The scholarship program of the Canton Lincoln High School Alumni Association experienced an exceptional year in 1999 as forty-two \$500 scholarships were awarded for a total of \$21,000. Never before have so many scholarships been granted in one year. This brings the ten-year total to \$134,300.

Of the forty-two recipients, two scholarships were awarded in memory of **Carlton N. Gowdy**, a teacher at Lincoln; and one scholarship was awarded in memory of **Ed Mang**, Class of 1951. In addition, the **Classes of 1963, 1968, and 1969** each sponsored a scholarship to a descendant of a classmate. Thirty-one recipients had recently graduated from high school, and eleven were already attending college. These outstanding people represent their families, their schools, and Lincoln High School well. Furthermore, they have lofty aspirations which, because of their motivation, will no doubt be attained. We congratulate them and wish them well in their future academic pursuits.

To honor the recipients and their families, a reception was held at the Mayfield Senior Center on July 20, 1999. Thanks to **Faye Moore Staugh '52** and her committee for preparing the refreshments, especially the delicious desserts.

Applicants who did not receive a scholarship in 1999 are reminded that they may re-apply. Graduates and attendees of Lincoln High School and Lincoln Junior High School, as well as their linear descendants, are eligible for scholarships.

PRESIDENT'S MESSAGE

Gary Love '55

As we enter a new century, it should be mentioned that the last two years of the 90's reflected continued growth and success for our alumni association, thanks in large part to the leadership of outgoing president **Chip Conde '68**.

Our present membership roster now totals 2,001 thanks to Vice President **Dave Schemansky's '66** hard work in reducing the number of Lincoln alumni for whom we have no current, correct addresses.

Last July, the forty-two scholarships awarded were the most since 1990! The fund raisers, member contributions, and dues all helped to achieve that proud result.

The February 2000 Reverse Raffle was a rousing success, thanks to the best advance ticket sales in our history!

We look forward to exceeding last year's fine turnout at the annual golf scramble. The Ninth Annual Scholarship Golf Scramble is scheduled for August 5th at Spring Valley Golf Club.

The Fourteenth Annual Alumni Dance will be held on November 24, 2000 in the McKinley Room of the Canton Civic Center. Everyone is welcome to attend--grads and non-grads. Let's fill the place this year!

As your president for the year 2000, I will do what I can to make certain CLHSAA enjoys another banner year and continues to be the best alumni association in this area.

My thanks and much appreciation to all for your support in helping to "Keep the Spirit Alive!" []

ELECTION NEWS

2000 All candidates in the CLHSAA 2000 election were unopposed; therefore, a vote was taken at our annual meeting in September. The slate as presented by the Nominating Chairperson was unanimously elected. So, if you thought you missed receiving a ballot this past fall, you didn't because none were mailed.

The CLHSAA 2000 Board consists of President, **Gary Love '55**; Vice President, **Dave Schemansky '66**; Secretary, **Dee Johnson Taylor '67**; Treasurer, **Mike Drumm '72**; Two-Year Trustees **Jim Osborn '59**, **Karen Gerzina Samuelson '60**, and **Faye Moore Staugh '52**. **Judy Workman Kackley '60** is continuing her term as Three-Year Trustee, **Carole Hunker Hughes '51** continues to serve as Historian, and **Chip Conde '68** became Past President. Since our new president was in the middle of his term as a three-year trustee, Gary appointed **Lynn Mang Perez** to fill his unexpired term.

2001 In the election for 2001, the offices of president, vice president, secretary, treasurer, and three-year trustees will be up for election. The Alumni Association needs good leadership to continue our goals; so, if YOU want to help provide that leadership, please contact Nominating Chairman **Jim Osborn** in person or by mail to P.O. Box 20192, Canton, OH 44701. You will receive lots of help and support.

As a reminder -- if you are a paid member of CLHSAA, please mark and return your ballot as soon as you receive it in the fall. Your participation in the election is another way you can show your support of the association and its goals. []

COMMUNITY INVOLVEMENT - - Giving Back

As part of our association's commitment to the community that supported us when we were students, the CLHSAA Board voted to donate \$100 to the library funds of each of the "feeder schools" of the Lincoln neighborhood. With public funding so sparse, these small but heartfelt donations were greatly appreciated as you will see. The following are thank you notes received for these donations.

Thank you so much for your generous donation to our Learning Resource Center. I have used your money, along with the profit from our recent book fair, to order student dictionaries and thesauruses. This is the first purchase of such items in my seven years at McGregor; they are sorely needed. Books will always be an integral part of a child's education, even as we move toward the 21st century. Thank you for helping us update our reference materials.
Denise A. Gerdeman, LRC Technician, **McGregor Elementary School**

On behalf of the staff and students of Cedar Elementary, I would like to take this opportunity to thank you for your generous donation to our Learning Resource Center. We appreciate your interest and support of the Canton City Elementary Schools.
Barbara J. Maceyak, **Cedar Elementary School**

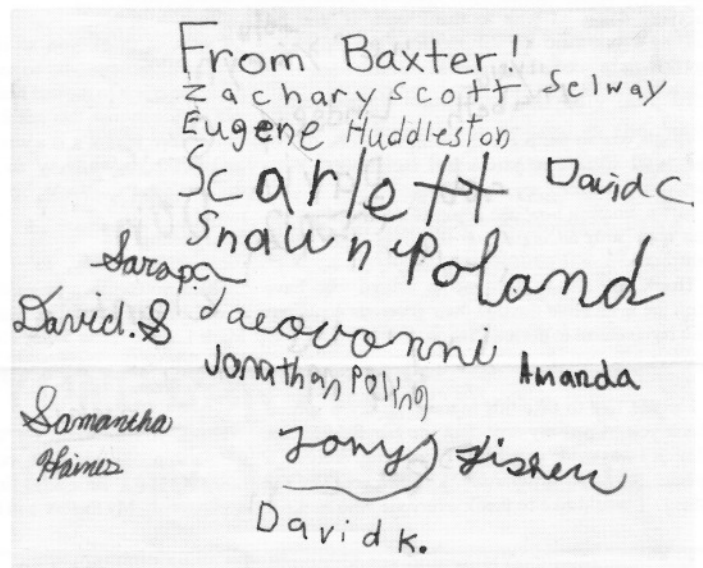

Many, many thanks for your generous donation of \$100 for Harter's Learning Resource Center. What a thrill it is to choose and purchase new books for our students. Your support is most appreciated!
Debbie Wensel, Principal, **Harter Elementary School**

Thank you very much for your generous donation of \$100 to the Clarendon Learning Resource Center. Books will be selected by our technician, and a seal will recognize the Lincoln High School Alumni. This will be a lasting tribute to your fine association. Your consideration is very much appreciated.
Marcia L. Cussen, Principal, **Clarendon Elementary School**

On behalf of the Souers Middle School students and staff, I would like to thank you for your generous donation. I'm sure we will use the funds so that our media center can better serve our students. Again, thank you.
Joe Bogdan, **Souers Middle School**

