Canton Announced Plans For A New School “West-Side Junior High School”

By Richard Haldi '57

The following announcement appeared in a May, 1921 Canton Repository

Construction of the West-End Junior High School, *to be erected on Greenfield Avenue between 6th and 7th Streets NW* at an estimated cost of \$760,000, probably will begin late this summer or early fall (**see above map for this strange location; was it to be on the east or west side of Greenfield between 6th and 7th?**). In addition to the 40 classrooms, it will contain science laboratories, a gymnasium and quarters for the teaching of industrial trades. George F. Hammond, of Cleveland, is the architect (**Hammond was also the architect for the current Stark County Courthouse**). “This west-end junior high school, with a capacity of 1,200 pupils, is the most needed school building in the city,” declared Wilson Hawkins, superintendent of schools. At the present there are some 4,000 Canton school children living west of the B&O tracks (**by Shroyer Ave.**) who will benefit by the new building. With the opening of this new junior high, the 7th and 8th grades in the west-end grammar schools, as well as part of the 9th grades now at the old downtown Central High (**where Timken High now stands**) will be transferred to this new building, relieving congestion at Cedar, Clarendon and Dueber Ave. schools. Like the new Lehman High School, this school will afford the opportunity for the teaching of five to six trades. The building will be four stories high of brick and steel construction. Should congestion at the new McKinley senior high school become too great (and it did), this new building could be used as a senior high school. ***This 1921 Repository article, plus other details, were unearthed by another 1957 Lincoln grad, Mr. Richard (Dick) White, who does extensive research at the McKinley Museum’s Ramsayer Library.***

SCHOOL BUILDING ON HOLD

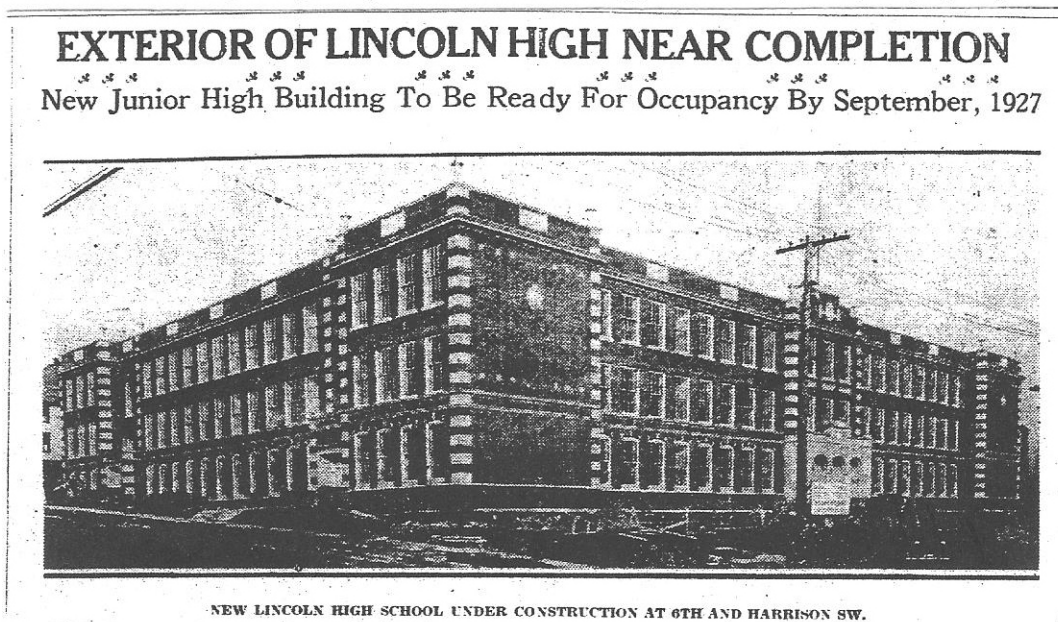

By November of 1921, just six short months after the announcement was made of the proposed new West-Side junior high to be built on Greenfield Avenue between 6th and 7th streets NW, the much-needed school project found itself in trouble. Canton city taxpayer, Mr. Fred C. Kirby, of 931 Clarendon Ave. SW, was suing the school board and architect, George F. Hammond of Cleveland, for "collusion and fraud" asking that the court nullify the city's contract to build the new junior high school and not pay the architect the staggering \$45,000 for his building plans. Mr. Kirby's Suit maintained that, in February of 1921, the Canton Board of Education agreed to pay Mr. Hammond 6% of the estimated \$750,000 cost of the building (increased from the original estimate of \$550,000), monies which the Canton school board at that time simply did not have, thereby obligating the "taxpaying citizens of Canton" to end up having to pay for the school. According to Mr. Kirby, the "collusion and fraud" initiated between the architect and the school board members should legally "not be able to stand."

