The year 2001 was another exceptional one for the Canton Lincoln High School Alumni Association, as forty-four \$500 scholarships were awarded. This record-setting amount brought the grand total given out during the last twelve years to \$175,800. This accomplishment, combined with the outstanding credentials of the scholarship recipients, truly keeps the "Spirit of Lincoln" alive.

In honor of the recipients and their families, a dessert reception was held at Westminster Presbyterian Church on July 24, 2001. Of the forty-four recipients, ten received special scholarships. Steven Hegnauer received a scholarship in Honor of **Nannette DeMuesy**, an LHS teacher. Two memorial scholarships to honor LHS Band Director **A. Jerd Bayless** were given to Shiela Rao and Jodi Wills. For the third consecutive year, the **Ed Mang Memorial Scholarship** was awarded. The recipient was Emily Harrison. The **Tracy Farrall '65 Memorial Scholarship** was given to Donald Weaver. In honor of the **Class of '51**, three scholarships were awarded to Christen McArty, Monica Nauer, and Nicholas Shundry. The **Gerald R. Williams Scholarship** in honor of the LHS **Class of '54** was awarded to John Skakun III. Finally, the **Alanna**

President's Message

Karen Gerzina Samuelson '60

Last year in this column I asked for the support and help of the officers, board members, and members of CLHSAA in order to fulfill my duties as president. With few exceptions, I had that support and help; and together we made 2001 a very successful year. Not only did we award a record number of scholarships, but also we sponsored a totally new event (Las Vegas Nights weekend in May), which was very successful. We also were able to continue sponsoring our reverse raffle, fair booth, band, golf scramble, dance, and souvenir shops.

My sincere appreciation goes to *everyone* who volunteered their time and talent in any way during the year. It is your success that I celebrate here. A personal and collective thanks to outgoing trustee, former president, and long-time supporter **Jim "Ozzie" Osborn '59** for his continuing dedication to this organization; to **Dee Johnson Taylor '67** former long-time secretary; and to former dedicated historian **Carole Hunker Hughes '51**. They pulled it together and made it happen for CLHSAA.

It is also fitting to publicly thank the many individuals who contributed so generously to the scholarship fund. Your generosity makes our goal of awarding annual scholarships possible. (So, please, keep up the good work!) Also, thank you to all who renewed their yearly membership. Those renewals are the life blood of the association and are greatly appreciated. (If you haven't renewed for 2002 yet, now is the time!)

You will notice some changes this year, but organizations such as this must change and adapt in order to stay vital. So, again, I am asking you to join, volunteer, attend, and donate. With your cooperation and support, we will continue to "Keep the Spirit Alive" (and perhaps have a little fun along the way!). []

2002 CLHSAA BOARD MEMBERS

Judy Kackley, Karen Samuelson, Connie Jedel
Bill Weaver, Paula Rossetti, Dave Schemansky, Jerry Snyder

"Election Central" Gary Love '55 2002

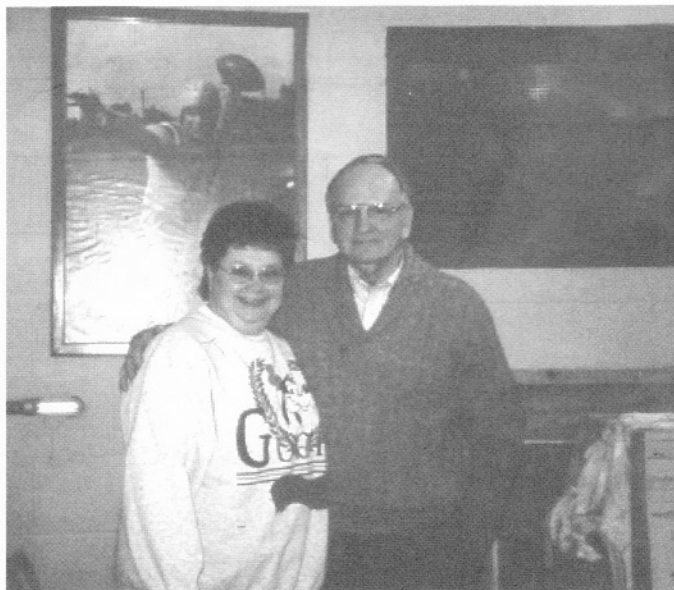

At the annual meeting in September 2001, the slate of candidates for 2002 was presented by Nominating Chairman, **Gary Love**. Gary revealed that current President, **Karen Gerzina Samuelson '60**, current Vice President, **Dave Schemansky '66**, and current Treasurer, **Mike Drumm '72**, had all agreed to run for office again in 2002. Candidates for the three two-year trustee positions were announced as **Sherry Schario Cini-Putnam '60**, **Connie Beatty Jedel '68**, and **Bill Weaver '73**. Since all positions were unopposed, the 2002 slate was unanimously elected by those in attendance, thereby eliminating the need for mail ballots.

Incumbents during 2002 include Past President **Gary Love '55** and the two Three-Year Trustees, **Judy Workman Kackley '60** and **Jerry Snyder '58**, who continue their terms until elections for 2004. In January 2002, the President appointed **Laura Boldizar Love '56** as Historian and **Paula Weaver Rossetti '71** as Secretary.

2003

In the election for 2003, the offices of president, vice president, secretary, and treasurer will be up for election. In order to continue to grow and meet our goals, the alumni association needs good leadership. **The alumni association needs YOU**. Please consider holding office in your alumni association. The current officers are about at the end of their effectiveness, but they are willing to help and advise the next group. If you are willing to run for office, please contact **Nominating Chairman Gary Love** at 330-477-1488 or by mail to P.O. Box 20192, Canton, OH 44701. You will receive lots of help and support. []

DONATIONS BEQUESTS

As you undoubtedly know, CLHSAA has one of the best scholarship programs around. (Not bad considering our school has been closed for twenty-six years!) The success of the program depends on money raised through memberships, fund raisers, and contributions.

The CLHSAA Scholarship Fund has received some charitable donations, but the one area that has not yet yielded funds is the last will and testament of a Lincoln alumnus. If you are thinking of making a revision of your will, you may wish to remember the CLHSAA Scholarship Fund. Of course, a donation made during your lifetime is always welcome--and preferred!

Contributions of any amount are appreciated and are vital to the continued success of the program. *See the form below.*

CLHSAA SCHOLARSHIP PROGRAM

The purpose of the Scholarship Committee is to award non-repayable grants to deserving students who are either graduates or attendees of Canton Lincoln Junior or Senior High School or their descendants. Descendants include child(ren), grandchild(ren), great-grandchild(ren), step-child(ren), adopted child(ren), or spouse of attendees or graduates who are **paid members** of CLHSAA for the **current** calendar year. If the applicant's **only** lineal Lincoln ancestor is deceased, then the paid membership requirement is waived.

The Scholarship Committee will consider all applicants for grants regardless of race, color, creed, religion, sex, or national origin. All information supplied by applicants is strictly confidential with exception of names, addresses, telephone numbers, and names of ancestors who attended Canton Lincoln Junior or Senior High School.

