Lincoln High’s Presidential Neighbor / 1929 to 1935

The McKinley home’s new location beside Lincoln

Photo: Canton Daily News - June 1929

Looking north from Sixth Street SW

It was just a simple cottage-style house when built in 1865 on Canton’s N. Market Avenue. But in 1896 it would become one of the most famous houses in America when Canton’s William McKinley became the 25th President of the United States while campaigning from its front porch. It has been said that never in American history had a home been so closely connected to the success of an American presidential campaign. Then after President McKinley’s assassination in 1901, the home took on even greater importance when it became a shrine to the memory of America’s third martyred president. When the home was located on North Market, where now the Stark District Library stands, people came from around the nation just to have their picture taken in front of it. Therefore, when in 1929 it was to be moved to a park beside Canton’s new Lincoln Junior High, it was indeed quite an honor for the school. The park just east of Lincoln was to be its permanent home, conveniently located right around the corner from the McKinley National Memorial. The main entrance to Meyer Park was a lovely boulevard that headed southward from West Tuscarawas Street to the front of the famous McKinley home that was now positioned at the north end of Meyer park (a portion of that boulevard still exists today behind a freeway sound barrier). So why is this nationally famous house no longer in Meyer Park? Why, after years of bickering and indecision, did Canton City Council vote to have it demolished, especially after many thousands of dollars had been donated by citizens from around the nation to have it moved section by section to Meyer Park to be preserved as a national presidential historic site? (cont.)

Home being readied for removal from N. Market site - 1929

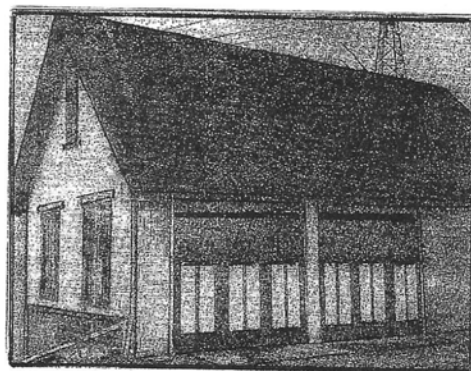

Sections underway to Meyer Park

Just as the McKinley residence was being moved slowly section by section across town to Meyer Park, our nation's Great Depression hit and the original organization that was backing the home's preservation (The Canton Civitan Club) had to back out due to a lack of funds. Nevertheless, the Canton community, the state of Ohio and the nation were still fully behind the preservation of this historically important presidential home. But now the actual day-to-day future of the home would fall squarely on the shoulders of the elected officials of the City of Canton and its park department, and not on an organization of concerned, private individuals. That, sadly, was the death knell to this famous home's ultimate preservation. During its first two years in Meyer Park everything seemed to be working as planned, and visitors from around the nation were coming to Canton and driving up the boulevard from West Tuscarawas Street to view the famous McKinley Front Porch Campaign House of 1896. But beginning in 1932, Lincoln High's famous neighbor was systematically being ignored by those who were now responsible for its upkeep, and the home began to decay. No caretaker was assigned to reside in the structure (which during the Great Depression many had offered to do gratis), and no fencing was erected to protect the home. Because of the ongoing decay and vandalism that occurred between 1932 and 1935, Canton City Council bickered back and forth between their two parties regarding what should be done about "that dilemma" out in Meyer Park: should they spend some money to fix it up, or should they have the McKinley home demolished? After three years of constant indecision, Canton City Council finally concluded that the easiest solution was to have President McKinley's famous home (what they now deemed an eyesore and civic embarrassment) demolished and have the wood from the home used to construct a "much-needed" storage barn in Nimishillen Park. And that is a very truncated version of the sad details that surround the regrettable saga of how Canton, Ohio became the only town in the nation that did not see fit to preserve its historic, presidential residence, a decision which to this day remains one of our community's greatest regrets. This nationally significant structure was not only the site of one of our nation's most memorable and unique presidential elections, but also the home where William McKinley and his wife honeymooned in 1871 and the home where their two children were born. CLHSAA President's Message

Bob Clemens '66

Hi everyone, fellow alumni and friends. My name is Bob Clemens, class of '66, and I'm serving my second term in office as your president.

Throughout the first year our goals and plans have been successful due to the faithful alumni members who have chaired or worked these projects to their successful completion. Our alumni members are the backbone of our organization and we ask your continued membership and support, whether it be thru monetary or physical support.

Many of us are aging and would ask that the younger generation of membership begin to step up and take the reins of this great organization as many of us are now within striking distance of our mid-seventies. Lol. One project that we will not be taking part in is the HOF parade for 2018. However, other projects, such as the Distinguished Alumni Award (May) and the Scholarship Awards (July) and the respective committees are currently meeting. Least I forget to mention the successful completion of the Reversal Raffle held in February which helps us to fund the scholarship award that we award yearly.

