Buzzing Eckard's

By Susie Swihart Vitale '66

Eckard's Excellent Food. Seriously? They served food? It seemed that Eckard's primary purpose was to be our official Lincoln hangout. And why was it called a "drive-in," when we usually drove through the parking lot? Remember the rumble of the cars' engines, the tires spinning in the gravel, the excitement of looking to see if your friends were parked in the back lot? The classes of the 40's, 50's and 60's will remember Eckard's, but for the classes of the 70's, Eckard's is probably only a Lincoln legend. Eckard's was located on the corner of Linwood SW at 3502 Tuscarawas Street West.

The best guess the years Eckard's was open was made by Graydon, the son of owner, Merle Eckard. Graydon emailed that the restaurant was open twenty-two years between 1946-68. It apparently closed the year Merle passed away. Amazingly, the family kept no photographs of the restaurant.

There is a rumor that the drive-in in Happy Days was researched and patterned after Eckard's, the only drive-in in Ohio with roller skating car hops. Milkshakes and roller skating car hops...seems like running with scissors.

Jim Whitacre '50 and wife, Vicki Allen Whitacre '61, spent a lot of time at Eckard's, but not as skaters! Jim worked at Superior Dairy and frequently delivered Eckard's special custom made milkshake mix to the restaurant; one chocolate and one vanilla. Jim has one of the best collections of memorabilia I've ever seen. He loaned me the skater photo of Bob Lindsey and Dale Knorzer and showed me everything from Eckard's cups to even the paper that was on the straws!

THANK YOU, AMAZING DAVE!

By Susie Swihart Vitale '66

Lincoln had somewhere in the vicinity of 8800+ grads over 33 graduating classes. We now have over 7200 addresses!

It's no coincidence that CLHSAA has the strongest Alumni Association in the area. Our foundation has been built by Amazing Dave Schemansky '66! He generously took

over the entire CLHSAA database in 1985 when I called and nagged him to come to our 1965-66 20th class reunion....27 years ago! He brought us from handwritten file cards to a database the FBI would envy... in fact, I've always said that if Osama bin Laden had been a Lincoln grad, Dave would have immediately been able to tell the CIA where he was located, including the names of his siblings and best friends. Dave's sent me to Reed's Funeral Home to get Bob Swick's contact information, found Edison Deist, who we thought had been dead for 20 years, living in Michigan (why did he look?), and he found Bessie Dendrinis living in Athens, Greece. Yes, truly amazing!

Amazing and humble, Dave recently wrote, "I've always been grateful that you called me about the 20th reunion. I don't regret any of the time I've spent managing the alumni database. I just happened to come along at a time when CLHSAA needed someone with my skill set. It gave me the opportunity to give back to a school which I love and owe a great deal to its teachers, staff and students. I had a great time at Lincoln. I would not change a thing from my experience there as a high school student. It was one of the best times in my life." Thank you, Dave!

Now Dave has been joined by Tom Okey '59 ...these two are dangerous! Read all about it on pages 18 & 19!

NEWS of ALUMNI...

Our daughter lives in New York City, so my husband and I have been fortunate to see several Broadway shows during our visits. One of our favorites was Memphis, so when we saw it was playing at Playhouse Square in Cleveland last March, we went with friends. I was surprised and pleased when I recognized **Bill Parry ('65)** on the

stage. I saw him in 2006 when he came to Canton for A Spring Fiesta. Other than that, I hadn't seen him since he played Judd in Oklahoma in 1965! Bill is still as entertaining and charismatic as ever! Let us know ahead of time if you'll be doing a show again in this area, Bill. I'm sure more of your classmates would love to see you! **Louise Brandstetter Huff ('66)**

Sen. Jack Brandenburg '69 was elected to a 4 year term in the Michigan State Senate in 2010, **Janet Weir Creighton '68** is serving a 4 year term as Stark County Commissioner, **Greg Hawk** is a Canton City Councilman and **Rick Homrighausen '66** has now been the Mayor of Dover longer than any other Mayor. Congratulations and Go Lions!

Left to Right: Dave Schemansky - Membership & Database, Nicci DiMarzio - Photographer, Peggy Robart - Past President, Jim Osborn - Everything

The J. Babe Stern Center inducted Lincoln Lions basketball player **Rick Haverstock '65** into its 50 Point Club at the HOF Alumni All City Oldies Dance Party on April 14th, 2012, at Meyers Lake Ballroom. Congratulations, Rick!!

Former Lincoln band member **Vicki Reed Ryan '64** is using her musical skills as organist and Music Director at New Life United Methodist Church on Whipple Avenue NW.

Pat Tidwell's ('63), President of the Ohio Greyhound Gathering and Adoption group, adopted two greyhound racing rescues, Tootsie and Claire Bear, soon followed by 8 more she has adopted or fostered. Her brother, **Dennis Tidwell '66**, and his family first adopted Kira and now share their home (and couch) with Jake and Carolina. If you are interested in adopting a greyhound or helping the group with their work go to their website at: <http://www.myogga.org/>.

On a Saturday some time in the '80's, I was home bound because of some sorry weather. I was channel surfing on the TV when I came upon a program called "Pinnacle." I had no idea what that was. The announcer said, "Our guest today is Dr. Robert Boni, the President of Inland Steel."

Bob Boni '46 was one of my classmates at Lincoln High School. I watched the program to hear the interview. The following is probably not an exact quote of what was said, but it captures the intent. The interviewer asked, "What got you started in metallurgy?" Boni answered, "I had planned to make some form of music my life's work, but then I was introduced to science."