CLHSAA reserves the right to determine the amount and number of grants to be presented in any year. Scholarships are awarded to students who are pursuing **ANY** type of post high school education at any type of accredited school; i.e., college, junior college, technical, or trade schools. Checks are made payable to each student's **school**. An Awards Reception where presentations are announced and recipients honored is planned for July.

Applicants may apply every year; however, **scholarship recipients are eligible only every third year, with a lifetime maximum of two** CLHSAA scholarships. Students interested in applying for a 2003 CLHSAA grant should watch for a scholarship application form which will be included with 2003 membership renewal forms to be mailed in January 2003.

The 2002 scholarship application forms were mailed in January along with membership renewal forms. The deadline for 2002 applications was March 15, 2002.

Tax deductible donations to the Scholarship Fund and/or **inquiries** should be mailed to:

The Lincoln Alumni Band

The following are a series of letters regarding the Alumni Band

August 5, 2001

Dear Canton Lincoln High Alumni Association,

I would like to take this opportunity to thank you for your help and cooperation the last ten years with our Lincoln Band. I have enjoyed meeting new faces and seeing my high school buddies on a constant basis.

As you know, our numbers have dwindled to very few...only the true hard-core are left. We fight the numbers problem--lack of trumpets to carry a melody and new members. We have tried new music, different practice dates and times, and different events. It seems that our time has come to an end. At the Jackson Parade, we had 14 players, and no trumpets. On our "Harter Heights run," we numbered 12 players, and no trumpets. In the 2001 Kickoff Parade, we numbered 14 again, and no trumpets. I was unable to make the HOF Parade due to job demands.

At this point in time, I am resigning my duties as director of the band. It is very difficult for me to constantly drive to Canton...sometimes taking two hours with traffic and construction, to find that we have five people at a practice. Then, I have the time involved with the drive back to Cleveland. I truly enjoyed my time volunteering, but I think the band needs to take a break, for how long, I don't know. Maybe after an absence, there will be a better commitment. I don't know.

We have already dropped the Stark County Fair performance for this year, again no trumpets to play the melody. There is only so much the remaining members can do alone.

I will always be at the service of the Canton Lincoln Alumni Association. I hope that in some way I was able to keep the Lion roaring a little longer.

Best wishes, **Mark Lowe '75**

August 10, 2001

Dear Lincoln High School Alumni Band Member,

It is with great sadness that I write this letter to accompany the letters from Mark Lowe and the Alumni Association.

As we have learned, everything has its season, and it seems that the saying also holds true for the Lincoln Band. We started out small, grew from there, but over the past years, our numbers have been declining. As a result, we are dropping our performance at the Stark County Fair this year and have no other performances planned.

The band began practicing in 1992, and we marched our first parade in 1993. For many of us, we were in the Alumni Band for ten years, a large portion of our lives. That's more time than we spent in band during our high school years! I have had the pleasure of serving as band secretary/manager for those ten years, and I have spent the last two serving as the band liaison to the board of the CLHSAA. I have gotten to know many wonderful people as a result of this group, and I will always cherish those friendships.

Thank you for being part of the band over the years. Your dedication and commitment allowed us to march as the Lincoln Band once again. I will never hear New Colonial March or Nation Emblem without thinking of many of you. The Lion pride runs deep in all of us.

With best wishes, **Cathy Carr Langreder '74**

September 2001

Dear Lincoln High School Alumni Band Member,

The CLHSAA is extremely proud of the Alumni Band. We really appreciate your sincere efforts and dedication during these past ten years. Getting to practices, marching in the hot sun (and sometimes in the rain!), and perhaps foregoing another activity were sacrifices you were willing to make in order for the Lincoln Alumni Band to be part of our community and our association. Hearing our "fight song" played once again in the streets of Canton brought back great memories and stirred our "lion's pride."

As a member of the Alumni Band, you are invited to join us as we honor the Canton Lincoln Alumni Band at our annual dance on Friday, November 23, 2001, at the Canton Civic Center. You may pick up your ticket . . .

Thank you for helping to "keep the spirit alive." See you at the dance.

Keeping the spirit, **CLHSAA Board**

YOU WILL BE MISSED!

**WE ARE SO
PROUD OF YOU!**

THANKS AGAIN!

November 27, 2001

Dear Alumni Band Members,

THANK YOU! THANK YOU!

In May of 1992, when the call went out to you to form an alumni band, you responded as loyal former band members. We had 18 members attend the first practice with Mark Lowe as our director. By June of 1993, we had about 60 members. You had a great 10 years. (I was there for the first eight years, but I had to resign from the alumni board as liaison to the band due to ill health.) Your first appearance was September 4, 1992 at the Stark County Fair (just 90 days after being formed), and you also were there for the next nine years. During your ten years, you marched and played in the HOF Kickoff Parades, the HOF Grand Parades, the Swiss Festival in Sugarcreek, the Carnation Parade in Alliance, the Constitution Parade in Louisville, and the Jackson Township Celebration Parade. You played at all three All-City Basketball games at the Fieldhouse, at two All-City Alumni Night Meetings at Lincoln, at the wonderful pep rally in the Lincoln auditorium, at several annual association meetings, and five times at the Annual November Dance. (I'm sure I've missed mentioning many other events, too.)

You were the envy of all the alumni bands in Stark County. They could never figure out with no feeder system how we could get so many members to play. I just told them, "Dedication."

We would like to thank each of you for your dedication, loyalty, commitment, and talent you gave to the alumni band. Each of you will always have a special place in Florence's heart and mine.

In closing, we would like to take a quote from Bob Hope, "Thanks for the memories." They are great. Thanks for answering our call. A special thanks to Mark Lowe for his dedication and his friendship. We will miss each and every one of you.

Thanks again,

Joe & Florence Garber '44

"Las Vegas Nights"

May 17-20, 2001, the Alumni Association tried something different. We sponsored our first four-night weekend "Las Vegas" style event. You ask how a weekend can be four days long! Well, the weekend started Thursday evening and continued through Sunday night.

The venue was the Canton Moose Lodge, and we thank them for letting us rent their facility. The event was free and open to the public. There were free soft drinks and food, door prizes, and excellent security. The games consisted mostly of card games, such as poker and blackjack, but there were things like jo-jo's and instant bingo also available to those of us who are novice gamblers or just plain intimidated!

As with other fund-raising events, all proceeds went to the CLHSAA Scholarship Fund. Thanks to all Lincoln alumni and friends who attended this event. (Your losses helped the cause immensely!)

On March 21-24, 2002, we did it again. Same times, place, and results. Again, we thank everyone involved with the running of the event and those who participated in it by "donating" their cash. Actually, there were many winners among you. (Of course, Lincolmites are ALL winners!) Proceeds from the March weekend will benefit this year's scholarship recipients.