What a great gesture on the association's part. In advance I can tell you that our children will enjoy the new books, and our LRC technician will be very excited. Thanks again.
Victor Johnson, Principal, **McGregor Elementary School**

All of us at Baxter School would like to thank your association for the donation with which to purchase library books! The money will be used to buy a variety of books that will span different topics of interest to students at all grade levels, but you have also provided us with a valuable teaching tool!
Character Education is an important part of our curriculum, so your generosity proved an excellent example for our Baxter kids! When the students were asked to sign the thank you card, we discussed generosity and how people can use their time to help others. Each child left the library with a good feeling, and I heard one say she was going to join the Lincoln Alumni when she grew up!
Once again, thank you from students and staff at Baxter!
Karol Drumm, LRC Technician, **Baxter Elementary School**

SCHOLARSHIP THANKS

While space precludes printing all the thank you notes from our 1999 scholarship recipients, the following are examples of the sentiment expressed

I would just like to take a moment to thank all of you for your generous contribution, encouragement, and concern for my college education and future career plans. This kind act has allowed me to see and experience the tremendous love and friendship found within our own community. The support from the scholarship has been a real blessing as I am attending a private college for my fifth year.

The warm friendship and care that was expressed the evening of the awards has truly touched my heart. It was a wonderful experience to be honored for the simple act of attempting to achieve a dream. I am so grateful to all of you for the exceptional work, time, patience, and effort that you have demonstrated through your dedication in creating these wonderful scholarships. This true devotion has demonstrated to me the kindness and compassion that individuals can exhibit when they sincerely put their hearts into what they are doing. I wish to thank each of you for helping to bring me one step closer to accomplishing my dreams of becoming a teacher.
Christine M. Szostak

Thank you so much for choosing me to be one of the 1999 CLHSAA scholarship recipients. Your generosity is greatly appreciated.

Isn't it amazing how one group of dedicated people can have such an impact on the lives of so many others?

Thank you also to the Lincoln alumni who have kept the spirit alive through their generous donations and involvement in the association.
Lindsey Niewierski

I would like to take this moment to say a special thank you. Upon my arrival at the Mayfield Senior Center, I was made aware that I would be receiving a special memorial scholarship in honor of Mr. Ed Mang. I would like to thank everyone who make it

possible for students like myself to receive these special types of honors.

As I attended Heritage Christian School, which is in the old Lincoln High School building, I had many chances to see the effects of what your group is doing and has done. I also had the privilege of being in the same building and attending my classes where several of my family members also attended their classes when they were in high school. It is such a wonderful thing to see that your school is still alive and well!

I would especially like to thank the Class of 1951 and the family and friends of Mr. Ed Mang. It is with great honor that I received this memorial scholarship! I will do the absolute best that I am able to so that I may represent Mr. Mang, his family, his class, and the CLHSAA as I continue to pursue my college career.
Tiffany Colley

I want to thank you so much for the extremely wonderful gift that you so nicely awarded to me. It means so much to me and I can't thank you enough. I will definitely use this scholarship wisely at Miami University. I think it is a wonderful idea that you are giving this opportunity to many high achieving students, and it should be continued. Thanks so much!
Marc Young

Thank you for awarding me the alumni scholarship. It will be very helpful at Malone College. My dad, Mark Lane '67, has always talked highly of Lincoln High School and his classmates.
Allison Lane

Thank you so much for awarding me the \$500 scholarship. Paying for college is an extremely difficult task, and any financial help is much appreciated. My mother and her two brothers, Linda,

Jerry, and Chuck Lyke, attended Lincoln High School and still talk about it to this day. Their year book is a constant source of entertainment for my cousins and me. The three families even attended a Lincoln High School reunion one year. Thank you once again for the scholarship and the fond memories your school gave my mother.
Graime Godfree

It is a privilege to have received the Lincoln Alumni Scholarship for this upcoming school year. It is difficult being a student athlete receiving no aid from the school. The funds received will be well spent and will help me to achieve all of my goals in life.
Craig Whitaker

Thank you very much for the scholarship and the presentation ceremony. This scholarship will be very helpful with the cost of school. Your support and praise has been greatly appreciated by my grandparents, my family, and especially me. Thank you again for all of your support.
Sheila Miller

Thank you notes were also received from:

ALUM NOTES . . .

Larry Halter '50 wants to remind us that each year in October there is a reunion called the "Buckeye Reunion" held at Ft. Meyers Beach, Florida. The Buckeye Reunion is for any and all alumni and guests. Planners for this affair has been **Leonard "Bud" Neel '49** and his wife, **Patty Robinson Neel '50**. Everyone has fun going over old times and catching up on new times. If you are going to be in Florida in October, try and attend.

Ed Bartholomew '62 continues to teach third grade at Derby Academy, an independent school in Hingham, Massachusetts, where he lives with his wife, Janet. He and Janet and their younger daughter, Emily, visited the Galapagos Islands for ten days in the spring of 1999. They said it was a fantastic trip!

Kay Kobbe Miles '65 has lived for 12 years in an historic home built in 1815 in Mamaroneck, NY. Her home was chosen as the winner in the Interior Remodeling category of the home improvement contest by *Better Homes and Gardens* magazine. The master bedroom suite was featured in the January 2000 issue of the magazine.

Harry "Butch" Guist '72 lives in Arvada, Colorado and has been a UPS driver for many years. This past fall Butch was recognized as a Highway Angel by The Truckload Carriers Association for his efforts in helping a woman following an accident in Vail Pass in Denver last April. The award is given to recognize driver professionalism. Congratulations!

Tom Seaman '48 is an angel with wings and has a license to use them! Tom is on the board of directors of the Volunteer Pilot Association, a group based near Pittsburgh that has more than 200 volunteer pilots in the northeastern U.S. They are private pilots who volunteer their time and airplanes to fly needy people to hospitals and treatment centers throughout the country. Tom and Dr. John Knapp co-own a twin engine Beach Baron and usually take their mercy flights together. All expenses are out of the pilot's pocket, and they can be called for an immediate flight or they may have several weeks notice. When not using his angel's wings, Tom is president of Retirement Planning Associates. He has been flying small planes for 27 years.

"WINDOWS of OPPORTUNITY"

A Way to Honor Our Past

Heritage Christian School
Windows 2000 Campaign Committee

Up until a year ago, it seemed like an insurmountable task! Replacing nearly 300 windows in the old Lincoln High School building! However, weather and time had taken their cruel toll. Clearly, something had to be done to refurbish the beautiful, historic building; and the current owners, Heritage Christian School, made the commitment to do it. A generous donation by a concerned individual got this ambitious preservation project off the ground by providing the means to replace windows on one side. The remaining three sides were divided into subcategories: current Heritage families, staff and alumni; concerned business and community members; and Lincoln alumni. We are extremely happy to report that three sides of the building are now complete.

In fact, THERE ARE ONLY 30 WINDOWS STILL AVAILABLE!

