## "One More Time - For the Last Time"

Honoring Lincoln High School Music Directors

A. Jerd Bayless 1942-70, Ruth Cogan 1936-64, Harry Mason 1964-76

### From a performer's point of view

Veronica Sima Parkinson '59

It was a sunny, humid day on Saturday, June 12th at 2:00 PM when the halls of LHS (now Heritage Christian School) were "alive with the sounds of music." The crowded auditorium was filled with enthusiastic supporters who stood and clapped as the 24-member Lincoln Band (including three majorettes) led the procession down the aisles playing the LHS Fight Song. The band was directed by Ed Hostetter '68. Then we, the 44-former Ruth Cogan and Harry Mason choir alumni, whose adrenalin and blood pressure levels were over the top, all converged at the front of the auditorium to sing "The Star Spangled Banner" led by our director, John Hayward '64.

We all knew that we were on an emotional roller-coaster that continued to gain speed over the next two hours. With W. Robert Morrison and Betty Oswald to accompany us and Nan DeMuesy and Carol Koontz sitting in the front rows keeping a watchful eye on "their kids," we sang and danced as if we were teenagers again. Looking out at our audience from our position on stage, we soon forgot our fears of too few

*A Spring Fiesta* was held June 12, 2010 in the Lincoln High School building auditorium, kept beautifully maintained inside and out by Heritage Christian School. Time melted away as we approached the building, climbed the steps, and entered the foyer and auditorium.

The painting of President Abraham Lincoln still presides over the room. "With Malice Toward None and Charity For All" welcomes us "home." The crowd streamed into the very warm auditorium, filled the seats, and settled back into time. Hearing the first notes of music, the crowd rose to its feet, clapping and cheering, as the Lincoln Band marched in from the rear of the auditorium, playing the Fight Song and led by several alumni majorettes.

After a warm welcome, we were treated to the band's version of "The Star Spangled Banner" and then right into the show with the choir performing "Try To Remember" and "Tonight Is Show Night." The program spanned several decades of songs, including An Irving Berlin Tribute and an emotional and moving Tribute to our Armed Services--which

## CLHSAA President's Message

Andrea Roman Herbst '66

CLHSAA 2009 turned out to be a busy year for our members (and especially, our volunteers). WITHOUT YOU, none of these activities would occur!

CLHSAA 2010 is well underway and keeping pace with the 2009 events. The 2010 Reverse Raffle in February was a real success. The committees for the Scholarship Awards in July and the Distinguished Alumni Awards in May have done a wonderful job. Rehearsals were ongoing since January for the fabulous Fiesta/Band Concert which was held in June. And the application for our participation in the Annual HOF Kick-Off Parade in August has been accepted.

Our #1 goal for the existence of this alumni association is to assure the coffers are filled in order to provide scholarship awards for our "young lions." Very special thanks to our dedicated board members, past board members, and committee members who gave and continue to give a lot of time, energy, and hard work to reach that goal.

Webster's defines a volunteer as "a person who performs a service without pay." However, it is much more than that definition. Volunteers are people who freely give of their time and talents because they believe people make a difference, and they want to be one of those people.

Make that difference! Stop in at our monthly board meetings. New ideas and suggestions are always welcome. Join us there. You may just discover how you can make that difference for CLHSAA!

Thank you ALL for your continued support of CLHSAA and for "Keeping the Spirit of Lincoln Alive!"

# CLHSAA & Rumberger Foundation Scholarships Awarded

Roger Hegnauer '71

The Canton Lincoln High School Alumni Association honored the 2009 scholarship recipients with a dessert reception on July 21 at Westminster Community Church. A total of **fifty-two \$500 scholarships** was awarded. Since the scholarship program began in 1990, **\$375,300** has been awarded to **752** graduates or descendants of Lincoln students. The Rumberger Foundation also awarded **five \$5,000 scholarships**. **Gloria Kirkbride Rumberger '61** is the Lincoln connection to the Rumberger Foundation, and CLHSAA is very appreciative of the donation.

Sixteen recipients received special scholarships. For the eleventh consecutive year, the **Ed Mang, Class of 1951, Memorial Scholarship** was awarded. **Dr. Deanne Fitzpatrick Jamal '60** provided eight scholarships In Memory of Olive Fitzpatrick (mother) and **David Fitzpatrick '64** (brother). Two memorial scholarships were given In Memory of **Elizabeth Schrock Bell '50** by Family and Friends, while other memorial scholarships were given In Memory of **Kenneth Coates '44** by Family and Friends, In Memory of **Coen & Clara Welling** (parents) by **Alanna Welling Arnold '69**, and In Memory of **Paula Lightbody '71** by Family and Friends. Other designated scholarships were donated by the **Class of 1963** In Honor of LHS Class of 1963, and by the **Class of 1971** In Honor of LHS Class of 1971.

Thirty-two of the 2009 scholarship recipients were recent high school graduates, and twenty were current college students. We congratulate all of them and wish them well with their future academic goals.

Applicants who did not receive a scholarship in 2009 (or 2010) are reminded that they may reapply. Graduates and attendees of Lincoln High School and Lincoln Junior High School, as well as their lineal descendants, are eligible for scholarships. *(Please see the guidelines on Page 10.)*

The members of the 2009 Scholarship Committee were **Roger Hegnauer '71**, chairperson, **Karen Mottice Christoff '72**, **Don Dorkoff '59**, **Sherry Schario Cini-Putnam '60**, and **Sally Schweitzer '66**. Sherry was also board liaison, **Karen Gerzina Samuelson '60** was committee secretary, and **Cindy King Fickes '75** was treasurer. **Barbara Pocock Hegnauer '71** was in charge of refreshments.