One more time! On October 10-13, 2002, there will be another "Las Vegas Nights" event at the Canton Moose Lodge to benefit our Scholarship Fund. Funds raised that evening will go toward the scholarships awarded in 2003. Please plan to attend, eat some snacks, drink a root beer, and lose (er, donate) some cash. Our scholarship recipients are worth it! []

Fair Booth 2001

Sherry Schario Cini-Putnam '60

What is better than the smell of Italian sausage, elephant ears, or the dinners being prepared by the granges or vendors? Maybe it's the sound of kids laughing, screams of delight while riding the rides, or calling out to friends. Maybe it's a blue ribbon winner stepping up to get the coveted prize. Maybe it's the wonderful sounds of the Stark County schools' band show. For many of us, though, it's walking under the grandstand to the Lincoln Alumni booth.

If you haven't gone to the fair in a long time, next August start looking for posters to tell you the opening date; and plan to have a good time. Better yet, volunteer to sit in the booth for a few hours and watch the crowds go by. You will be surprised how many people stop to talk and relate stories, not only stories of their years at Lincoln; but the stories they have heard from their parents and grandparents. It is amazing how much spirit there is for a school now gone for 26 years. Because the county fair was in our back yards, there are many "Lions" and their families who still look forward to this event as we did as kids.

At the 2001 fair, our volunteers sold over \$2,000 in Lincoln merchandise. Unfortunately, that is not all profit. The expense associated with the fair booth is quite costly, but worth it. (HINT: We really could use sponsors for our booth and to underwrite the cost of the insurance policy we must carry for the week of the fair and other related expenses.) For those of you who are living out of town and can't get actively involved in the alumni association, your financial assistance would greatly be appreciated. If we had these extra costs covered, more of our sales effort would go directly to the scholarship fund or to the community projects we contribute to. Believe me, we "hit up" our local business community for plenty, so let's see if any of you who have moved away can give us a long distance helping hand.

I wish I could tell you how much fun the volunteers have sitting in the booth for their shift. Linda Barton Kennedy '60 tried her best to sell a golf umbrella one evening, but found no takers. The very next day one was sold. Our brother and sister team, Bill Weaver '73 and Paula Weaver Rossetti '71, worked one evening. Patty Schario '68 and Debbie Fowler '66 bought as much as they sold the evening they worked. Not that we don't appreciate our faithful volunteers, but we are always eager to have new volunteers because it's one way to get many people involved with a very small time commitment. It takes at least 42 volunteers each year, and it is always necessary to have some standby help. Please let us hear from you.

As you might expect, we owe a big thank you to this year's group of volunteers. They did an incredible job and were totally responsible for the great sales figure. The ever-faithful lion, Jim Osborn '59, is a proven friend and hard worker. Thank you, Ozzie, for getting our tables, carpet, and merchandise to and from the fairgrounds. Many thanks to Phil Kirkbride '58 and Chip Conde '68 for their help. Hope to see many of you next year at the fair. []

2001 Scholarship Golf Scramble

Chip Conde '68

Again in 2001 we were lucky to have great weather for our 10th Annual CLHSAA Scholarship Golf Scramble. Lincoln alumni and their golf buddies, 104 in all, met at Spring Valley Golf Course on July 28th for fun, fellowship, and just a little bit of the old LHS competitiveness.

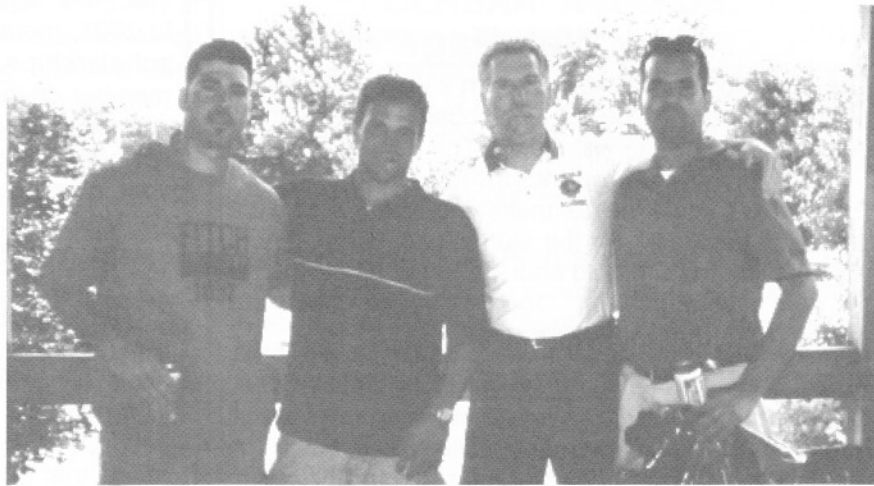

When the dust settled, the foursome of **Fred Triplett**, Aaron Triplett, Jim Cella, and Zach Cirone walked away with first-place honors. Their score of 13 under par edged out our second-place team of **Fred "Doc"** and Shirley Schmidt and Jerry and Linda Dauer who came in 12 under. In third place, with 11 under par, was the team of Bill Hayden, Shirley Wiggington, **Don Nehlen**, and Candi Barr. (As you can see, the mixed teams fared very well.)

After the 18 holes, the golfers were treated to a steak barbecue catered by **Don and Antoinette Mast**, owners of Antoinette's Catering.

A very big thank you goes to our volunteers Stephenie Conde, **Gary Love**, **Laura Boldizar Love**, **Carole Friedrichsen Miller**, **Linda Alvarez Neff**, **Alma Conde Pellegrini**, **Lisa Schoeneman**, and **Karen Timberlake Todd** whose hard work helped to make this year's scholarship golf scramble a success.

As always, our sponsors very willingly helped the scholarship fund. The 2001 sponsors were Fred Olivieri Construction Co.; Tri-State Mobility Equipment Co.; Preferred Temporary Services, Inc.; Kreighbaum-Sanders Funeral Home; Johnnies Bakery of Canton, Inc.; Reed Funeral Home; The Glass Station; Mr. Mike's Catering; Tom Harmon, Clerk of Courts; William Miller, DDS; Jon and Karen Samuelson; Gary and Laura Love; Chip and Kathy Conde; and, last but not least, the Class of 1968.

Again, thanks to everyone. We hope to see you all again in 2002 at the **11th Annual CLHSAA Scholarship Golf Scramble on July 27th at Spring Valley Golf Course**. (See the ad on Page 24 for more information.) Call early for reservations. []

New Web Page

The Lincoln Alumni Association's web page has a new address. The alumni board purchased a domain name for the web page. The new address is

<http://www.cantonlincolnhighschool.org>

Please take the time to make the change to your browser's bookmark for the alumni web page. There will be a link from the old address to the new page for the next several months. **Don't forget to check out the new stuff on the web page!**

E-mail

Classmates are encouraged to register their email addresses in the Alumni Connections section of the alumni web page. At Classmates.com there are approximately 1340 LHS grads registered. We have about 680 email addresses in the Alumni Connections section. You don't have to pay to use the email services of the alumni as you do Classmates for the privilege of connecting with former friends and classmates via email. Please contact the web master whenever you change your address or you find a link that is no longer valid. The board will attempt to re-establish contact with the missing grad.