The final stage consists of the side facing Sixth Street, the front of the building still proudly bearing the name, Lincoln High School. It occurred to project committee members that this would be the side Lincoln alumni would like to preserve as their own. Classes are invited to pull together and purchase windows in tribute of their Lincoln days. As our way of saying thank you, a commemorative plaque listing donor classes will be prominently displayed in the lobby area, forever etching the year of your graduating class on the walls of those familiar hallways. In addition, a donor book will list the names of all those contributing to this worthwhile project. Each class will need to raise \$1,000 per window. It's surprisingly easy to do! The class of '44 simply sent out a letter to class members and,

by combining checks both large and small, has already purchased a class window! The class of '46 was hoping to be able to do the same. A letter went out. Checks came in: some for \$5, some for hundreds. And when it was all counted, they had purchased FOUR windows--enough to complete an *entire room!* A *special* plaque will be displayed in rooms honoring the class of '46 and any other classes who are able to do the same.

Any Lincoln alumni who live in or are visiting the Canton area are invited to come on over and see this remarkable transformation for yourselves! For the full effect, drive by Sixth Street for the "before" and then turn up Harrison for the "after!" What a difference!

Don't let your class be left out! If you are planning a reunion soon, you are already in touch with class members. Or, what a fun excuse to call a couple of old high school friends. "Hey! Let's go together and buy a class window!" Windows can also be purchased in honor or memory of a person who has made a significant difference in your life! However, there is a very small "window of opportunity" left! As we said, there are only 30 windows remaining, RESERVED ESPECIALLY FOR LINCOLN ALUMNI.

OUR TEACHER . . . Richard Bamberger

by Avalon Taylor Schneider '46

Imagine graduating from Canton Lincoln High School and then returning several years later to be part of a faculty that included many of your former teachers. That's exactly what happened to **Richard Bamberger**, a member of the **Class of 1943** who taught biology, science, and health at Lincoln from 1950 to 1960. He remembers entering his first faculty meeting as a teacher, looking around, and thinking, "You've got to be kidding." Subsequently, though, he found his co-workers all eager to do anything they could to help him. He was the first Lincoln grad to go back there to teach, but later quite a few others followed his lead.

The Class of 1943 was the very first class to graduate from Lincoln, which had been a junior high school before that. Mr. Bamberger was a member of that class's football team, playing center on offense and guard on defense. He reminisced about wearing hand-me-down black and red McKinley uniforms during his team's freshman and sophomore years and having

Lincoln's original blue and gold colors taken away by Timken when they became a senior high school before Lincoln did. Junie Ferrall was the football coach, and in 1942 the Lincoln team was declared city champs after tying McKinley.

One of Mr. Bamberger's most vivid memories of his student days at Lincoln is the time he got kicked out of school for the day. A group of football players took offense at the idea of a girl wearing slacks to school (shocking in 1943!) and decided that they would wear skirts to class. Mr. Carl Meyer, the principal, was not amused. Mr. Bamberger also fondly remembers hour and a half lunch periods at Lincoln, which he and his friends spent hanging out at Charlie's Inn on West Tusc. eating three hamburgers and a milkshake for twenty-five cents!

About his ten-year teaching stint at Lincoln, Mr. Bamberger said, "They were the best years of my 33 years of teaching. Kids in those days had respect and parents had control. When

we had open house, there were long lines of parents waiting to see their kids' teachers. They showed tremendous interest. The worst thing kids might do in those days was smoke. A kid smoking was considered pretty shocking. When I go by the school now, it brings back so many memories, both as a student and a teacher. I hated to see them close Lincoln down."

During all of his teaching years at Lincoln, Mr. Bamberger was also a coach of football, basketball, intramurals, and golf. The Lincoln golf team won the city championship while he was the coach, and the reserve football team had an undefeated and untied season under his tutelage. He gave up coaching in 1960 so he could be in attendance when one of his four sons played football for Glenwood High. Later, another son played at Glenoak. Today, Mr. Bamberger has two sons in Stark County, one in California and one in Pennsylvania. There are six grandchildren. He and his wife, whom he met at Kent State University, will celebrate 52 years of marriage this April.

In 1960 Mr. Bamberger was transferred to McKinley High School, where he taught for ten years, and then he finished his career in Canton City Schools Administration, at one time teaching physical education on TV to Canton City elementary students. He has been retired since June 1983 and keeps trim and active by playing lots of golf and doing plenty of walking.

"I don't envy teachers today at all," said Mr. Bamberger. "I wouldn't teach today because of students' attitudes and government mandates. I think the quality of education was better when I attended and taught at Canton Lincoln because there were fewer distractions. I'd say the majority of kids worked real hard back then." Obviously, Mr. Bamberger did too and can now reflect on those years with satisfaction. []

REVIEWING THE YEAR . . .

1999 Alumni Band -- Another Great Year

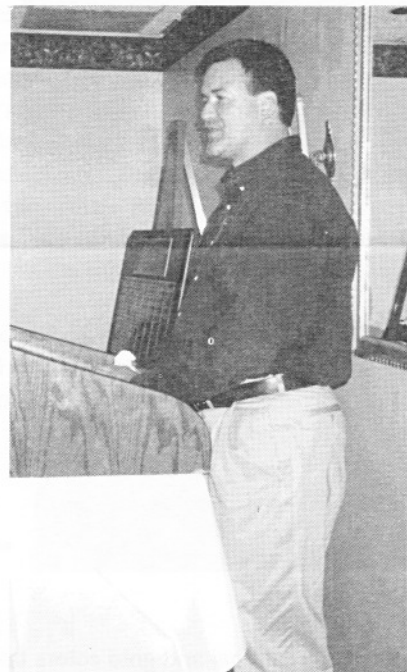

Joe Garber '44

The band started out practicing in 90 degree heat at the Fair Grounds getting ready for HOF. There were six practices, and we had a good turnout for all six. The march through the streets of Harter Heights on the last practice evening was well received as usual. It was very hot! Our band marched as its own unit in the HOF Kickoff Parade on Sunday, then the Grand Parade on Saturday where we were combined with McKinley, Timken, and Canton South alumni bands. In September the band made its eighth appearance at the Stark County Fair. We really had a great time with a very good crowd, applauding us on. Four new numbers were played from newly purchased music. On September 19, 1999 we were invited to play in Louisville

Constitution Parade where we made a very good impression. The band won first place. They invited us back for next year's parade.

Although there was an average of 25 players through all our events, we still need more band members to join us. **We need you**, even if you can't march. So, **please call 478-0006** to volunteer. We need you to help keep our alumni band #1 in Stark County. Thanks for a great year. We are looking forward to the HOF 2000 parades.

After helping to organize the alumni band eight years ago with Mark Lowe, Florence and I are retiring. We wish the band and the alumni association all the success in the future. Thanks for the memories! []

Alumni Band Director

Mark Lowe '75

Florence Showalter Garber '44

Among other activities, **Mark Lowe** was a four-year member of the Marching, Concert, and Pep Bands while at Lincoln. He was also a three-year member of the Dance Band, a member of the All City Concert Band (junior and senior), and band president his senior year. After graduating in 1975, Mark attended Ohio State University where he graduated in 1979. He was a four-year member of The Ohio State University Marching Band, a three-year member of the Scarlet Concert Band, and a four-year member of the Trombone Choir.