NEW NAME, NEW ARCHITECT, NEW LOCATION AND...QUICKSAND

By May of 1922, exactly one year after the new West-Side school had been announced, the lawsuit by Mr. Kirby had been dismissed, George F. Hammond was fired as the architect, the school board was completely vindicated, and its superintendent was given a \$1,000 raise in his yearly salary. The building site was now no longer to be located on Greenfield Avenue between 6th and 7th streets, but on the NE corner of Harrison and 6th Street. The school board had chosen the always popular name of "Lincoln" as the name for the new school (the name of Lincoln also nicely mirrored the name of the Lincoln Highway located just a few blocks north of the school site- the old route #30). The school board hired Mr. Vernon Redding of Mansfield to design a new building(it ended up looking quite similar to, but somewhat smaller than Mr. Hammond's original design). The city followed by issuing a contract to the R.G. Witters Company to prepare the foundation of the \$750,000 building for a fee of \$99,000. The Witters Co. promptly hit 18ft of quicksand in the middle of the building site. The foundation would have to be raised 3 feet and reinforced with pilings to prevent settling. Between 1922 and 1926 there were a number of additional hiccups that would slow up progress, but by the fall of 1926 it was announced that...

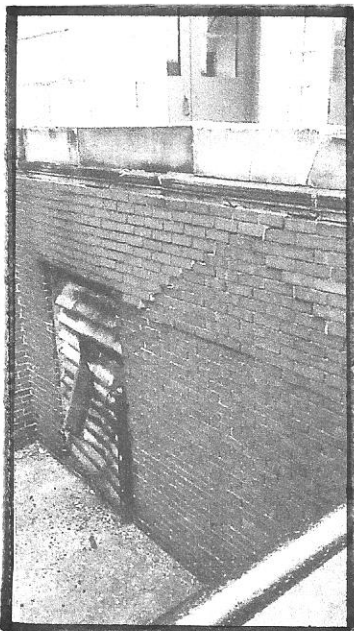

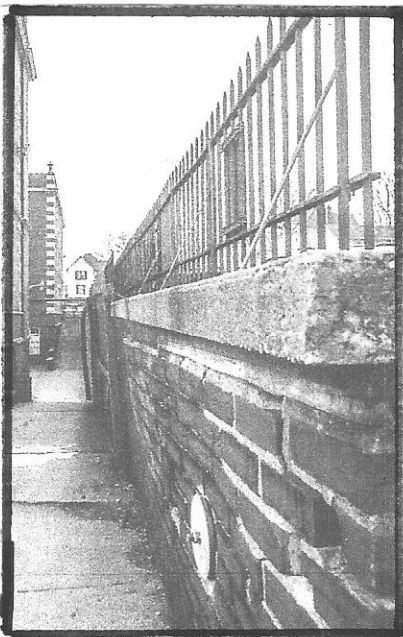

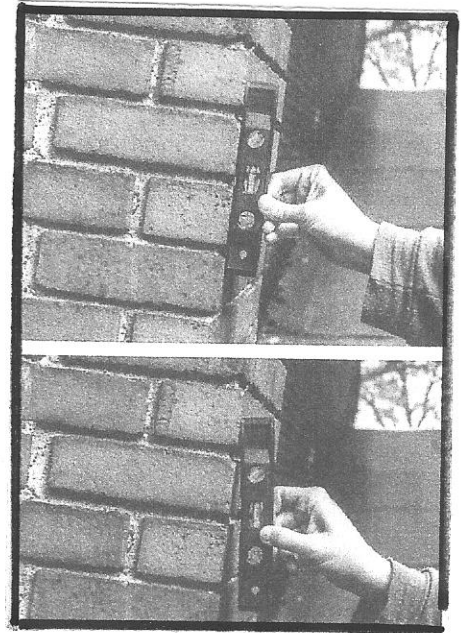

LINCOLN JUNIOR HIGH FINALLY NEARS COMPLETION

Finally, five and 1/2 years after it was first announced that the much-needed West-side Junior High School would be built, the Repository announced in November of 1926 that the new Lincoln Junior High was nearing completion and would be – hopefully – open for students in approximately one year, by September of 1927.