Thank you to all who helped, to everyone who donated to the scholarship fund, and to those who supported the fundraisers. Please continue your donations and continue "Keeping the Spirit of Lincoln High School Alive."

## Elections - 2010

Stan Sereychas '60

The election of officers for 2010 was conducted during our Annual Meeting in September 2009. The meeting was held at our alma mater, the old Lincoln High School. All officer and trustee terms expired at the end of 2009. A slate of candidates was presented to the membership by Nominating Chairperson Stan Sereychas. There were no nominations from the floor, and the slate of candidates presented was unanimously elected by the attending membership.

The following were re-elected to positions they held in 2009: Andrea Roman Herbst '66, president; Fred Peters '62, past president; Diane Boldizar Zarula '62, secretary; Cindy King Fickes '75, treasurer; and Jeanne Lee Jordan '75, co-treasurer; Karen Trenary Fashbaugh '61, trustee (3 years); Judy Workman Kackley '60, trustee (3 years); and Georgene Roman '66, trustee (2 years). Veronica Sima Parkinson '59, who formerly served as vice president, was elected trustee (2 years). New officers elected for 2010 are Mary Snellenberger Spreinde '66, vice president; and Mike Yannone '64, trustee (2 years). Gary Love '55 will continue as historian. Best wishes to all.

## Elections - 2011

All trustee positions were filled in 2010; therefore, these positions will not require new candidates in 2011. However, candidates will be needed for the officer positions of president, vice president, secretary, and treasurer.

Please consider taking an active part in your alumni association. If you are interested in being a candidate in 2011, please call the Nominating Committee Chairperson Mary Spreinde at 330-499-0057.

As Lincoln alumni, you are encouraged to get involved. Attend the board meetings usually held on the first Monday of each month at 6:30 PM at the alumni building on Wertz Avenue NW to see what it's all about. Everyone is welcome! (Check CLHSAA's published calendar for actual dates.)

## Board's Loss

Fred Peters '62, who was CLHSAA's current Past President and Fair Booth Committee Chairman, passed away suddenly in November. Fred had also served as President, Vice President, and Trustee of CLHSAA. As you can see, Fred certainly added to this alumni association through his service and dedication. He was married 46 years to his high school sweetheart, Nancy Boone Peters '62. His legacy lives on with his gift of sight through eye donation. Fred will be greatly missed by his family, friends, and members of the association.

## CLHSAA receives many notes from you . . .

(Please read this brief sampling, and heed the fact that these alums include not only their dues but their scholarship donations. Is this a hint or what?)

Please apply \$50 of enclosed check to the Scholarship Fund and remaining \$10 for my dues. I enjoy the newsletter--keep up the good work!

Enclosed is my check for CLHSAA membership renewal. Thanks for the great work you do.

Please make a note that my sister Rosemary Vahila Taylor, Class of 1956, passed away on December 28, 2009 in Norwich, England. If it's not too late, I'd appreciate it if you put this in the next *Echoes*. Rosemary always looked forward to the *Echoes* and was able to attend the 50th reunion in 2006 and loved every minute of it.

## News of Alumni . . .

When we were born in 1930, the median life expectancy of a male infant was 62 years. We are now 17 (*Editor's note--now almost 18*) years out on the tail of the normal distribution curve, leaving very few of us around. Cleaning out old boxes, I came across a number of items that may be of some value to you and your organization. I'm sure you have some of these. Since the US Post Office instituted the flat rate priority boxes, it is now easy to send these to you. I did not wish to destroy them as all historical documents have some value. I leave it up to you to do with them as you wish.

I graduated from **Lincoln High School in 1948**. I spent time during the Korean War in the US Navy. I attended and graduated with a Bachelor of Science degree from Bowling Green State University in 1959. I attended the University of Utah and graduated with an MS in geophysics in 1962. I taught, attended classes, and did research work at Oregon State University for the next two years and worked for the federal government as an earthquake seismologist for the next 25 years. I then worked as a research assistant at Southern Methodist University for four years. Next, I volunteered five days a week for five years in a soup kitchen in Atlanta, Georgia, running a mail room for about 10,000 homeless persons. It was probably the most satisfying job I had in my career. I feel fortunate to have worked in an era of no cell phones, email, Facebook, twitter, etc. We had face-to-face meetings in non-virtual environments. Life was a lot simpler.

I married one of my classmates at OSU in 1963. My wife is also a seismologist but worked in oil exploration for six years. She eventually made her life's way in the computer industry. We have three children, two sons, and a daughter, all gainfully employed. There are five grandchildren, three boys and two girls.

We have lived all over the United States from the Far Pacific Northwest to the Deep South. Today we live in San Francisco, the city where my wife grew up, and until recently where her parents lived. She still works at a federal government-sponsored, University of California, Berkeley supercomputer center. I now volunteer at the headquarters of the Seismological Society of America.

Life goes on as we get closer and closer to the tail of the distribution curve. I have no email address nor wish to be on another mail list. I found your address at a local branch library.

