Echoes of Lincoln*, and, after a pleasant time of recollection of many of the happiest days of my life while attending LHS, I couldn't wait to get my check to CLHSAA in the mail. In addition to being a strong, active organization from a social standpoint, your scholarship program is obviously extremely important in furthering the education of our leaders of tomorrow. My hat is off to you, your fellow officers, trustees, and committee members.

I attended the 35th reunion of the class of '60 three years ago, and I am really looking forward to the 40th in the new millennium. I'll represent the State of Georgia as best I can, and I'll see if I can convince Doug Wilson '60 to be the North Carolina representative! Doug is living in Charlotte, NC, and he stops by Atlanta during his business travel to visit with us now and then.

Say "hello" to my class of '60 (and '59, too!) friends up there in Canton for me. Keep on "Keeping the Spirit of Lincoln Alive." You're doing a great job.

LARRY ROBINSON '60 Roswell, GA

I have enclosed my annual dues. Thank you so much for sending me the newsletter; I have really enjoyed receiving it. We moved to Lewisburg, PA after my freshman year at Lincoln, but it was a most memorable one. I learned so much from H.T.O. Blue's History class. And I am grateful for a strong Latin background which serves me in good stead every day.

I graduated from Lebanon Valley College in Annville, PA, with a degree in sociology. I have two daughters and five grandchildren. My most recent position is Faculty Secretary at Lancaster Theological Seminary in Lancaster, PA. Thank you for keeping the spirit of Lincoln High alive. I have such fond memories of my years in Canton, especially at Lincoln.