Details: Auditorium for 2,500—largest in city; 40 classrooms; large gymnasium seating 1500; Tennessee marble entrance halls; thermostat controlled heating; cafeteria; science & chemistry labs; three large study halls.

After nearly a century of use, time has taken a toll on many portions of our building. Still a magnificent and sound structure, the building is in dire need of renovations, updates, and repairs. In the recent years, Heritage has been proactive by spending more than \$700,000 on repairs and renovations. Although these improvements have helped, much more work remains. As an example, a retaining wall which spans the entire length of the building on its north side and supports a parking lot, is crumbling to the point where it is no longer accessible. In addition, leaking roofs, poor hallway lighting and poorly functioning restrooms are serious concerns. An additional amount in excess of \$4.3 million will need to be raised to complete all of the projects.

CLHSAA President's Message

Bob Clemens '66

2017 President's Message

Greetings and salutations to all, my name is Bob Clemens class of 1966 and I am the incoming President of the Alumni Association in my first term of 2017.

As I laid in bed the other night wondering what I should say in my letter to you, a thought of challenge came to mind as to what the new year presented for this association. As many would say we are challenged by how we will raise the funds to keep our account filled so that we may offer Scholarships to those of our members and their family who apply each year.

This challenge has been met by successful completion of our Reverse Raffle held at Tozzi's in February of this year. But, is that it for us, is that all there is to what we do? Ask yourself how you can become involved with this organization and bring your ideas to us thru your involvement whether as a member of the board, chairmen of a project or just being at a meeting. Our meetings are held the 1st Monday of each month at the office on Wertz starting at 6:30 PM.

I want to thank all of you who have participated on way or the other with CLHSAA and keep in mind we hope your continued participation will help in "KEEPING THE SPIRIT OF LINCOLN ALIVE" for 2017.

2016 HOF Community Parade

By Andrea Roman Herbst '66

CHLSAA HOF Parade formations had made it through the 2014 and 2015 events with rain storms holding off until we had finished our march down Market Ave.

However, that old saying was very true on Sunday, July 24, 2016 ... third time is a charm CLHSAA parade walkers, riders and band members couldn't dodge the rains today ... considering the storm hit at about 2:05pm and the start time was 2:30pm ... we all hung in there until 3p when the parade was officially cancelled.

Many thanks to those brave souls that stayed w/us, either in cars or taking cover at the Civic Center. Thanks again to the Gearhart girls, Norma, Janet, Linda and Carol for bringing transportation.

By the time vehicles were decorated the rains came and no one had the opportunity to snap any pictures!

2016 CLHHAA Library Donations

By Andrea Roman Herbst '66

Your generous donations to our treasury once again enabled CLHSAA to provide funds to the remaining Lincoln High School elementary feeder schools for their Libraries. This is an every two-year donation that began in our early days of this organization! The presentation was made at the December Canton City Board Meeting at Timken HS. It was a cold evening, however, there were many parents and students that attended! Representing CLHSAA, I presented \$100.00 checks earmarked for the libraries of Cedar, Clarendon, Dueber, Harter and McGregor. Also included was Heritage Christian School. THANK YOU ALL for allowing us to continue giving back to our community!!

CLHSAA SCHOLARSHIP PROGRAM

The purpose of the Scholarship Committee is to award non-repayable grants to deserving students who are either graduates or attendees of Canton Lincoln Junior or Senior High School or their descendants. Descendants include child(ren), grandchild(ren), great-grandchild(ren), step-child(ren), adopted child(ren), or spouse of attendees or graduates who are **paid members** of CLHSAA for the **current** calendar year. If the applicant's only lineal Lincoln ancestor is deceased, then the paid membership requirement is waived.