Sincerely yours,  
**Wilbur A. Rinehart '48 "Bill"**  
 San Francisco, CA

**Janet Weir Creighton '68** is the Republican candidate for Stark County Commissioner in the November 2010 election. She previously served as Stark County Recorder, Stark County Auditor, and Mayor of Canton. Featured in the November 2009 issue of *About Magazine* in the *Movers & Shakers* article, she stated that she chose to be involved because she believes in the positive impact of genuine public service.

Several Lincoln alums were honored as members of the Ex-Newsboys Hall of Fame in December 2009. Our own **Ardean "Nicci" Huston DiMarzio '46** was "astonished by the honor" and is believed to be the first woman to be inducted into the group's HOF. Other honored members, and Lincoln grads, are **Byron Bertram '48** and **Jim Lindesmith '53**.

**Randy Gonzalez '72** was unanimously elected in June 2009 to be the chairman of the Stark Democrats' Central Committee. He had served as the Stark Democrats' executive vice chairman and is a former Jackson Township trustee. He also has served as Jackson Township's fiscal officer since 2000. Randy works for Canton Municipal Court as chief deputy clerk.

At the April 2010 5th Annual Hall of Fame Alumni All City Oldies Dance Party sponsored by the J. Babe Stearn Community Center, 17 members were honored as members of the 2009 Community Center HOF. Some of those inductees are, of course, Lincoln grads. Among those honored are **Jim Mitchell '51**, **Guido Picone '50**, **Mike Toney '55**, **Richard (Dick) Teel '58**, **Gil Thewes '58**, and **Harold DeHoff '40** (Jr. High). Congratulations to them and all Center HOF members.

**Guy Bertram '52** was selected to serve as the honorary official for The Repository East-West All-Star Game at Fawcett Stadium in 2009. Guy estimated that he worked 400+ games during his 35-year football officiating career. He retired in 2005, but considered this honor as a career highlight.

**Gary Rhiel '60** has a passion for art. He has made his living teaching art at Woodmore High School and resides in Elmore, Ohio. He formerly worked as a Silk Screen Consultant and Designer on the UN Craft Development project in Jamaica. Nowadays, he spends his free time at the skillful art of glassblowing. He creates unique pieces that he sells at local stores, out of his home, and at an annual open house.

**William Virgil Davis '58**, aka Bill, is Professor of English & Writer-in-Residence at Baylor University in Waco, TX. He wrote to tell us that his most recent book is *Landscape and Journey*--winner of the New Criterion Poetry Prize--and published by Ivan R. Dee (Chicago, 2009). Bill sends his best wishes to everyone in Ohio!

The J. R. Coleman Center recently celebrated 35 years of service to the community. It is a not-for-profit organization founded by **Father J. Robert (Bob) Coleman** (LHS Class of '51) in 1974 as a social outreach ministry of St. Paul's Catholic Church. The organization is recognized as a strong leader and partner in building a better community.

# Historian, Educator par Excellence: Prof. Edward L. Homze '48

David L. Sponseller '49

"Prof. Homze's encouragement helped me achieve many things. His answer to every proposed project or endeavor was, 'Let's do it.'"

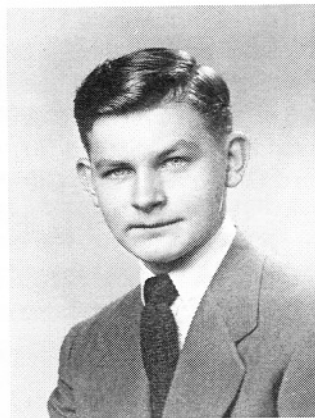

"I don't have words to convey how wonderful a professor, advisor, and human being Prof. Homze was. I remember the talks we had, always punctuated by Ed's terrific laugh. I feel sorry for the students who never had the chance to interact with him. He was truly one of a kind."

"Ed was my doctoral supervisor at Nebraska, a great friend and ersatz father for the many students he shepherded through the history program. I hope that my teaching carries some of the same humanity and love of students that he always showed."

"Dr. Homze was always a special, one-of-a-kind person to me."

"Dr. Homze was a favorite and influential professor during my time as a history student at Nebraska. He genuinely cared about us as individuals. I will always remember him fondly."

These tributes from students and faculty at the U. of Nebraska provide eloquent honor to one of Lincoln High's most outstanding graduates, Prof. Edward L. Homze, who died suddenly of an aortic aneurysm on February 18, 2009. Ed grew up at 911 Clarendon Ave. N.W. and graduated from Lincoln in 1948. He played football his sophomore year. Ed is remembered as being a

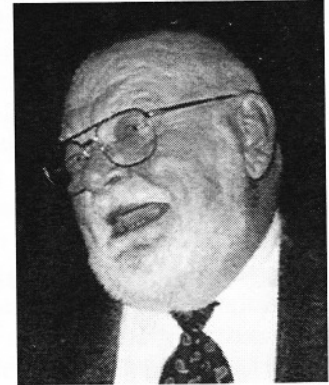

pleasant, interesting, and thoughtful boy who loved to read. His Lincoln classmates elected him senior class president. He then studied at Bowling Green, the Free University of Berlin, and Penn State University (Ph.D.). Ed was a First Lieut. in the Air Force Intelligence Corps from 1954-56. As a history professor at the U. of Nebraska, he became a world expert on modern European history, specializing in that of Germany in WWII. Two of his best-known titles are *Arming the Luftwaffe* and *Foreign Labor in Nazi Germany*.