Mark began his teaching career at Cloverleaf Local Schools as Junior High Band Director. After one year, he became Band Director at Canton Timken Sr. High School from 1980-1985. In 1985-86 he was Band Director at North Canton Junior High, leaving there to become a graduate assistant with the Miami University (Ohio) Marching Band. From 1987-1992 he was Band Director at Alliance High School. Mark was also principal trombonist with the Alliance Symphony from 1989-92. From 1992 to present, Mark has worked as Instrument Music Director for Grades 6-12 at Kenston Local Schools. The Kenston marching bands have performed at Disney World and the Kentucky Derby Parade.

As you can see, Mark is a very busy professional; but, in May of 1992 when he was contacted by Joe Garber as a possible director of the newly formed Lincoln High School Alumni Band, he readily agreed. (Mark's relationship with us began during the years of 1971-1973 when Joe served as president of the Lincoln Band Parents.) Members of the alumni band range from the Class of '43 through the Class of '76. Some were students of Mr. Baylesst, some were students of Mr. Toot; but all must have enjoyed their band experience, because they really seem to enjoy their more recent band experiences with Mark Lowe as their director. The 45 members of the band have had some interesting and enjoyable performances since 1992. They have performed in the Hall of Fame Kick-Off Parades and the HOF Grand Parades beginning in 1993. They have also performed at The Swiss Festival, The Carnation Parade, The Stark County Fair, three "All-City Basketball Games," plus a number of alumni meetings held at the old school, and at the annual alumni dances in November several times. This past September 19th, the band won first place in the 1999 Louisville Constitution Parade and was awarded a First Place Plaque.

While still residing in Canton, Mark was a two-year member of the CLHSAA scholarship committee, served on the mailing committee, and volunteered at the fair booth. Although he moved several years ago to the Cleveland area, Mark continues to direct the alumni band with the same enthusiasm he showed when originally asked to become involved. Thanks, Mark, for another great year of band activities and for your dedication to "keeping the spirit alive." Your talent and time are both greatly appreciated. □

ANNUAL SCHOLARSHIP GOLF SCRAMBLE

A BIG Success

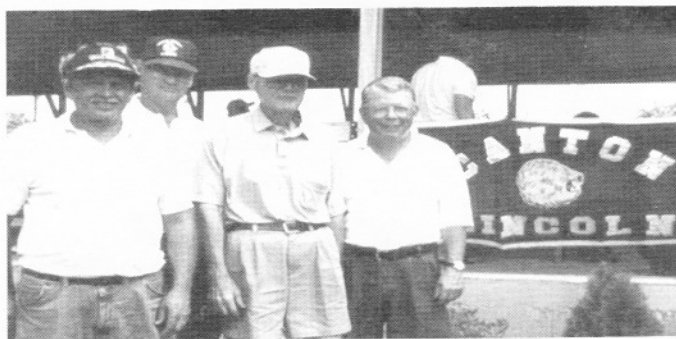

Chip Conde '68, Chairman

If there was anything more than SUN at this year's Scholarship Golf Scramble, it was FUN! Ninety-six men and women came together at the Spring Valley Golf Course; and, although it was extremely hot that day, our "Beverage Babes" did their best to keep everyone "iced down." Every player tried their best to be #1; however, the foursome of **Dorkoff, Ellison, Dinkins, and Henderson** carried away the first-place prize. **Don** and **Antoinette Mast** catered our dinner of steak and chicken.

The Golf Scramble Committee -- **Sam Crawford, Dave Schemansky, Bob Schoeneman, Bob Conde, and Faye Moore Staugh** -- worked very hard to keep everything running smoothly. Thanks to everyone who helped in any way to make the scramble a huge success.

Special thanks to our sponsors and contributors -- Bill & Faye Staugh, Chip & Kathy Conde, Johnnies Bakery, Fred Triplett, Bob Raff, Dave Fowler, McDonald's, Fred Olivieri Construction, Tri-State Mobility, W. L. Logan Trucking, Cain Toyota-BMW, Kreighbaum-Sanders Funeral Home, Reed Funeral Home, Triplett's Garage Door Service, Ezra Malernee & Associates, Hub Victor, The Glass Station, Gary & Laura Love, Crawford Fuel & Oil, Jon & Karen Samuelson, Harmon's Pub, Mid's Spaghetti Sauces, and the Class of '68.

The weather, food, beverages, and fellowship were all great. (How everyone played was up to them!) Please consider joining us this year on **August 8, 2000** at **Spring Valley Golf Course** for an 8:00 AM shotgun start. We'll have you out of there by 1:00 PM. Come join the fun and help support the CLHSAA Scholarship Fund. []

1999 Scramble Winners
Don Dorkoff, Larry Ellison, Chuck Dinkins, Jerry Henderson

Everyone agreed, "It was a great day for golf!"

ALUM NOTES (cont.) . . .

John Hayward '64 retired after 30 years as a vocal music and drama teacher. He spent the last 15 years at Hoover High School in North Canton. In June, nearly 200 of his former and current students, friends, family, and colleagues surprised him with a retirement party. He remarked, "I'm so overwhelmed. I'm in a state of shock." While recalling special moments, John said that among his most memorable experiences as a teacher was the year his choirs performed a Mozart requiem with an orchestra at St. Paul's Church in North Canton honoring his former music teacher, **Ruth Cogan**, and his foster parents, Arthur and Vesta Wolliscroft. "They were a big influence in my life," he explained. Another big influence was Babe Stearn who was "like a dad" to him. Stearn raised the money to send Hayward to music school at Princeton when he was 11, thereby beginning his music career. John's future plans include taking it easy for a while but then getting back into the world of music through further education, acting, writing, and church work. John lives in Canton with his wife and young son. He also has three adult sons and two grandchildren.

Pete Olson '59 and his friend **Jim Thompson '60** opened their first "hippie store" (the Quonset Hut) near 31st Street and Cleveland Avenue North in 1970 in a building that was built like . . . what else, a quonset hut. Today, Pete is president and chief executive officer of Quonset Hut, a five-store retail chain which offers a wide assortment of unique merchandise. Before starting the store, Pete was an engraver at Canton Graphic Arts Service and Jim was a pipefitter at the Timken Co. Pete and Jim started the first store with no experience; but by listening to their customers' ideas, the store became successful. Eventually Jim left to focus on Dr. Trips Travel which he and Olson opened 11 years ago. Pete travels the world, especially South and Central America, looking for new items to sell. Even though music sales make up 80 percent of the chain's annual revenues, they stock about 20,000 different items, including unique jewelry, candles, cards, gifts, etc. Pete said that, "It's kind of weird how we're selling the same types of clothes that we sold when we opened. That's amazing to me." Even after 30 years, he still finds the business is fun.