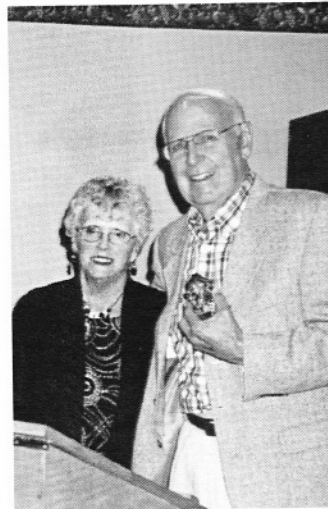

E. C. BIGLER
Physics, General Science

That introduction came at Lincoln High School in Bob's junior year in chemistry class and physics class in his senior year. Both classes were taught by my father, **Edward Bigler**. **Lew Glew '46** is alive and kicking in Canton and can verify what I've written here!

The 22nd ANNUAL GENERAL MEETING

The 22nd Annual General Meeting of the CLHSAA met Thursday, September 15, 2011 at Rolando's Restaurant. President Andrea Roman-Herbst '66 provided a brief business meeting and recap of the 2011 events. Vice-President Mary Snellenberger-Spriande '66 presented the slate of candidates for the 2012 board members. Nominations from the floor were requested and, upon none, voice majority elected 2012 members.

Alumni Service Award winners were honored and presented with their awards by Judy Kackley, past ASA Award winners were recognized, and then we were treated to a nostalgic presentation of the sights and sounds of "Meyers Lake Revisited" by the William McKinley Presidential Library and Museum's Curator, Kim Kenney. Kim always gives an excellent presentation on a wide range of subjects, and we gave her our full attention as she took us back to a sweeter and more innocent time. Many blinked back tears as we traveled back through time and relived our wonderful memories of Meyers Lake Park. Kim and her husband, William McKinley Presidential Library and Museum Education Director, Chris Kenney, are a true treasure in Stark County! We enjoyed refreshments and lingered to visit with our Lincoln friends.

Check the Lincoln website: www.cantonlincolnhighschool.org for the 2012 All Class Picnic and the 23rd Annual General Meeting. The picnic, a covered dish, starts at 3:00 PM, the meeting is at 4:00 PM and dinner, a covered dish, will be at 5:00 PM. The picnic lasts until 8:00 PM! Check for details on page 15 in this issue of the Echo!

THE 2012 LINCOLN BAND

By Ed Hostetter '68

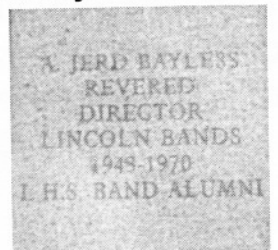

All three summer appearances by The Lincoln Band are part of the "A. JERD BAYLESS 100th BIRTHDAY CELEBRATION."

(1) THE HALL OF FAME COMMUNITY (Kickoff) PARADE on Sunday, July 29th in downtown Canton.

(2) THE STARK COUNTY FAIR, a "sit down" concert in the Pavilion, at 3:30 P.M. on Sunday, September 2nd. I hope to program music - including "National Emblem" and "The New Colonial" - that had special significance to A.J.B. (A donation will be made to CLHSAA by the Fair Board.)

(3) The Lincoln Band and Choir at the CLHSAA ALL CLASSES REUNION & PICNIC on September 15th at Dogwood Park in North Canton. This one will be the shortest performance, and the most fun, because it will be part of the picnic where, hopefully, many of our former schoolmates we haven't seen for years will be in attendance!

Come on, everyone! Put these dates on your calendar now, get your horns or drums out and practice up a little, and make plans to join in the events of this landmark day in honor of Mr. Bayless! (We gotta do it NOW! We probably won't still be around for his 200th.) More details to follow.

Teacher Recognition

Was there a teacher at Lincoln who helped you in some special way, made a subject come alive, or gave you special training preparing you for the future? If the answer is yes, please describe that teacher's contribution to you, and send it to us. We would really like to publish your school memories. Include your favorite teacher's name, subject, year you were in his/her class, how he/she affected you, and your name and class year.

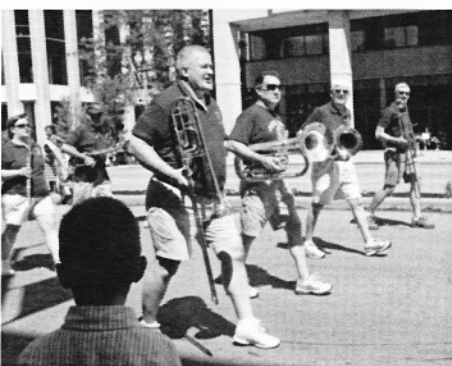

Send your response no later than February 2013 to the attention of the Echoes Editor at CLHSAA, PO Box 20192, Canton, OH 44701 or to the association's website.

Thank you to Lincoln alums who wrote about their memories of former LHS teachers. Their memories stir our memories, and we thank them for sharing.

2011 HOF Community Parade

Georgene Roman '66 (330-833-5150)

The 2011 Community Parade proceeded out of the Nationwide parking lot at 3:05 PM on Sunday, July 31st, with the sixteen member Lincoln Band, including two majorettes, leading the way. Our CLHSAA unit also included approximately twenty-five alumni and two scholarship winners, two cars and a maroon and gold decked out trailer decorated with balloons and lions! We had a fantastic time and our outstanding band made us proud! They were GR-R-R-EAT! Looking forward to next year when we hope to be joined by more Lincoln Lions!

Ever wish you could be in a parade? Well, here's your chance!

If you would like to march or ride (there will be a vehicle available to carry those who prefer not to walk) in the HOF Community Parade on Sunday, July 29, 2012, you can join other CLHSAA members by contacting Georgene Roman at 330-833-5150 as soon as possible with your name and phone number.