I fondly remember going on Scout campouts with Ed, and playing 'hearts' with him and other scouts in the Homze kitchen on Saturday evenings. We scouts once filled the Homze basement to the rafters with newspaper collected for the war effort. Ed and I often went "shooting" with our BB guns in the woods near our homes. And Ed was the one who passed on to me that elusive skill taught to him by his brother Jim--how to throw a curve ball!

Regretfully, I never saw Ed again after high school, as our college education, military service, and careers took us in different directions. I did have the privilege of e-mailing and phoning his son Eric, a dentist in Reno, Nevada, after his sudden death, and learning more about his colorful teaching style, his family and church life, and death. The history students at Nebraska still carry on the Homze's Heroes baseball team that he started.

All of us Lincoln alumni can feel proud of having known Ed Homze, a splendid human being; a man who gave back to the world far more than he received. R.I.P.

## More Alumni News . . .

Former Garfield Grade School students and friends were treated to a Garfield Reunion on November 6, 2009 at Rolando's Restaurant. The original Garfield School was built in 1888 and torn down in early 1950. The second school was opened in 1951 and was used until 1978, when it was closed by Canton City Schools. The history of Garfield School is so lengthy it spans generations of students--some of whom attended Lincoln High School.

In November 2009, the Fred Olivieri Construction Co. (Alfred "Fred" Olivieri '48, owner) received an award during the Arts in Stark Annual Awards luncheon. The company received the award for managing renovations at the Cultural Center for the Arts before the exhibit "Kimono as Art" and for building the Japanese tea house that accompanied Kimono.

Former Lincoln High School boys basketball coach Ken Newlon was inducted into the Ohio Basketball Hall of Fame in May 2010 in a ceremony at the Columbus Convention Center. Newlon was 293-113 in 19 seasons at LHS from 1956-75. Congratulations, Coach.

Maxine Bamberger Hegnauer '63 is the Managing Director of VOICI (Voices of Canton Inc.), which was previously known as Canton Civic Opera. She has performed and toured with the organization for over forty years. Maxine and husband Clark Hegnauer '64, who met in Ruth Cogan's choir, have three children and two grandchildren.

Ron Worstell '57 and Jill Garber Worstell '61 are the proud grandparents of the current HOF Queen Alexandria Worstell.

## Teacher Recognition . . . Memories of Our Teachers

### Pearl Staudt

Dennis Huff '58  
Gig Harbor, WA

I was always proud of Lincoln High School and the education we all received there. Most all of our teachers were good, and many were excellent. A few of my favorites were **Lyle Beamer**, who taught English, and later went into the administrative side of education, and the amazing **Miss Hopkins**. Of course, one could never overlook **Miss Hickman** when speaking of favorites. But my all-time favorite teacher was **Miss Pearl Staudt**, who taught Latin and English. I think I learned more English in Latin class than in her English class, but then again I took her Latin class for three years. When I didn't continue with Latin IV because I wanted to study German II, I still remember how some of my classmates were miffed with me. They didn't want the class eliminated because of lack of students, and the class had certainly thinned out a lot by the time we got to Latin IV. But I stuck to my guns and took German II, which I definitely used later in my life while stationed in Germany.

But Miss Staudt taught a lot more than Latin and English. She taught perseverance and toughness. She taught respect and the value of hard work. And she was not afraid of a little hardship. I remember the time she opened a window in the back of the English classroom, and several classmates, who began to cool down, circulated a petition to have the window closed. I signed it merely to close ranks with my classmates, although I thought it was a particularly bad idea. Only **Phil Kirkbride '58** had the good sense to leave his name off the petition, although others may have as well, but Phil sat in front of me, and I noticed that he didn't sign. Well, it eventually made its rounds and was turned in to Miss Staudt, who was obviously distressed that we were such a bunch of "wienies." I always regretted signing that petition!

**Mara Blumentals '58** respected and liked Miss Staudt as well, but Mara was more successful in keeping track of our favorite teacher as time passed. Mara sent me a few of her recollections regarding our favorite teacher, which I pass along, only slightly abridged.

"It is with respectful gratitude and affection that I remember a particular person from my youth, Miss Pearl Staudt, our English and Latin teacher at Lincoln. A perfectionist with high standards, she inspired us to learn, to do our work, and to do it with excellence. Miss Staudt demanded and expected real effort and praised it when it came. Her classes were always interesting and challenging. We had to be on our toes because, after lecturing for awhile, she would suddenly stop and ask someone a thought-provoking question. Usually it was a

Mr. Randels taught Mechanical Drawing and was the terror of the freshman class. Park your bike incorrectly, and you had to retrieve it from the ash pit outside his classroom's back door. Happily, he was also the stage director, and several of us joined the stage crew. In addition to building scenery, operating the curtains, and keeping the place clean, we frequently were excused from classes during rehearsals.

My particular responsibility was stage electrician. (I was the only one who could splice two wires without blowing a fuse.) During those days, The Canton Civic Opera performed at LHS, and I spent hours at the dimmer board setting the lighting for each scene. While Mr. Randels directed our activities, we worked as a team with very little direct oversight.

After a year in the Navy, I attended Case Tech, studying Electrical Engineering. That course included lighting, and my experience on the stage crew certainly encouraged me to make that my career. I am still active after nearly 60 years, teaching lighting classes at the university level and to Police Crime Prevention Specialists. Who knows what career I might have chosen had I not learned responsibility, planning, and hard work from Mr. Randels?

student caught daydreaming--not a good option in her classes.