Jerry Snyder '58 is a Canton Fire Captain and has been with the department more than 35 years. He considers himself lucky to have had two families--his wife and four children and the crews he has worked with. After all, he spends a third of his life at the fire station. Jerry is thankful for the strong, willing, and capable crews he has been fortunate to work with during the years. "Spending 24 hours together, sharing good times and bad, you become very closely connected. At a fire scene, each man knows he can count on the others. That is important." Jerry plans on retiring in January and looks forward to spending more time with his family at home.

ALUMNI SERVICE AWARDS PRESENTED AT ANNUAL MEETING

Judy Workman Kackley '60

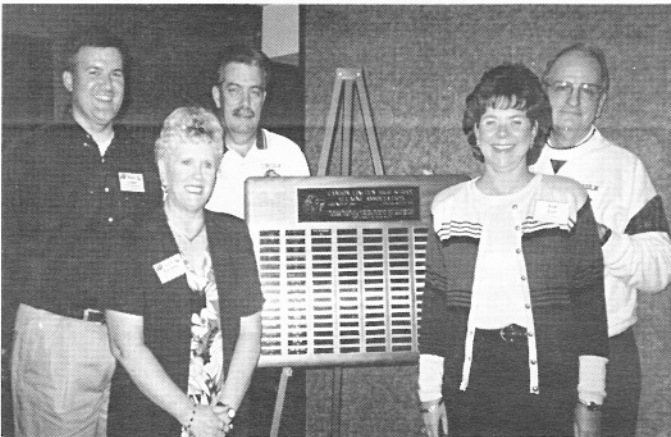

The 1999 Alumni Service Awards were presented at the Annual September Meeting at Rolando's VIP Room on September 16, 1999.

After a short business meeting, Nominating Chairperson, **Linda Alvarez Neff '69**, presented the names of candidates for 2000 election of association officers. Since all offices were unopposed, a motion was made to unanimously elect the slate for 2000 as presented. No ballots would be mailed.

President **Chip Conde** introduced **Susie Swihart Vitale '66**, who spoke about the Community Television Consortium. CTC is an all-volunteer group of individuals and non-profit community organizations dedicated to promoting and broadcasting high quality local television programming in our community. Susie has been active with CTC for many years. As a member of our alumni association, she has been very generous with her contributions and has volunteered on many occasions.

Alumni Service Awards Chairperson, **Judy Kackley**, thanked past and present recipients of the Alumni Service Award for their dedicated service to the association. Five awards were then presented for 1999 to **Gary Love '55**, **Mark Lowe '75**, **Dave Schemansky '66**, **Judy Workman Kackley '60**, and posthumously to **Carol Berg Marvin '60**. Past President **Sue Self '68** presented Judy with her award. **Chip Conde '68** was presented with the President's Award. Congratulations to these deserving volunteers. Their service and dedication are exemplary and have contributed greatly to the success of CLHSAA.

Judy introduced past ASA recipients from 1994, 1995, and 1997. She then thanked her committee -- **Elizabeth Bell**, **Mike Drumm**, **Gary Love**, **Sherry Cini-Putnam**, **Karen Samuelson**, **Sue Self**, **Jerry Snyder**, and **Faye Staugh** -- for their hard work. Refreshments and fellowship followed the awards presentation. □

"MAROON & GOLD SPIRIT" EVIDENT at CLHSAA FAIR BOOTH

Sue Berg Self '68, Chair

The spirit of maroon and gold was once again visible at the 150th Stark County Fair. During the course of the week, 50 alumni volunteered to sell our merchandise, publicize our events, and chat with former classmates. My thanks and appreciation to alumni, family, and friends for their continued support of this week-long event. Without our willing volunteers, the fair booth week would not be possible.

See you August 29 - September 4, 2000 at our traditional spot under the grandstand. Come and see for yourself what the "spirit of maroon and gold" is all about! []

Seventh Annual ALL-CITY ALUMNI NIGHT

Faye Moore Staugh '52

This year the All-City Alumni Night was hosted by the McKinley Alumni Association on October 12, 1999. It was held at the Old McKinley High School Atrium. Attendees were welcomed by McKinley President, Dave Henke, and then entertained by the McKinley Alumni Band, which played several rousing songs. The group was asked to participate in singing the National Anthem. Guest speaker was Canton City Service Director, Mike Miller, substituting for Mayor Watkins who was unable to attend at the last minute.

Remarks were presented by the four alumni association presidents regarding each group's activities during the past year, including events and scholarships.

Great door prizes were awarded, followed by a social hour. Refreshments included four large cakes, one with each school's logo on it, coffee and punch.

We hope to see a lot of our alumni next year on this fun night. Lehman Alumni Association will host in 2000 -- the date and time to be announced later. []

13th ANNUAL DANCE

Faye Moore Staugh '52

When the doors of the Canton Civic Center opened on Friday, November 26th, for the 13th Annual CLHSAA dance, the association's volunteers were ready to show all alumni and friends a great time.

Ticket taker **Jim Mitchell '51** greeted the revelers. Collecting canned goods and/or cash donations for Stark County Hunger Task Force and the Sharon Lane Foundation was the assignment of **Dan Plott '68** and **Jerry Snyder '58**. 50-50 sellers **Judy Workman Kackley '60**, **Dee Johnson Taylor '67**, and **Stan Sereychas '60** were kept busy. The souvenir table was manned by **Faye Moore Staugh '52**, **Anna "Cookie" Palombo Wright '52**, **Ron Richards '56**, his wife, **Carol**, **Tom White '66**, and **Shari McDonald White '67**. Our memorabilia table was guarded by **Wayne Leatherman '52** and his wife, **Jane**.

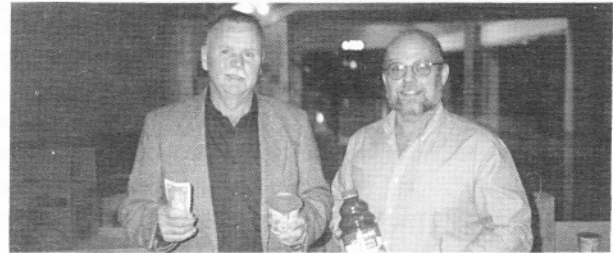

This year's disc jockey was "J.R." who really kept the dance floor busy. Catering was provided by **Antoinette** and **Don Mast '62**. (The food was great, by the way!) The 50-50 drawing winner was **Nicci Huston DiMarzio '46**.

1999 Dance Chairman was **Linda Alvarez Neff '69**. Her committee members were **Chip Conde '68**, **Kathy Alvarez Conde '68**, **Gary Love '55**, and **Lynn Mang Perez**. A great big "THANKS" to all volunteers who helped do the setting up and the cleaning up.

Each year two classes celebrating special milestones are honored at the dance. For 1999 the honored classes were 1949 (50th year anniversary) and 1974 (25th year anniversary). In 2000 the honored classes will be 1950 (their 50th anniversary) and 1975 (their 25th). The dance will be held on **November 24, 2000**.