The Scholarship Committee will consider all applicants for grants regardless of race, color, creed, religion, sex, or national origin. All information supplied by applicants is strictly confidential with exception of names, addresses, telephone numbers, and names of ancestors who attended Canton Lincoln Junior or Senior High School.

CLHSAA reserves the right to determine the amount and number of grants to be presented in any year. Scholarships are awarded to students who are pursuing **ANY** type of post high school education at any type of accredited school; i.e., college, junior college, technical, or trade schools. Checks are made payable to each student's **school**. An Awards Reception where presentations are announced and recipients are honored is planned for July.

Applicants may apply every year; however, **scholarship recipients** are **eligible** only every **third year, with a lifetime maximum of two** CLHSAA scholarships. Students interested in applying for a 2018 CLHSAA grant should watch for a scholarship application form, which will be included with 2018 membership renewal forms to be mailed in January 2018. The 2016 scholarship application forms were mailed in January along with membership renewal forms. * The deadline for 2016 applications was March 15, 2017.

Tax deductible donations to the Scholarship Fund and/or inquiries should be mailed to:

DONATIONS BEQUESTS

As you undoubtedly know, CLHSAA has one of the best scholarship programs around. (Not bad considering our school was closed thirty-six years ago!) The success of the program depends on money raised through memberships, fundraisers, and contributions.

The CLHSAA Scholarship Fund has received some charitable donations, but the one area that has not yet yielded funds is the last will and testament of a Lincoln alumnus. If you are thinking of making a revision of your will, you may wish to remember the CLHSAA Scholarship Fund. Of course, a donation made during your lifetime is always welcome-and preferred! Contributions of any amount are appreciated and are vital to the continued success of the program. See the form on this page.

CLHSAA Booth at the 2016 Stark County Fair

Andrea Roman-Herbst

As in past years, the Fair Booth was well staffed by our volunteers in all of the various shifts. Many thanks for stopping by and browsing or buying some special memento from our glory days! Barb McKelevy took on the duties of Souvenirs from Susie Vitale and Peggy Robart this year (who kept us well stocked for ten years plus). These gals put the bins together to stock the booth ... many thanks ladies!

Also a special thanks to Jim "Ozzie" Osborn for all of his efforts to set up and take down the booth, and keeping us stocked in shirts, hats and souvenirs ... he really does have a license for that golf cart!

A HEARTY BIG THANKS to all of the CLHSAA members who manned the 2016 Lincoln Fair Booth. You are the BEST!!! THANKS for volunteering and being there ... couldn't have done it without you!

Also, as in years past this is one of the biggest events that is requested in our yearly January mailing! We were able to contact new volunteers this year! Our phone callers make every attempt to contact you and honor your request, so keep on applying and we will get you in the booth with your buddy or you can make a new buddy!

ALL CITY NIGHT REUNION

CLASSES OF THE 50'S AND 60'S UNITE FOR THE FOURTH ANNUAL ALL CITY REUNION

If you were a "kid" who grew up in Canton and came of age during the 50's and 60's, you will want to share memories with others who also grew up then. Downtown Canton was alive and well, we were driving in and out of the "A", listening to Chuck Berry and Elvis, shopping at Kobacher's and Shirley Shoes. We saw movies at the Loew's and the Ohio and stopped in at the Candy Bowl. We remember neighborhood schools, Fawcett Stadium and All-City Night at the Fieldhouse. It was a good time to be a "kid". Now you can re-live those days with people who also remember by coming to the **4th Annual All City Reunion**. We have had such a good time reuniting with classmates from elementary school and sharing laughs with our new friends from other high schools we hope you will join us again to reminisce **on Saturday, October 7, 2017 at the Fresca Room of LaPizzaria.**

Social Hour will be at 4:30 pm and Dinner at 5:30 pm. Make plans NOW to attend. Contact your buddies from high school and look for classmates from elementary school and join everyone for this very special evening.

LaPizzaria is located at the corner of Hills & Dales Road and Dressler Road.

Please fill out the lower section and return by October 1, 2017

SPECIAL THANKS TO EVERYONE who provided articles, photos, information, and effort to make this issue possible.