This fine teacher gave so much of herself to her students. When several of us were interested in taking fourth year Latin, she gave up her only free period of the day to teach our class instead of utilizing it for grading tests and papers. Miss Staudt always encouraged the desire to learn. I can still see her standing at her classroom door, waste basket for gum chewers by her side. Some of us feared her, more or less, but we all respected Miss Pearl Staudt.

She and I corresponded and visited in Canton for years after high school. Her letters and conversations, like her classes, were always thought-provoking, full of humor, and interesting. Miss Staudt died prematurely of cancer, and at the end of her life, she didn't talk much about her cancer only that she missed and loved teaching. She was uncomplaining, accepting, stoic, and said she'd had many good years, a rewarding life that was filled with good friends. The last time I saw Miss Staudt was at my wedding. The two most influential people in my life were my mother and Miss Pearl Staudt, and to me they both still live."

I recently visited Ted Henning '58 in Savannah, Georgia, and he said that Miss Staudt was his favorite teacher as well. I definitely had more fun with Mr. Brothers, whom I respected very much, and I really liked Miss Cogan, who did an outstanding job with the choir and Fiesta. But *numero uno* was Miss Staudt.

**Teacher  
Recognition**

*Was there a teacher at Lincoln who helped you in some special way, made a subject come alive, or gave you special training preparing you for the future? If the answer is yes, please describe that teacher's contribution to you, and send it to us. We would really like to publish your school memories. Include your favorite teacher's name, subject, year you were in his/her class, how he/she affected you, and your name and class year.*

*Send your response no later than February 2011 to the attention of the Echoes Editor at CLHSAA, PO Box 20192, Canton, OH 44701 or to the association's website.*

*Thank you to these Lincoln alums who wrote about their memories of former LHS teachers. Their memories stir our memories, and we thank them for sharing.*

## 2009 HOF Community Parade

Jim McVay '51

What an event!! The weather was perfect for a parade—a little cloudy, and the temp in the low 70's. More importantly, we had almost 50 participants, including 5 scholarship winners.

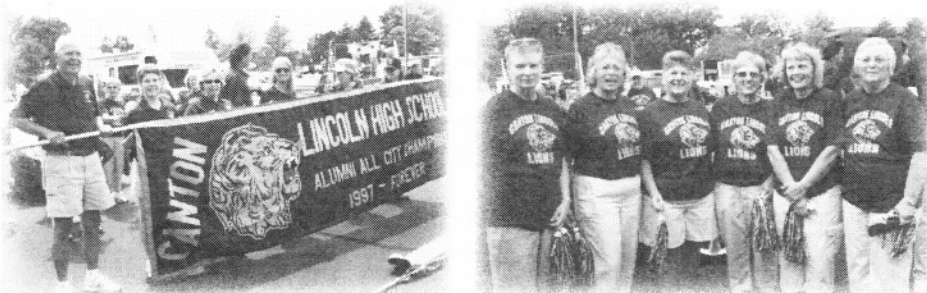

A special thanks to **Mark Lowe** who pulled together some of the Lincoln Band members. The band, along with some energetic majorettes and cheerleaders, led us down Market Avenue to the cheers of those lining the street.

We had participants from the 40's (2), the 50's (8), the 60's (16), and the 70's (14) in addition to those scholarship winners mentioned earlier. This year we also had a new feature—our unit had two "Grand Marshals" in the persons of **Nanette DeMuesy** and **John Hayward**.

As usual, **Ron Richards** transported the equipment to and from the parade site. Convertibles were provided by **Barb Yannone**, **Mike Yannone**, **Debbie Fowler**, **Jeff DiMarzio**, and **Bud Merry** (former LHS teacher). Thanks to this group for making everything work.

The parade co-ordinator's duties are passing to **Georgene Roman '66** for 2010. Wouldn't it be great to have 100 people, dressed in maroon and gold, walking down Market Avenue on August 1st? It would prove to the community that we are indeed "Keeping the Spirit Alive."

### Some CLHSAA Participants 2009 HOF Community Parade

**Ever wish you could  
be in a parade?  
Well, here's your  
chance!**

If you would like to march or ride (there will be a vehicle available to carry those who prefer not to walk) in the **HOF Community Parade on Sunday, August 1, 2010**, you can join other CLHSAA members by **contacting Georgene Roman at 330-833-5150 as soon as possible with your name and phone number.**

In order to make a unified appearance, volunteers need to wear a maroon shirt, khaki pants or shorts, and tennis shoes. The parade distance is approximately **1.3 miles** straight south on Market Avenue beginning across from the Civic Center.

**All Lincoln alumni (and former scholarship honorees) are invited and encouraged to participate.**

## CLHSAA SCHOLARSHIP PROGRAM

The purpose of the Scholarship Committee is to award non-repayable grants to deserving students who are either graduates or attendees of Canton Lincoln Junior or Senior High School or their descendants. Descendants include child(ren), grandchild(ren), great-grandchild(ren), step-child(ren), adopted child(ren), or spouse of attendees or graduates who are paid members of CLHSAA for the current calendar year. If the applicant's only lineal Lincoln ancestor is deceased, then the paid membership requirement is waived.