Thanks to all of the board members and committee people who give so much of their time to help this organization continue serving the community and its people in so many ways. Speaking of serving; we hope you will step up and serve either on board (the elections to be held at the /annual Meeting September 20, 2018 at Tozzi's on 12th) or on a committee. Stop by our monthly meeting the first Monday of each month at 6:30pm at the office on Wertz Ave., N.W. by the County Fair Grounds.

As a current resident of the Danbury Sanctuary Grande Senior Living Center in North Canton, ninety-one-year-old Nanette DeMuesy (recipient of the Lincoln Alumni Association's Lifetime Achievement Award in 2008) can look back on many happy years of being one of Canton Lincoln High's most ardent boosters. During the 1950s Nan taught English and Journalism at Lincoln and served as faculty advisor to the Lincoln Echo staff. Although Nan would leave Lincoln to pursue a career in advertising (DeMuesy Advertising & Marketing), her ties to Lincoln High remained strong. For over a decade Nan was the creative vision behind producing ten memorable May Fiestas with Ruth Cogan. Nan has been quoted as saying that "the years 1954-1964 were the happiest years of my life doing May Fiestas with Ruth Cogan." But Nan's years at Lincoln tell only a small portion of her story that has made her life so memorable for the Canton and North Canton communities.

Nan grew up as a "Hoover Baby" back when her father, Adam DeMuesy, worked for Boss Hoover as a company sales executive during a time when the Hoover Co. was North Canton. After Nan graduated from North Canton High (a cheerleader in 1943), she attended Northwestern University in Evanston, Illinois, majoring in journalism and English education. As an indication of the impact that she made on Northwestern University, she received the university's "Outstanding Senior Woman" award the year she graduated. Two of Nan's close friends at Northwestern were young women who would rise to national prominence, both remaining friends of Nan throughout the years: Cloris Leachman (award-winning actress -*The Mary Tyler Moore Show*), now also 91 years young; and Erma Bombeck- famous author and humorist (1927-1996).

Nan's generous spirit is most clearly visible in her home town of North Canton. The statuary in front of the North Canton Library; the drinking fountain at City Hall Plaza; the high dive and life guard chair at Dogwood Park, and the plaque to the memory of Herbert W. Hoover Sr. (Boss Hoover's oldest son) on the new South Main Street bridge near 55th Street, are but a few examples of Nan's generous gifts to her home community. And if you have ever drawn water from the famous springhouse in Canton's Stadium Park, Nan is also the vision behind that locally famous spring being named in memory of the beloved pastor of Canton's Calvary Presbyterian Church, the Rev. John Barker.

The Lincoln Alumni Association and staff of ECHOS OF LINCOLN join with the three close Lincoln friends of Nan who supplied the information for this article, in thanking Nan for her contributions to Lincoln High School and the communities of Canton and N. Canton. (Nanette DeMuesy, 850 Applegrove Street NE, North Canton, OH 44720)

FIFTY YEARS AGO IN THE LINCOLN ECHO

Nixon Victorious In Mock Election

On November 5th the student of Lincoln High School held a mock election in which they voted on the same issues and candidates as actual registered voters.

Mr. Burch headed the election and he was aided by members of his government and economics classes. The number of students who voted was 508, which is about 42 per cent of the student body. Here are the results of the election.

President - Richard M. Nixon (R), U. S. Senator - John J. Gilligan (D), Prosecutor - David D. Dowd Jr. (R), Clerk of Courts - Myron G. Van Nostran (R).

U. S. Rep. - 16th Dist. - Frank T. Bow (R), State Rep. - 89th

Dist. Ross G. Heintzelman (R), Sheriff - George Papadoulos (D), Recorder - Kenneth E. Motts (D).

County Commissioners - Donald R. Ramsayer (R), John P. Dougherty (R), Treasurer - John R. Hoffman (D), Engineer - Joseph A. Sturrett (D), Coroner - Gus S. Shaheen (R).

State Issue No. 1 - Approved, State Issue No. 2 - Approved, Stark County Parks - Defeated, Issue 35 - Mentally Retarded - Approved.

Liatt and Lt. Cable embrace in one of the tender moments of SOUTH PACIFIC. They are portrayed by Ellyn Mirides and Steve Swope.

South Pacific Sells Out

A standing room only audience for Friday and Saturday and a Thursday night audience consisting of four other high school choirs, helped to make "South Pacific" the greatest musical ever presented at L.H.S.

But to say that the audience was what made the musical great would be misleading. Six weeks of practice and direction from Mr. Mason and Mr. Lavery was the foundation for this greatness.