In order to make a unified appearance, volunteers need to wear a maroon shirt, khaki pants or shorts, and tennis shoes. The parade distance is approximately 1.3 miles straight south on Market Avenue beginning across from the Civic Center.

All Lincoln alumni (and former scholarship honorees) are invited and encouraged to participate.

Call NOW-Join the parade!

Lincoln Band Members Marching and Non-Marching

Mark Lowe '75 and Ed Hostetter '68 are hoping to get the Lincoln Band together again either for the parade or for other performances. If you would like to be a part of this, please contact Mark at Kewrow@aol.com or 216-371-0337 and Ed at 330-454-9610 or edhostetter@att.net.

In order to march in the HOF Community Parade this year, please call NOW. Join other Lincolnites on July 29th by meeting in the Nationwide parking lot at 1:30 PM with your instrument, maroon shirt, khaki shorts or pants, tennis shoes, and your LHS spirit. Go, Lions!

"I will study and get ready and perhaps some day my chance will come."

CLHSAA SCHOLARSHIP PROGRAM

The purpose of the Scholarship Committee is to award non-repayable grants to deserving students who are either graduates or attendees of Canton Lincoln Junior or Senior High School or their descendants. Descendants include child(ren), grandchild(ren), great-grandchild(ren), step-child(ren), adopted child(ren), or spouse of attendees or graduates who are **paid members** of CLHSAA for the **current** calendar year. If the applicant's only lineal Lincoln ancestor is deceased, then the paid membership requirement is waived.

The Scholarship Committee will consider all applicants for grants regardless of race, color, creed, religion, sex, or national origin. All information supplied by applicants is strictly confidential with exception of names, addresses, telephone numbers, and names of ancestors who attended Canton Lincoln Junior or Senior High School.

CLHSAA reserves the right to determine the amount and number of grants to be presented in any year. Scholarships are awarded to students who are pursuing **ANY** type of post high school education at any type of accredited school; i.e., college, junior college, technical, or trade schools. Checks are made payable to each student's **school**. An Awards Reception where presentations are announced and recipients are honored is planned for July.

Applicants may apply every year; however, **scholarship recipients** are **eligible** only every **third year, with a lifetime maximum of two** CLHSAA scholarships. Students interested in applying for a 2013 CLHSAA grant should watch for a scholarship application form, which will be included with 2013 membership renewal forms to be mailed in January 2013.

The 2012 scholarship application forms were mailed in January along with membership renewal forms. * The deadline for 2012 applications was March 15, 2012.

Tax deductible donations to the Scholarship Fund and/or inquiries should be mailed to:

DONATIONS BEQUESTS

As you undoubtedly know, CLHSAA has one of the best scholarship programs around. (Not bad considering our school was closed thirty-six years ago!) The success of the program depends on money raised through memberships, fundraisers, and contributions.

The CLHSAA Scholarship Fund has received some charitable donations, but the one area that has not yet yielded funds is the last will and testament of a Lincoln alumnus. If you are thinking of making a revision of your will, you may wish to remember the CLHSAA Scholarship Fund. Of course, a donation made during your lifetime is always welcome-and preferred! Contributions of any amount are appreciated and are vital to the continued success of the program. See the form on this page.

Stark County Fair Booth

By Mary Snellenberger Spreinde '66

Looking back, we had a great year at the 2011 Stark County Fair! We owe many thanks to all our volunteers who kept the booth going strong and to all the alumni who stopped by to visit. As in the past, we had many more alumni offer to work than we could realistically handle. Please keep offering to help! We will try and get you scheduled for the 2012 fair.

Hundreds of alumni registered for a chance to win a souvenir sweatshirt. This year's winners were Ron Dalrymple '65 and Jim Mochoskay '67.

We would like to thank Ardean "Nicci" Huston DiMarzio '46 for again designing a wonderful poster of recent scholarship winners that attracted the interest of many visitors, and to Jim "Ozzie" Osborn for all his work in setting up and tearing down the booth as well as his efforts to keep us well stocked in shirts and souvenirs. And I can't forget my co-chair, Gary Love, who was willing to step up for whatever task needed to be done. We plan to have the same booth under the Grandstand for the 2012 fair, so plan to stop by, say hello and possibly renew an old friendship. Also, don't forget to register for the CLHSAA sweatshirt drawing. Our next winner might be YOU!