Missing Grads

The alumni board is asking anyone with access to the web page to please take the time to check out the lists of missing grads. These lists total approximately 900 grads/attendees whom we are trying to locate. We could use your assistance. In 1995 this number exceeded 2200. Someone out there knows where these grads are, or they know someone the board could contact for information regarding a missing grad's whereabouts. Please take a look at these lists periodically. We are currently updating the web page almost on a weekly basis. The board is asking everyone to help in our endeavor to find all of Lincoln's grads.

ATTENTION CPA'S

The person who has been doing the association's taxes recently retired, and we are in need of someone who would be willing to help us out once a year -- GRATIS! If you are willing to help, please call Mike Drumm at 330-493-6355.

Meyers Lake Fans

The Association's Souvenir Committee has available for purchase framed and matted, 17 x 21" color photographs of the Meyers Lake carousel horses. These are limited edition photos taken by our own talented alumnus, Susie Vitale, who donated the photos. Susie directed that the proceeds are to go to the scholarship fund. The cost of each framed photo is \$125 and can be purchased by contacting the Souvenir Chairmen by way of our post office box. Supply is limited.

Did You Know?

Did you know that there have been some classes that have donated scholarships in their class's honor? In 2001, members of the **Class of '51** donated **three scholarships**, and a member of the **Class of '54** and a member of the **Class of '69** generously donated one each in honor of their class. Did you know that a **scholarship can be awarded in your class's honor** if your class donates **\$500**? Did you know that the **CHALLENGE** has been made to **each class** to donate towards the CLHSAA annual scholarships?

Did you know that YOUR **annual \$10 membership fee** makes it possible to publish this newsletter and keep CLHSAA going? Did you know your membership is **renewable each year**, and the **membership card** you may have received when you first joined does **NOT** mean that you have a lifetime membership? If you have not sent in your 2002 membership renewal, please do so as soon as possible. If you have never been a member, please consider joining us. Our annual membership drive is the cornerstone of our ability to **"Keep the Spirit Alive."**

Did you know **we need you to keep us informed** so that we can continue reporting interesting news about the activities and/or special achievements of our alumni? Please send your news to our post office box.

Alumni Service Awards Presented at Annual Meeting

Judy Workman Kackley '60

The 2001 Alumni Service Awards were presented at the Annual September Meeting held on September 20, 2001, at Rolando's VIP Room. After a short business meeting conducted by President **Karen Samuelson**, Nominating Chairman **Gary Love** presented the names of candidates for the 2002 election of association officers. Since the offices of president, vice president, and treasurer were unopposed, a motion was made to re-elect **Karen Gerzina Samuelson '60**, **Dave Schemansky '66**, and **Mike Drumm '72** for 2002. There were no candidates for the office of secretary, so the office was left open temporarily. Candidates for the three two-year trustee board member positions also ran unopposed and were unanimously elected. They are **Sherry Schario Cini-Putnam '60**, **Connie Beatty Jedel '68**, and **Bill Weaver '73**.

Sherry Putnam introduced our speaker for the evening, Judge Julie Edwards (Jackson High School, Class of 1971), 5th District Court of Appeals, who spoke about volunteerism. Judge Edwards pointed out that there are many reasons people volunteer but one of the main reasons is that volunteers feel connected to the community when they volunteer. We enjoyed her presentation very much and thanked her for her time.

The six 2001 Alumni Service Award recipients were then introduced by Awards Chairperson **Judy Kackley**. The six were **Elizabeth Schrock Bell '50**, **Chip Conde '68**, **Kathleen Alvarez Conde '68**, **Shirley Bender Dobry '74**, **Jim Griffin '61**, and **Susie Swihart Vitale '66**. Many areas of volunteer service to CLHSAA are represented by these six outstanding individuals, and they set a wonderful example of how much this organization has accomplished and will accomplish with the help of such supportive alumni. Former association president **Gary Love '55** was presented with the President's Award. Past ASA recipients present that evening were then introduced.

The members of the 2001 ASA Committee--**Sherry Putnam**, **Mike Drumm**, **Elizabeth Bell**, **Gary Love**, **Dee Taylor**, **Sue Self**, **Jerry Snyder**, **Jean Kolbl**, and **Chip Conde**--were introduced and thanked by the chairman for all of their support and hard work. Refreshments and fellowship followed the awards presentation. []

15th Annual Dance

"So long for a while"

Karen Gerzina Samuelson '60

The 15th Annual November Dance was held on the traditional evening after Thanksgiving (November 23, 2001) in the McKinley Room of the Canton Civic Center. It was a very nice night. Too bad most of you weren't there! There was music by DJ Freddie the Frog, chips and pretzels, pizza and soft drinks and beer, lots of door prizes, a 50/50 drawing, and souvenirs to purchase. We did the stroll, the jitter bug, the electric slide, and we danced to some romantic "oldies but goodies." During the evening, CLHSAA honored members of the Alumni Band for their dedication and talent.

A big thank you to this year's committee, which included Gary Love, Jerry Snyder, Judy Kackley, Mary Ann Probst, Nicci DiMarzio, Jim Osborn, Don Mast, Dee Taylor, and Karen Samuelson. Thanks to the other Lincolmites who volunteered the day and night of the dance (you know who you are!). Thank you, also, to Frank and Debbie Sekeres of Blum-Sekeres Supply for helping out as our ticket outlet and to those businesses that donated door prizes.

Putting together an event such as the annual dance is a major undertaking that requires the efforts of a hard-working committee, to say nothing of the expense involved of renting the room and tables and chairs, paying for the music, and buying the snacks and beverages. Those types of expenses are implicit whether a large crowd or a small group shows up. The expense and hard work involved have gotten to be too much; therefore, "so long for a while," a line from a song from our younger years, applies to our association's annual dance. The 15th was the last one, at least "for a while." If it can be revived in the future, you will be notified. []

13th Annual Scholarship Reverse Raffle

Chip Conde '68

One hundred thirty people gathered on February 12, 2002, at the Four Winds Restaurant to honor old Abe's birthday and, coincidentally, to participate in our 13th Annual Scholarship Reverse Raffle for the benefit of the CLHSAA scholarship fund. All 225 tickets were sold for the event, and 24 of the tickets were purchased by generous alumni who designated that any proceeds from those tickets should go directly to the scholarship fund. In other words, if those tickets won money, the scholarship fund benefited twice. Thank you!

A special thanks to **Jim Osborn, Gary Love, Guy Bertram, Dave Schemansky, Connie Beatty Jedel, Sue Berg Self, Jerry Snyder,** and Stephenie Conde for all of their help before and at the event. Again this year, **Don Stambaugh** of Hub-Victor donated door prizes. This year's prizes were maroon mock turtleneck shirts with our lion logo emblazoned in gold on the neck.

Many people there discussed what they would do if they were among the lucky last few whose number was still in the barrel. Some, like **Kathy Alvarez Conde** and her sister **Linda Alvarez Neff**, would hold on to their ticket and hope to be the last one called. **Phil Skeeles** and **Sherry Schario Cini-Putnam** did not feel as confident and would have opted to split the grand prize of \$2,500 among the last ten. Phil would have liked to see a graduated pay out to the final 10 ticket holders. In the end, none of the four had to worry because their ticket numbers had long been called. Now it was down to the ten final ticket holders to decide what to do. Alas, it was split evenly ten ways with the 216th ticket receiving \$250 just like the 225th ticket.