"Come to me" is the call of Stewpot (Gary Toney), Abner (Mary DiMario) and Professor (Darrell Warner) as the three seabees hula to "Bali Hai".

Hail To Thee

Alma Mater Lincoln High School

Hail to thee maroon and gold;
We will cherish thee and laud thee

As thy glories oft are told,
We will cheer thee and revere thee

As we sing thy praises o'er;
Alma Mater Lincoln High School

We will sing thy praise once more.

Choice Has Been Made

So now we have a new President. He is supposed to be the best qualified man to lead our country. Is he? Let's review how each man has pledged to lead us into the future.

One thing that has been on the minds of each of the candidates is the war in Southeast Asia. Nixon said, "I will make peace in Vietnam — and I will make it my own way". Is this the right way, Mr. Nixon? Hubert Humphrey has said that we need a change in our tactics. Do you have the solution, Mr. Humphrey?

Many Strange Things Are Happening

Is it true that there is another subject being added to the curriculum of Lincoln. Just ask Teacher Cathy McLaughlin or one of her students, Dan Santille, Larry Martin, Don Carlisle, or anyone else at Marlowe's 7th period.

Does Kathy Gossnell actually spend her spare time teaching people how to do backbends?

Does Lynn Carlin really get a thrill out of looking at pickled pigs?

Is it true that Garry Lascu exercises by standing on his head, and swinging on doors?

Frank Runner's five-page theme on the Echo newspaper should be mounted in gold and placed above a bronze statue of

him as an inspiration to all those on the Echo staff.

Deep down in her heart Mary Lynn Bobby thinks she's a bird. Come to the lunch room fifth period for a free demonstration.

Is it true that Mr. Migge is going to change professions and become a comedian. Ask any student in his earth science classes.

Ask Melanie Peters why Jim Watson hid under the seat at the movie, *The Boston Strangler*.

Cleve Battles has given up girls. Now he's collecting purses.

Ever notice the girls coming out of room 207 all starry-eyed? How about it, Kenny?

Is it true that some people have a way of being in the wrong place at the right time. Especially during a "South Pacific" practice. How about it Steve Wozniak?

Why does Mrs. Paulson always look so bedraggled after her journalism class?

Is it true John Putzier is uncoordinated or are the choir room chairs just too small for him to fit on?

Why are the choir members always running up and down the aisles of the auditorium 5th period? This can't be the way the sailors in the "South Pacific" act can it?

Is Cindy Deremer really that lad that Mr. Lessig has to

'bop' her on the head every once in awhile in homeroom.

Did you know Jill Cardamon looks in wastebaskets for combs?

Mrs. Paulson's sixth period journalism class has been sending get-well cards to sick students. Right now they're taking up a collection to buy one for John Putzier. Anyone care to donate?

Mr. Muzzy's popularity seems to have increased since he's been teaching Driver's Ed. At least with the girls, right Lynn?

Did you know that Larry Martin, gets a kick out of running around with his left shoe off?

Two outstanding seniors of the month are Karen Myers and Bob Neff.

Karen Myers is president of the Lincoln A Cappella Choir, a member of Madrigal Singers, a member of National Forensic League, student booster club representative; and a member of Wig and Masque. She is also a board member of Teen-age Republicans. Karen was in the all school play last

year and was "Bloody Mary" in the fall musical "South Pacific."

Karen is considering attending Muskingum College.

Bob Neff, a varsity football player, is also a member of student booster club. He is on Lincoln's baseball team and is a boys leader. Last year Bob was president of the junior class. Now he is Lincoln's representative with the mayor.

We Want Water

Dear Editor:

My complaint may be silly but I feel it at least could be heard. What does the school think the juniors and seniors are? Most all of the juniors and seniors spend 3-4 of their day on the third floor. Taking this into consideration, why do the freshmen and sophomores rate all the good drinking fountains downstairs? To get a drink on the third floor is almost useless. The fountains are too low and usually the water is hot.

So give us a break, we gotta drink water too!!!!

A thirsty student.

STARK COUNTY FAIR

CLHSAA BOOTH 2017

Andrea Roman Herbst '66

As in past years, the Fair Booth was well staffed by our volunteers in all of the various shifts. Many thanks for stopping by and browsing or buying some special Lincoln keepsake from our glory days!

Hats off and lots of THANKS to Barb McKelvey ("chief" souvenir buyer), Peggy Robart and Susie Vitale for putting the bins together to stock the booth, setting up the booth and then putting all away.

Also a special thanks to Jim "Ozzie" Osborn for all of his efforts to set up and take down the booth, and keeping us stocked in shirts, hats and souvenirs ... he really does have a license for that golf cart and he never SPEEDS!