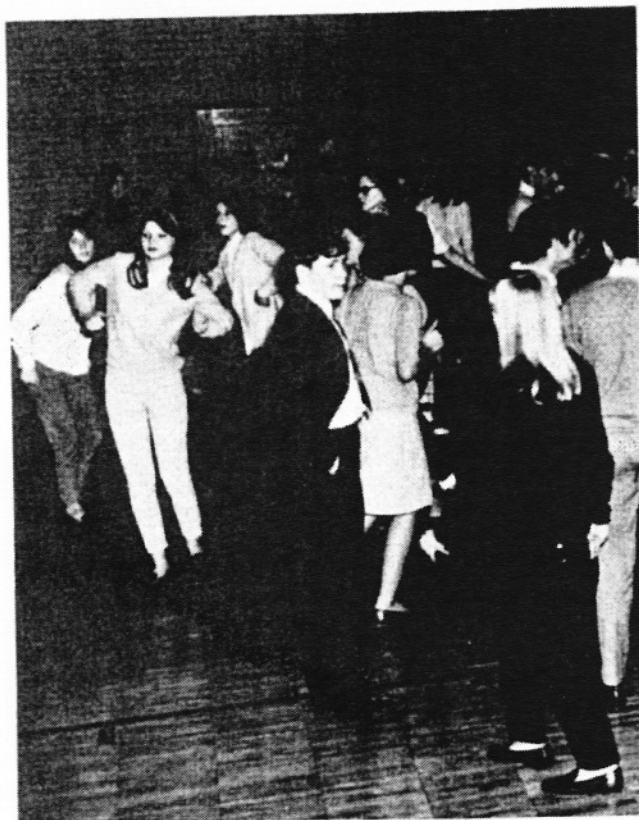

Music and Memories

Elaine Tuesdale Campbell '71

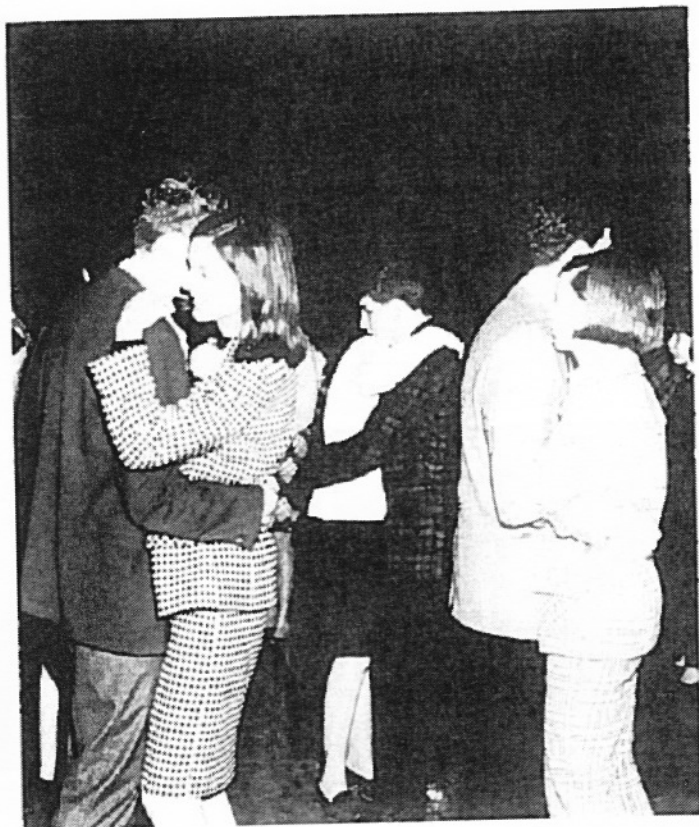

It never ceases to amaze me....the power of music. How can a favorite song from the past transport you back in time to your high school days in the early 1970's? The song My Girl by the Temptations has that effect on me. Even though many years have passed since my high school days, when I hear the downbeat and melody of that song I am back in the Lincoln gymnasium at the popular LAG Drags on a Friday Night.

LAG Drags [Lincoln-After-Game Dances] were the highlight of the school week and probably equivalent to "sock hops" of earlier generations. Friday nights during the school year consisted of hanging out with friends, dressing in the spirit invoking colors of maroon and gold, cheering the Lincoln Lions athletic teams to a victory, and then going to the LAG Drag. These were magical moments filled with friends, energy, and music. Upon entering the gym, the music would blast, your feet would feel the beat, and you had fun.

I am grateful for those times, the friends, and the music that fostered memories that have lasted a lifetime!

Lynda Hynes is caught by the camera as she does the "Pearl" at the lag drag.

Lincoln students enjoy this year's Lag Drags.

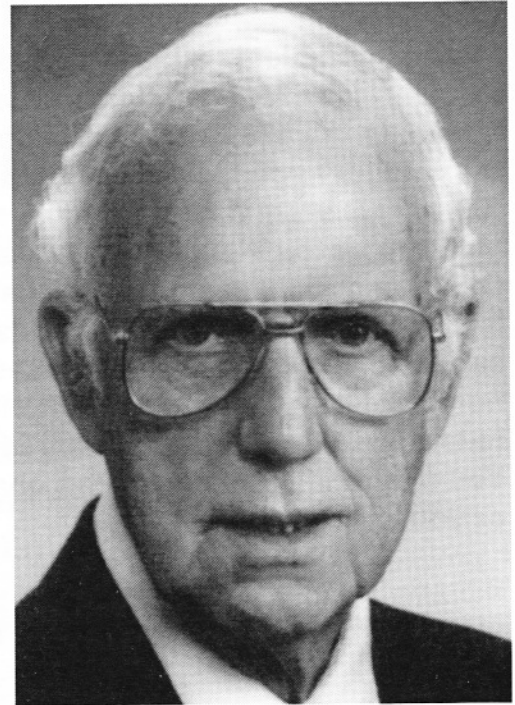

COACH DON NEHLEN RETURNS TO CANTON

Former Lincoln grad, Coach Don Nehlen '54 is returning to Canton on Saturday, July 28th, 2012, to be a guest on Larry Hackenburg's 1480 WHBC radio program, "Sports Time Machine" from 12:00 noon till 1:00 PM. Coach Nehlen coached at McKinley, Canton South, and at the Universities of Bowling Green, Cincinnati and West Virginia. A luncheon, which is open to the public, will follow at McCall's on Faircrest. The cost is \$15 per person. For more information, please call Jim Osborn at 330 477-9831.

THE END OF AN ERA

By Peggy Robart '66

When we think of our days at Lincoln High School, there are images that come to mind for all of us – pep rallies in the auditorium, Mr. Bayless leading our tremendous band at halftime shows, Marlowe's, Eckard's, the musicals performed by the outstanding Lincoln choir, and of course, Coach Newlon and the "kings of basketball." One by one, they have all been extinguished from our lives and it is sad. On April 4th, we lost the last of these images, our beloved coach, Ken Newlon. We are fortunate, however, to have one more chance to honor him.