Perhaps Phil has a good idea. Plan on being at next year's Scholarship Raffle on **February 12, 2003**, and see what changes have been made. []

Chip Conde, chairman, represented absent winners while Nicci Huston DiMarzio, Jan Atkinson DeMario, and Judy Fink were excited about winning

THANKS FOR YOUR SCHOLARSHIP DONATIONS

Keep up the good work!

Welling Arnold Scholarship in honor of the LHS Class of '69 was given to Erica Crabtree.

Thirty-two recipients were recent high school graduates, and twelve were current college students. The 2001 scholarship winners represented various majors and aspirations. More importantly, these outstanding young people are a tribute to their families and schools.

Applicants who did not receive a scholarship in 2001 are reminded that they may reapply. Graduates and attendees of Lincoln High School and Lincoln Junior High School, as well as lineal descendants, are eligible for scholarships.

The members of the 2001 Scholarship Committee were **Karen Mottice Christoff '72**, chair; **Shirley Bender Dobry '74**; **Roger Hegnauer '71**; **Don Dorkoff '59**; and **Sherry Schario Cini-Putnam '60**, committee member and board liaison. **Karen Gerzina Samuelson '60** was committee secretary, and **Mike Drumm '72** was treasurer. Helping serve at the reception were **Sandi Casper Fedder '63**, **Mary Lou Postlewait Luther '52**, **Donna Sabarese Ohman '52**, and **Cookie Polombo Wright '52**. Thanks to all who helped make another successful scholarship year. A very special thank you to everyone who donated to the scholarship fund and who supported the fund raisers. []

OUR TEACHERS

C. Maurice Oatley Life's Vocation Found

My first day as a teacher at Lincoln High School was the fulfillment of a search for self-actualization.

I wasn't like most of the other people in my class. They seemed to know exactly what they wanted to do in life, or at least they had a good idea of what they wanted to be. Personally, I had no idea what the future held for me. There was another person in my class who felt the same way.

I'll never forget my high school graduation day--the feeling of exhilaration. The next day I went sailing on Winona Lake with my friend Charlie, who had a sailboat. We were opposites, socio-economically, but alike in our uncertainty about the future. We decided to wait one year before taking a course of action. So, I continued working at the grocery, and he went to work in his family's foundry. One year later we both enrolled in college.

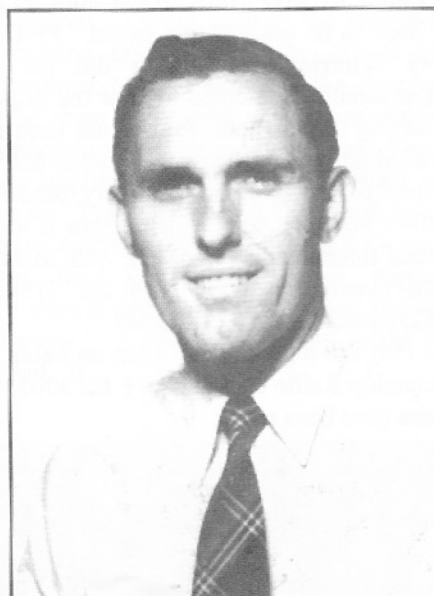

It was the realization, early on, that many students were like me that helped me so much as an educator. The students who knew what they wanted to do were easy to help; all they needed was encouragement. It was the students who were uncertain about the future that wanted and needed my help. I tried to help them believe in themselves and in what they could do and accept the idea that their future would eventually be revealed to them if they would just continue to do their best in school.

My mother taught me that I could do what I believed was possible. I tried to inculcate this same idea in my students. The concept of a person's own cognitive ability--the belief that what we can conceive we can achieve--is very real. Helping students to understand and believe that truth is the beginning of an open-ended, productive life.

My thirty-two years in education were a rich and wonderful experience for me, but the best years of my life were spent at Lincoln High School from 1964 to 1970. []

Louis D. Ryman Musings on Life

In 1948, I graduated from Wittenberg University and was hired by the Canton Board of Education. Initially, I taught physical education in the elementary schools and coached at Lincoln High School, assisting **John Fife** in football and **Chuck Forrest** in basketball. After two years, I became a coach at Lehman High School and continued teaching gym classes in the lower grades.

I must say my two years at Lincoln were very gratifying and a fine way to begin my 33-year teaching career.

At Lehman, I taught art for 21 years and filled the remaining years with teaching health while coaching on the side before retiring in 1981. However, even before I retired from teaching in the Canton City School System, I was teaching private art lessons at my home for adults, and I still do. My next session will start this April and go through August. Class time is from 6:30 to 8:00 p.m., once a week and classes are small (5 or 6). I stress the fundamentals, and the subject areas are usually portraiture, landscape, or still-life. For watercolor, we use the small sets. All my classes are free.

After retirement I did some art teaching as a substitute in the county high schools, spent one year in the real estate business, and was a volunteer at Start County Hospice for four years.

A defining moment in my many years came in 1964. While watching the Bishop Fulton J. Sheen weekly television show--*Life Is Worth Living*--an idea crossed my mind. Ten years later, the idea became a novel. In brief, the setting is Chicago in 2027 when American democratic rule has broken down and our nation is in the midst of a revolt. It is a grim picture of our future but ends on an optimistic note. The title is *The Portrait*. The book is being published by a subsidy company (Dorrance) in Pittsburgh, the production department is underway, and the promotion department is making contact with local and national distributors, wholesalers, book reviewers, and media contacts with personalized letters and flyers. I think it will be a "fun ride" to see what happens.

My deepest regret is that three of my loved ones won't be here to share with me the thrill of publication. My wife, Donna, died in 1992; my daughter, Linda Fry, failed to recover from open-heart surgery in January 2001; and my twin sister, Lanta Richards, died of cancer last April. I've dedicated my book to the memory of Linda. My best wishes to all and God bless. []

In Memoriam

It is with sincere sympathy that we report the death of two of Lincoln's beloved teachers since our last publication date.

Earl J. Schwab, age 83, passed away November 9, 2001. Mr. Schwab retired from Canton City Schools in 1968 as School Psychologist. (See feature article in Spring 1992 *Echoes*.)

Arabella Hopkins, age 91, died January 1, 2002. Miss Hopkins retired in 1972 from Lincoln High School. (See feature article in Spring 1999 issue of *Echoes*.)

Olga Lenz

Passed away August 17, 1964

(The following is gleaned from old articles about the passing of Miss Lenz. Our gratitude to *The Repository* and Miss Nan DeMuesy for this information.)

From *Repository* Obituary -- in part:

Miss Olga Lenz, 64, who retired as a Spanish teacher from Lincoln High School in 1962, died Sunday, August 17, 1964, after a fall in her home.