"Keeping the Spirit of Lincoln High Alive!"

Has your address changed?

The Echoes of Lincoln newsletter is published only ONCE A YEAR, so there are quite a few alums who are "lost" due to change of address each year. Please remember to send us your new address if/when you move. CLHSAA pays so much for return postage for those of you who forget.

YOU are responsible for keeping YOUR ADDRESS current, or YOU will be a "lost" member and will miss the next issue.

CLHSAA is a Non-Profit Organization with NO paid employees and is supported only by your volunteer contributions.

YEARBOOKS

From time to time graduates or friends donate their yearbooks to our memorabilia collection. While we appreciate ALL donations of memorabilia, it is impossible to keep (and store!) every item; therefore, extra annuals are available for sale.

If you want to purchase a yearbook from a particular year, it may or may not be available when you are looking for it. However, we encourage you to write to CLHSAA, PO Box 20192, Canton, OH 44701, or to the website, stating the year(s) you are looking for. If that year's book is available, you will be contacted. You can then send a check payable to CLHSAA for your purchase. The price is \$15 plus \$6 shipping. Please allow six weeks for delivery.

We are always looking for Lincoln memorabilia and/or yearbooks. Some even say they watch for Lincoln "stuff" when they are out at garage sales. So, keep your eyes open! If you would like to donate a yearbook or other memorabilia, please contact the association historian by writing to our post office box. Your donations are always greatly appreciated.

Web Page & E-Mail

Dave Schemansky '66
CLHSAA has its own web page (domain name)
<http://www.cantonlincolnhighschool.org>
Check it out periodically!

Register your e-mail address in the Alumni Connections section of the alumni web page. It is a great way to connect with former friends and classmates. Please contact the web master whenever you change your e-mail address, or if you find a link that is no longer valid. The board will attempt to re-establish contact with the missing grad.

Missing List

CLHSAA is asking anyone with access to the web page to check out the lists of missing grads. These lists name grads/ attendees whom we are trying to locate, and we could use help. Someone out there knows where these people are or knows someone that the board could contact regarding that missing grad's whereabouts. Please take a look as we try to update the web page regularly. We can use your help in our effort to find all of Lincoln's grads.

Christmas Shoppe 2017

Souvenir items will be available for purchase, either as a gift or for yourself, on Saturday, December 2nd, when the alumni office, located at 715 Wertz Avenue, N.W., will be open from 10:00 AM till 2:00 PM for your holiday shopping. You will have the opportunity then to purchase any / all of the items listed on our souvenir page.

GOT NEWS?

Articles and/or news from you about any subject you feel would interest our readers is always welcome. DO NOT WAIT to be asked! Send items NOW for the next Echoes of Lincoln issue. Send to the Echoes Editor, CLHSAA, PO Box 20192, Canton, OH 44701. Thank you for contributing to our Echoes of Lincoln newsletter that keeps us all in touch!

Attention, Business Owners!

CLASS OF 1955

In May of 1955, the Lincoln High class of '55 held their Senior Prom at Meyer's Lake Ballroom Garden Room. Sixty years later, so swiftly aged, on September 19th, 2015, the Meyers Lake Ballroom Garden Room banquet hall was the perfect combination of elegance and comfort to facilitate the LHS class of '55 – 60th Diamond Jubilee Reunion!!

The maroon and gold cloth napkins complimented the dual hanging Lincoln banners and memorabilia tables.

Sandra Sharp, sister of classmate Beverly Forchia Futy and award winning poet wrote two poems for our class. The first, "Lincoln High's 40th Reunion," published in her book and second, in celebration of our Diamond Jubilee "God Bless Our 60th."

The poems was read by Beverly at the candle lit memorial honoring our deceased classmates. Approximately eighty in attendance we classmates traveled from California, Illinois, South Carolina, West Virginia, and of course Ohio.

A special THANK YOU to the CLHSAA for the availability of the Lincoln banners and staffing the souvenir table.

Along with the singing of the Alma Mater, the successful event triggered many good memories and created many new ones.

Charlene Smith Jaeb has volunteered to chair the class of '55– 65th Reunion.

Respectfully Submitted