The Stark County basketball organization, DB Hoops, is sponsoring the Ken Newlon Basketball Classic to be held on Saturday, December 22, 2012 at the historic Canton Field House. The event is named for Ohio Basketball Hall of Fame coach Ken Newlon who won over 500 games as head coach at four Ohio high schools including Canton Lincoln. The Classic will showcase 10 high school teams in the one-day event and DB Hoops will award a \$500 scholarship to one senior member of each participating team.

The schedule is as follows:

- 1:45 p.m. – Newark Catholic vs. Marlinton
- 3:30 p.m. – Barberton vs. West Alleghany, PA
- 5:15 p.m. – Akron St. Vincent/St. Mary vs. Lexington, Kentucky, Lafayette
- 7:00 p.m. – Jackson vs. Alliance
- 8:30 p.m. – Canton McKinley vs. Cleveland St. Ignatius

For additional information you may contact Joe Dunn at 330 323-2163 or Jim Osborn at 330 477-9811 and watch The Repository for details as the date gets closer. It would be great to see as many Lincolnites as possible at this event to support the memory of Coach Newlon and show Canton and its basketball fans how much he still means to us. See you at the Field House on the 22nd of December. Go Lions!!

COACH NEWLON MEMORIAL BRICK

CLHSAA has voted to honor Coach Newlon with a brick near the Lincoln Gate at Fawcett Stadium. Details of the project are available at www.ccsdistrict.org. Bricks range in price from \$50 to \$1,000. We're aiming for a \$1,000 sized brick, funded by October 1, 2012. If you'd like to participate, CLHSAA is collecting the donations and will write and send one check to the Canton City Schools after all the money is collected. Please write your check to: "CLHSAA" and put "Coach Newlon Brick" on the memo subject line. Then mail your check to: CLHSAA, P.O. Box 20192, Canton, Ohio 44701. The Lincoln Band bought a brick for Mr. Bayless, which is pictured on page 8.

Quest to find MIA Grads

By Dave Schemansky

With the inception of CLHSAA, the first Board of Officers understood the importance of developing and maintaining a database of Lincoln graduates. The first computer system and database software may have been donated by Dennis Bartow of the 1970 class. One of his employees performed the majority of the data entry chores for the first half dozen years or so of the database's existence.

The database primarily originated from various classes providing the alumni association with reunion lists. The Canton BOE did not supply names nor did CLHSAA start its database by taking names from the annual copies of the Lionian. These addresses were crucial if the CLHSAA was going to have an annual alumni newspaper and alumni membership mailings. CLHSAA also wanted to be able to provide mailing labels/class lists to individual classes for reunions with the hope that membership forms would also find their way to reunion invitees. A side benefit was the validation of the address information by a first mailing from a reunion committee.

In late 1985 the '65-'66 class reunion committee approached the CLHSAA about using the association database in hope of finding lost classmates known to have siblings in other classes. For the first time the database was going to be used as a search tool (little did I know this would consequences for myself in the future) in finding missing grads. Grads arrived on the MIA list because they had moved with no forwarding address provided to USPS or they seemingly disappeared after graduation. These two types of MIA are referenced as mail code 3 and mail code 4. This last type really has been a challenge to locate.

By early 1997 the list of MIA grads had grown to just over 2200. When checking individual class listings versus their senior class annuals, I found that the alumni database was missing over 800 graduates. In one swift moment CLHSAA found itself in a position where approximately 25% of the graduates of Lincoln High School were missing. Attempting to locate this sizable group of MIAs seemed an overwhelming task.

Now that we had a Lincoln person (the aforementioned consequence) handling the alumni database (previously maintained by a Massillon Washington H.S. grad), I began to take on the challenge of trying to find as many of the MIA grads as I could. I was actively trying to assist individual classes with finding or giving them leads by which they might succeed in locating their missing classmate. Letters were sent to addresses of suspected missing LHS grads by using the national phone books on CD ROM, which were prevalent back in the late 90's. Contacts of siblings were made via phone and letters seeking address help for their MIA brother, sister, or cousin and sometimes even son or daughter. We began to publish MIA lists, for those classes scheduled to have class reunions the following year, in the annual issue of the ECHO. The fair booth at the Stark County Fair had the latest printout of the MIA list each September for viewing.

As we approached 2002 the MIA total had been whittled down to an all-time low of 703. The bad news was that our efforts were beginning to hit a wall. The USPS was changing the rules about retention of change of address information from 12 months back to 6 months. Mailing of the ECHO accounts for an average of 450 address changes per year. Reducing address retention by six months meant that we were going to begin losing people because of those making a move during a period greater than six months prior to the mailing of a new ECHO issue.

Lowering this plateau even further than 703 was hampered by the makeup of those remaining to be located. Over half were graduates for whom CLHSAA had never been given a valid address by their class. A good percentage were grads with no sibs or even the sibs were MIA and possibly deceased so we were unable to even contact someone who might have known the whereabouts of the missing Lincoln we were trying to locate. If that was not difficult enough, the last name would be a common one such as Miller, Smith, Williams, White etcetera with no idea who might be a sib.