The Scholarship Committee will consider all applicants for grants regardless of race, color, creed, religion, sex, or national origin. All information supplied by applicants is strictly confidential with exception of names, addresses, telephone numbers, and names of ancestors who attended Canton Lincoln Junior or Senior High School.

CLHSAA reserves the right to determine the amount and number of grants to be presented in any year. Scholarships are awarded to students who are pursuing **ANY** type of post high school education at any type of accredited school; i.e., college, junior college, technical, or trade schools. Checks are made payable to each student's school. An Awards Reception where presentations are announced and recipients are honored is planned for July.

Applicants may apply every year; however, scholarship recipients are eligible only every third year, with a lifetime maximum of two CLHSAA scholarships. Students interested in applying for a 2011 CLHSAA grant should watch for a scholarship application form, which will be included with 2011 membership renewal forms to be mailed in January 2011.

The 2010 scholarship application forms were mailed in January along with membership renewal forms. The deadline for 2010 applications was March 15, 2010.

**Tax deductible donations** to the Scholarship Fund  
and/or **inquiries** should be mailed to:

CLHSAA  
PO Box 20192  
Canton, OH 44701

## DONATIONS BEQUESTS

As you undoubtedly know, CLHSAA has one of the best scholarship programs around. (Not bad considering our school was closed thirty-four years ago!) The success of the program depends on money raised through memberships, fundraisers, and contributions.

The CLHSAA Scholarship Fund has received some charitable donations, but the one area that has not yet yielded funds is the last will and testament of a Lincoln alumnus. If you are thinking of making a revision of your will, you may wish to remember the CLHSAA Scholarship Fund. Of course, a donation made during your lifetime is always welcome--and preferred!

Contributions of any amount are appreciated and are vital to the continued success of the program. *See the form on this page.*

Congratulations to the winners of the CLHSAA sweatshirt drawing—**Craig Curtis '59** and **Mark Gonzales '74**. Their names were drawn from the registration forms at our booth.

Our 2010 booth will be under the Grandstand as usual, so be sure to visit it again this year. Fair Week 2010 is August 31 - September 6, and Lincoln volunteers will be there watching for you to stop, say hello, and register to win a CLHSAA sweatshirt. ## Annual September General Meeting

September 24, 2009 was selected as the date for our Annual General Meeting and Alumni Service Awards. The meeting was held in the auditorium of old Lincoln High School (a.k.a. Heritage Christian). On the agenda was a short review of the association's year by President **Andrea Roman Herbst '66**, and the election of 2010 officers conducted by Nominating Chair **Stan Sereychas '60**. (See election results on Page 4 of this issue.)

Next, Alumni Service Awards were presented by Awards Chairperson **Judy Workman Kackley '60** to seven deserving individuals who have demonstrated outstanding service to the association. Those receiving awards were **Cindy King Fickes '75**, **John Hayward '64**, **Jeanne Lee Jordan '75**, **George Leatherman '52**, **Veronica Sima Parkinson '59**, **Ron Richards '56**, and **Sherry Cable Shafer '69**. The President's Award was given to **Fred Peters '62**. Previous ASA recipients were recognized.

**Abe Lincoln** appeared then and brought history to life in the person of Pete Raymond. Pete is from Wooster, Ohio and has an uncanny resemblance to Abraham Lincoln. He delighted us with his portrayal of "Honest Abe" and with stories of Abe's life from birth to his days in the White House. This year was Abe's 200th Birthday and CLHSAA's 20th Anniversary; thus, the Alumni Association was honored to be able to celebrate both.

Following his presentation, there was an opportunity to have photos taken with "Abe." A birthday cake, coffee, and punch were served afterwards with fellowship and lots of hearty laughs. If you missed this one, you missed a good one!

The next Annual Meeting is September 16, 2010 at Tozzi's on 12th Street at 7:00. Try to attend. You will be glad you did!

In Ken Newlon's 34 years as a head boys' basketball coach in Ohio, his teams won 527 games and lost 227. a .698 winning percentage. ## 20th Anniversary Dance was held in October

Stan Sereychas '60

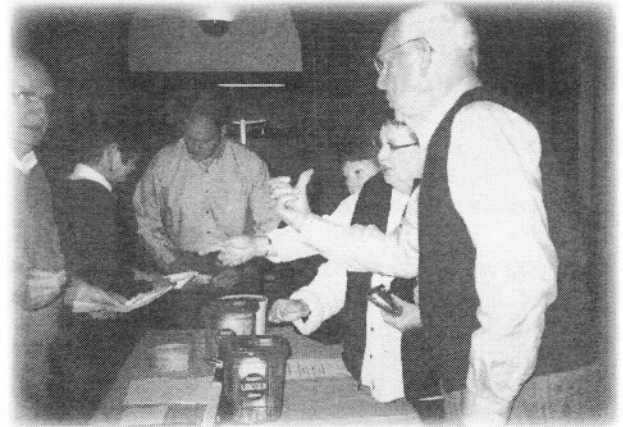

Our Lincoln Alumni Dance was revived after a seven-year absence (the last was in 2001). The event, held on October 17, 2009 at St. George Serbian Center in North Canton, celebrated the 20th Anniversary of CLHSAA, as well as Abraham Lincoln's 200th Birthday.