A BIG LION THANKS to all of the CLHSAA members who manned the 2017 Lincoln Fair Booth. You are the BEST!!! THANKS for volunteering and being there ... NEVER EVER could we do this without you! SPECIAL mention to those who made last moment changes for unforeseen events that happened just before the start of the fair.

This is one of the biggest events that is requested in our yearly January mailing! Once again I was able to contact new volunteers this year! I begin the process mid-July, and I make every attempt to contact you and honor your request, so keep on applying and we will get you in the booth with your buddy or you can make a new buddy!

Sometimes, at some point, the need to say good bye happens ... it is with much sadness that CLHSAA said adieu to the long-time event of participating in the Annual Hall of Fame Kick-Off Parade in 2017.

We remain "young in heart", however the bones don't always feel the same sentiment! The Board did discuss several options for continuing our journey down Market Ave, alas, these did not pan out.

MANY THANKS to the Gerhart Girls and their families for providing rides for several years! Kuddos to those band members, majorettes, cheerleaders, and just us plain folks for sharing over the years your "lion pride" as we strutted down that 1.2 mile hike!

You marched in all kinds of weather and varying temperatures ... you know that O-H-I-O Weather Stick around and it will change in a heartbeat ... and it did on several times!

REMEMBER OUR LINCOLN HERTIGAGE ... WE WILL ALWAYS BE GRRREAT!

A MESSAGE FROM OUR FRIENDS AT HERITAGE CHRISTIAN SCHOOL

April 10, 2018

TO: THE ALUMNI OF LINCOLN HIGH SCHOOL

FROM: MR. TODD BENTZEL – Dir. of Development

Thank you for this opportunity to share an update on Heritage Christian School. Our student body is thriving. With a mission of ABCs (Academic Excellence, Bible-Based Instruction, and Community Commitment), Heritage is preparing our students for college, the military and the workforce. With nearly a 100% graduation rate every year, most of our students will soon become leaders in our community. And as you can imagine, it takes a lot of monies to maintain a 90-year-old building. We recently had to expend about \$70K to repair a leaking roof over the auditorium. In addition, we are currently facing a significant shortfall in funding that could possibly jeopardize the future of our school. We are reaching out to our community and beyond with the hope that those who see the value of what we are doing for the children of Canton will want to help our school. We want to remain in our building which has been so instrumental in the lives of Lincoln and Heritage students alike for so many decades. Currently I am awaiting word on a grant request to replace the doors at the 6th Street entrance. And we are still taking donations for the Auditorium Seat Project. Therefore, if any of you Lincoln alumni, or any of your friends feel so led, your tax-deductible gifts toward our operations would be a great help.

The CLHSAA appreciates very much that we can hold Lincoln alumni concerts and class reunion events at our beautiful old school building. In addition, all Lincoln alumni are invited and encouraged by the Heritage leadership to call the office (330-452-8271) and arrange to take a self-guided tour of the building. When you arrive at the school you sign in at the doors along Greenfield Avenue. The CLHSAA would like to encourage all Lincoln graduates to consider making a tax-deductible donation to the ongoing efforts that Heritage Christian School is constantly undertaking to keep the former Lincoln building fit for the 21st century.

“In all these things we are more than conquerors through Him who loved us.”

BULLETIN BOARD

Web Page & E-Mail

Dave Schemansky '66

CLHSAA has its own web page (domain name)

<http://www.cantonlincolnhighschool.org>

Check it out periodically!

Register your e-mail address in the Alumni Connections section of the alumni web page. It is a great way to connect with former friends and classmates. Please contact the web master whenever you change your e-mail address, or if you find a link that is no longer valid. The board will attempt to re-establish contact with the missing grad.

Missing List

CLHSAA is asking anyone with access to the web page to check out the lists of missing grads. These lists name grads/ attendees whom we are trying to locate, and we could use help. Someone out there knows where these people are or knows someone that the board could contact regarding that missing grad's whereabouts. Please take a look as we try to update the web page regularly. We can use your help in our effort to find all of Lincoln's grads.

YEARBOOKS

From time to time graduates or friends donate their yearbooks to our memorabilia collection. While we appreciate ALL donations of memorabilia, it is impossible to keep (and store!) every item; therefore, extra annuals are available for sale.

If you want to purchase a yearbook from a particular year, it may or may not be available when you are looking for it. However, we encourage you to write to CLHSAA, PO Box 20192, Canton, OH 44701, or to the website, stating the year(s) you are looking for. If that year's book is available, you will be contacted. You can then send a check payable to CLHSAA for your purchase. The price is \$15 plus \$6 shipping. Please allow six weeks for delivery.