After 2002 the plateau of the MIA list began to tilt steadily but inexorably toward the abyss once again. Up through the mailing of the 2009 issue of the ECHO, the MIA list was stable only one year as I recall. Each year

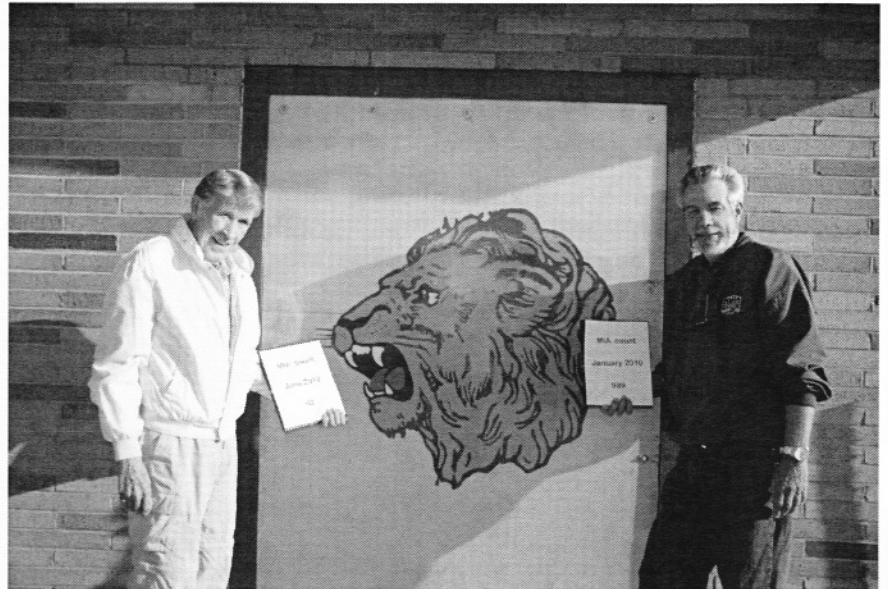

begat more lost alumni. The 900 barrier was exceeded and the 1000 total was not far from view. But help was on the way.

In late 2009 I received an email from a gentleman offering his expertise to aid CLHSAA in finding those on the expanding MIA list. He knew that to be a fact because he frequently visited the old web page which had pages and pages of missing grads posted for viewing. His motivation was the hope we would find a long lost grad that might be inclined to make a sizeable donation to the association's scholarship fund. That man was Tom Okey.

Tom Okey is a member of the 1959 class. Retired, Tom spent a career in various financial industry endeavors locally and in California. He worked in loan departments for both Harter and Citizen Banks. He managed a local credit union. At one time he was the PR Director for the Jaycees. He spent time working credit/loan offices for auto dealers. In a 40 year career, Tom became an expert at locating people. It was that expertise that Tom was offering to his alumni association.

Tom Okey's offer to help CLHSAA eradicate the MIA list could not have come at a better time. My efforts at this had really waned. The drive to find missing grads was on life support status. Tom's help has resuscitated the hunt. He has completely transformed our efforts by using online databases, especially Ancestry.com, enabling our searches to be furthered by the tracking of obits for parents wherein we're able to get information helping us to locate a missing grad. By using old city directories it enabled Tom to have a starting point for his searches, because we then had an address plus the names of parents and even some sibling information.

When Tom and I started this collaboration, we were searching for 989 missing grads. Initially Tom and I both were going to the library looking for directory information and using their system to access Ancestry. That has evolved into my doing the low level work at the library searching the city directories and Repository obit files while Tom takes that information and does the high level searching online with various databases. He would tell you that is as it should be. I would tell you that Tom is just being cranky and cantankerous.

After almost two and a half years at this, Tom and I have had a tremendous amount of success and satisfaction locating lost friends, classmates and fellow Lincoln grads. As I write this article, the present number of grads listed as MIA stands at 52. We are trying still to locate those Lincoln graduates. **To have located over 900 graduates in just over two years is to me a stunning achievement.**

Were it not for Tom Okey and his knowledge, I don't believe this would have been possible. CLHSAA needed someone with his background and the desire to take on the challenge. The CLHSAA Board of Officers also needs to be recognized for seeing the value in locating the large number of graduates on the MIA list. The Board authorized the membership of more than one online database plus some miscellaneous supplies. Those memberships were the critical tool enabling us to locate the missing grads.

Now if he could just find Marie Rittenhouse, GT, Gary Beatty and I would be happy campers.

23rd Annual Reverse Raffle 2012

Peggy Robart '66 - Chairperson

What a perfect night for the Lincoln High School Alumni Association's 23rd annual reverse raffle! The weather cooperated again this year and the turnout was great. Over 125 people attended and all 225 tickets were sold leaving some people wanting. The dinner was held on Thursday, February 16th, at Tozzi's on 12th and the meals were delicious. Thanks Tozzi's!

This year's ticket auction brought in \$150 and the 50/50 drawing netted the Alumni Association \$270. The 50/50 winner, Jim Mitchell donated \$35 back to the association. Thanks Jim! After expenses, the net profit for scholarships was \$4,725. That funds 9 ½ scholarships!!! Thanks so much to the loyal members and friends for their generous support of this function. If you have never been, or it has been a long time since you attended, you may want to consider it next year. It's a blast and so much fun to see old friends.

Prize money went to 10 ticket holders with the grand prize of \$2,800 being won by Linda Olson with ticket #113. This was an unusual year in that 4 of the last five ticket holders were not present and did not have anyone at the function representing them. Therefore, no split agreement could be made and the rules of the raffle as printed on the ticket were followed with the owner of the last ticket out being awarded the grand prize.

I would like to thank the committee for all their hard work to make this event a success. They are: Jim Osborn, co-chair, Andrea Herbst, Georgene Roman, Elaine Campbell, Mary Spreainde, Dave Schemansky, Gary Love, Jerry Snyder, and Karen Fashbaugh. A special thanks goes to committee member Cindy Fickes because without her, this raffle would not happen. Cindy handles all the mail, ticket sales and finances. Cindy has agreed to co-chair next year's event with Ozzie since they do most of the work anyway.

The 2013 Reverse Raffle will be held on Thursday, February 21st. Ticket information will be included with the January mailing. Make plans now to attend and support the students who benefit from our scholarship program.

2012 Echoes Sponsors

Our sincere thanks to these supporters! Please patronize their fine businesses, and let them know you saw their name in the Echoes of Lincoln newsletter.

Lincoln Heritage Building Renovations!