Music was provided by the "Tailor Made Classics." The group included Lincoln men **Bob Elliott** and **Don Raines '66**. Their distinctive sound featured Do Wop songs from the 50's and 60's. The group was well received with many jitterbuggers on the dance floor. (We even did "The Stroll.") Snacks and refreshments

were served. Area businesses donated over 25 gift certificates, with Mountaineer Casino in West Virginia donating a dinner/overnight package, which was raffled. Proceeds went to the CLHSAA Scholarship Fund.

Hopefully, this dance was the start of something, and an alumni dance will again become an annual event. (Anyone interested in putting another dance together, please contact a CLHSAA board member.)

Thanks to the committee for all their work. And, oh yes, thanks to everyone who attended. It was a really fun evening!

## Has your address changed?

The *Echoes of Lincoln* newsletter is published only ONCE A YEAR, so there are quite a few alums who are "lost" due to change of address each year. Please remember to send us your new address if/when you move. CLHSAA pays so much for return postage for those of you who forget.

YOU are responsible for keeping YOUR ADDRESS current, or YOU will be a "lost" member and will miss the next issue.

*CLHSAA is a Non-Profit Organization with NO paid employees and is supported only by your volunteer contributions.*

## Questions, concerns, suggestions--

Please call CLHSAA Volunteer

*(He spends a lot of time golfing, so keep trying!)*

## YEARBOOKS

From time to time graduates or friends donate their yearbooks to our memorabilia collection. While we appreciate ALL donations of memorabilia, it is impossible to keep (and store!) every item; therefore, extra annuals are available for sale.

If you want to purchase a yearbook from a particular year, it may or may not be available when you are looking for it. However, we encourage you to write to CLHSAA, PO Box 20192, Canton, OH 44701, or to the website, stating the year(s) you are looking for. If that year's book is available, you will be contacted. You can then send a check payable to CLHSAA for your purchase. The price is \$15 plus \$6 shipping. Please allow six weeks for delivery.

We are always looking for Lincoln memorabilia and/or yearbooks. Some even say they watch for Lincoln "stuff" when they are out at garage sales. So, keep your eyes open! If you would like to donate a yearbook or other memorabilia, please contact the association historian by writing to our post office box. Your donations are always greatly appreciated.

## Web Page & E-Mail

Dave Schemansky '66

CLHSAA has its own web page (domain name)

<http://www.cantonlincolnhighschool.org>

Check it out periodically!

Register your e-mail address in the Alumni Connections section of the alumni web page. It is a great way to connect with former friends and classmates. Please contact the web master whenever you change your e-mail address, or if you find a link that is no longer valid. The board will attempt to re-establish contact with the missing grad.

## Missing List

CLHSAA is asking anyone with access to the web page to check out the lists of missing grads. These lists name grads/attendees whom we are trying to locate, and we could use help. Someone out there knows where these people are or knows someone that the board could contact regarding that missing grad's whereabouts. Please take a look as we try to update the web page regularly. We can use your help in our effort to find all of Lincoln's grads.

## Christmas Shoppe 2010

Souvenir items will be available for purchase either as a gift or for yourself on Saturday, December 4 and Saturday, December 11, when the alumni office, located at 715 Wertz Avenue, N.W., will be open from 10:00 AM till 2:00 PM for your holiday shopping. You will have the opportunity then to purchase any/all of the items listed on Page 23.

## GOT NEWS?

Articles and/or news from you about any subject you feel would interest our readers is always welcome.

**DO NOT WAIT** to be asked! Send items **NOW** for the next *Echoes of Lincoln* issue.

# 2010 Reverse Raffle - 21st Annual

Andrea Roman Herbst '66

The weather cooperated for the 2010 Reverse Raffle--the 21st Annual--this past February 18! A great turnout of 125+ alumni and friends met at Tozzi's on 12th Street for a festive evening of dinner, games, and sharing good camaraderie.

The committee opted to "retire" the side-board this year and save one ticket for an open auction. After a vigorous round of bidding, the ticket brought an extra \$145!

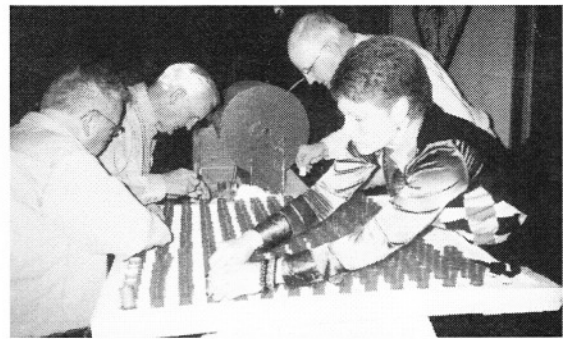

Total prize money was awarded to 13 different ticket holders with the grand prize of \$2,800 being shared among the final four survivors. This year's grand prize winners were Nicci DiMarzio, Laura Love, Paul Blohm, and Carol Bercaw.

Special thanks to the committee members and helpers who paved the way for another successful evening raising funds for the CLHSAA Scholarship Fund. Special, special thanks to our co-treasurers, **Cindy Fickes** and **Jeanne Jordan**, for handling ticket sales and mailings! A net profit of \$4,680 (enough for 9 scholarships) was made! Most importantly, a **VERY BIG THANK YOU** to all of the ticket buyers. With your support, our goal of awarding our "lion heirs" with assistance in their college years continues!

The 2011 Reverse Raffle is set for February 17. Ticket information will be included with the January mailing, which also will have your Membership Renewal enclosed.