There will be a few changes for next year's dance due to decreasing attendance. One change for next year's dance is that it will be held in the McKinley Room of the Civic Center. More information will be forthcoming. Please let everyone know that this dance is open to the public. (You don't have to be a former LION to attend.) Thank you to everyone involved with this fun evening. It is a special way we have of "Keeping the Spirit of Lincoln Alive."

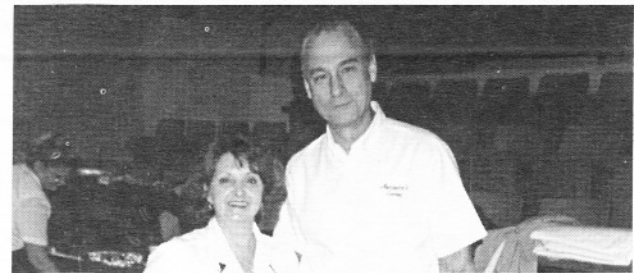

{Editor's Note: Some people don't attend because they say it's too crowded -- some say there aren't enough people there; some don't like a DJ -- some don't like a band; some say it's too dark -- some say turn down the lights; some say it's too noisy -- some say their friends don't attend! Some people are looking for excuses! Like other things in life, it is what you make of it. This has always been a great event, and it will continue to be if enough people stop making excuses and support it. So, come on! Dust off those dancing shoes, and join us again in 2000. Help us "keep the spirit" dancing!}

Scholarship Fund Receives Boost at Raffle

Phil Kirkbride '58, Chairman

An enthusiastic crowd of over 120 braved the cold, rainy night in Canton on February 10, 2000 to attend the 11th annual CLHSAA Reverse Raffle at the Four Winds Restaurant. The evening resulted in another highly successful fund-raiser for our scholarship fund -- over \$4,500 was raised!!

A suggestion to those interested in this event next year -- be sure to reserve your tickets early. A sellout was assured a week before the event due to brisk ticket sales by mail; and, unfortunately, many requests had to be returned because of the sellout.

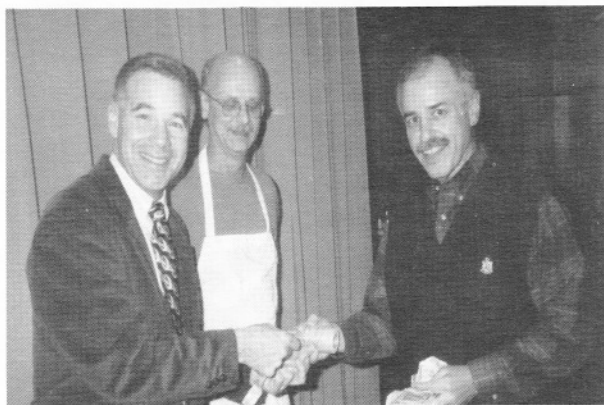

Before the final numbers were drawn, various numbers were awarded either cash prizes or beautiful Lincoln Alumni pullover windbreakers. The windbreakers were generously donated by Don Stambaugh of Hub-Victor. When the drawing came down to the final ten tickets, the seven ticket holders who were present decided to pool their tickets and split the award IF one of their tickets was the final one drawn. The final ticket was purchased by Paula Rafailedes, who was one of the lucky seven. Our congratulations to the winners. To those of us who did not win, just wait till next year!

As chairman, I want to thank all those who assisted in making this another successful night for the scholarship effort. Most of all, thanks to all of you who purchased tickets. (See you on February 8, 2001.) []

Raffle Finalists

Bob Shirey, Tom McRoberts, Paula Rafailedes, Phil Skeeles, Janet Creighton, Bill Demario, Nicci DiMarzio

ALUM NOTES (cont.) . . .

Bart Lee, Jr. '64 has been the general chairman of the Hall of Fame Committee for the past 12 years. The committee, with various subcommittees, stages all events related to the Pro Football Hall of Fame, including transportation for the enshrinees, presenters and VIP guests, security, special events, publicity, hospitality, hostesses, pre-game and half-time entertainment, and the enshrinement ceremony. He is the fourth general chairman of the committee in the committee's 38-year history. Prior to becoming general chairman, he was Chairman of the Hall's Enshrinement Committee and has served on committees for 27 years. Bart is president of Bart Lee Electric and lives in Jackson Township with his wife, Linda.

Janet Weir Creighton '68 is general chairman of the 2000 Canton Regional Chamber of Commerce Pro Football Hall of Fame Festival Committee. Janet has been active with HOF since high school, and she was honored to have been selected as the chairman for 2000. Look for Janet at all of this year's HOF events.

A. Jerd Bayless and George Toot were among 22 music alumni honored during the Ohio Music Educators Association convention in Cleveland in January. Congratulations to these fine former teachers of ours.

Pat Numbers '65 was afraid she would lose touch with her best friends from high school, so thirty years ago she started a card club. **Sharyn Nero Roberts '65, Laraine Johnston Scheetz '65,** and Pat are still together in that club. They report they have been together through thick and thin, good times and bad. (Isn't that what "old" friends are for?)

BEQUESTS & DONATIONS

Without doubt, CLHSAA has one of the best scholarship programs around. Not bad considering our school has been closed for twenty-four years! The success of the program depends on money raised through fund raisers, memberships, and contributions.

The CLHSAA Scholarship Fund has received some charitable donations, but the one area that has not yet yielded funds is the last will and testament of a Lincoln alumnus. If you are thinking of making a revision of your will, you may wish to remember the CLHSAA Scholarship Fund. Of course, a donation made during your lifetime is always welcome--and preferred!

Contributions of any amount are appreciated and are vital to the continued success of the program. See the form below.

"Echo Staff" to Meet with Advisor

Call it a sentimental journey if you like, but if the "old *Echo* advisor" has her way, a handful or more of former *Echo* staff members and Lincoln High journalism students will meet on the weekend of September 15-17 -- the same weekend as the proposed Class of 1955 reunion. The advisor and former Lincoln faculty member, Nanette DeMuesy, has long cherished the young students who produced the *Lincoln Echo* in the early 50's when she was there. It has been 45 years, and she has called a staff meeting for the September weekend and issued one assignment. Each former student is to write his/her own obituary. How else better to learn what they've been doing since Lincoln days together?

Those who just might arrive include Nancy Davis Fierstos, Bob Fierstos, Jane Etris Fach, Marilyn Schaser Lee, Alberta Zimmer Menter, Ruth Ann Baker Berstein, John DeSantis, Michael Popernik, Richard Bowman, Wendel Waltz, Susan Wright Lloyd, Richard Scherff, Duane Unkefer, Glenn Himebaugh, Dick Watt, Carolyn Mosier Hansinger, Pat Chandler Doran, and Dean Biris. The only member who has died is Shirley Kleckner. Most of these students were the Class of '54 or '55.

"If all their Lincoln classmates knew the achievements of this 'small group' since 1955, they would be flabbergasted," according to Nan DeMuesy who has diligently tried to keep tabs on her former students.

The one new window in Room 306 of the former high school has been dedicated by the "teechur" to these fine, young, impossible students for whom she takes credit only in not holding them back. As if she could!