If you've been in the Lincoln High School / Heritage Christian School Building since you graduated, you've undoubtedly noticed the beautiful condition of the building, which would cost millions of dollars to build today. Heritage has continued to repair and renovate with historic continuity in mind, so the building retains it's integrity while it looks and works better...oh, except for that red and black paint on the walls! Red & black are Heritage's school colors. E-e-e-e-www! Lincoln graduates have jokingly commented that they'd give a million dollars if Heritage would paint over those colors with a cream color, and Principal J. Howard Pizor has responded, "You write the check and I'll get the brushes out!" Repainting some of the walls is now on the agenda! Got that check written?

Heritage is working with Lincoln Alumnus Mike Yanonne '64, a professional interior decorator, who recently reported back to us, along with Heritage's Brian Brooks, Administrator, and Charles Riddle, Fund Development Director. Goals are to raise funds for several major projects including updating more restrooms, which were last renovated in the 60's. Other projects include repairs to the leaking roof, and a new gymnasium addition in the back, built to architecturally blend with the building's appearance. Write a huge check and maybe they'll name it after you! Other items that need attention are the boilers, which are the same

Lincoln High School, Canton, Ohio

ones from our era, and an endless list of the continuing maintenance of a structure built in the 20's. Mike dreams of deep cleaning and buffing the terrazzo floors and repairing the plaster crown moldings and ceilings. The auditorium could use some work as well...and, of course, *that paint!*

We appreciate it so much that we can hold Lincoln Alumni concerts, dances and class reunion events at our beautiful old school building. All Lincoln Alumni are invited and encouraged to sign in at the office and take a self-guided tour of the building!

Please consider donating directly to Heritage to keep our building updated, well maintained, beautiful and even expanded to make it capable of impacting the community!

(Buzzing Eckard's Contined from Page 1)

Ron Schneider '59 remembers the three years that he worked at Eckard's, 1957- 59 as "one of the best things that ever happened to me. I was an introvert and I changed into an extrovert from working at Eckard's. I had to wait on people, meet customers face to face and be friendly, which got me extra tips. I completely changed. I wouldn't be the person I am today if I hadn't worked at Eckard's.

This was the era when people would throw their used cups and food wrappers out of their cars onto the lot. At the end of the night we had to take off our skates, pick up all the papers and then sweep up the lot. We swept the lot frequently with big brooms, because even a very small pebble could cause you to fall. We skated very fast...we flew back to the curb service door and nearly slid inside. We got really agile and almost never fell. Once I did fall over backwards with a tray full of milkshakes...they went all over me! We had to be fast, because sometimes the lot was full."

Ron worked as needed, often 5-6 days a week, making minimum wage....65 cents per hour...plus tips. "I did very well and had one of the nicest cars at Lincoln High School. Other car hops bought great cars, too. Ed Dietz had a 55 Chevy deluxe, Darrell Wackerly had a 55 Ford Fairlane and I had a dark blue 1954 Ford Sunliner convertible with a white top.

It was a great experience. One day a carload of girls drove into the parking lot in a black 1958 Bonneville Pontiac convertible. I was really attracted to the driver, Linda Stanley...it was love at first sight for me. The next time she came in, I asked for her phone number and we started dating. We've been happily married now for 48 years!"

Owner, Merle Eckard, who claimed that his skaters were eight times faster than regular car hops, estimated that the five car hops and one parking lot attendant served on the average of 1,000 people a night. The skaters started out using rubber wheels, but they went through too many because the black-top was too hard on them, and special steel wheels had to be ordered from Chicago. Many people came just to watch the boys skate.

Ron Addington '53 was an Eckard's skater the summer of 1952. His mother, Bartha Addington, worked as a waitress in the dining room from the day Eckard's opened until the day it closed, only taking a few days off when Ron's brother was born. Back in the day, you had to spend 35 cents to be seated in the dining room. Ron's brother, Bob '70, worked at Eckard's as a dishwasher and his sister, Terri '63, worked as a waitress. Ron remembered that Ronnie Miller's mom, who lived by The Four Winds, made Eckard's pies. Ron supplied me with the Eckard's memorabilia pictured in the article.

When Ron was in Korea, his mom sent a letter asking if there was anything she could send him from home. He asked for an Eckard's footlong coney. His mom froze a half dozen of them in dry ice and sent them. They arrived in Korea partly frozen and were cooked in the Quonset hut on a pot bellied stove!

Gary Pelgar '60 remembers his time at Eckard's with a sense of humor. "I believe I have the distinction of being Ohio's last carhop on roller skates. At least until these new drive-ins came to the area a couple of years ago. I worked for Merle from the fall of 1960 until I was drafted in June of 1962. I wasn't a particularly talented skater, and the parking lot was so full of chuck holes (and you could trip on a match stick), that in the spring of 1961, I stumbled and flipped a milkshake through the driver's window onto a young lady in her prom dress. Needless to say, Merle got stuck with a big dry cleaning bill. And I didn't know teenage girls

knew that kind of language. Shortly after the incident, Merle had the big sign on the roof removed. It had read 'Ohio's only drive in featuring car hops on roller skates.' That ended the era.

The job paid 75 cents an hour plus tips, which were few and far between. We wore a leather purse on our belts and maybe a military type cap. Not a clown outfit, as the drive in book for sale in the Canton Classic Car Museum states, though the hat and purse may have made us rather clownish. In the winter, I both cooked in the lean-to kitchen at the back of the building and delivered the food to the cars in the lot. I rigged up some coat hangers over the grill to study my text books while I attended Malone College. When I came back from the service in 1965, Merle offered me a manager's job. It was a 70 hour work week and paid \$100. I actually considered it."