Letter to the Editor (August 21, 1964) from Nan DeMuesy:

This note of appreciation should in all fairness remain unsigned, for a single signature indicates a single opinion and that just isn't so . . . not when you realize that several hundred fellow teachers and at least a thousand former students would consider it their privilege to sign this note.

As so many reflect today on the life and goodness of the late Olga Lenz, there is little doubt but that she ranks with the cherished few.

Here was one of Canton's finest teachers -- a perfectionist without pressure, a challenger with the graciousness of charity.

All of us are experiencing difficulty in accepting her sudden departure, but the value of her life grows even lovelier in memory . . . and this is our priceless heritage.

Our Memorabilia Collection

Within the last few months, our Historian, Laura Love, was given the grade school report cards of **Miss Olga Lenz** which had been purchased by the donor at an antique store. When contacted, Laura said CLHSAA would be happy to add these treasures to our archives. Better to have these mementoes in our collection than lying on some dusty shelf in some undisclosed antique store. (It will not surprise any of us who were fortunate enough to have known Miss Lenz that she was an excellent student with outstanding deportment.)

If you have similar memorabilia, or ever come across such items while browsing through flea markets or antique displays, please consider donating them to our memorabilia collection.

ALUM NOTES . . .

Jim Lindesmith '53 and Byron Bertram '48 have been supervising a small (about 50 boys and girls) basketball program for kids on Monday evenings between November and March for over ten years. Kids between kindergarten and fourth grade play first; then fifth to eighth graders play. The small league has as its purpose to provide fun, fellowship, and exercise, and to learn good sportsmanship. No scores are kept in the gymnasium of St. Paul's United Methodist Church on Monday nights. A labor of love for Jim and Byron, we're sure.

George Saimes '59 has been selected as a charter member of the Stark County High School Football Hall of Fame. George is among 15 players chosen by a panel of experts and fans to be inducted into the inaugural class. While at LHS, he was All-City and All-County. He played at Michigan State and then ten seasons with the Buffalo Bills and Denver Broncos. George is currently scouting for the Houston Texans. He will be honored on May 18th as one of CLHSAA's Distinguished Alumnus Award recipients.

Ron Dougherty '50 recently stepped down from the governing board of the Stark County Public Defender's office after serving for 26 years. Ron has been named President-elect of the Ohio State Bar Foundation Board of Trustees, the professional honorary of Ohio lawyers and a public charity which promotes understanding of the law. Ron is known for his volunteerism.

Mark Dodich '71 was awarded a Certified Astrological Professional (C.A.P.) from the International Society for Astrological Research (ISAR). Mark is also instrumental in the forming of Polaris Business Guides, the first collaborative business in the U.S. to take astrology, feng shui, and metaphysical spirituality to the mainstream business world.

Glenn Himebaugh '54 retired in May 2001 after 30 years of teaching journalism at Middle Tennessee State University. Prior to that he worked seven years at the *Canton Repository* and five years at Kent State's Stark County Campus. He said, "I owe the inspiration for my career to Nan DeMuesy, the greatest teacher I ever had."

Chip Conde '68 will be chairman of the Canton Regional Chamber of Commerce Pro Football HOF Festival Game Day Luncheon Committee for the second consecutive year. Chip is affiliated with First American R.E.S. and was named a CLHSAA Alumni Service Award recipient in 2001.

James Scott, Jr. '63 was recently named the new Canton City Fire Department Chief. Jim has been a member of the Canton Fire Department for almost 30 years and has had his eye on being chief for almost as long. Congratulations, Jim.

Pamela Steinbach Stonebrook '68 of Los Angeles appeared on TNN cable network's program "The Conspiracy Zone" discussing her new book, *The Experiencer*, which is about UFOs and alien abductions.

More ALUM NOTES . . .

Gary Pelger '60, operations manager for the Canton Classic Car Museum, appears in a photo included in Neil Zurcher's (of Fox TV's one-tank-trip fame) latest book, *Ohio Oddities: A Guide to the Curious Attractions of the Buckeye State*. The article deals with an Ohio-built car, the King Midget.

Janet Weir Creighton '68 has received a Distinguished County Auditor award from the County Auditors' Association of Ohio. She also was on the short list for lieutenant governor of Ohio and was among the "few" finalists interviewed by members of Republican Gov. Bob Taft's staff. Janet is running for Stark County auditor again. "I love this job," she recently said.

John Dickerson '60, Bill Kuntz '54, and Don Wilson '48 were inducted into the Greater Canton Old Timers' Basketball Association Hall of Fame last May. John earned All-City and All-League honors in 1960, Bill played three years of varsity at LHS from 1951-54, and Don earned All-City and All-County in 1948 while playing at Lincoln.

Doug Miller '70 has coached at Central Catholic High School for 23 years. In February his basketball team won what was the 1,000th game Doug has coached since arriving at Central in 1979. "Imagine doing what you love and having the chance to do it 1,000 times," he said. {Editor: And it's a winning record, too.}

William E. Murphy '67 retired last May after 28 years on the Canton Fire Department. Bill was a senior inspector with the Canton Fire Prevention Bureau when he retired.

James Griffin '61 and William McGeorge '63 were among twelve men who were recently inducted into the Greater Stark County Fumbleball Association Hall of Fame. Jim has been an umpire in Stark County for 23 years and has worked many tournaments. Bill is director of community and economic development for the city of Canton and was recognized for the government grants he supported for the Amateur Sports Hall of Fame in Canton.

Paula Rossetti '71 is a member of of the Raphael Choir of St. Joseph Catholic Church of Canton that toured Rome earlier this year. The trip was a culmination of two years of fund raising and planning. Paula acted as treasurer for the group. Among other performances, the choir sang at a mass in St. Peter's Basilica and at the tomb of St. Francis in Assisi. Paula said, "The entire trip was a very moving experience."

Ed Hostetter '68 followed in his father's footsteps when he joined the Canton Police Department. Ed was promoted to lieutenant in 2001 and has been a police officer for 24 years. His father, **Walter Hostetter '46**, served for 26 years.

David Ristoff '74 was the lead prosecutor for the state of Florida in the F. Lee Bailey trial in November. David graduated from the University of Akron Law School and became a prosecutor in Akron before moving to Florida. Although currently in private practice, David had been involved previously with the investigation and prosecution of the case against Bailey and accepted the assignment to fight the appeal at the Florida Supreme Court level. (Bailey was officially disbarred in Florida as a result.)