President Andrea Roman Herbst '66 welcomed everyone to the 21st Reverse Raffle

Committee members checked EVERY bottle. (Have to keep it on the up and up!)

Friends and classmates from Class of '61-- Jim and Sandy Griffin and Karen Fashbaugh

Ready for the meal and then the raffle. (Let's get the priorities straight!)

## DESIGNATED SCHOLARSHIPS

Designated Scholarships are those scholarships that are made specifically to honor or memorialize a class, a graduate, a teacher, a family member, etc. If the donation is in the amount needed for a scholarship (\$500), then a scholarship is awarded in the name of the donor to one of the current year's scholarship honorees. The name of the donor (if not specified to be anonymous) may then be "designated" in the scholarship program. It is important to remember what was said by an honoree's spouse, "A contribution to the Scholarship Fund is a thoughtful way to remember a loved one." Donations of less than that needed for a designated scholarship are also very much appreciated. In fact, the many smaller donations really add up and are what makes it possible for CLHSAA to award so many scholarships each year. And, although they are not in an amount that could be considered a designated scholarship, a heart-felt donation is greatly appreciated. Those donations, when added to the numerous other smaller donations, help make it possible to "Keep the Spirit of Lincoln High School Alive!"

In 2010 memorial scholarship donations were received from friends and families **In Memory of Fred Peters '62**, **In Memory of Nick Zazula '60**, **In Memory of Paula Lightbody '71**, **In Memory of Ed Mang '51**, and **In Memory of Coen & Clara Welling** (parents). A scholarship may also be made **In Honor of Your Class**.

# 2010 Echoes Sponsors

"Here we go, Lions!"

*Continued from Page 1 - Vitale*

brought tears to many eyes with "This Is My Country" and several other patriotic songs, while our military veterans came forward and were given flags. The segment featured a "God Bless America" sing-a-long.

Choir members in duets and quads wowed us with love songs and lighthearted moments. Between segments, the Alumni Band performed songs, such as "America the Beautiful" and "New Colonial March."

Ending with our Lincoln Alma Mater, "The Lord Bless You and Keep You," The Old Routine (you go guys!), and "Bye, Neighbor," we realized with sadness that this journey back into time was coming to a close.

There were too many wonderful solos, moments, choir and band performances to name them all . . . you'll just have to have your Lincoln Alumni friends over and watch them on the DVD!

rehearsals, missed dance steps, and sometimes mumbled words. At that moment, we all realized that we were here in this special place for one special purpose--to make this show a "fun-raiser" besides being a fund-raiser.

We knew that our first Fiesta Reunion four years ago had been a success, and it was exciting because it had never been done before. Now, here we were, four years later and older, trying to re-capture that magic. Something "magic" did happen on June 12th, but it was a different kind of magic that can't be explained or duplicated again. In our hearts we knew that we made Miss Cogan, Mr. Bayless, and Mr. Mason proud.

"Bye, Neighbor" and "The Lord Bless You and Keep You."

## "Class of '59 Still Fabulous After 50 Years"

Veronica Sima Parkinson '59

As someone has quoted, "Getting older is like a fine wine--it only gets better with age." If that is true, the Class of '59 Gala Anniversary Reunion on August 28 - 30, 2009 was like a vat of Dom Perignon champagne. The festivities, chaired by **Marilyn Bamberger Lyke**, began with an informal get-together on Friday at 91 Restaurant with hors d'oeuvres and socializing. The "gala celebration" on Saturday at LaPizzaria was headed by master of ceremonies, **William Blair**, and featured memories of former LHS teachers. Following a fabulous dinner, entertainment was provided "50's style" by singer Ryan Parkinson, son of classmate **Veronica Sima Parkinson**, while heroic attempts to "stroll," "twist," and "jitter-bug" were performed by those who still could. The finale to our special reunion weekend was a Sunday Brunch/Open House, which was graciously hosted by **Jerry and Marilyn Lyke** in their lovely home. For one brief weekend, we were 18 years old again, and the memories will remain in our hearts forever.

### Janice Nichols Lowther '59

You start at Lincoln as a Freshman. You are scared. You ask where Room # 312 is. Upper classmen send you everywhere. It's funny to them, but it puts you late for class. You don't know how to act. You don't know where to sit. You drop your books or papers. Everyone laughs. You can't wait 'til class is over and school is out, and you can go home. The days and weeks go by and before you know it, school is out. And you've made lots of friends.

Months go by and summer is over. You go to the fair and then back to school. The Sophomore year is some better. This year goes fast. Then you are a Junior, and then a Senior. You tell Freshmen where to go . . . and laugh. The circle goes on.

You graduate and go to college, or go to work, or get married. Lots of us Lincoln grads live right here in Ohio. Some move away. Most get married and have a family. We lose some of "our Lincoln family" and are sad. We look forward to every class reunion.

This year it was our big "50," and I enjoyed seeing my Lincoln friends again. Time seems to fly . . . so see you in five.

## Class of 1954 Win Umlauf

A great time was had by all at the Lincoln Class of '54 Reunion held September 11-13, 2009. All events took place at the 356th Fighter Group. Friday there was a Mixer on the Patio (can you say Brrr?). Saturday we enjoyed a nice dinner, and then on Sunday a brunch. Please plan on attending our next reunion. Thanks to all those who attended this reunion from near and far.