HONORING KAREN

The Lincoln Echo school newspaper was a valuable and an extremely popular edition the three decades Lincoln High School was open, recording the history, events and achievements of the students at Lincoln. Looking back at the photographs and articles, there is a sweet innocence which permeates each Echo page, even up to the high school's closing in June of 1976.

When our Alumni Association was formed, Karen Gerzina Samuelson '60 began as Editor of The Echoes of Lincoln, our Alumni version of the newspaper. The Echo tradition of excellence continued throughout Karen's 21 year career as Editor, touching the hearts of our alumni with current events, teacher biographies and golden memories of our good old days at Lincoln High School. A dinner honoring Karen seemed in order!

On August 18, 2011, choir member and Lincoln Alumnus, David Sponseller '49, made yet another trip to Canton, driving from Ann Arbor, Michigan, to host a dinner at Bender's Restaurant to thank Karen Samuelson for her excellent leadership as Editor of The Echoes of Lincoln, and to thank current Editor, Susie Swihart Vitale '66 for (fearfully) assuming the task. He included Karen as Guest of Honor, Susie, Elaine Tuesdale Campbell '71, and fellow choir members, Director John Hayward '64 and his wife, Jennifer, Veronica Sima Parkinson '59, and teacher, Nan DeMuesy.

**Nan DeMuesy, Susie Swihart Vitale '66,

Back: Jennifer Catazaro Hayward and John Hayward '64,

The delightful evening of laughter, fellowship and Bender's spectacular cuisine was arranged by Elaine for Dave. It began with a blessing led by Dave and included corsages and boutonnieres. The evening was capped with Dave singing a duet of "Let Me Call You Sweetheart" with talented vocalist Lois Whytsell, who is employed at Benders. The spirited and nostalgic sing-a-long with Lincoln choir members continued into the parking lot. A wonderful evening! Thank you, Dave!

Lincoln Lion PT Cruising

Dennis Tidwell '66

In 2003, when I retired from 33 years of work at the New Jersey State Health Department, I took my unused vacation/sick days check and bought myself a retirement gift of a used Chrysler PT Cruiser. At first, it was only a smaller, cheaper vehicle to get around town, but the wife and I soon discovered that there were PT enthusiasts all over the world and they were always doing something! We met up with one local club, the Garden State Crew-zers. Every state has at least one PT Cruiser club and some have several. There are parades, car shows, car rallies, cruising Main Street and driving on NASCAR or road race tracks. Cruisers choose themes for their cars which involve customizing with new paint jobs, tailgate displays, decals, window etching and replacement parts for the grill, front and rear bumpers or custom lighting. We stayed with a tailgate display theme of our other hobby, greyhound rescue, with a life-sized, blue greyhound stuffy called Blue's Crews. Our "bucket list" still includes a trip down Route 66. Someday we'll get there! Happy cruising to all you Lincoln Lions, no matter what you drive!

PRICE INCREASE FOR LINCOLN ALUMNI SOUVENIR SHIRTS & HATS

BUY NOW and SAVE!

Our Canton Lincoln High School Alumni Association shirts & hats have experienced several price increases from our supplier over the past few years. The purpose of the shirts, hats and other items is to "Keep The Spirit Alive," so we have a very narrow profit margin, some as low as 50 cents. When we started losing money on each shirt and hat sale last year, the increase became necessary.

The shirts and hats which have already been tagged and priced will be "sold as marked" with the increase on ONLY the new shirts and hats which we have recently bought, so **STOCK UP NOW!!**

Lincoln Alumni souvenirs are available through the mail using the order blank in this issue and on our website: www.cantonlincolnhighschool.org. They are also available at class reunions, the Stark County Fair under the Grandstand, and at our Christmas Shoppe Saturday, December 1st and 8th from 10:00 AM - 2:00 PM!!

CLASS OF '61 REUNION

"Golden Anniversary"

Many thanks to the committee for a wonderful weekend of starting new friendships and renewing old ones. The Fresco Room at LaPizzaria was a grand setting and the dinner was perfect. Also, thank you to Judy Laughman VanBenthuisen and husband, Walt, for the music by Tailor Made Classics. The stroll and twist brought back many memories and sore muscles. The party and Margie and Ned Wright's beautiful home was a fun night to break the ice and get re-acquainted. I'm not a morning person, but it was worth going to The Holiday Inn for brunch and to say our "goodbyes," finishing a perfect weekend. Nancy Martelli Lemmon '61

“Diamond Anniversary”

Pictured (L to R) Shirley Richards Sweitzer, Janet Mulholland Gadd, Letti Griffin Adams, Beverly Howell Rinkes, Pat Hathaway Baker, Carmie DiRuzza McMahan, and Joyce Barr Whittacre

They came from Colorado, Florida, Georgia, Illinois, Kentucky, New York, North Carolina, Texas, and of course, Ohio.

A total of sixty class members and guests from the class of 1951 met for the occasion of the 60th Diamond Anniversary of their graduation and their 11th class reunion. The event was held on Saturday, September 17, 2011 at Tozzi's on 12th Restaurant. Peggy Robart '66 and Susie Swihart Vitale '66 were guests from the Alumni Association.

Peggy presented an interesting program on the history, present activities, and the scholarship awards of the CLHSAA. Susie is the Editor of the Echoes of Lincoln and told us some interesting tidbits involved in publishing the paper. We, by far, have the most attractive Alumni Association in the area.

An updated class directory was created by Letti Griffin Adams. Each class member present received a copy of this attractive booklet. Sally Stone Buffo took care of all of the arrangements. Jim McVay acted as MC.

One of the highlights of the evening was the singing of the Alma Mater led by a quartet from their LHS choir days. Right on key were Hal Bingham, Jerry Maney, Russ Mase and Dean Schlador.