A Salute to MR. CHUCK FORREST

An evening honoring the highly respected coach and teacher who touched the lives of so many students and athletes during his long career at Lincoln High School was held on Thursday, April 4, 2002 at Windsor Hall. The event was sponsored by a group of former Lincoln athletes known at the "Lincoln Lettermen." It was a well-attended, enjoyable evening with the guest of honor being lauded by

many other coaches and former players. **Arnold Cheyney '44** was the main speaker, and **Chuck Such '45** was emcee. Also in attendance were Mrs. Forrest and their daughter and son-in-law. The meal was catered by **Mike Santangelo '46** of Mr. Mike's Catering. **Don "Crow" Wilson '48** and **Bill Lent '47** headed the committee. []

FAWCETT STADIUM TOWER LOGO PROJECT

Karen Gerzina Samuelson '60

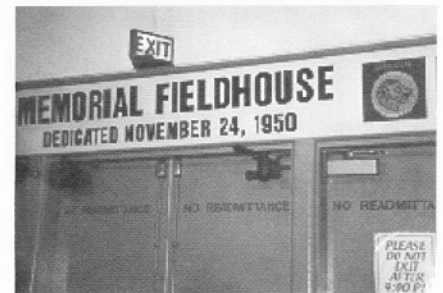

The Canton City School District graciously acknowledged Canton Lincoln High School Alumni Association's contribution to the Fawcett Stadium Tower Project. The four-tower project was part of the original stadium plan when the stadium was first designed, but the project was never completed.

In a letter last summer from the Director of Physical Activities/Facilities for the Canton City Schools, Tom Brabson, the four city high school alumni associations were asked to make a one-time donation of \$2,000 each toward the tower project. The towers are to be cared for by the system's maintenance crew. Lincoln High School and the three other city high schools are saluted with a professionally created logo of the school's mascot at each tower facing the inside of the stadium. On top of each tower, there is a 20-foot flagpole. A banner with the school's name will fly over its respective logo.

The Canton Lincoln High School Alumni Association Board wholeheartedly supported this exciting project; but, since our monies are predominantly raised for scholarships, it was necessary to seek funding elsewhere. Upon hearing of the need, several committees and individuals donated generously; and our financial commitment to the project is almost complete. If you would like to make a donation toward this ever-present reminder of our great school and of the exciting games played in Fawcett Stadium, please send your contribution to CLHSAA, PO Box 20192, Canton, OH 44701 with a notation that it is for the "Fawcett Stadium Project." (CLHSAA has 501c3 IRS status; therefore, all donations are tax deductible.) With help and conviction, the alumni association will continue to "keep the Spirit of Lincoln alive!"

The history of Canton City Schools sports has also been emphasized through murals and memorabilia prominently displayed in the entrance and halls of Memorial Fieldhouse. The feeling was that these historical remembrances would tie the community to the facility and reflect its glorious past. A new sign displaying all four school logos has also been added inside Memorial Fieldhouse.

It is hoped that the student-athlete of today will be inspired by the schools and teams of the past and will strive to meet or surpass the achievements of those who are so proudly honored by this project. The era of the four high schools in Canton was truly a special time in our city's history. Unfortunately, neighborhood schools at the secondary level are a thing of the past in Canton, but that era lives on in the memories of those of us fortunate enough to have lived and learned then -- and by the above-mentioned project. □

OUR MAILBAG

Just a note to tell you I received my first *Echo* ever, and it is great reading about the web. I hope to catch up on some old, old friends. I've enclosed a check for dues and for the scholarship fund. Hope to catch you on the net. An old alumni of 1943.

Sanford (Sam) Samuels '43

I continue to enjoy each issue of the *Echoes*. My thanks to all for putting this together.

John Weisel '49 Tomball, TX

Please find enclosed amounts for one ticket for the scholarship raffle and for continued membership.

Your generosity was certainly appreciated to help Kristin Lindsey (my granddaughter). She's doing well, and the scholarship in today's economic state is a great expression of reaching out with a helping hand.

The cost of a higher education has become such as to deter pursuit of same for many. Communities have some grandchildren that aren't as fortunate to have any help for scholarships or direction.

I have been proud to be a graduate of Canton Lincoln and the Class of 1949.

The faculty members can be proud of those that carried the torch to great heights of success, be it educational pursuits or lessons of everyday living—being responsible, accountable for actions, timeliness, honesty, humor, acceptance of background, and loyalty of students.

Thanks to all you that so willingly devote so much time to make this happen! You're doing a good job!

Dorothy DiBattista Mossor '49 Canton, OH

I was very impressed by how well the scholarship grant form was written. In fact, each form showed excellent communication.

Thank you, all of you, for your dedication to CLHSAA.

Hello, there. I would have graduated in 1976; however, I chose to get married instead. But, I have often wondered whatever became of some of my friends and classmates. I would love to have any information regarding the classes of 73-74-75-76. My older siblings went there as well, and I know a lot of their friends. Thanks for any information.

Brenda Lawrence Kuhn '76

I just want to say what a great job you are doing, "Keeping the Spirit of Lincoln Alive." I really look forward to receiving the "Echoes of Lincoln" in the mail and reading about the scholarship awards, the alumni band, former classmates, teachers and coaches, and the other activities throughout the year that keep "the spirit alive." I think it is all amazing, and you are all to be congratulated. Thanks!

Enclosed are my membership check and a donation to the scholarship fund. I am proud to be a graduate of Lincoln High School.

Cliff Amos '53 Fayetteville, GA

I graduated from Lincoln in three years; therefore, I did finish school in 1970. However, I was in the Class of 1971 and would appreciate being on a mailing and calling list for this class. I would be happy to serve on a committee for any class reunion our class may have.

Karen Hite Halter '71 Canton, OH

It was with great sadness that I learned earlier this spring of the passing of A. Jerd Bayless. I was convinced that he would be around LONG after MY passing. Having been a member of the Lincoln Band—and proud of it!—from the fall of 1958 until I graduated in 1962, A. Jerd was certainly the most influential high school teacher I encountered during those exciting years. The last 30 minutes of many a lunch hour was spent in the band room listening to great music. And who could ever forget those often freezing, early morning rehearsals on the stadium parking lot? I joined every school band—concert, marching, pep, and jazz—that I could, and I never got my fill of Mr. Bayless's wit, knowledge, and love of music. My own appreciation for classical music was greatly nourished by AJB, and I continue to put my baritone horn to my lips at least a few times a year and play at least a few measures of "The New Colonial March" for old times sake. Although I have not been back to Canton more than two or three times in the last almost 40 years since moving out of state, a big chunk of my heart remains at Lincoln High.

I gratefully enclose a scholarship fund donation and my membership renewal, knowing that I would never trade my Lincoln experience for anything! I thank all of you for keeping the CLHS spirit alive all these years! And thanks, Jerd (although I never got to call you that back then!) for all you have given to me and so many others over the years!

Ed Bartholomew '62 Hingham, MA

Enclosed is a check for \$500 to sponsor a scholarship for the year 2002. It is from Steve and Shirley Dobry "In Honor of the Class of 1974" to benefit a descendant of one of our classmates. If there is no one from 1974, then another class from the 70's will do.

We are very proud of the work that you all do to invest in our future through these outstanding young people who are selected to receive scholarships. We trust your judgment in selecting a well-deserving person to be the recipient.

Steve and Shirley (Bender) Dobry '74
North Canton, OH

I give up! Here is a check from which you can take \$10 dues for 2001 and apply the rest to the scholarship fund.

I have been receiving the *Echoes* for a number of years, so I knew I wasn't lost. My high school years were definitely not the best years of my life, and I have not kept in touch with anyone over the years.