FIRST BAXTER GRADE SCHOOL REUNION

Carole Hunker Hughes '51

Oh, it was great! The first **Baxter Grade School Reunion** was held last May 16, 1999. Former pupils were lined up outside the door long before the appointed hour, eager to get inside. I would imagine much more eager than when they were actually attending school there! After a short program, emceed by our own **Janet Weir Creighton**, everyone was free to roam the halls and classrooms, look at the memorabilia, partake of refreshments, and visit with old school chums. Everyone was reluctant to leave when it was over and lingered in the entrance hall, not wanting to go. All in all, it was a grand time.

If you were a student at Baxter and missed out on the fun, you have another chance to recapture all those memories when the **Second Baxter Reunion** is held on **May 21, 2000** from 1:30 PM to 5:00 PM. Hope to see you there!

MAILBAG

PLEASE—If you move, remember to send us your address change. The post office only forwards for six months.

REMEMBER—There are SO MANY of you, but only ONE of us!

I read with keen interest the letter concerning Miss Arabella Hopkins, my math teacher for three years at Lincoln. Her discipline, hard work and efficiency were remarkable. Her daily quizzes forced me to do math problems at dinner, in my sleep, and on vacations. She was strong and thorough. But if you didn't understand a problem, she was never personally critical. Her famous saying was, "Life isn't a bowl of cherries," and she was right about that also!

Because of her teaching, I was far ahead of my fellow students when I arrived at college. I went to three colleges/universities (I really knew how to waste my time) and had to learn from a multitude of instructors/professors. Yet, it is easy for me to say that she was the best teacher I ever had. My friend, Joe Michael '57, and I still talk about her (we both majored in math). I think she may have been one of the best teachers in America!

I understand she lost her dear sister a few years ago. My heart goes out to her. Please ask her if she would come back and teach mathematics to my grandchildren. She's the greatest!

MIKE ZETTLER '57

The Committee for the Renovation of Fawcett Stadium gratefully acknowledges your donation toward the stadium renovation. The Committee regrets the delay in this acknowledgment and assures you that the award associated with your contribution will be forthcoming. Thank you for your support.

COMMITTEE for the RENOVATION of FAWCETT STADIUM

Perhaps you were aware that the Class of '49 had its 50th this September. It was my great privilege to be the emcee for the banquet program. I let one of your volunteers talk to the audience during the program, explaining about the excellent CLHSAA activities, and inviting them to buy LHS memorabilia. Many did, including my wife, who surprised me a month ago with a fine LHS sweatshirt for my birthday.

During the program, I suggested that one factor that contributed to the large turnout (about 52 percent of surviving class members that we had located!) and great spirit and success of our golden reunion weekend was the effect that *Echoes of Lincoln* surely had in stirring up good memories of our days at our very fine high school, and building up interest in seeing each other again. I told of the outstanding scholarship program, and urged them to dig deep and throw in a little extra for these scholarships.

When I made this statement, I thought that some might contribute \$25 - \$50 - \$100. Never did I dream that anyone would respond the way Mariann Klein Summers (my dancing partner in the 1949 May Fiesta and daughter of Canton's mayor) just did. She just mailed the enclosed \$1,000 check to me and asked that I forward it to the proper person. Wow, how's that for LHS spirit?! I'm sure that some worthy high school seniors will be very grateful for her amazing generosity.

By the way, one of the highlights of our wonderful reunion weekend was visiting the former LHS building Saturday morning. It was a total thrill to revisit so many parts of the building that means so

much to us. Some of us former A Cappella choir members "hammered it up" on the stage, and I went into many of my classrooms. We even got into the boiler room (which fascinated me, being an engineer). I trod every foot of the hallways and was in no hurry to leave. If you talk to others that are planning reunions, especially 50th reunions, you might encourage them to visit the school.

Keep up the great work with the CLHSAA. Believe me, we really appreciate it!

Just received the *Echoes of Lincoln* for 1999. Thanks for a job well done. I find it very informative even though I have not read much about the Class of '51. I have noticed that quite a few of my classmates have passed on since we graduated, and I appreciate knowing this information. I also have noticed articles from time to time about former students who joined the Armed Forces and fought in WW II, and some who served during the Vietnam War. However, I haven't seen anything about those who served during the "forgotten war" of Korea. I enlisted in 1952 and found my way to Korea, and I know that all three of my closest friends ended up in the Armed Forces during the Korean War. What I would like to know is how many others served during the Korean War? I heard rumors of others getting drafted into the service, but those were only rumors. I think this might be something of interest for your staff to check into in the near future, to find out how many and who served during the Korean War.

Thanks again for a job well done, and hopefully we will see a lot of you at the 50th class reunion in 2001.

{Editor's Note: Okay, you veterans out there. This is your chance to let us know about your years of service to our country. Since we really don't have a "staff," its going to be up to you to send us this information. If you send it, we will print it!}

Thank you to all the band members for your efforts in marching through Harter Heights. Our eight grandchildren, friends, and neighbors look forward to your visit. You all are most welcome to stop and rest in the coming year 2000. Keep up the good work! Everyone looks great! God Bless!

Thank you so very much for your recent donation to the "Myers Park Project." The new picnic table is wonderful. It will be a great addition in the park not only for the school, but also for the community. Many groups and families utilize the park in the summer.

It has been such a blessing to have your support throughout the years. Thank you for your generosity. We really appreciate it. May God bless you all as you have been such a blessing to us.

As an outgoing board member, I just wanted to thank everyone for an enjoyable and rewarding three years on the board. Past experience has shown me that in any type of volunteer organization, it is just a few dedicated people who shoulder a great deal of effort to make it a success. With the CLHSAA board and their small number of volunteers, this is especially true. I can think of very few organizations, and no

high school alumni groups, who have accomplished more. To the tired few, keep up the great work while continuing the memory of Canton Lincoln. From a member of the class that set the standard for the Class of '68 to follow! '1958'

Just a short but sincere note of thanks for meeting with us the other evening. We were so encouraged by your enthusiastic response to the window project. So many wonderful things have taken place within that building—events that have shaped lives for generations. Preserving the old Lincoln High School is not only important to Heritage, but I believe it is important for our community. Thank you again.

Did You Know ...

Did you know that there have been some classes that have donated scholarships in their class's honor? Did you know that a scholarship can be awarded in your class's honor if your class donates \$500? Did you know that the CHALLENGE has been made to each class to donate towards the CLHSAA annual scholarship awards?

Did you know that YOUR annual \$10 membership fee makes it possible to keep CLHSAA going? Ron Chismar, Class of 1952, passed away December 26, 1998 in Phoenix, Arizona, after open heart surgery. Ron was a soloist in Mis Cogan's choir and played football and baseball at Lincoln. Ron served in the Navy from 1954-57 and then finished college and began his career as a football coach. He began coaching at Canton South High and then at Canton McKinley where he was the head coach during the 1965-69 seasons. Ron then coached at BGSU, Michigan State, Arizona State, and was the head coach at Wichita State. He also coached at Rice and Temple and was the Athletic Director/Football coach at Fort Scott in Kansas until his retirement last Labor Day. Ron retired to Sun Lakes, Arizona, in September 1998 with his wife of 45 years, **Joanne Meese**, Class of 1953.