Recently I decided to review the web site and have to say I am impressed. It's easy to use and downloads very fast. Reading the comments from the respondents certainly indicates that many people had a better experience than I did. Also, the fact that the Alumni Association is alive and well and doing worthwhile things after all these years speaks volumes for the institution.

With all that said, I decided to support your scholarship efforts and will continue to review the web site and maybe even sign the guest book one of these days. Thanks.

Dick Ludwig '57 Stow, OH

You might not realize how much good your annual production of *Echoes* does among the Lincoln alumni. It has clearly stirred up huge interest. ... So, if you ever get discouraged by all the work required to publish *Echoes of Lincoln*, be of good cheer. There are many of us out here who are enormously grateful for your splendid efforts.

Celebrating Your
Canton Lincoln High School
50th Anniversary Reunion

Planning

Your Class Reunion?

DOES YOUR REUNION COMMITTEE NEED A MEETING PLACE TO HOLD YOUR PLANNING MEETINGS? If so, the Alumni Association Office is available. Just contact a board member with the date and an alternate date, and the board member will check on the availability of the office and make arrangements to have the room open for your committee. (Please remember that the board meetings are held the first Monday of each month, so that is not a good date to select.)

PLEASE let the Alumni Association know about your reunion **AS SOON AS YOUR PLANS ARE KNOWN**. We will publicize your event, provide updated address lists, and give you mailing labels **FREE OF CHARGE**. Just contact us early!

ALSO, please let us know if you would like CLHSAA souvenirs at your event. The souvenir committee will be more than happy to bring a variety of things for your classmates to purchase.

ALL REUNION CHAIRMEN -- please send updates of your class rosters to the association after your reunion.

WHEN YOUR REUNION IS OVER, send us a note about the reunion and a photo of a small group, including the names of those pictured. (Sorry, space does not permit the publication of large photos of the entire group.) If you send it, we will publish it in next year's issue of *Echoes*.

Maroon and Gold Celebration 2001

Nicci Huston DiMarzio '46

There was never more enthusiasm, fun, memories, and pride. What a beautiful evening was had by the **Classes of 1943-1950**, truly the "Greatest Generation." The "reunion" was attended by 250 alumni, spouses, and friends of Lincoln High School on August 1, 2001 at Windsor Hall. They hugged, laughed, danced, ate, and enjoyed the pictures and memorabilia items displayed by **Norm Munson** and **Nicci DiMarzio**. There was memorabilia from various athletic events, musicals, plays, and band shows. There also were mementoes of the special students and teachers who went to war--memories of the ones who returned and memories of the ones who never returned--but who are not forgotten.

Committee chairmen, **Paul Blohm** and **Ron Bowers**, did a marvelous job making this a reality. **Mike Santangelo** was so "upbeat" they almost had to tie him in his seat at the meetings. He was insistent on providing the food, atmosphere, and service; not for personal reasons, but for his love and pride in Lincoln High and the people who shared those years. It was fantastic! That morning, several men from the group met for a golf scramble at Spring Valley Golf Course. Mike also provided lunch for them.

There was great support from the Alumni Association. Last, but not least, the glue that really held it all together and detailed the agenda, the person with executive capabilities bar none, **Janet Creighton**. She kept the "old coots" on track.

All the people who worked on the committees, representatives of each class, did a wonderful job. They have all heard the same thing from everyone who attended--and from those who missed it. "Are you having another reunion next year? Please say yes. It was great. I won't miss it next year." (The answer is yes. Please see details on the 2002 Maroon and Gold Celebration on Page 18 in this *Echo*.)

Looking back on September 11, 2001, it only points up the value of family, friends, and memories. We can all take heart that there is a wonderful "alumni family" that everyone can treasure more than ever this year. Consider Edward Young's observation in *Night Thoughts*, "Friendship's the wine of life."

Editor: This committee generously donated \$1,000 of its proceeds to Lincoln's portion of the Fawcett Stadium tower logo project. (This donation amounted to half of our commitment.) The debt is almost paid off, thanks to the Maroon and Gold Committee and other generous individuals. Thank you for responding when needed.

How does your class "stack up?" (Are you as shocked as some of us were?) Seems the "older" grads have the most "spirit." The alumni association needs your financial as well as your moral support. THANK YOU'S from our community

CLHSAA Board,

We, the Board, Staff, and Members of the J. Babe Steam Center 2001 Mitey-Mite Baseball program wish to thank you for your support. As you know, we are a non-profit organization; and it is only with the support of patrons such as you that we are able to continue with this program.

We are looking forward to another year of baseball, keeping up a 49-year tradition. Many youth in the city of Canton have come up through this program.

David M. Miday, Director
J. Babe Steam Community Center

Dear Lincoln Alumni Association,

On behalf of the Board of Trustees, Director, Staff, and participants of Project REBUILD, Inc., I want to thank you for your generous support and contribution to the success of the Reverse Raffle held at Four Winds Restaurant on May 30, 2001 to benefit Project REBUILD. The donation of the time by your membership to run the raffle is greatly appreciated.

Please know the event would have been less of a success without the support of the Lincoln Alumni Association.

I look forward to your continued support.
Hortense Bobbitt, Vice President
Project REBUILD, Inc.

CLHSAA Band,

Thank you for your contribution to the Stark County Hunger Task Force in memory of **George Toot**. Your thoughtful gift will help us in our on-going mission to alleviate hunger in Stark County.

The Board and Staff of the SCHTF

CLHSAA,

I would like to thank you for the canned food you donated to St. John's Food Cupboard. The food will be well appreciated and will help the people who need it. Thank you for thinking of us.

from our members

Dear CLHSAA,

Thank you so much for the great honor of receiving the 2001 Alumni Service Award. I appreciate the tremendous amount of thought, hard work, planning, time, and effort you all put in to "keep the spirit alive." As always, the Lincoln Alumni organization is the best.

Thank you Judy, the awards committee, board, and volunteers. You're GR-R-R-R-reat!
Susie Swihart Vitale '66

Dear Friends,

Thank you once again for the recognition through the Alumni Service Award. I certainly was surprised and humbled; many others invest more hours than I with their service to our association. I have enjoyed the years I spent on the Scholarship Committee and look forward to helping in a different way in the future.

You are all doing a wonderful job of "keeping the spirit alive."

Shirley Bender Dobry '74

Dear CLHSAA Board,

I want to thank you for your support to the Lincoln Alumni Band over the past years. I know that having the band "dis-band" was upsetting to many people. As disappointing as this is to the alumni, imagine the disappointment, coupled with frustration, for the small handful of band members who participated in the band since its inception and have struggled through the last few years. My personal commitment to the band during the past ten years involved... many hours. It's not easy to give this up, and it is certainly not something done on a whim.

To be able to keep the band going for ten years without any "new blood" was a remarkable feat; and, for those of us who were involved the entire time, it was very rewarding. That group has gotten increasingly smaller, and it is now impossible to continue. . . .

I am grateful for my time with the Alumni Board and the opportunity to get to know many of you. I wish you the best and will always remain a loyal supporter. Best wishes.