I really enjoyed receiving the last issue of *Echoes of Lincoln*. I am sending my check for membership as well as a donation for the scholarship fund. Ron and I always had fond memories of our years at Lincoln. We had been to many of his class reunions and several of mine. It is interesting to learn where so many classmates are and what careers they have followed.

I hope you will be able to find space to print at least part of the notice about Ron in your next edition of *Echoes*. I'll be looking forward to the next mailing.

Enclosed are my 1999 membership renewal form and a check. I enjoyed reading the annual newsletter and thought I would send you some news about me along with the membership form.

I have been with MCG Architecture for nearly 15 years and have been an Associate since 1995. MCG Architecture has Corporate Headquarters in Pasadena, California, and nine branch offices, including an office in Cleveland, Ohio. Last week our CEO promoted me to Principal, and I am presently responsible for staffing in the Pasadena office as well as Professional Liability and Risk Management Issues company wide. I am also the Principal of the Grocery Group.

This letter may sound stuffy, and I may appear to be puffed up. Actually, I am humbled by the recent promotion and yet challenged to perform even greater things before my retirement in less than two decades. It is my pleasure to share my good fortune and this news with my fellow alumni. Thank you for the forum in which I can do that.

WILLIAM S. BEEBE '67 Monrovia, CA

Well, I believe I am long overdue to correspond with my classmates from 1958, so here is what my history has been over the last 40 years.

I graduated from Ohio State University in 1963 with a five-year degree in Mechanical Engineering. A month later I began my first job as an engineer with Lockheed Missiles and Space Company in Sunnyvale, California working on the Gemini space mission. That summer I met 'Miss San Jose,' and we were married the following June. After three years at Lockheed, I accepted a position at Hughes Space Systems in the Los Angeles area, working on the Surveyor moon lander program. Subsequently, I was extensively involved with space defense programs.

We moved to Palos Verdes Estates in 1972, one of the most beautiful areas in the world, located along the ocean overlooking Catalina Island. I then entered the real estate profession and now own Palos Verdes Realty Co. At that time, I worked part time as a Thermophysics engineer, consulting on real time space missions. After 30 years with Hughes, I retired from that activity in 1996. My wife, Diane, owns and operates Celebration Bridal Service in Palos Verdes Estates. We have been married over 35 years and have two children and two grandchildren.

During the past twenty years, I have been very active in physical fitness, especially weightlifting, aerobics, and running. Last year I became an aerobics instructor, teaching several classes per week at Bally's.

When I was forty years old, I visited my family in Canton. It was on that visit that I made the decision to accept Christ as my savior, while attending a church of Whipple Road. My life and the lives of my family have been changed for eternity from this momentous decision. I am thankful for all the blessing in my life and wanted to share them in this letter. You can visit me at my website: palosverdesrealty.net

Enclosed is our check for \$20 to be used for the Lincoln Alumni Scholarship Fund. The Coterie Club of Canton had **Janet Creighton** speak at our luncheon meeting, and she graciously would not accept a fee, but told us that we could send it on to your organization as a remembrance from her. Sending you good wishes in your endeavors.

Just wanted to say thank you with all my heart for the *Echoes of Lincoln* that was in my mailbox on Tuesday night when I came home from working an eleven-hour shift. I was very tired because I run a Sizzler Restaurant which takes a lot of time and commitment; so, when I went to bed, I read this wonderful issue you sent from the first word to the very last word you printed. It took me back to the wonderful days of Lincoln High. It was almost as wonderful as a class reunion, without traveling 3,000 miles. I'll be in Canton on July 13, 1999 and hope your souvenir shop or something will be going on. Thanks for the wonderful memories! And thanks for being there for those of us that aren't there.

PATRICIA

{*Editor's Note: Unfortunately, by the time this note reached the editor's desk, the return address had been misplaced. So, Patricia, whoever you are, thank you for the kind words. We love hearing from our fans! If you want to drop another note, we'll be glad to identify you further.*}

I very much appreciated receiving the latest issue of "Echoes." It has been a very long time since I moved to California; and I am sorry to say, I haven't done much to maintain any connection with you folks. Enclosed is my check for \$20 to cover two years of membership. I want to make up a bit for the lost time.

Even though I didn't see many references in "Echoes" to classmates that I could remember, there were a few names that did bring back some memories...**Ms. Hopkins, Don Nehlen, Jim McCarthy, J. Bayless, and Pat McRoberts** (didn't he form a singing group called the Mellowtones?)...and we couldn't forget **Chuck**

Forrest. Most surprising was that **Kenny Hahn**, now L.A. County Assessor, was an alum of CLHS. I worked for L.A. County for 28 years while his father, Kenny Sr., was a member of the County Board of Supervisors, and I didn't realize that we were fellow alums.

Thanks again for the outreach. If any alums make the trek to Orange County, California, I hope that they will give us a call. My eMail address is drmeadown@earthlink.net.

As you're aware, I've made it a practice to return to you 10% of sales above \$200 (my break-even point) on photography I do at Lincoln class reunions each year.

This was a good year (nothing to do with tires, of course), so I'm able to send a bit more than in the past. This year I did: **Lincoln Class of 1969**; **Lincoln Class of 1954**; and **Lincoln Class of 1959**. Though there were only three reunions, the number of prints ordered by each group was better than average.

Enclosed are prints of each, for your files and for use in *Echoes of Lincoln* should you choose to run them. In the latter case, I'd be pleased to have a byline with each which might stimulate more classes to choose PIX by BIX in 2000 and thus allow me to contribute even more to the scholarship fund.

DICK "PIX by BIX" BIXLER '45 Canton, OH

Your 1999 *Echoes of Lincoln* is outstanding, as usual. I remain overwhelmed by your scholarship program. I guess it has special meaning since I'm a journalism professor at Middle Tennessee State University and see the value of higher education in the lives of maturing young folks every day. Keep up the great job! \$10 of enclosed check is for dues. Apply the rest to the scholarship fund.

I would like to inform you of the death of one of your active members: **Rex A. Randall** on October 16, 1998. After graduating from Lincoln in 1951, Rex earned his law degree from Ohio Northern, practiced law in Canton, and had been a candidate for mayor at one time. He retired from the Timken Company and was past owner and operator of Randall Refuse and the Freeway Tavern. Rex was 64 when he passed away.

Rex was very proud to be a part of the Lincoln Alumni and attended many functions. He and our brother Jay enjoyed the golf scrambles and dinners and the dances. I was never able to attend and regret not being a part of this.

Thank you for mentioning Rex in your next newsletter.

It is so nice to be able to know where some of your former classmates are and what they are doing. Living out of state, it is hard to keep up with former classmates, but I really look forward to the arrival of the *Echo*. It brings back a lot of nice memories.
